The Call of the Wild. And, The Game

"The Call of the Wild" from Jack London. American author, journalist, and social activist (1876-1916).

The Call of the Wild

Teachers have found The Call of the Wild--from the very earliest days of its publication in 1903--to be a novella rich in instructional possibilities in history, geography, and ethics as well as literature. In this resource book for teachers, Daniel Dyer provides an array of activities--traditional and nontraditional--to accommodate a wide range of students, teachers, schools and communities. Dyer's instructional ideas will stimulate exploration of such subjects as California and Klondike history and geography; transportation by rail, ferry, steamship, and dog teams; techniques of gold mining; breeds of dogs; and subarctic flora and fauna--as well as the novel's great literary themes.

Jack London's The Call of the Wild for Teachers

Allow your children to experience the adventure, freedom, and wonder of childhood with this practical guide that provides all the information, inspiration, and advice you need for creating a modern, quality homeschool education. Inspired by the spirit of Henry David Thoreau—"All good things are wild and free"—mother of five Ainsley Arment founded Wild + Free. This growing online community of mothers and families want their children to receive a quality education at home by challenging their intellectual abilities and nurturing their sense of curiosity, joy and awe—the essence of a positive childhood. The homeschool approach of past generations is gone—including the stigma of socially awkward kids, conservative clothes, and a classroom setting replicated in the home. The Wild + Free movement is focused on a love of nature, reading great books, pursuing interests and hobbies, making the entire world a classroom, and prolonging the wonder of childhood, an appealing philosophy that is unpacked in the pages of this book The Call of the Wild and Free offers advice, information, and positive encouragement for parents considering homeschooling, those currently in the trenches looking

for inspiration, as well as parents, educators, and caregivers who want supplementary resources to enhance their kids' traditional educations.

The Call of the Wild / >2 ?@54:>2

The Call of the Wild is a short adventure novel by Jack London published in 1903 and set in Yukon, Canada, during the 1890s Klondike Gold Rush, when strong sled dogs were in high demand. The central character of the novel is a dog named Buck. The story opens at a ranch in Santa Clara Valley, California, when Buck is stolen from his home and sold into service as a sled dog in Alaska. He becomes progressively feral in the harsh environment, where he is forced to fight to survive and dominate other dogs. By the end, he sheds the veneer of civilization, and relies on primordial instinct and learned experience to emerge as a leader in the wild.

The Call of the Wild

Jack London's first major work, "The Call of the Wild," changed both the face of literature and the fortunes of a young author. A tale of transformation - a domestic dog being forced by circumstance to revert to his wild state - instantly earned him great acclaim from readers and reviewers alike. Upon the book's release in 1903, noted literary critic and essayist Hamilton Wright Mabie wrote that the new little book about of a pet stolen from a comfortable home and forced to become a sled dog in the icy North was "likely to make a deep impression by reason of its power and unusual theme." As the narrative plucked heartstrings around the globe, London's work - which he gave to Macmillan Publishers for \$2000 - immediately sold out its first print run, and has remained in bookstores ever since. If you've read it before, you already know what first-time readers will soon discover: "The Call of the Wild" is a story that stands the test of time. Along with the complete text, this special edition of the book contains most of the illustrations that appeared when it was originally published, as well as a selection of a dozen popular quotes, vintage book reviews from more than a century ago, bonus images, and a related short story London wrote a few years earlier - just after he returned from the frigid Yukon during the Klondike Gold Rush. Taken together, the text, images and extra historical features within these pages offer greater depth to this influential story, as well as additional insight into the mind of the writer himself.

THE CALL OF THE WILD WEST - Ultimate Western Collection: 175+ Novels & Short Stories in One Volume

The adventures of an unusual dog, part St. Bernard, part Scotch shepherd, that is forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.

The Call of the Wild .

Includes sample lesson plans, pre- and post-reading activities, a biographical sketch of the author, book summary, vocabulary list and suggested vocabulary activities, book report ideas, research ideas, a culminating activity, options for unit tests, bibliography, and answer key.

The Call of the Wild

Guy Grieve's life was going nowhere - trapped in a job he hated, commuting 2,000 miles a month and up to his neck in debt. But he dreamed of escaping it all to live alone in one of the wildest, most remote places on earth - Alaska. And just when he'd given up hope, the dream came true. Suddenly Guy was thrown into one of the harshest environments in the world, miles from the nearest human being and armed with only the most basic equipment. And he soon found - whether building a log cabin from scratch, hunting, ice fishing or of course dodging bears in the buff - that life in the wilderness was anything but easy... Part Ray Mears, part Bill Bryson, CALL OF THE WILD is the gripping story of how a mild-mannered commuter struggled with the elements - and himself - and eventually learned the ways of the wild.

Call of the Wild

In Jack London's original tale, The Call of the Wild, readers will find themselves alongside one dog's daring adventure. After more than a hundred years since its first publication, The Call of the Wild continues to entertain its readers on a journey of transformation and survival, one filled with excitement, sled dogs, and adventure. Features 8 pages of color photos.

A Guide for Using the Call of the Wild in the Classroom

The Call Of The Wild is the story of Buck, a dog stolen from his home and thrust into the merciless life of the Arctic north to endure hardship, bitter cold, and the savage lawlessness of man and beast. White Fang is the adventure of an animal -- part dog, part wolf --turned vicious by cruel abuse, then transformed by the patience and affection of one man. Jack London's superb ability as a storyteller and his uncanny understanding of animal and human natures give these tales a striking vitality and power, and have earned him a reputation as a distinguished American writer. From the Paperback edition.

Call of the Wild

The Call of the Wild (1903) and White Fang (1906) are world famous animal stories.

J^YE<(-)

The Call of the Wild – A dog named Buck gets stolen from his home in Santa Clara Valley, California, and sold into service as a sled dog in Alaska. He becomes progressively feral in the harsh environment, where he is forced to fight to survive and dominate other dogs. White Fang – A wolf-dog raised in an Indian camp runs away only to face the violent world of wild animals and the equally violent world of humans. White Fang grows to become a savage, callous, morose, solitary, and deadly fighter. The story takes place in Yukon Territory and the Northwest Territories, Canada, during the 1890s Klondike Gold Rush. Jack London (1876-1916) was an American novelist, journalist, and social activist. His amazing life experience also includes being an oyster pirate, railroad hobo, gold prospector, sailor, war correspondent and much more. He wrote adventure novels & sea tales, stories of the Gold Rush, tales of the South Pacific and the San Francisco Bay area - most of which were based on or inspired by his own life experiences.

Call of the Wild

Of all Jack London's fictions none have been so popular as his dog stories. In addition to *The Call of the Wild*, the epic tale of a Californian dog's adventures during the Klondike gold rush, this edition includes *White Fang*, and five famous short stories - 'Bâtard', 'Moon-Face', 'Brown Wolf', 'That Spot', and 'To Build a Fire'. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

The Call of the Wild and White Fang

'The Call of the Wild' is one of London's most popular novels. The story follows a dog named Buck, a 140lb Saint Bernard and Scotch Shepard mix. Buck is abducted from a comfortable life as a pet and tossed into the chaos of the Klondike Gold Rush and the brutal realities of frontier life. A companion novel to 'The Call of the Wild', 'White Fang' is the story of a wild dog's journey toward becoming civilized

White Fang & The Call of the Wild

First published in 1903, *The Call of the Wild* is regarded as Jack London's masterpiece. Based on London's experiences as a gold prospector in the Canadian wilderness and his ideas about nature and the struggle for existence, *The Call of the Wild* is a tale about unbreakable spirit and the fight for survival in the frozen Alaskan Klondike. The story takes place in the extreme conditions of the Yukon during the 19th-century Klondike Gold Rush where strong sled dogs were in high demand. After Buck, a domesticated dog, is snatched from a pastoral ranch in California, he is sold into a brutal life as a sled dog. The work details Buck's struggle to adjust and survive the cruel treatment he receives from humans, other dogs, and nature. He eventually sheds the veneer of civilization altogether and instead relies on primordial instincts and the lessons he has learned to become a respected and feared leader in the wild. *White Fang* is the story of a wild dog's journey toward becoming civilized in the Canadian territory of Yukon during the Klondike gold rush at the end of the nineteenth century. *White Fang* is a companion novel (and a thematic mirror) to Jack London's best-known work, *The Call of the Wild*, which concerns a kidnapped civilized dog turning into a wild wolf. The book is characteristic of London's precise prose style and his innovative use of voice and perspective. Much of the novel is written from the viewpoint of the animals, allowing London to explore how animals view their world and how they view humans.

The Call of the Wild, White Fang, and Other Stories

Jack London's *The Call of the Wild* became an immediate literary sensation upon publication, selling out its first print run and gaining critical acclaim nationwide. The popular adventure story follows Buck, a sled dog, whose transformation from a domestic pet to the Alpha male of a pack demonstrates defining American themes such as survival, determination, cunning, and loyalty. This informative volume explores the life and work of Jack London, with a focus on the nature-based themes of pastoralism and wildness within *The Call of the Wild*. It also includes a selection of modern viewpoints on wilderness and nature, allowing readers to connect the themes of the text to the issues of today's world.

Klondike Two Pack: The Call of the Wild and White Fang

Jack London's adventurous tales of the Alaskan gold rush have intrigued readers for generations. The *Short Tales Classic* brings the favorite episode of Buck's dognapping to life for even the youngest audience. Blue level for transitional readers.

The Call of the Wild + White Fang + The Son of the Wolf

Presents a graphic novel version of the tale of an unusual dog, part St. Bernard, part Scotch shepherd, that is forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack

The Call of the Wild + White Fang + The Son of the Wolf (3 Unabridged Classics)

The adventures of an unusual dog, part St. Bernard, part Scotch shepherd, forcibly taken to the Klondike gold fields where he eventually becomes the leader of a wolf pack.

Wildness in Jack London's The Call of The Wild

The lovable trio hits the ice . . . eventually! It's wintertime, and the bear, the moose and the beaver can't wait for hockey season to start. They're so eager, in fact, they head out onto the ice before it's thick enough, and they all fall through. Twice. While they wait for the lake to freeze, they try to take their minds off hockey. There's competitive napping. Karaoke. Lots of comfort food. Until, at last, the day arrives when the ice is ready. But, after all that time not being active, are they ready? The waiting is the hardest part, right?

Call of the Wild Tale #1 Dognapped

London's adventure tale *The Call of the Wild* explores the complex relationships between man and nature, and animals' struggle with their own nature in man's world. In this interdisciplinary study, a rich collection of primary documents point out the many issues that make this story as poignant and pertinent today as when it was written nearly a century ago. Compiled here for the first time is documentation from sources as varied as century-old newspaper accounts, legislative materials, advertisements, poetry, journals, and other startling firsthand accounts. The story's historical setting, the Yukon Gold Rush, is brought vividly into focus for readers, with firsthand accounts of the unimaginable hardships faced by the prospectors in the Klondike and Alaskan Gold Fields. Central to their story and to their very survival were the dogs that served man's ambitions. Tribute to the sled dog is given in an historical 1879 piece *The Value of Dogs* from the *Sketches of Life in the Hudson Bay Territory*. This casebook also investigates endangered species legislation and the history of animal welfare concerns, focusing on the treatment of dogs in particular, surveying over a century of public sentiment. Students are introduced to *The Call of the Wild* with an insightful literary analysis exploring a mythological interpretation and a discussion of its main thematic premise, the fundamental struggle for freedom. Each subsequent chapter of this casebook focuses on an important topic, such as animal welfare, contextualizing these issues with primary documents. Students will find these materials and the related essays invaluable in understanding not only *The Call of the Wild* but also the historical and pertinent social issues it addresses. Each topic section of this casebook offers ideas for thought-provoking class discussions, debates, and further research. Suggestions for further reading on these topics are also given.

The Call of the Wild: The Graphic Novel

This special edition includes two Jack London's novels in their original 1903 and 1906 unabridged version : I - THE CALL OF THE WILD The Call of the Wild is a tale about unbreakable spirit and the struggle for existence. The central character is a domesticated sturdy cross breed canine named Buck, born to luxury and raised in a sheltered Californian home. Stolen from his home and sold into service as sled dog in Alaska, he reverts to a wild state. Buck is forced to fight in order to dominate other dogs in a harsh climate. Passed from master to master, Buck embarks on an extraordinary journey. II - WHITE FANG White Fang takes place in the desolate, frozen wilds of northwest Canada. White Fang, a part dog, part wolf cub finds himself the sole survivor of a litter of five. In his lonely world, he soon learned to follow the harsh law of the North - kill or be killed - and become a ferocious and magnificent creature. But nothing in his young life prepared him for the cruelty of the bully Beauty Smith, who buys White Fang from his Indian master and turns him into a vicious killer - a pit dog forced to fight for money. Much of the novel is written from the viewpoint White Fang, through whose experiences the author makes a parallel between the wilderness life among animals and the violent world of humans.

The Call of the Wild

Jack London (1876-1916), was an American author and a pioneer in the then-burgeoning world of commercial magazine fiction. He was one of the first Americans to make a lucrative career exclusively from writing. London was self-educated. He taught himself in the public library, mainly just by reading books. In 1898, he began struggling seriously to break into print, a struggle memorably described in his novel, *Martin Eden* (1909). Jack London was fortunate in the timing of his writing career. He started just as new printing technologies enabled lower-cost production of magazines. This resulted in a boom in popular magazines aimed at a wide public, and a strong market for short fiction. In 1900, he made \$2,500 in writing, the equivalent of about \$75,000 today. His career was well under way. Among his famous works are: *Children of the Frost* (1902), *The Call of the Wild* (1903), *The Sea Wolf* (1904), *The Game* (1905), *White Fang* (1906), *The Road* (1907), *Before Adam* (1907), *Adventure* (1911), and *The Scarlet Plague* (1912).

Hockey in the Wild

With an introduction by novelist David Vann In April 1992, Chris McCandless set off alone into the Alaskan wild. He had given his savings to charity, abandoned his car and his possessions, and burnt the money in his wallet, determined to live a life of independence. Just four months later, Chris was found dead. An SOS note was taped to his makeshift home, an abandoned bus. In piecing together the final travels of this extraordinary young man's life, Jon Krakauer writes about the heart of the wilderness, its terribly beauty and its relentless harshness. *Into the Wild* is a modern classic of travel writing, and a riveting exploration of what drives some of us to risk more than we can afford to lose.

Understanding The Call of the Wild

Carefully edited for modern readers to allow for easier reading In this classic American adventure, Jack London explores the laws of civilization and wilderness--and the pull of instinct--through the eyes of Buck, a half Saint Bernard, half Scottish shepherd. Stolen from his comfortable life in California, Buck is sold into service as a sled dog during the Klondike Gold Rush, where returning to his primordial nature is the only way for him to survive.

The Call of the Wild and White Fang (Unabridged version)

The Call of the Wild is Now a Major Motion Picture Starring Harrison Ford! Out of the white wilderness, out of the Far North, Jack London, one of America's most popular authors, drew the inspiration for his robust tales of perilous adventure and animal cunning. Swiftly paced and vividly written, the novel and five short stories included here capture the main theme of London's work: the law of the club and the fang—man's instinctive reversion to primitive behavior when pitted against the brute force of nature. Includes *The Call of the Wild*, *Diable: A Dog*, *An Odyssey of the North*, *To the Man on the Trail*, *To Build a Fire*, and *Love of Life*

The Call of the Wild

Presents the adventures in the northern wilderness of a dog who is part wolf and how he comes to make his peace with man.

The Call of the Wild: 1900-1916

Reproduction of the original.

Into the Wild

HarperCollins is proud to present its new range of best-loved, essential classics.

The Call of the Wild (Modern English Translation)

A brief foray into a moral thicket, exploring why we should protect nature despite tsunamis, malaria, bird flu, cancer, killer asteroids, and tofu. Most of us think that in order to be environmentalists, we have to love nature. Essentially, we should be tree huggers—embracing majestic redwoods, mighty oaks, graceful birches, etc. We ought to eat granola, drive hybrids, cook tofu, and write our appointments in Sierra Club calendars. Nature's splendor, in other words, justifies our protection of it. But, asks Benjamin Hale in this provocative book, what about tsunamis, earthquakes, cancer, bird flu, killer asteroids? They are nature, too. For years, environmentalists have insisted that nature is fundamentally good. In *The Wild and the Wicked*, Benjamin Hale adopts the opposite position—that much of the time nature can be bad—in order to show that even if nature is cruel, we still need to be environmentally conscientious. Hale argues that environmentalists needn't feel compelled to defend the value of nature, or even to adopt the attitudes of tree-hugging nature lovers. We can acknowledge nature's indifference and periodic hostility. Deftly weaving anecdote and philosophy, he shows that we don't need to love nature to be green. What really ought to be driving our environmentalism is our humanity, not nature's value. Hale argues that our unique burden as human beings is that we can act for reasons, good or bad. He claims that we should be environmentalists because environmentalism is right, because we humans have the capacity to be better than nature. As humans, we fail to live up to our moral potential if we act as brutally as nature. Hale argues that despite nature's indifference to the plight of humanity, humanity cannot be indifferent to the plight of nature.

The Call of the Wild and Selected Stories

White Fang
