She decides to choose Door Number Three: going to a pub for some basketball and beer. But when she proposes a bold bar bet, will she go home with a fistful of cash...or have to settle the score in the most erotic of ways? Warning: Last Call (7,100 words) contains ill-advised trash talk, lusty logistics, and an awkward reunion. Double Dipping Victoria has a

lavish lifestyle, and a serious shoe habit, to support—but her salary as a CFO just isn't cutting it. In order to fund her extravagances, she starts doing some creative accounting and is convinced she's come up with the perfect embezzlement scheme. But when her boss suspects someone is dipping into the company's coffers, will a Valentine's Day seduction be enough to keep her out of trouble at work—and out of prison? The Five Days of Christmas

It's been years since Allison has attended the annual Chapman-Beaumont Christmas tradition, which typically involves blindfolds, '40s-themed dinner parties, and acting like igloo-building is an Olympic sport. She finally flies home to Vermont to participate in five days of over-the-top festivities with her family and their best friends, the Chapmans - but this year, she's bringing her boyfriend, and she doesn't know how they'll all mesh. Jake Chapman (Ally's closest friend or worst enemy depending on the year) seems especially pissed about it, and Ally can't help but notice that Jake's not the same lanky teenager she remembers. The Five Days of Christmas is a new-adult holiday romance by Maria Cassano. This festive-AF novelette isn't quite as wholesome as a Hallmark movie, but its witty dialogue and rough-around-the-edges characters add some welcome realism to all things merry and bright.

It's Christmas Eve at La Petite Mort Club and the night is about to get interesting because it's almost time to play The Mistletoe Game. Adrian is prowling the Club when he notices the saddest woman he'd ever seen. She looks like her world has ended. He's just the guy to cheer her up. He's rich, attractive and charming. Unfortunately, Ellie finds him annoying, arrogant, and too alpha. She's done with alpha males who can't keep it in their pants and wouldn't know the meaning of the word faithful if they were reading it in the dictionary. But when Ellie's cheating ex calls her cold, the only way to prove him wrong is to play The Mistletoe Game with Adrian. How bad can it be? They're in public. It's a game. Probably, a few kisses under the mistletoe, except this is La Petite Mort Club and nothing is as innocent as just a kiss. This new adult, steamy, contemporary, holiday romantic comedy is laugh-out-loud funny and so hot that you'll need a fan. Ellie wants to be free from alpha males, but Adrian isn't the usual military dominant male. He's funny, sexy and loyal. He just needs Ellie to see him for who he is, not how he looks. This is a three-part series. All books follow Adrian and Ellie and their relationship from Christmas through Valentine's Day. The HEA is at the end of Cupid's Misfire. This book ends with an HFN.

A Gift for the Holidays

First came video and more recently high definition home entertainment, through to the internet with its streaming videos and not strictly legal peer-to-peer capabilities. With so many sources available, today's fan of horror and exploitation movies isn't necessarily educated on paths well-trodden — Universal classics, 1950s monster movies, Hammer — as once they were. They may not even be born and bred on DAWN OF THE DEAD. In fact, anyone with a bit of technical savvy (quickly becoming second nature for the born-clicking generation) may be viewing MYSTICS IN BALI and S.S. EXPERIMENT CAMP long before ever hearing of Bela Lugosi or watching a movie directed by Dario Argento. In this world, H.G. Lewis, so-called "godfather of gore," carries the same stripes as Alfred Hitchcock, "master of suspense." SPINEGRINDER is one man's ambitious, exhaustive and utterly obsessive attempt to make sense of over a century of exploitation and cult cinema, of a sort that most critics won't care to write about. One opinion; 8,000 reviews (or thereabouts).

One of them has a plan. The other is clueless. Together they will discover what love really is about. Guarded and studious, sixteen-year-old aspiring actor Zak favours being alone above all else... except perhaps Alberto, the Italian god from Drama Club, with whom he's secretly in love. When their drama teacher takes the club to the French countryside to shoot a short film, Zak decides to temporarily hang his introvert hat and joins the party, confident Alberto will be cast as his love interest. Only... by accident or by mistake, the beloved — and most likely overrated — star football player Eric is chosen to play Alberto's part. As time goes by, stuck in the middle of nowhere with the most popular boy at school, Zak quickly sees his opinion of Eric shift from sworn enemy to endearing new friend; and soon enough, his feelings for him threaten to grow into something far more dangerous. A story about friendship, self-awareness and the dangers of appearances, You're The One for Me is the second installment in the Colette International series, where students from an international high school in Paris navigate their tumultuous love lives. Each of the Colette books can be read as a standalone, apart from He Looks

So Fine Part One and Two. Warning: this novel is 170 000 words long. It's a slow burn of a summer romance, written for readers who enjoy slice of life entertainment with plenty of dialogue.

The Bite Before Christmas

Every Step You Take is a hard-hitting focus on inner city survival from a kids perspective. Using his life in New Yorks Spanish Harlem and South Bronx, Joseph Alicea provides readers with true-life examples that speak to the successes and failures of teenagers. Joes stories communicate directly with young readers. His secondary intent is to share these experiences with parents, hoping that they use them as a means for discussing critical growing up issues with their children. Joe links his message through the paths he took as an example of how every step you take will define your Character, Future, and Legacy. Portions of the text may seem too direct. However, Joes intent is not to preach. He firmly believes that young readers need to hear the words as he intended them passionate, honest, to the point, and with a sense of caring for them. He wants young readers to recognize the fact that many kids go through tough and confusing times just as they may be having; yet those kids survive. He also hopes that his frank discussions will encourage parents to be as forthright with their children about their own experiences as he has been in his book.

Sexuality in World Cinema: A-K

Meet the men of Manning Grove, three small-town cops and brothers, who meet the women who will change the rest of their lives. This is Max's story... Big city party-girl Amanda Barber has been spoiled most of her life. But life for Amanda suddenly becomes a major challenge: adapting to small-town life, dealing with her special needs brother, and constantly butting heads with a frustrating local cop. As a police officer and former Marine, "responsibility" is Max Bryson's middle name. Never having been in a serious relationship, he has no plans for one in the near future. He likes being his own man. And even if he were interested in a serious relationship, he certainly wouldn't choose someone so immature and irresponsible as Amanda. But no matter how hard he tries, he can't get sexy Amanda out of his head or his heart. Watching her mature in front of his eyes, his protectiveness towards her only strengthens. Bossy and possessive aren't the only words Amanda uses to describe this frustrating cop. She can't deny just looking at the man makes her tremble. But she's done with having anyone control her and this man isn't going to be any different. Or is he? Note: This full-length novel doesn't have a cliffhanger or cheating and, as always, has an HEA. It's best to read this series in order.
