The Safe Word

QUOTES FROM READERS: Just read The Safe Word by Karen Long – an unputdownable serial tale thriller. James Purefoy For DS Eleanor Raven It's not so much who, what or when but 'why' that leads this powerful read to its conclusion and Karen Long reminds us that a brutal, vicious and destructive act is not inherently 'Evil' or derived from Satan but is a rational choice made by a human being. The quirky, offbeat and endearing relationship between Eleanor and her partner Laurence Whitefoot shines a light on this dark compelling world of sexual intrigue and mystery. My imagination was certainly held captive! Robson Green Most fictional detectives these days have to have a 'thing' to set them apart from the others, and Raven's is one of the most original for a long time. The plot moves in some unexpected directions, and builds to a genuinely exciting climax. The Safe Word is an impressive, confident debut. Convincing characters and some nice twists make for a compelling, satisfying thriller, and I look forward to seeing what's next for Eleanor Raven. Killing Time There are rules that every player of every game must abide by, no matter how dangerous the sport. Toronto has become the backdrop to a macabre set of artistic installations: women kidnapped, tortured and horrifically displayed by a killer with a vision. Only someone capable of understanding the killer's creative desire will be able to stop the murders and D I Eleanor Raven is uniquely qualified. Driven by a complex personality she pursues only the facts, only the things she can see, but never casts a judgement. But she also has a dark and dangerous secret – one that will threaten her very survival.

Safe Word

Safe Word is a beautiful discovery of self-worth through poetry and mindfulness practices. Find the magic in gratitude and affirm the experiences you want in life. Enhance the experience by applying healthy boundaries to create a safe space for yourself to glow up. These pages will take you on an exploration to your own unique safe word, a handpicked word that quickly reminds you of the intentions you've set for yourself, the affirmations you're walking into and the boundaries that will help you build something stable and unbreakable. Read each series of poems then indulge in each mindfulness exercise and reflect on the message in the safe space provided.

No Safeword

"My safeword," she said hurriedly. "We forgot to discuss my safeword." "This isn't some amateur scene at a BDSM club. There's no negotiation. There is no safeword. You signed that away when you joined The Enclave." Jaime Shepard fantasizes about being bound in chains—her heart, body and soul the possession of a Master who won't hesitate to take what he wants. Unfortunately, exploring dreams of sensual submission has taken a backseat to the daily grind of life, yet she never feels more alive, more vital, more herself than when engaging in a scene at one of the local BDSM clubs. When the sexy, mysterious owner of Asheville's premiere underground BDSM club makes Jaime the offer of a lifetime, she jumps at the chance to experience The Enclave, a secluded community dedicated to the passionate realization of a 24/7 BDSM lifestyle. Against the backdrop of a luxurious mountain resort, Jaime's rigorous, full-immersion indoctrination begins. Erotic discipline and intensive slave training push Jaime to the very limits of her boundaries and force her to reach deep inside to discover the grace and inner strength necessary for true submission. One thing she isn't seeking is love—but it might find her just the same.

Carrie's Story

Carrie's tale of uncompromising sexual adventure is like the Story of O starring a Berkeley Ph.D. in comparative lit (who moonlights as a bike messenger) with a penchant for irony, self-analysis and anal sex. Set in San Francisco and the Napa valley, Carrie's Story takes the reader on a journey into a netherworld of slave auctions, training regimes, and human 'ponies' preening for dressage competitions. 'My favourite neo-Victorian erotic romance writer... Bring on the ponies!' - Susie Bright

The Safe Word Soldier

Volume #3 of the 99th Agenda, Ivory, Jed and Billy have failed to stop the 99th Agenda from happening and 'The Children born in 1999' are beginning to form to rule the world. And they like to play hard with no rules and no safe words. There is only person that can stand up to them and her name is Patty-Tron and she is a safe word soldier and she means business.

Safe Word

"Took my breath away . . . It had me hooked from start to finish and I could not put it down . . . If I could, would give 10 stars!" —Amazon reviewer, five stars A risky affair goes badly awry, in this crime thriller set in a deceptively idyllic English village from the author of *The Things I Didn't Do*. In their pretty countryside home, Agnes and Fin appear to be just another happily married couple among their neighbours. But their attempts to conceive a child have failed, and amid the tension and pressure, they begin to experiment with their relationship. However, when Agnes engages in the same practice with her lover, the man across the street, it has far reaching consequences. When her lover dies, and the police start to investigate, Agnes fears the possibility of them closing in. But just how far will she go to save herself?

Safe Word

When Colton Bishop enters a bar in New York City, he has a plan. His job is to find an easy target and take her back to his place for a few days. He is working his way up the crime ladder doing a job he never wanted. Lily Hilton has it all but is hiding from a troublesome past. When she enters a bar downtown and runs into her old high school crush, her entire world is turned upside down. She is determined to make him notice her, but that plan may work better than she expects. Colton does not hesitate to take Lily home and use her as his new pawn, but their past begins to catch up with them as their secrets unravel, and he must decide what is more important to him, protecting Lily or himself.

Safe Word

From the publisher of the Best Erotica series and the author of "Carrie's Story" comes the continuing tale of a young woman's uncompromising sexual adventure.

Safe Word

From the author of Carrie's Story comes the continuing tale of a young woman's uncompromising sexual adventure. Carrie leaves Jonathan, the S/M master who initiated her into a life of slave auctions, training regimes, and human "ponies" preening for dressage competitions. Whisked away to Greece by the demanding gentleman who has chosen her as his own, she learns new, more rigorous methods of sexual pleasure.

Safe Word

Safe Word is an emotional story surrounding the main three characters: Emily, Chloe, and Luke. Chloe is a journalist in her senior year of college when she receives the opportunity of a lifetime to join a writer's workshop in Virginia. She packs up her bags and leaves New Jersey to start this new and exciting journey. Chloe thinks she lucked out by finding a guest house for her stay on a huge farmland, but she quickly learns there is nothing lucky about it. Luke is the charming, narcissistic host who welcomes Chloe to her new temporary housing. Although they have instant chemistry, Chloe can't help but shake her nerves about him. Luke is the sheriff of the small town; everybody knows him, and everybody loves him. Turns out Chloe arrived at a wild time, because Luke and his recent break-up with Emily is the talk of the town. However, this isn't your normal break-up... Emily is missing and the ones closest to her are starting to grow suspicious. Shortly during Chloe's stay, she gets terrifyingly haunted - things are happening to her that only happen in your worst kind of nightmares. Eventually, this scary omen comes to light and she's not so scary after all - it's Emily, and she needs Chloe's help. From here the story is told by Emily as she takes us through her and Luke's relationship. We live through the night they met, how beautiful and passionate their love was - but we quickly learn it wasn't always butterflies and rainbows. We watch as Emily and Luke's relationship becomes dangerously abusive. July 4th was the night Emily began packing her bags to leave, only she didn't make it out of the house. Luke viciously murdered Emily and buried her body in his large woodland farm. Nobody would ever suspect the highly respected town sheriff of doing such a thing, so it is now up to Chloe to find Emily's body and serve her justice. There is only one thing standing in her way - Luke. Safe Word is a script that will make you feel every emotion from fear to laughter, while keeping you on edge until you learn how Emily's story will end.

Late at night, on an amateur ghost hunt, Sabrina and her best friend Q are caught trespassing by the gorgeous, blonde Jude. The embers of attraction between them sizzle when they discover Jude's kinks match their own. Jude is a Dom on his last summer of freedom before starting the prison sentence that is med school. Q is a bad-ass bi switch who knows what she wants, and for years it's been her cute, doe-eyed straight friend Sabrina. But the only way into Sabrina's heart and panties may be with Jude's fist wrapped in her hair. Domming the bratty Q and mischievous Sabrina isn't going to be easy but Jude relishes the challenge. At the end of the summer, will they find a way to stay together when everything is tearing them apart?

The Dom with a Safeword

McKenna Clarke's debut poetry collection: *My Safe Word Is Harder*. This 50+ page throat-punch compels you to live your truth and accept the value of its resin; handling topics such as mental health, relationships, addiction, loss, and the pursuit of connection, with all sincerity. Even though, essentially, "composure is bullshit."

My Safe Word is Harder

WINNER OF THREE EISNER AWARDS. After a devastating plague, Yorrick Brown is the last man left alive in a world of women. On the run from Amazon extremists who would be happy to see him dead, his friends leave him in the care of Agent 711. But 711 is not the tragic woman she seems to be and Yorrick is propelled into a drug-fuelled nightmare of blood and sadism. Collects issues #18-23 of the runaway hit *Vertigo* series by Brian K. Vaughan (*EX-MACHINA*, *RUNAWAYS*) and Pia Guerra.

Y: The Last Man, Vol. 4: Safeword

Enjoy the series Hollywood scouts describe as "Tarantino directs *Dumb and Dumber*." When Max & Louie set out to find...um..."romantic" partners at a bar across the street from an STD clinic, hilarity and adventure ensue. With the aid of their good friend Bobbey the curry chef and martial arts master, they get themselves into everything from drunken bar sex, to a mixed-species MMA match, to a PETA rally in a nonstop cavalcade of rude and loyal adventures. From Chapter Eight: "Where is this bar, Bobbey?" Luie said. He turned back to squint through the windshield at what I was pretty sure was a red light, but he treated like an open Nascar track, including the part about turning left. When we were done shuddering up and back off the curb in front of a flower shop, he said again, "Bobbey?" "It's a bit out of town. Take the highway past the old mill." "What the fuck is out there?" I asked. I was staring straight ahead at the road as Luie's car ate up the yellow divider lines like a drunken, weaving Pac-Man, as if somehow my concentration would help keep us on the road. "Probably some moonshiners serving shots in a field someplace," Luie said. "No, lad. It's not really like that," Bobbey said. It sounded like he said it with a mouth full of tongue. "Some kind of speakeasy, like in the 20's?" said Cass. She made little pew-pew noises like she was a gangster in a movie. Bobbey's mouth was empty when he said "No, lass. It's not really like that, either." "It's a brothel," Luie said. "Oh shit. It's a brothel. Is it a brothel?" "No my brolapsed rectum, it's no house of ill repute. It's more in the manner of a fight club." "A fight club?" me, Luie, Cass and Constance said more or less at the same time. "Aye," Bobbey said. "Do we have to fight?" Cass asked. I couldn't tell whether she sounded more scared or more turned on by the thought. "Nay, lass," Bobbey said. He put one arm around each of the girls and pulled them close. "Lads sign up to have mixed martial arts bouts in the ring and the establishment makes its fortune off gambling and the sale of strong spirits. They run it all in eight-man brackets, single elimination style." Luie said, "Sounds like you've been there before, brontosaurus rex." "Aye, and more than once." "What does the winner get?" Constance asked. "Some kind of trophy?" "Why, lass, the winner gets to fight the kangaroo." "I'm sorry," Luie said. "It sounded like you said the winner fights a kangaroo." --In the hilarious tradition of Joe Lansdale, Norma Partridge, Christopher Moore, A. Lee Martinez, and Warren Ellis, these short and punchy stories will have you laughing fit to fart.

Safe Word

The continuation of Brian K. Vaughan and artist Pia Guerra's acclaimed *VERTIGO* series *Y: THE LAST MAN* brings to vivid life the age-old speculation: What would really happen to the last man on Earth? In 2002, the world changes forever. Every man, every boy, every mammal with a Y chromosome everywhere on Earth suddenly collapses and dies. With the loss of nearly half the planet's population, the gears of society grind to a halt, and a world of women are left to pick up the pieces and try to keep civilization from collapsing entirely. The *Gendercide*, however, is not absolutely complete. For some unknown reason, one young man named Yorick Brown and his pet male monkey, Ampersand, are spared. Overnight, this anonymous twenty-something becomes the most important person on the planet. The key, it is hoped, to unlocking the secret of the mysterious sex-specific plague. For Yorick himself, the most important person on the planet has been agonizingly out of reach. But now, after three long years and 10,000 arduous miles, the last man is closing in on the truth about his lost fiancée and the shocking facts behind his own survival. Collects *Y: THE LAST MAN* #37-48

Y: The Last Man Book Four

Everywhere Detective Gavin DeGrassi looks he's reminded of his attack by the Breath Play Killer. It's in the house he lives in with his partner and Dom, Ben Haverson. It's in the sympathetic yet pitying looks he receives from his fellow detectives when he returns to the force after a year-long hiatus. It's in the suffocating coddling of his entire family, and the relentless reporter demanding an exclusive of his ordeal. Most of all, it's in his lack of submission to Ben, who isn't convinced Gavin's recovered enough to trust the power exchange between them. The miraculous recovery of two teen boys from a twisted kidnapper gives him heart, and Gavin's determined to prove he can handle anything despite increasing strain between him and Ben, painful nightmares, and panic when anyone touches him. But his next case is too close for comfort: a friend and colleague found raped and murdered in a fate chillingly similar to what could have been his own, and this killer isn't stopping with one cop. As the body count rises and taunting souvenirs are being hand-delivered to Gavin, he faces a frustrating lack of leads, a crushing need to prove himself, and a sinking suspicion the imprisoned kidnapper's reach is further than originally thought. A miasma of uncertainty and fear threaten to suffocate him when he asks a question with which he's overwhelmingly familiar: what happens when a victim is pushed too far?

Safeword

Zander with his looks so fair, Darius ties his ropes with care, Santos has a psychotic flare, And Blaze holds a devilish glare. Selene holds all their hearts in her hands, Make one wrong move and your neck will be where her scythe lands. They are the Reaper Incarnate.

Reaped

The old saying is true: you can never outrun your past, not forever. A life of crime isn't always black and white. The mafia has a lot of room for gray, except for when it comes to being anything outside of the box. The mafia prefers their women to be Barbies, not non-binary. When it became clear that I'd never live up to the family's expectations without losing my identity, the only thing left for me to do was run. Now I have a new name, in a new city, with only one man on my side who knows the truth. I was ready to start over, but life had other ideas. Unwittingly brought back into the mafia lifestyle by three deadly men with a passion for blood, bondage, and... each other, my past collides with my present, and I don't know who to trust. Once again, I find myself in a world of gray. Though this time it's filled with a lot more splashes of crimson than I expected. I've always known the only way out is death. If I'm lucky. Though my men are making me wish that there was another way. When the game of love is filled with death, lies, and corruption, is it possible for its beauty to survive? Lies and Loves is a WhyChoose/Reverse Harem where the MC does not have to choose between their three (or more, wink wink) love interests. There is MM content within the series, both with and without the MC present. This book includes sexual assault flashbacks, PTSD, and self-harm that readers can find triggering. Note: Since the main character, Blake, is non-binary, I use the pronouns- they, their, and them when referring to Blake throughout the story.

Y, the Last Man

A varying collection of 80 of my rhyming poems.

Beauty of Corruption

They call him Masque. I call him God. The man I want to consume me, own me, break me and corrupt me. Yet I've never seen his face. His body ripples like an Adonis, sculpted in steel and dripping in sin. His flesh is inked with the mark of the chimera - one body, two very different halves. He plays hard. He plays rough. He has no limits. He's so fucking dirty bad wrong. But I love him for it. *** Lydia Marsh is always the strong one. The girl who never breaks, and sure as hell never cries. She's got it all - the perfect little life in cosy suburbia, with her perfectly nice boyfriend, and their perfectly sufficient sex life. She's even got her perfect little career plan all wrapped up at Trial Run Software Group. But when it all falls apart, and Lydia's pretty, green eyes are fixed on a brutally sexual stranger - the man they call Masque - she comes to suspect that being strong isn't all it's cracked up to be. For now Lydia wants something she's never wanted before... And she wants Masque to give it to her. **Warning - this novel contains graphic sex, and hardcore elements of BDSM. There are scenes of violence (consensual) as well as sexual practices some readers may find offensive. If you aren't turned on by dirty bad wrong sex then please walk on by. Thank you.**

My Safe Word is Poetry

Words of comfort for those who have suffered a loss move the reader through the raw emotions of grief--denial, anger, confusion, guilt, and loneliness--to acceptance and transformation. Original.

Dirty Bad Wrong

An ffm/m tickle torture tale of a true story that happened to me a couple years ago. When my friend Kevin came home for a visit I knew I was going to be the victim of a plot--what I didn't know was just how devious him, my girlfriend, my sister and my friend were going to be with me! This is a tale of feathers and soles, fingers and brushes, kidnappings and reclining chairs...begging for mercy and ignorance of such pleas...it is a tale of laughter...a tale of tickle torture.

Safe Passage

My name is Eden Moretti. After leaving the Carlotti heirs for my own safety, unsure of if, or when, I'd return, I set out on a journey of self-discovery and healing. But my travels abruptly ended when I discovered the men I couldn't ever fully put out of my mind making national news. I watched from hundreds of miles away as they were arrested. For murdering the two dirty cops. For my alleged kidnapping. I knew it was either a ploy to flush me out or a convenient lie to put them away, but I made the call to Vinnie anyway. Now I'm on my way home to try to rescue my original bad habits. Even though I was on my way to help exonerate them, I was too late to save them from our enemies. They hurt my men, but now I'll have my revenge. If they want to escape my wrath, well, they'd better kill me first. No Bad Deed is a dark mafia reverse harem and the epic conclusion to the Bad Habits Duology. HEA, lots of spice, and everything not so nice, are guaranteed. Mature audiences only. All characters are over the age of 21. Content warning includes but is not limited to: vulgar speech, explicit scenes, drug use, violence, gore, dub/noncon, and possibly a myriad of other aspects that may not be suitable for all readers.

SafeWord Expired

Lady Amelia Fitzwilliam is approaching her thirtieth year, and her umpteenth Season without selecting a husband. Her elder brother is so concerned over this state of affairs that he's tripled her already obscene dowry in hopes that the coming Season will finally see her leg-shackled. Opposed to the establishment of marriage to begin with, Amelia has no intention of giving up her freedom-or the taboo predilections she engages in behind closed doors. After all, what lord of the ton would submit himself to a woman who enjoys subjecting her bedmates to pain and domination for life? Since she has yet to meet such a man, Amelia contents herself with the long life of spinsterhood stretching out before her. Michael Darling is a simple gentleman farmer, satisfied to live out his days rustivating in the country. He has no reason to run off to London searching for a bride-except for the matter of his dire financial straits. Debt has bled his coffers dry, leaving him with only one option: quickly find and wed a woman with an enormous dowry. When he encounters Lady Amelia Fitzwilliam in a gaming hell, the lady's reputation precedes her. A wager made over a card game will put her within his grasp, but the discovery of her peculiar tastes in the bedroom has him wondering if they could ever make a good match. Soon, Michael will realize that Amelia's domination appeals to him more than he would have ever dreamed, causing him to fall rapidly under her spell. However, a dark past comes with Amelia's tendencies, making her hard to woo and even harder to love. Never one to back down from a challenge, Michael sets out to untangle the convoluted puzzle Amelia presents and, hopefully, win her heart.

No Bad Deed

Natalia Ross, a shy small-town girl fresh out of college, moves to New York to pursue her dreams as a journalist and lands the job "millions of girls would die for." Hired as the assistant to Scarlett Stone, the high-profile, fabulously successful editor of the fashion blog Stitch. Scarlett, as enigmatic as she is rich and powerful, is merciless and demanding of Natalia and the rest of her employees. Even still, Natalia is intrigued by Scarlett's unrelenting ways and the two find themselves in an unconventional physical affair. Through Scarlett's depraved tastes in romance, Natalia experiences a personal awakening that begins to change her life forever and the two fall deeply in love. But their delicate balance of work and play is challenged when Scarlett and Natalia's complicated and dangerous pasts begin to catch up with them. As both lives begin to unravel, Natalia and Scarlett discover that those with the power, aren't always the ones in control.

Dominating Mr. Darling

K. J. Charles turns up the heat in her new Society of Gentlemen novel, as two lovers face off in a sensual duel that challenges their deepest beliefs. Silas Mason has no illusions about himself. He's not lovable, or even likable. He's an overbearing idealist, a Radical bookseller and pamphleteer who lives for revolution . . . and for Wednesday nights. Every week he meets anonymously with the same man, in whom Silas has discovered the ideal meld of intellectual companionship and absolute obedience to his sexual commands. But unbeknownst to Silas, his closest friend is also his greatest enemy, with the power to see him hanged—or spare his life. A loyal, well-born gentleman official, Dominic Frey is torn apart by his affair with Silas. By the light of day, he cannot fathom the intoxicating lust that drives him to meet with the Radical week after week. In the bedroom, everything else falls away. Their needs match, and they are united by sympathy for each other's deepest vulnerabilities. But when Silas's politics earn him a death sentence, desire clashes with duty, and Dominic finds himself doing everything he can to save the man who stole his heart. I just couldn't put it down. K. J. Charles has long been one of my favorite authors, and this book doesn't disappoint. A Seditious Affair is a beautiful love story interwoven with the realism of the political unrest of the time—another winner from K. J. Charles!"—USA Today bestselling author Carole Mortimer "Without doubt, A Seditious Affair is one of the best books I've read this year."—All About Romance "I still haven't gotten over how much I loved this book. I so look forward to reading the next novel in K. J. Charles's Society of Gentlemen series."—Unquietly Me "Gah! It's always the books I love the most that leave me flailing and tongue tied. . . . A Seditious Affair is not a fluffy read but it is a story you can really sink your teeth into. It's complex, sensual, raw and gosh darn it—super romantic. It's one of my favorite reads of [the year]."—For What It's Worth

Tyler and Viv have found each other again after a three day fling three years ago. Ideally suited for each other, they try to make a relationship work. However, they soon realize Tyler was expecting a twenty-four/seven total power exchange and Vivian will never be a twenty-four/seven submissive. As they try to find a compromise, Vivian must deal with what a Total Power Exchange means, even if it's only a part time power exchange, and Tyler must decide if he can live with a sometimes-Master and sometimes-boyfriend relationship. Will they find their pot of gold at the end of the rainbow? This title was published in 2010 with less than half the current content. The story has been considerably rewritten and contains a great deal of new material. We think it's a far better story now, but if you read the original, you can be the judge! Warning: Contains graphic language, consensual BDSM, bondage, and the use of toys including clamps, canes, plugs, paddles, and floggers.

A Seditious Affair

Cassie's introduction to kink throws her for a loop until a friend and his slave give her a gentle introduction. Unfortunately, her friend has issues when it comes to kinky activities with women, so Cassie goes looking for someone else to teach her. She knows how to be safe, but a disastrous adventure ends with an ambulance ride to the emergency room, and the three men it hasn't worked out with all come together to nurse her back to health. Two Doms and two submissives in one house should be a nightmare waiting to happen, though under the right circumstances could be a dream come true.

Matte, pronounced mah-tay, is the word used in some forms of martial arts to stop a fight. It's the Japanese word for stop or wait. Sam (short for Samantha) has made a hobby out of learning the various fighting disciplines, but she also happens to be a sexual submissive. What better safeword than matte? Sam wants to find someone to submit to who she can't beat in a fight. She's tried to make it work with men from the scene who know nothing about fighting, but it doesn't feel real to her - she needs someone who can truly control her. However, after dating from the fight scene and discovering not all guys like to spank their girlfriends, she's decided to just back away from the whole dating thing for a while... until Fate decides to step in. Warning: This title contains graphic language, consensual BDSM, bondage, and use of toys including crops, clamps, canes, and floggers.

If you're interested in BDSM and culture - or if you just think sex is fascinating - then this book will inspire you and challenge you. * * * "I wish we could make it so everyone buying a copy of 'Fifty Shades of Grey' would also buy Clarisse Thorn's 'The S&M Feminist.'" ~ A.V. Flox, editor of BlogHer Love & Sex * * * Clarisse Thorn's writing has appeared across the Internet in places like The Guardian, AlterNet, Feministe, Jezebel, Time Out, The Rumpus, Ms., and The Good Men Project. This is a selection of her best articles, all in one place! Clarisse has delivered sexuality workshops and lectures across the world. In 2009, she created and curated the ongoing Sex+++ sex-positive documentary film series at Chicago's historic feminist site, Jane Addams Hull-House Museum. In 2010, she returned from working on HIV mitigation in southern Africa. She has also volunteered as an archivist, curator and fundraiser for that venerable S&M institution, the Leather Archives & Museum. This book includes Clarisse's commentary on her writing process. Plus, there are "study guides" to help readers get the most from each section! * * * "Clarisse isn't afraid to talk about her own experiences with BDSM, relationships, and sexual politics. But she's also not afraid to explore some of the issues around consent, violence, and safety that a lot of the kink cheerleaders would like to sweep under the rug. She brings a refreshing honesty to her writing that is often lacking. Add to that a deep commitment to feminism and sex-positivity, and you have an amazing combination. "The tension between kink and feminism is a tough one to hold onto and most people end up firmly in one camp or the other. What makes Clarisse's writing phenomenal is her steadfast refusal to avoid doing that. The clarity with which she discusses both sides without resorting to caricatures or stereotypes is simultaneously inspiring and challenging. If you're interested in either or both, I can't recommend her enough." ~ adult sex educator Charlie Glickman of Good Vibrations

Celeste has worked hard to establish her freelance blog as a source of accurate crime news for the Baton Rouge area. Being a workaholic, focusing solely on her career, was her choice. Five years ago, she had a life-changing experience in a BDSM club that made it clear she is a submissive, but she believes her past makes embracing that path impossible. Then Sergeant Leland Keller walks into her life. He's the Dom she's always feared and hoped she'd meet, and he recognizes her as what he's been looking for as well. But she fights submission as much as she longs for it. Leland always thought he was looking for a docile, sweet-natured sub, but the heart wants what it wants. He can tell Celeste is aching for love and surrender. Having served in the military and now as a patrol sergeant in one of Baton Rouge's most dangerous districts, he doesn't shy from a challenge. His job is to protect and serve. He's not going to let her down.

The S&M Feminist

This is the second edition of the WHO handbook on the safe, sustainable and affordable management of health-care waste--commonly known as "the Blue Book". The original Blue Book was a comprehensive publication used widely in health-care centers and government agencies to assist in the adoption of national guidance. It also provided support to committed medical directors and managers to make improvements and presented practical information on waste-management techniques for medical staff and waste workers. It has been more than ten years since the first edition of the Blue Book. During the intervening period, the requirements on generators of health-care wastes have evolved and new methods have become available. Consequently, WHO recognized that it was an appropriate time to update the original text. The purpose of the second edition is to expand and update the practical information in the original Blue Book. The new Blue Book is designed to continue to be a source of impartial health-care information and guidance on safe waste-management practices. The editors' intention has been to keep the best of the original publication and supplement it with the latest relevant information. The audience for the Blue Book has expanded. Initially, the publication was intended for those directly involved in the creation and handling of health-care wastes: medical staff, health-care facility directors, ancillary health workers, infection-control officers and waste workers. This is no longer the situation. A wider range of people and organizations now have an active interest in the safe management of health-care wastes: regulators, policy-makers, development organizations, voluntary groups, environmental bodies, environmental health practitioners, advisers, researchers and students. They should also find the new Blue Book of benefit to their activities. Chapters 2 and 3 explain the various types of waste produced from health-care facilities, their typical characteristics and the hazards these wastes pose to patients, staff and the general environment. Chapters 4 and 5 introduce the guiding regulatory principles for developing local or national approaches to tackling health-care waste

management and transposing these into practical plans for regions and individual health-care facilities. Specific methods and technologies are described for waste minimization, segregation and treatment of health-care wastes in Chapters 6, 7 and 8. These chapters introduce the basic features of each technology and the operational and environmental characteristics required to be achieved, followed by information on the potential advantages and disadvantages of each system. To reflect concerns about the difficulties of handling health-care wastewaters, Chapter 9 is an expanded chapter with new guidance on the various sources of wastewater and wastewater treatment options for places not connected to central sewerage systems. Further chapters address issues on economics (Chapter 10), occupational safety (Chapter 11), hygiene and infection control (Chapter 12), and staff training and public awareness (Chapter 13). A wider range of information has been incorporated into this edition of the Blue Book, with the addition of two new chapters on health-care waste management in emergencies (Chapter 14) and an overview of the emerging issues of pandemics, drug-resistant pathogens, climate change and technology advances in medical techniques that will have to be accommodated by health-care waste systems in the future (Chapter 15).

Safe Management of Wastes from Health-care Activities

I do not believe in trigger warnings or safe spaces. The idea that I would have to warn adults that they're about to read adult material and that the subject matter might be, gosh, too "adult" for them is pathetic. With that said, No Safe Word might just be the most deplored and debaucherous piece of filth Deadman's Tome has ever released. No Safe Word is a smooth blend of horrific perversions, hardcore erotica, and the brutal imagery that Deadman's Tome is known for. With a title like No Safe Word, it should be of no surprise that this issue contains strong images of misogyny, misandry, BDSM, brutal beatings, and demonic sex. If you cannot stomach that, then please, do not go any further.

My Safe Word is Stay

Life is hard when you are on the run. Just trying to survive and start a new life on my own was almost impossible. Until one night a shadow scared me into a building, a building that would change my life forever. Six months at Seduction and I am finally ready for the auction. Tonight is the night that I sell myself to a stranger. I'm more ready than words can say, one night as their plaything and I am flush with cash for the next three months. Sounds like a great deal to me. But my night in the spotlight doesn't go quite as planned, and instead of one man and one night, I'm sold to four men for a month. Jack, Vince, Arlo, & Dimitri, four friends that know what they want and aren't afraid to pay for it. The only problem is my heart and my body agree we want more than meaningless sex with the four men that bought us, but the past has a way of sneaking up on you and ripping all your hopes and dreams away. I'm willing to fight for love or die trying. I just don't know if these four men will fight with me.

"From beginning to end a sinfully delicious story of one woman's struggle to trust who she is inside and accept herself as well as the love of the man that she loves with all her heart." ~ Book Junkie
BOOK DESCRIPTION: Andrea wants to submit, but not to just any so-called Dom. He has to be tougher than the slum-bred bullies she grew up with. She'd given up finding a true Dom when her friend finagles her a place as a trainee in an exclusive BDSM club with the powerful Shadowlands Masters.

Andrea's thrilled...and terrified. Forced to accept an unknown submissive into his carefully run trainee program, Master Cullen is furious. Not only is the young woman new to BDSM, but she's unsuited to her role--armoured in leather like a Domme, she's more liable to punch a Dom than kneel. He decides to push her right back out the door. But as he ruthlessly intimidates her, punishes her, then cuddles her, his glimpses of the woman inside the emotional armour intrigue him and her utter surrender captures his heart. Although Master Cullen is famous for his unfettered lifestyle, Andrea believes he might be interested in her, until she discovers he's not just a bartender--he's a cop. Maybe he'd overlook her past brush with the law, but when another trainee accuses her of stealing money, Andrea knows she's lost the Master she wanted with all her heart. "If you've not experienced the fantastic work of Cherise Sinclair, now's a good time to start." ~ Whipped Cream Reviews In the exclusive Shadowlands BDSM club, the title "Master" is given to only the most powerful, experienced, and skilled Dominants. However, although each Master may have played with many, many submissives, no training can prepare a Dom for falling in love. "This is a fabulous series. It's erotic, it's romantic, has wonderfully suspenseful plots, and amazing characters (including so many yummy sexy alpha men...)." ~ The Romance Reviews Each book in the Masters of the Shadowlands series is a standalone story that can be enjoyed out of order. The MASTERS OF THE SHADOWLANDS series Book 1: Club Shadowlands Book 2: Dark Citadel Book 3: Breaking Free Book 4: Lean on Me Book 5: Make Me, Sir Book 6: To Command & Collar Book 7: This Is Who I Am Book 8: If Only Book 9: Show Me, Baby Book 10: Servicing the Target Book 11: Protecting His Own Keywords: BDSM, erotic romance, dominance, male Dominant and female submissive, BDSM club, BBW, curvy woman, dominant hero, shadowlands, submission, alpha male, bondage, contemporary romance, masters of the shadowlands, spanking
