regrow plants in your window

wash your clothes less, many clothes just needs some fresh air

If you have a garden, start growing your own vegetables

make your own canvas bags from second hand bed sheets

take shorter showers and avoid the hair dryer

you can make saplings and sprout from plants

let fresh air into your room

drink water rather than sugary drinks

use a reusable water bottle rather than buying plastic bottles

make your own lunch to avoid prepackaged lunches

wrap your lunch in fabric or wax wrap rather than a plastic bag

participate in the grocery shopping

show if money can be saved from buying less packaged options

start meal planning and meal prepping

wrap dinner leftovers as lunch for the next day

instead of buying expensive hair masks you can use natural ingredients

banana peels can also be reused as an exfoliator for plants

wish for experiences as gifts for the holidays

pick up trash

refuse small promotional freebies

have a glass, or a cutlery set in your bag

if you have the option to walk or bike rather than public transportation

when on holiday, buy sustainable souvenirs

use the holidays to wish for sustainable swaps

wish for cash

bring up good ideas or ideas that can improve the household

sit down and watch a documentary about sustainability

find refillable pens rather than using disposable pens

spend your own money to replace small objects

include the financial benefits of reusable products

try recycling paper at home

use the lid of jars as a soap holder

choose non-paraffin wax when picking out candles

choose green gear for your phone
