Intro

Welcome to this FINANCIAL ANALYST interview tutorial.

I am a dedicated, intuitive and commercially driven Financial Analyst who possesses the necessary qualities and traits to help you achieve your strategic objectives.

In my experience, there are 8 essential skills needed to become a competent Financial Analyst.

As you know, there are lots of Financial Analyst job vacancies advertised. However, within this role I believe it is crucial to choose the company you work for very carefully.

EBITDA stands for Earnings Before Interest, Taxes, Depreciation and Amortization. It is basically used by investors and financial analysts as a measure of company profitability.

My strengths are my positive and determined mindset, my ability to be keep working on tasks and projects until they are completed to the high standards required, and also my communication and interpersonal skills.

Based on my research, the average salary for a Financial Analyst within this sector is \$50,000 to \$60,000
