The Heart Asks No Questions - Amanda's Story

A step in the wrong direction ends Amanda Cartland's marriage, and much more. Guilt, sorrow, and anger destroy her peace of mind. To soothe the pain and to forget the past, she reaches for bottles of red wine. Slowly, she sinks from one drunken stupor into the next until an alcoholic blackout causes her to hit rock bottom. Will she make good on her resolution to seek help? At stake are her health and sanity, also a newly found love with a good man.

The Heart Asks No Questions - Complete Series

Four women, four second chances at romance and love - The Heart Asks No Question series, companion novellas to the Sex and the Seasons series, tells the stories of their hopes and dreams. Compelling, emotional and exquisitely romantic. Sylvia's Story - a multi-generational love story that weeps from Canada in the present day to Germany, Russia, and Poland during the Second World War. Through the Eyes of the Heart

This book is written as a memoir of 40-plus years of working with human experiences of death, grief, and bereavement. The stories are all similar but uniquely different; similar in the sense that they all relate to varying issues embedded in loss. They are different in how each of these losses occur. The author invites the reader into a world of overwhelming grief brimming with raw emotions. The stories

are true and tackle the capricious and unpredictable nature of death in a society that seeks to avoid and overcome the reality of death. Most of the stories are told from the perspective of a hospital chaplain working with real people. While these stories are profoundly sad, the author invites the reader to search for and find snippets of hope through a recommitment to life and living--constantly holding before the reader the dialectic tension that exists between life and death.

Probing the Mind to Free the Soul

Christian theology presents an overly simplistic portrayal of the mind and nature of man, his needs, his longings, his beliefs and his aspirations for God. A psychoanalytic protest theology aims at bringing psychoanalytic complexity regarding the mind to theology. Organized Christianity has failed to account for how the unconscious influences interpretations of Scripture and also how application of Scripture to lived life can be damaging if complex unconscious factors are not considered in theology. This book attempts to employ psychoanalytic insights in the exploration of critically important themes addressed by theology. Among them: morality and conscience, autonomy and destiny, and relationship and sexuality, including the sexuality of God, suffering, and law, along with its correlation with death. This is intended to serve an integrative constructive purpose. Both classical psychoanalysis and Christian Scriptures conceptualize sexuality in its large sense as residing at the core of the mind of mankind. Christianity has tended to cope with sexuality by adopting a notion of attainable sexual purity, a myth that this work seeks to expose and dismantle, with a view to enabling the church to more effectively and compassionately engage with real people whose sexuality is characteristically complicated and troublesome.

The Heart Asks No Questions Juliettes Story

All books in the Heart Asks No Question series are stand-alone novellas. Juliette Bertrand dreams of a career on the stage. Her father's disapproval drives her into the arms of Lucca Barbosa, the son of a wealthy Montreal family with ties to the underworld. Ten years Juliette's senior, Lucca proposes marriage, promising her freedom from the shackles of her family and support in the pursuit of her dream. Juliette accepts Lucca's proposal, more lured by his promises than by the status of being the wife of a wealthy man. But Lucca's charm turns into abuse; he breaks his promise and seeks other women to satisfy his lust. Five years into their marriage, Juliette wants out. Her decision has devastating consequences for her and Edward, her four-year-old son. Single again and battling depression, she returns to the stage and begins to channel what little energy she has left into a new career. Fourteen years later, a fluke incident propels Oliver Marsden into Juliette's life, and when she feels that after many years of being afraid of men she can trust again, fate has yet another surprise for her in store. It's now up to Juliette to set some records straight and face Oliver with the truth about her past or run the risk of losing him as quickly as he had appeared in her life and with him also her second chance at love.

Alien Orders

Do you know the four types of aliens that have hidden themselves amongst governments and armed services throughout the world? No? Well, neither did Air Force Captain Scott Ryan until one night when he encountered a UFO while flying a training mission and was ordered by his superiors to forget what he saw. When Scott learns that airmen at his base had been experiencing the same thing he did for years, he ignores the order and begins digging deeper. Scott's investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full-blown government conspiracy and coverup. With a group of aliens known as the "Naturals" going extinct, they are creating more and more alien/human "Hybrids" to ensure their survival—a process that threatens human free will and existence. With the survival of both humans and aliens at stake, Captain Ryan suddenly becomes the only man with enough knowledge to stop the Naturals or . . . to join them? Winner of two 2022 BookFest awards, recognizing best science fiction and fantasy books, and a 2022 Literary Titan Book Award.

The Art of Asking

REDISCOVER THE FORGOTTEN ART OF ASKING IN THIS NEW YORK TIMES BESTSELLING BOOK 'Amanda Palmer joyfully shows a generation how to change their lives' Caitlin Moran 'To read Amanda Palmer's remarkable memoir about asking and giving is to tumble headlong into her world' Elizabeth Gilbert 'The Art of Asking is a book about cultivating trust and getting as close as possible to love, vulnerability, and connection. Uncomfortably close. Dangerously close. Beautifully close' Brene Brown Imagine standing on a box in the middle of a busy city, dressed as a white-faced bride, and silently using your eyes to ask people for money. Or touring Europe in a punk cabaret band, and finding a place to sleep each night by reaching out to strangers on Twitter. For Amanda Palmer, actions like these have gone beyond satisfying her basic needs for food and shelter - they've taught her how to turn strangers into friends, build communities, and discover her own giving impulses. And because she had learned how to ask, she was able to go to the world to ask for the money to make a new album and tour with it, and to raise over a million dollars in a month. In the New York Times bestseller *The Art of Asking*, Palmer expands upon her popular TED talk to reveal how ordinary people, those of us without thousands of Twitter followers and adoring fans, can use these same principles in our own lives.

The Beautiful Risk

The heart is too much a mystery for us to approach its healing as a simple matter of finding and fixing the problem. Methods alone cannot meet the deep, aching need of souls that cry not for solutions, but for connection. 'The Beautiful Risk' encourages us to trade cure for care, expertise for partnership, and mastery for love. With perspective-shifting insights and examples, Dr. James Olthuis helps us -- both counselors and those who come for counsel -- to move beyond control and technique and join in a risky but glorious dance of relationship, love, and healing.

A Mansion on the Moon

Set in the turbulent period of Guam history, between the Spanish-American War and World War II, the lives and loves of three Chamorro women are told in vivid detail. A navy seaman leaves young Amanda de Leon broken hearted. For Sylvia de Leon Camacho, happiness ends too soon. Life teaches the level-headed Vivian Camacho that falling for an American serviceman is futile, like reaching for the moon. Cultural and racial prejudices magnify the distance. Trying to build a life with one is as impossible as building a mansion on the moon. Then a navy civil engineer comes into Vivian's life. Kirkus Review: The extensive cultural descriptions specific to Guam and its people add a depth and singularity...preventing this wartime romance from coming across as trite. While Gault tackles weighty political issues...she also manages to tell a story that is simultaneously wistful and uplifting. Blueink Review: ...An engaging romance with wonderfully written and fully realized characters...The author's strong voice is never more evident than when she describes the...changes from a peaceful community and military outpost to an island ravaged by World War II...both stories are dramatic, heart-wrenching but eventually uplifting. Foreword Review: ...The emotional power of the intricate tale carries the story...A Mansion on the Moon does not gloss over racial bigotry and prejudices, adding a realistic layer to this hopeful tale...Despite its tragic opening, the novel soars to dramatic heights as it illustrates that love can indeed conquer all...

Let God renew your hope, and you will experience the joy of living like never before. No matter what has happened, and no matter where you are on this journey, Reinvent will help you start fresh and love life!

The Not So Blank blank Page

"On March 24, 2001, American writer Kari Grady Grossman entered a crowded orphanage outside Phnom Penh, Cambodia, and met her 8-month-old son. One of the first questions Kari asked was 'How did he get here?' The complex and at times heart-wrenching answer is told in this magnificent book that encompasses Kari's personal journey to adoption, Cambodia's gruesome history of war and genocide, and the stories of two Cambodians -- one who escaped the Khmer Rouge's bloody reign and one who did not. The interweaving stories grab your heartstrings and do not let go. From the moment Kari realizes that she will never be an 'earth momma' practicing prenatal yoga to years later as Kari wends her way on the back of a moto-taxi through Phnom Penh's smog-choked streets trying to make a difference in her son's birth nation, you can't read impassively. 'Bones That Float' takes you into the Khmer Rouge jungle where boy soldiers force starving families to labor all day at gunpoint, and it brings you to modern-day Phnom Penh streets where foreign pedophiles purchase the innocence of preteen Cambodian girls. But ultimately 'Bones That Float' -- a Cambodian phrase for the sacred that rises above the suffering -- is a tale of hope. Kari reminds us that our world is 'one big family' and that we cannot -- or dare not -- turn our backs on people who suffer in part because of our country's own foreign policy missteps. To read 'Bones That Float' is to open your heart to caring." ... "In a village called Chrauk Tick in the Cardamom Mountains of Cambodia, 485 children are the first people to learn to read and write. Armed with literacy, they are taking the first steps to change their lives. Our students have been featured on Voice of America demanding the rule of law to save their forest from illegal destruction, inspiring 100 primary school dropouts to choose the classroom instead of the fields. To continue this progress, the school will bring education sustainable cooking fuels, forest agriculture, a revival of music traditions, and communication technology to reach the outside world." ... Bones that Float

This is a book about ordinary people who took an opportunity to be creative, to be innovative, and to maximize their potential. Chip Wilson is an entrepreneur, philanthropist, loving husband and a father to five boys. As the founder of Westbeach and yoga-inspired clothing company lululemon athletica, Chip is a globally recognized innovator in the field of technical apparel. He is widely credited with starting the "athleisure" retail category, now a \$100-billion-a year global business. At lululemon, Chip was known for his people-before-product leadership approach. He surrounded himself with like-minded individuals: creative, driven, athletic locals with a love for work-life balance inspired by the West Coast. This cohesive culture fueled the innovation and growth of the brand. In 2007, lululemon athletica was taken public and Chip remains its largest individual shareholder and biggest cheerleader.

Why We Read Fiction offers a lucid overview of the most exciting area of research in contemporary cognitive psychology known as "Theory of Mind" and discusses its implications for literary studies. It covers a broad range of fictional narratives, from Richardson's *Clarissa*, Dostoyevski's *Crime and Punishment*, and Austen's *Pride and Prejudice* to Woolf's *Mrs. Dalloway*, Nabokov's *Lolita*, and Hammett's *The Maltese Falcon*. Zunshine's surprising new interpretations of well-known literary texts and popular cultural representations constantly prod her readers to rethink their own interest in fictional narrative. Written for a general audience, this study provides a jargon-free introduction to the rapidly growing interdisciplinary field known as cognitive approaches to literature and culture.

The Story of Iululemon

To a penniless twenty-year-old like Jamie Long, surrogate motherhood seemed both an act of altruism and a financial opportunity. But once pregnant and under contract to Amanda Hartmann, the head of a famous evangelical family, Jamie realizes that she's getting more than she bargained for. Whisked away to the vast, isolated family ranch, she's closely supervised and carefully cut off from the outside world. She learns the family's dark secrets -- and sees the enormity of their ruthlessness. When Jamie hears Amanda's plan to claim the baby as her natural-born child, she begins to suspect that her own life is in danger and resolves to flee. Alone with a tiny newborn, she calls on the one man in the world she can trust -- her high school crush, Joe Brammer. Their love unites them in a struggle to escape, and soon enough their flight becomes a fight for their lives. Brilliantly weaving some of today's most controversial social issues into a captivating page-turner, *The Surrogate* is Judith Henry Wall's greatest triumph to date.

Why We Read Fiction

Amanda North is a young widow trying her best to raise her four-year-old son Jack while managing her own wellness spa. Mark Hunter is trying to balance being a single father to his one-year-old Penny and managing hotels. A chance encounter in one of their trips has started a series of seemingly innocent encounters that sealed their fates. "Darling, please help with Penny. I haven't slept for a whole day" the man suddenly turned to her pleadingly while handing her the baby. "... "Darling???" how could he call her endearingly. She doesn't even know who this guy is?

The New York Times Book Review

"A Little Maid of Massachusetts Colony" by Alice Turner Curtis is a captivating historical novel that transports readers back to the early days of colonial America, specifically the Massachusetts Colony. Through the experiences of a young protagonist, the novel provides a vivid and immersive glimpse into the challenges, adventures, and everyday life of colonial settlers. The title, "A Little Maid of Massachusetts Colony," encapsulates the essence of the story – the journey of a young girl as she navigates the complexities of colonial life in Massachusetts. Set against the backdrop of a burgeoning New England settlement, the novel explores themes of independence, resilience, family bonds, and the forging of a new society. The narrative follows the life of the young protagonist as she grows up in the Massachusetts Colony, surrounded by fellow settlers, Native Americans, and the natural beauty of the land. Through her interactions and experiences, readers gain insight into the struggles and triumphs of the early colonists as they build their community and contend with the challenges of survival. As the young girl embarks on various adventures and forms friendships, readers witness her personal growth and development. Her encounters with different people and cultures provide a window into the cultural exchanges and conflicts that marked the colonial era. The author's attention to historical detail and meticulous research paint a rich tapestry of colonial life, from daily chores to important milestones. Central to the narrative is the protagonist's spirit of curiosity and determination. As she faces obstacles and confronts the unknown, readers witness her resilience and bravery. Her experiences reflect universal themes of exploration, empathy, and the forging of one's identity in the midst of a rapidly changing world. Through "A Little Maid of Massachusetts Colony," readers gain a deeper appreciation for the struggles and sacrifices of early American settlers. The novel serves as a tribute to the spirit of exploration and the enduring legacy of those who shaped the foundations of the United States. It highlights the importance of understanding and preserving the stories of the past to better comprehend the present. In conclusion, "A Little Maid of Massachusetts Colony" is a beautifully woven historical narrative that transports readers to a pivotal period in American history. Alice Turner Curtis' storytelling prowess and historical insight create a narrative that is both educational and emotionally resonant. As readers follow the young girl's journey through colonial Massachusetts, they gain a greater understanding of the challenges, dreams, and aspirations that defined the early days of the Massachusetts Colony.

It Happened At Midnight

Chris Jensen is a great guy. Just ask anyone who has ever met him. He is married to the beautiful Kathy and they have three beautiful children. They live in a gorgeous house in an upscale neighborhood. He has a great job selling real estate. From all appearances Chris Jensen is living the American Dream, but Chris has a few secrets San Diego California is a vacation paradise. From the visitor's point of view, San Diego appears to be an ultra-clean, crime-free city but the shadows hide the truth. Carlos Perez was born and raised in San Diego. He grew up in those shadows. Spending his adolescence in a street gang, Carlos watched as his father went to prison and his brother was shot dead by rivals. A street cop saved Carlos and showed him a better way. A bold killer has struck fear into paradise. He commits his horrific crimes under the bright California sunshine. Detective Perez, with the help of forensic scientist Amanda Nguyen, must unravel a mystery that will ultimately lead them to the highest levels of San Diego society where they will come face-to-face with a cunning madman who will stop at nothing to fulfill his destiny.

Rich As F*ck

The case was closed, but for journalist Nancy Rommelmann, the mystery remained: What made a mother want to murder her own children? On May 23, 2009, Amanda Stott-Smith drove to the middle of the Sellwood Bridge in Portland, Oregon, and dropped her two children into the Willamette River. Forty minutes later, rescuers found the body of four-year-old Eldon. Miraculously, his seven-year-old sister, Trinity, was saved. As the public cried out for blood, Amanda was arrested, convicted, and sentenced to thirty-five years in prison. Embarking on a seven-year quest for the truth, Rommelmann traced the roots of Amanda's fury and desperation through thousands of pages of records, withheld documents, meetings with lawyers and convicts, and interviews with friends and family who felt shocked, confused, and emotionally swindled by a woman whose entire life was now defined by an unspeakable crime. At the heart of that crime: a tempestuous marriage, a family on the fast track to self-destruction, and a myriad of secrets and lies as dark and turbulent as the Willamette River.

Waking Caliban

SEEN IN THE BLOOD is the story of an ordinary woman who serves an extraordinary God! You will laugh, cry and identify with the author's life. From the time of being abandoned at birth, you will walk through her times of happiness, sadness, aloneness and feelings of total helplessness. You will see the mercy, faithfulness and love of God as He continually watches over her throughout every circumstance of life. He looked down and saw her covered in her own blood, alone in a basket and commanded her to "Live!" His faithful watch-care guided and protected her before she knew Him as her Savior and Lord. He has continued that watch-care since 1953 when she met Him as her own personal Savior and Lord. She is being trained and guided by the Holy Spirit to fulfill her destiny in life. Her Scripture for life is Proverbs 3:5-6. The author readily admits she is daily learning to live this scripture. "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." This book will challenge you as well as draw you to know this magnificent God! The Creator of the universe who is so personal He knows every hair upon the head of every human being upon the earth. Matthew 10:30 tells us Jesus said, "But the very hairs of your head are all numbered." As a loving father He patiently waits for mankind to call out to Him, Father, Father! SEEN IN THE BLOOD will cause you to understand the unconditional love and mercy of God in a new and exciting way! The authors desire is for her life to leave a distinctive trail that will cause others to seek and follow her Lord!

Indisputable Evidence

After years of looking for a place to belong, Paula Andrews finally finds her niche in Tarpon Springs, Florida. Her soap and candle shop flourishes, and her friendship with the Papadopoulos family gives her the love and support she never got from her own family. The only thing missing is a romance-or in the grand hopes of the Papadopoulos family, a proper marriage. Preferably with Nick, their favorite son, currently serving in the Air Force. Paula, however, has doubts. After all, he's been gone a long time and loves flying. Their lives have grown apart. Would he still feel anything for her? When Nick comes home on leave, sparks fly, and not just with Paula. Nick's father wants him home, helping with the family sponge-diving business. His mother wants him back in the family, back in church. Nick just wants Paula . . . and the Air Force. So who's going to give in first? And what will it mean for their love and future?
