On Love and Barley

Basho, one of the greatest of Japanese poets and the master of haiku, was also a Buddhist monk and a life-long traveller. His poems combine 'karumi', or lightness of touch, with the Zen ideal of oneness with creation. Each poem evokes the natural world - the cherry blossom, the leaping frog, the summer moon or the winter snow - suggesting the smallness of human life in comparison to the vastness and drama of nature. Basho himself enjoyed solitude and a life free from possessions, and his haiku are the work of an observant eye and a meditative mind, uncluttered by materialism and alive to the beauty of the world around him.

On Love and Barley

In a thoughtful and perceptive introduction, Stryk sets the stage for an appreciation of what Basho's poetry has to offer, sketching his life, his times, his spirit. For most of his life Basho was a recluse. He lived on the outskirts of Edo (Tokyo) in a hut shaded by an exotic banana tree (the Basho). When he traveled, he relied entirely on the hospitality of temples and fellow poets. His poems were strongly influenced by the Zen sect of Buddhism and its ideals of lightness, detachment, and appreciation of the commonplace. Basho aspired to and achieved unity of life and art, his poems become inseparable from nature.

On Love and Barley

'Nothing more lonely -' A selection of Basho's most magical haiku Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions Basho (1644-1694). Basho's On Love and Barley and The Narrow Road to the Deep North and Other Travel Sketches are available in Penguin Classics.

Lips too Chilled

The first Penguin anthology of Japanese haiku, in vivid new translations by Adam L. Kern. Now a global poetry, the haiku was originally a Japanese verse form that flourished from the sixteenth to nineteenth centuries. Although renowned for its brevity, usually running three lines long in seventeen syllables, and by its use of natural imagery to make Zen-like observations about reality, in fact the haiku is much more: it can be erotic, funny, crude and mischievous. Presenting over a thousand exemplars in vivid and engaging translations, this anthology offers an illuminating introduction to this widely celebrated, if misunderstood, art form. Adam L. Kern's new translations are accompanied here by the original Japanese and short commentaries on the poems, as well as an introduction and illustrations from the period.

On Love and Barley Bookmark

Presents a collection of the author's daily love haikus, paired with his own photographs.

The Penguin Book of Haiku

By investigating the relationship between acoustical technologies and twentieth-century experimental poetics, this collection, with an accompanying compact disc, aims to 'turn up the volume' on printed works and rethink the way we read, hear, and talk about literary texts composed after telephones, phonographs, radios, loudspeakers, microphones, and tape recorders became facts of everyday life. The collection's twelve essays focus on earplay in texts by James Joyce, Ezra Pound, H.D., Samuel Beckett, William Burroughs, Amiri Baraka, Bob Kaufman, Robert Duncan, and Kamau Brathwaite and in performances by John Cage, Caribbean DJ-poets, and Cecil Taylor. From the early twentieth-century soundscapes of Futurist and Dadaist 'sonosphers' to Henri Chopin's electroacoustical audio-poemes, the authors argue, these states of sound make bold but wavering statements--statements held only partially in check by meaning. The contributors are Loretta Collins, James A. Connor, Michael Davidson, N. Katherine Hayles, Nathaniel Mackey, Steve McCaffery, Alec McHoul, Toby Miller, Adalaide Morris, Fred Moten, Marjorie Perloff, Jed Rasula, and Garrett Stewart.

All the Words Are Yours

17-syllable Japanese poems about human foibles, sans season (i.e., not haiku), were introduced a half-century ago by RH Blyth in two books, "Edo Satirical Verse Anthologies" and "Japanese Life and Character in Senryu." Blyth regretted having to introduce not the best senryu, but only the best that were clean enough to pass the censors. In this anthology, compiled, translated and essayed by Robin D. Gill, like Blyth, a renowned translator of thousands of haiku, we find 1,300 of the senryu (and zappai) that would once have been dangerous to publish. The book is not just an anthology of dirty poems such as Legman's classic "Limericks" or Burford's delightful "Bawdy Verse," but probing essays of thirty themes representative of the eros - both real and imaginary - of Edo, at the time, the world's largest city. Japanese themselves use senryu for historical documentation of social attitudes and cultural practices; thousands of senryu (and the related zappai), including many poems we might consider obscene, serve as examples in the Japanese equivalent of the OED (nipponkokugodaijiten). The specialized argot, obscure allusions and ellipsis that make reading dirty senryu a delightful riddle for one who knows just enough to be challenged yet not defeated, make them impenetrable to outsiders, so this educational yet entertaining resource has not been accessible to most students of Japanese (and the limited translations prove that even professors have difficulty with it). This book tries to accomplish the impossible: it includes all the information - original poems, pronunciation, explanation, glossary - needed to help specialists improve their senryu reading skills, while refraining from full citations to leave plenty of room for the curious monolingual to skip about the eclectic goodies. [Published simultaneously with two titles as an experiment.]

Haiku

Even readers with no particular interest in Japan - if such odd souls exist - may expect unexpected pleasure from this book if English metaphysical poetry, grooks, hyperlogical nonsense verse, outrageous epigrams, the (im)possibilities and process of translation between exotic tongues, the reason of puns and rhyme, outlandish metaphor, extreme hyperbole and whatnot tickle their fancy. Read together with *The Woman Without a Hole*, also by Robin D. Gill, the hitherto overlooked ulterior side of art poetry in

Japan may now be thoroughly explored by monolinguals, though bilinguals and students of Japanese will be happy to know all the original Japanese is included.--amazon.com.

Sound States

Basho (1644-94) is perhaps the best known Japanese poet in both Japan and the West, and this book establishes the ground for badly needed critical discussion of this critical figure by placing the works of Basho and his disciples in the context of broader social change.

Octopussy

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Mad in Translation

A landmark collection of five periods of literature from the Land of the Rising Sun. The sweep of Japanese literature in all its great variety was made available to Western readers for the first time in this anthology. Every genre and style, from the celebrated NM plays to the poetry and novels of the seventeenth century, find a place in this book. An introduction by Donald Keene places the selections in their proper historical context, allowing the readers to enjoy the book both as literature and as a guide to the cultural history of Japan. Selections include "Man'yōshū" or "Collection of Ten Thousand Leaves" from the ancient period; "Kokinshū" or "Collection of Ancient and Modern Poetry," "The Tosa Diary" of Ki no Tsurayuki, "Yūgao" from "The Tale of Genji" of Murasaki Shikibu, and "The Pillow Book" of Sei Shōnagon from the Heian Period; "The Tale of the Heike" from the Kamakura Period; Plan of the No Stage, "Birds of Sorrow" of Seami Motokiyo, and "Three Poets at Minase" from the Muromachi Period; and selections from Bashō, including "The Narrow Road of Ōku," "The Love Suicides at Sonezaki" by Chikamatsu Monzaemon, and Waka and haiku of the Tokugawa Period.

Yearbook of Comparative and General Literature

A collection of five short stories about various characters from Al Buster and.

Traces of Dreams

The dazzling new edition of this "tremendously valuable resource" (Kliatt) contains 65 writing exercises and more than 400 example poems. It also discusses how to integrate poetry writing into the English class and essential topics such as sound and rhythm, traditional poetic forms, inventing and adapting exercises, revision, and publishing. "The lessons are presented with clarity, common sense, and sophisticated artistic sensibilities."-Missoula Independent "Poetry Everywhere will ease any trepidation [about writing poetry]." -English Journal

To the Distant Observer

Similar in form to the well-known, more serious haiku, the satirical—and often humorous—poems known as senryū have received little scholarly attention because most were written by anonymous amateur poets and were therefore considered popular literature unworthy of serious study. Senryū are interesting, however, precisely because they reflect the thoughts and feelings of ordinary townspeople in a way that other more orthodox types of Japanese literature do not. In his introduction on the nature and historical background of the form, Makoto Ueda explores the elements of humor and satire contained in senryū, highlighting the mores that lie behind the laughter the poems evince. Collecting 400 eighteenth- and nineteenth-century poems—with the romanized Japanese verse presented at the bottom of each page—Light Verse from the Floating World is divided into thematic sections, each preceded by a short introduction: satirical senryū, aimed at people of the ruling warrior class and civilians of various professions; senryū on human relationships—between young lovers, husband and wife, parent and child, or family members of different generations; poems on townspeople enjoying themselves in the "amusement" district; ridicule of well-known historical figures; and poems on the poets' general outlook on life. Replete with keen observations on the human world rather than the natural one, this first comprehensive anthology in English translation of this major genre of Japanese literature will appeal to scholars and students of Japanese culture, as well as general readers of poetry.

Sissy Dreams: From Boyfriend to Girlfriend

This is the first anthology ever devoted to early modern Japanese literature, spanning the period from 1600 to 1900, known variously as the Edo or the Tokugawa, one of the most creative epochs of Japanese culture. This anthology, which will be of vital interest to anyone involved in this era, includes not only fiction, poetry, and drama, but also essays, treatises, literary criticism, comic poetry, adaptations from Chinese, folk stories and other non-canonical works. Many of these texts have never been translated into English before, and several classics have been newly translated for this collection. Early Modern Japanese Literature introduces English readers to an unprecedented range of prose fiction genres, including dangibon (satiric sermons), kibyōshi (satiric and didactic picture books), sharebon (books of wit and fashion), yomihon (reading books), kokkeibon (books of humor), gōkan (bound books), and ninjōbon (books of romance and sentiment). The anthology also offers a rich array of poetry—waka, haiku, senryū, kyōka, kyōshi—and eleven plays, which range from contemporary domestic drama to historical plays and from early puppet theater to nineteenth century kabuki. Since much of early modern Japanese literature is highly allusive and often elliptical, this anthology features introductions and commentary that provide the critical context for appreciating this diverse and fascinating body of texts. One of the major characteristics of early modern Japanese literature is that almost all of the popular fiction was amply illustrated by wood-block prints, creating an extensive text-image phenomenon. In some genres such as kibyōshi and gōkan the text in fact appeared inside the woodblock image. Woodblock prints of actors were also an important aspect of the culture of kabuki drama. A major feature of this anthology is the inclusion of over 200 woodblock prints that accompanied the original texts and drama.

Anthology of Japanese Literature

TEACHING LANGUAGE IN CONTEXT, THIRD EDITION is the essential methods text for anyone teaching or learning to teach a foreign language. TEACHING LANGUAGE IN CONTEXT combines an updated, comprehensive, readable review of the literature, a thorough bibliography, and sample activities and approaches that effectively model the methodology.

.hack//AI buster Volume 1

A family story of epic scale, by the author of NORWEGIAN WOOD and THE BELL IN THE LAKE. "An intricate story about war, family, secrets and, yes, wood ... An engaging, satisfying read" The Times "So cleverly plotted, and it builds up such effortless dramatic momentum as it zeroes in on its conclusion" Scotsman Edvard grows up on a remote mountain farmstead in Norway with his taciturn grandfather, Sverre. The death of his parents, when he was three years old, has always been shrouded in mystery - he has never been told how or where it took place and has only a distant memory of his mother. But he knows that the fate of his grandfather's brother, Einar, is somehow bound up with this mystery. One day a coffin is delivered for his grandfather long before his death - a meticulous, beautiful piece of craftsmanship. Perhaps Einar is not dead after all. Edvard's desperate quest to unlock the family's tragic secrets takes him on a long journey - from Norway to the Shetlands, and to the battlefields of France - to the discovery of a very unusual inheritance. The Sixteen Trees of the Somme is about the love of wood and finding your own self, a beautifully intricate and moving tale that spans an entire century. A TIMES BESTSELLER Mytting's book is as much a romantic historical thriller as it is a book of promise, a page-turner as it is a reflective journey into selfhood, history, life's meaning and individual moral responsibility - Mika Provata-Carlone, Bookanista Translated from the Norwegian by Paul Russell Garrett

Poetry Everywhere

Taigu Ryokan (1759-1831) remains one of the most popular figures in Japanese Buddhist history. Despite his religious and artistic sophistication, Ryokan referred to himself as "Great Fool" and refused to place himself within the cultural elite of his age. In contrast to the typical Zen master of his time, who presided over a large monastery, trained students, and produced recondite religious treatises, Ryokan followed a life of mendicancy in the countryside. Instead of delivering sermons, he expressed himself through kanshi (poems composed in classical Chinese) and waka and could typically be found playing with the village children in the course of his daily rounds of begging. Great Fool is the first study in a Western language to offer a comprehensive picture of the legendary poet-monk and his oeuvre. It includes not only an extensive collection of the master's kanshi, topically arranged to facilitate an appreciation of Ryokan's colorful world, but selections of his waka, essays, and letters. The volume also presents for the first time in English the Ryokan zenji kiwa (Curious Accounts of the

Zen Master Ryokan), a firsthand source composed by a former student less than sixteen years after Ryokan's death. Although it lacks chronological order, the Curious Account is invaluable for showing how Ryokan was understood and remembered by his contemporaries. It consists of colorful anecdotes and episodes, sketches from Ryokan's everyday life. To further assist the reader, three introductory essays approach Ryokan from the diverse perspectives of his personal history and literary work.

Light Verse from the Floating World

Without deifying its subject, this biography looks at the life of Nelson Mandela, placing his awe-inspiring political accomplishments into historical context for young readers.

Early Modern Japanese Literature

The vibrant merchant culture of Tokugawa Japan gave rise to many new forms of art, none more fascinating than the puppet theater, JMruri, created chiefly by Chikamatsu Monzaemon, the foremost playwright of popular Japanese drama. In this analysis of Chikamatsu's artistry, Dr. Gerstle focuses on features hitherto neglected by Western scholars the musical structure of JMruri, integral to the form, mood, and movement of the drama. For extensive translations from the various types of Chikamatsu's dramas, Gerstle supplies the musical notations, which illuminate the sophisticated conventions of this unique and timeless artistic form. Chikamatsu's art, combining puppets, text, samisen music, and chanting/narration, encompasses three major types of drama--history, contemporary-life, and love-suicide plays--each with distinct structural features. Gerstle shows how the music of JMruri, a mixture of the samisen and chanting/narration, supplements the texts and expresses a dramatized action or emotion through complex changes in pitch, tempo, and style of delivery. Richly illustrated with woodblock prints, this is a fascinating study, which will be welcomed by scholars of Japanese culture, literature, and musicology.

Teaching Language in Context

Poetry. Collom rejects the notion that a distinction exists between the quotidian and the poetic. His poems assert that poetry is everywhere. But to find poetry everywhere means that one incessantly engages the world at the poetic level. The result is a dance between fierce notion and ceilingless song. For writers of at least three generations, Collom's poetry and poetics have set the standard for the appreciation of earthly experience in elemental, quick-tempo'd language. Contains poems chosen by: Reed Bye, Clark Coolidge, Larry Fagin, Merrill Gilfillan, Lyn Hejinian, and Jack Collom. Collom has authored 17 small press poetry books, including COLORS BORN OF SHADOW and THE TASK.

The Sixteen Trees of the Somme

A comprehensive study of changing political thought during the Tokugawa period, the book traces the philosophical roots of Japanese modernization. Professor Maruyama describes the role of Sorai Confucianism and Norinaga Shintoism in breaking the stagnant confines of Chu Hsi Confucianism, the underlying political philosophy of the Tokugawa feudal state. He shows how the new schools of thought created an intellectual climate in which the ideas and practices of modernization could thrive. Originally published in 1975. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

World Within Walls

Cherry Blossom Epiphany - the poetry and philosophy of a flowering tree - a selection, translation and lengthy explication of 3000 haiku, waka, senryû and kyôka about a major theme from I.P.O.O.H. (In Praise Of Olde Haiku) by robin d. gill 1. Haiku - Translation from Japanese to English 2. Japanese poetry - 8c-20c - waka, haiku and senryû 3. Natural History - flowering cherries 4. Japan - Culture - Edo Era 5. Nonfiction - Literature 6. Translation - applied 7. You tell me! If the solemn yet happy New Year's is the most important celebration of Japanese (Yamato) ethnic culture, and the quiet aesthetic practice of Moon-viewing in the fall the most elegant expression of Pan-Asian Buddhism=religion, the subject of this book, Blossom-viewing - which generally means sitting down together in vast crowds to

drink, dance, sing and otherwise enjoy the flowering cherry in full-bloom - is less a rite than a riot (a word originally meaning an 'uproar'). The major carnival of the year, it is unusual for being held on a date that is not determined by astronomy, astrology or the accidents of history as most such events are in literate cultures. It takes place whenever the cherry trees are good and ready. Enjoyed in the flesh, the blossom-viewing, or hanami, is also of the mind, so much so, in fact, that poetry is often credited with the spread of the practice over the centuries from the Imperial courts to the maids of Edo. Nobles enjoyed link-verse contests presided over by famous poet-judges. Hermits hung poems fettering this flower of flowers (to say the generic "flower" = hana in Japanese connotes "cherry!") on strips of paper from the branches of lone trees where only the wind would read them. In the Occident, too, flowers embody beauty and serve as reminders of mortality, but there is no flower that, like the cherry blossom, stands for all flowers. Even the rose, by any name, cannot compare with the sakura in depth and breadth of poetic trope or viewing practice. In *Cherry Blossom Epiphany*, Robin D. Gill hopes to help readers experience, metaphysically, some of this alternative world. Haiku is a hyper-short (17-syllable or 7-beat) Japanese poem directly or indirectly touching upon seasonal phenomena, natural or cultural. Literally millions of these ku have been written, some, perhaps, many times, about the flowering cherry (sakura), and the human activity associated with it, blossom-viewing (hanami). As the most popular theme in traditional haiku (haikai), cherry-blossom ku tend to be overlooked by modern critics more interested in creativity expressed with fresh subjects; but this embarrassment of riches has much to offer the poet who is pushed to come up with something, anything, different from the rest and allows the editor to select from what is, for all practical purposes, an infinite number of ku. Literary critics, take note: Like *Rise, Ye Sea Slugs!* (2003) and *Fly-ku!* (2004), this book not only explores new ways to anthologize poetry but demonstrates the practice of multiple readings (an average of two per ku) as part of a composite translation turned into an object of art by innovative clustering. Book-collectors might further note that while *Cherry Blossom Epiphany* may not be hardback, it takes advantage of the many symbols included with Japanese font to introduce design ornamentation (the circle within the circle, the reverse (Buddhist) swastika, etc.) hitherto not found in English language print. It is a one-of-a-kind work of design by the author.

Great Fool

When a jazz-loving rooster sets his sights on winning a barnyard talent show, he realizes he can't do it as a solo act. He's up against the talents of Mules Davis's cool duo and Ella Finchgerald's singing group. Acoustic Rooster calls on friends like pianist Duck Ellington, singer Bee Holiday, and percussionist piggy Pepe Ernesto Cruz. Together, the foursome makes beautiful music as they rock the barnyard. And while they may not win first prize, Acoustic Rooster realizes he has the world's best jazz band and that's all that matters. Colorful artwork from artist Tim Bowers (*Memoirs of a Goldfish*) ensures this story doesn't miss a beat. A glossary of musical terms and instruments rounds out this perfect introduction to jazz for young readers. Kwame Alexander is a poet, publisher, and an award-winning producer of literary programs. He has written for television, the stage, and authored 13 books. He conducts writing/publishing workshops at schools and conferences throughout the country. Kwame lives in the Washington, D.C. area. Tim Bowers has illustrated more than 25 children's books, garnering such awards as the Chicago Public Library's "Best of the Best" list. His work for *Sleeping Bear* includes *First Dog* and *First Dog's White House Christmas*. Tim lives in Granville, Ohio.

Tree Shaker

'Compelling . . . this is a fable for the times ahead that feels essential' Irish Times 'Stunning, insightful, deeply humane prose . . . Fisher indicts all of us yet still offers hope that we may change the ending of this story' Olivia Sudjic A young man is found brutally murdered in the middle of the snowed-in village of Wivenhoe. Over his body stands another man, axe in hand. The gathered villagers must deal with the consequences of an act that no-one tried to stop. *WIVENHOE* is a haunting novel set in an alternate present, in a world that is slowly waking up to the fact that it is living through an environmental disaster. Taking place over twenty-four hours and told through the voices of a mother and her adult son, we see how one small community reacts to social breakdown and isolation. Samuel Fisher imagines a world, not unlike our own, struck down and on the edge of survival. Tense, poignant, and set against a dramatic landscape, *WIVENHOE* asks the question: if society as we know it is lost, what would we strive to save? At what point will we admit complicity in our own destruction? A young man is found brutally murdered in the middle of the snowed-in village of Wivenhoe. Circles of Fantasy

In early nineteenth-century Japan—the “silver age” of Edo-period literature—Ryutei Tanehiko was a well-known author of popular illustrated fiction. This account of his life and works covers his early yomihon (lengthy romances of improbable perils and adventures) and his gokan (intricately plotted stories in simple language intended for a general audience). Special emphasis is given his most popular work—the illustrated serial *Nise Murasaki inaka Genji* (An Impostor Murasaki and Rustic Genji), which ran for fourteen years—Japan’s first national bestseller. Andrew Markus deftly shows how Tanehiko transposed episodes of the eleventh-century *Genji monogatari* to a fifteenth-century Muromachi setting in a plot dependent on the conventions of nineteenth-century kabuki. Markus fleshes out Tanehiko’s diaries and the remarks of his contemporaries to create a fascinating picture of an author who, after years of spectacular success, fell victim to the Tenpo Reform promulgations against “morally inappropriate” publications and whose mysterious death sent shock waves through the publishing world.

Red Car Goes by

During the eighteenth century, Edo (today’s Tokyo) became the world’s largest city, quickly surpassing London and Paris. Its rapidly expanding population and flourishing economy encouraged the development of a thriving popular culture. Innovative and ambitious young authors and artists soon began to look beyond the established categories of poetry, drama, and prose, banding together to invent completely new literary forms that focused on the fun and charm of Edo. Their writings were sometimes witty, wild, and bawdy, and other times sensitive, wise, and polished. Now some of these high spirited works, celebrating the rapid changes, extraordinary events, and scandalous news of the day, have been collected in an accessible volume highlighting the city life of Edo. Edo’s urban consumers demanded visual presentations and performances in all genres. Novelties such as books with text and art on the same page were highly sought after, as were kabuki plays and the polychrome prints that often shared the same themes, characters, and even jokes. Popular interest in sex and entertainment focused attention on the theatre district and “pleasure quarters,” which became the chief backdrops for the literature and arts of the period. *Gesaku*, or “playful writing,” invented in the mid-eighteenth century, satirized the government and samurai behavior while parodying the classics. These entertaining new styles bred genres that appealed to the masses. Among the bestsellers were lengthy serialized heroic epics, revenge dramas, ghost and monster stories, romantic melodramas, and comedies that featured common folk. An *Edo Anthology* offers distinctive and engaging examples of this broad range of genres and media. It includes both well-known masterpieces and unusual examples from the city’s counterculture, some popular with intellectuals, others with wider appeal. Some of the translations presented here are the first available in English and many are based on first editions. In bringing together these important and expertly translated Edo texts in a single volume, this collection will be warmly welcomed by students and interested readers of Japanese literature and popular culture.

Studies in Intellectual History of Tokugawa Japan

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Cherry Blossom Epiphany -- The Poetry and Philosophy of a Flowering Tree

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

Acoustic Rooster and His Barnyard Band

A communicative program in contemporary Japanese for intermediate students NTC's Basic Japanese, Level 2 (William) extends students' speaking, listening, reading, and writing skills. Through open-ended exercises, students learn to express their thoughts and opinions in Japanese. Hiragana and katakana are continually reviewed to help your students master the syllabaries gradually and completely. This text is hardcover, 7 1/2" x 10", and 160 pages in length.

Stock Market: An Opportunity Not to Be Missed - Stock Market: An Opportunity Not to Be Missed by Synapses 4,914 views 7 hours ago 33 minutes - 00:00 Intro\n00:49 Stock Market: A Train Not to Be Missed\n07:04 Are European Stocks Too Expensive?\n08:21 What to Think About ...

Intro

Bourse : un coche à ne pas rater

Des actions européennes trop chères ?

Que penser de la concentration du marché ?

Une anomalie de marché à jouer ?

Faut-il vendre les valeurs en forte hausse ?

Une bonne nouvelle du côté du cycle des fusions-acquisitions

Ce qu'il faut retenir

A qui profitera la montagne de Cash ?

Les marges des sociétés vouées à diminuer ?

Une épée de Damoclès sur les actions européennes ?

Quelles valeurs privilégier aujourd'hui ?

Qu'est ce qui pourrait remettre en cause le scénario favorable aux actions européennes ?

La synthèse de Vincent
