Blade of the Immortal Omnibus Volume 4

Rin continues to travel across Japan seeking revenge on those responsible for the murder of her parents.

Blade of the Immortal Omnibus Volume 1

A cursed, seemingly immortal warrior aids a young girl in her quest for revenge, as the students of a brutal new sword school tear a bloody path across Japan. Hiroaki Samura's massive manga series spawned an anime run, a spinoff novel, an art book, and a live-action film! Samura's storytelling tour-de-force also won Japan's Media Arts Award, several British Eagle Awards, and an Eisner Award, among other international accolades. Intense and audacious, Blade takes period samurai action and deftly combines it with a modernist street idiom to create a style and mood like no other work of graphic fiction. Blade of the Immortal Omnibus Volume 1 contains the first 3 volumes of Blade of the Immortal by Dark Horse. "Samura's work will thrill you, engage you, and even horrify you like no other artist working in film or print today." -Geof Darrow

Blade of the Immortal Volume 4

Manji, the immortal samurai, is condemned to a life of combat until he slays a thousand evil men. He works as bodyguard for Rin, a young woman who seeks to avenge her father's murder at the hands of the deadly Kagehisa Anotsu. But even with Manji's instruction, will Rin ever be able to stand against such a powerful and ruthless adversary? And in her consuming quest for vengeance, does she risk becoming like him?

Blade of the Immortal Deluxe Volume 4

Over 600 blood-soaked pages, collecting Hiroaki Samura's captivating "Secrets," "Fall Frost," and "Beasts" story arcs! Rin's purportedly immortal protector, Manji, was enlisted to help her hunt down the ruthless Itto-ryū sword school that murdered her parents. With Rin searching for the eccentric Itto-ryk leader Anotsu Kagehisa on her own now, Manji joins forces with Magatsu--a charming, fan-favorite killer--to take on the evil Shira! Hyakurin and her fellow Mugai-ryk warriors tangle with the devious Itto-ryk clan, too, and suffer serious losses! Collects Blade of the Immortal volumes 10 to 12 in the original 7x10 serialized format, in a faux-leather hardcover treatment, and with a bookmark ribbon.

Blade of the Immortal Deluxe Volume 1

Blade of the Immortal returns in deluxe hardcover editions, collecting Hiroaki Samura's epic series for the first time in its original 7x10 serialized format. A cursed, seemingly immortal warrior aids a young girl in her quest for revenge, as the students of a brutal new sword school tear a bloody path across Japan. Hiroaki Samura's massive manga series spawned two anime adaptations, a spinoff novel, an

art book, and a live-action film! Samura's storytelling tour-de-force also won Japan's Media Arts Award, several British Eagle Awards, and an Eisner Award, among other international accolades. Collects Blade of the Immortal volumes 1 to 3 in the original 7x10 serialized format, in a faux-leather hardcover treatment, and with a bookmark ribbon.

Blade of the Immortal Deluxe Volume 3

Over 650 pages of samurai battles, bloodshed, and bitter rivalries! A young survivor's seemingly immortal protector, Manji, is helping her destroy the eccentric, bloodthirsty Itto-ryu sword school that ambushed and killed her parents. While Manji has his hands full with a trio of devious assassins, Rin decides to make her way across Edo to search for the murderous Itto-ryu leader Anotsu Kagehisa on her own! Will Manji find her before Anotsu does? This volume also features the debut of the mysterious Mugai-ryu warriors, who will become major players in this revenge epic from a modern manga master! Collects Blade of the Immortal volumes 7 to 9 in the original 7x10 serialized format, in a faux-leather hardcover treatment, and with a bookmark ribbon.

Blade of the Immortal Omnibus Volume 2

Rin continues her quest across feudal Japan to avenge the murder of her parents, joined by Manji--her seemingly immortal protector. The eccentric, bloodthirsty Ittō-ryū sword school tries to carve a path to Edo castle, led by the hated Anotsu as they obliterate all rival schools along the way. What they don't know, though, is that the deadly Mugai-ryū has formed--with the sole purpose of destroying Anotsu's clan! This epic manga series won Japan's Media Arts Award, several British Eagle Awards, and an Eisner Award, among other international accolades. Relentless and shocking, Blade takes Edo-era samurai action and combines it with modernist street idioms to create a style and mood like no other work of graphic fiction. "Samura's work will thrill you, engage you, and even horrify you like no other artist working in film or print today." --Geof Darrow (Shaolin Cowboy, Hard Boiled)

Graphic Novel Art.

The Art of Blade of the Immortal

The harrowing, bone-crunching finale! Hiroaki Samura's long-running manga series ends with a massive, 280-page volume filled with action and suspense. Who will survive? Disgraced Edo officer Habaki faces the devious Anotsu in a decisive showdown, while Manga, Rin, and only a few others witness the end of an era. Rin's quest concludes with a violent bang--then things get weirder! Hiroaki Samura's final volume overflows with heartbreak and bloodshed! Blade has won many awards across the globe, including the Eisner Award in America, the prestigious Media Arts Award of Japan, and multiple British Eagle Awards.

Blade of the Immortal Volume 31: Final Curtain

Over 700 pages of samurai swordplay and grudge matches in one killer, value-priced collection! Featuring Hiroaki Samura's fast-paced "Mirror of the Soul," "Last Blood," and "Trickster" story arcs! Kidnapped and bound by three Itto-ryu warriors, Rin is unable to warn her bodyguard, Manji--the seemingly immortal swordsman, that he's heading into a trap. The Itto-ryu thugs also possess a large dose of the only known poison to damage Manji's blood and severely cripple his regenerative abilities. And is the Mugai-ryu assassin Giichi following Manji in order to help rescue Rin . . . or will he just stick around long enough to finish off any survivors?

Blade of the Immortal Omnibus Volume 5

The immortal samurai Manji is recovering from his wounds as Rin hunts for her family's murderer.

Blade of the Immortal: Beasts

Collecting the "Demon Lair" story arc, which features a massive prison escape helmed by young Rin, and "Footsteps," another key story arc that builds up to Blade of the Immortal's intense, multi-volume final battle! ! In the tunnels beneath Edo Castle, Rin and Doa search for their missing loved ones and face a seemingly endless run of strange foes. Dishonored military leader Kagimura must destroy Anotsu and the hated Itto-ryk school, so he forms the new Rokki-dan gang of odd criminal misfits to help him track Anotsu down. Hiroaki Samura's intense, award-winning revenge epic gets the omnibus treatment!

Blade of the Immortal Omnibus Volume 7

The penultimate volume in the long-running series! A sleepy port town becomes the scene of slaughter and frantic, final battles, as disgraced Edo officer Habaki faces the man he's vowed to take down--the rascally Anotsu. While Manga and Rin are forced to battle Habaki's most tenacious Rokki-dan thug, the enigmatic Makie has to fend off several Edo Castle henchmen at once! Blade's grotesque, vicious final battle rages on! Blade of the Immortal has won many awards across the globe, including the Eisner Award in America, the prestigious Media Arts Award of Japan, and multiple British Eagle Awards

Blade of the Immortal Volume 30: Vigilance

"The showdown that fans have been waiting for begins here-- as Manji and Shira face off! Although he's missing an arm, Manji's mystical healing powers still ensure that he's a formidable opponent-- but his most repulsive foe, the sadistic Shira, has a few depraved tricks up his own sleeve! Will Manji be able to protect Rin from his deranged nemesis? Plus-- an IttM-ryk warrior dies, in typically dramatic Samura fashion."--Page 4 of cover.

Blade of the Immortal

The curse of the bloodworm is what keeps Manji alive — slit his throat or stab him in the heart and those mystical worms will force his body to heal. This immortal curse will not be lifted until Manji has killed one thousand evil men. Manji's female companion, Rin, finds the treasured sword of her destroyed Mutenichi-ryu dojo (school of swordsmanship). There is something twisted about this death, something that whispers of centuries long past ... but Dmitri's need to discover the truth is nothing to the vicious strength of his response to the hunter assigned to decipher the tattoo. Savaged in a brutal attack that almost killed her, Honor is nowhere near ready to come face to face with the seductive vampire who is an archangel's right hand, and who wears his cruelty as boldly as his lethal sensuality ... the same vampire who has been her secret obsession since the day she was old enough to understand the inexplicable, violent emotions he aroused in her. Something is hunting, and it will not stop until it brings a blood-soaked nightmare to life once more ...

The Immortal Circus

Murdered contortionists aren't exactly what Vivienne signed up for when she ran away to join the circus. But like most things under the big top, nothing is what it seems. With a past she can't quite remember, Vivienne finds that running away forever might not be as appealing as it once sounded -- because forever means something quite different at the Cirque des Immortels. Aided by her friends Kingston -- a feisty stage magician whose magic is quickly stealing her heart -- and his sarcastic assistant Melody, Vivienne finds herself racing against the clock to discover the culprit behind a series of deaths that should be impossible. However, the answer she seeks might reveal more about her own bloody past -- and future -- than she bargains for. The show's just beginning. Step right up...

The Immortal Circus: Act Two

No one has been murdered in the Cirque des Immortels since the clash between the otherworldly Courts and the death of Oberos at Lilith's flaming hands. Vivienne is settling comfortably into her new life under the big top, with its late-night debaucheries, faerie secrets, and magical cast. She is now a fortune-teller, rather than a cotton candy seller, and has a magical boyfriend, Kingston, whose fierce charm has stolen her heart. But her own half-remembered past holds secrets of its own, and her disturbing visions compel her to accept that she can't outrun the mysteries of her previous life--even though not being able to remember may well be a blessing in disguise. Especially when the blood is on her hands.

The Immortal Circus: Final Act

"Despite Vivienne's broken heart and deadly truths, the show must go on at the Cirque des Immortels. But it takes more than glamour and sex appeal to keep the Big Top running; without the magic and support Viv came to rely on, the circus is in danger. Now the troupe verges on rebellion, the war between Mab and Oberon rages on, and a horrifying menace looms--with Vivienne stuck in the middle of it all. When Mab's manipulations put others at risk, Viv has to decide where her heart lies. Everything depends on her choices. How can she know her true desires? And will she have what it takes to fight the demons she must face?"--Page 4 of cover.

Black Ice Burning

The Summer Kingdom has fallen to the Pale Queen and it's Claire's fault. Once the designated assassin for Queen Mab, Claire is now nothing more than a humiliated mortal, haunted by her own failure. Stripped of her magic, Claire is banished to the Immortal Circus. Power or no power, contract or no contract, Claire has an obligation to uphold. With the fate of the worlds hanging in the balance, she takes on the hit she knows will be her last: the Pale Queen.

The Chaos Circus

All Tessa LaRoche wants is to be the most ordinary person on Barrow Island. After a stint in a mental asylum, she's had quite enough of being anything else, thank you very much. But when a commission at her new reporting job forces her into the path of a not-quite-human murder suspect, Tessa finds that the unordinary is not through with her yet. Spirited away by a devilishly charming Nicolai to the Mirror Lands-- a parallel reality manipulated by the immortal Deathless-- Tessa loses one of the most precious tethers to her sanity. In order to reclaim it, she must risk entering The Chaos Circus: a citywide fair where mortals trade years for prizes in vicious attractions from which the Deathless draw their power. But there's a catch: if Tessa can't defeat the Deathless at their own freakish carnival games, she will lose her mind...and Nicolai will lose his life. Forced to rely on one another despite the secrets that come between them, Tessa and Nicolai embark on a dangerous adventure through the deceptively beautiful life of the Circus, where little is as it seems--even the games, their pasts, and the strange whirlwind of memories that Tessa can no longer recall.

Pale Queen Rising

"As royal assassin for the Faerie Queen, Claire is used to moving between the mortal world and the Winter Kingdom. When the queen commands her to kill, Claire does the job and doesn't ask questions. Her deadly skills and loyalty are soon tested when Claire is sent to the Immortal Circus. It is one of the many places where 'Dream' is harvested from the imaginings of mortals, and someone is causing it to mysteriously disappear. Claire's job is to find the culprit before the Winter Kingdom's supply of Dream is depleted enough to threaten the very survival of the Fey. But when she meets Roxie, a beautiful mortal singer with a strange link to the Dream thieves, Claire quickly recognizes an odd and unexplained connection that may cloud her judgment. As each new clue unveils another secret, Claire finds herself confronting the riddle of her own buried past--and a dangerous illusion that, as part of the Immortal Circus, is just another act in the show"--Back cover.

Circus of Wonders

From the #1 internationally bestselling author of the "lush, evocative Gothic" (*The New York Times Book Review*) *The Doll Factory* comes an atmospheric and spectacular novel about a woman transformed by the arrival of a Victorian circus of wonders—"as moving as it is deeply entertaining" (Daniel Mason, *New York Times* bestselling author). Step up, step up! In 1860s England, circus mania is sweeping the nation. Crowds jostle for a glimpse of the lion-tamers, the dazzling trapeze artists and, most thrilling of all, the so-called "human wonders." When Jasper Jupiter's Circus of Wonders pitches its tent in a poor coastal town, the life of one young girl changes forever. Sold to the ringmaster as a "leopard girl" because of the birthmarks that cover her body, Nell is utterly devastated. But as she grows close to the other performers, she finds herself enchanted by the glittering freedom of the circus, and by her

own role as the Queen of the Moon and Stars. Before long, Nell's fame spreads across the world—and with it, a chance for Jasper Jupiter to grow his own name and fortune. But what happens when her fame begins to eclipse his own, when even Jasper's loyal brother Toby becomes captivated by Nell? No longer the quiet flower-picker, Nell knows her own place in the world, and she will fight for it. *Circus of Wonders* is a beautiful story about the “complex dance between exploitation and empowerment, and the question of what it really means to have control over your own life” (Naomi Ishiguro, author of *Escape Routes*).

Cold Dream Dawning

Though trained as a ruthless and efficient killer, Claire barely survived her last assignment. Still reeling from the summoning of the deadly Pale Queen and Roxie's betrayal, she's unprepared for Queen Mab's next demand: to help uncover a new threat to the kingdom, Claire must hunt down the mortal mother she's never known. But Claire's divided loyalties may be the least of her worries: her mother, the former star of the Immortal Circus, has other enemies—including the Summer King. To save the Winter Kingdom from the Pale Queen's dark designs, Claire must attempt to awaken her mother's hidden magic. But even if she succeeds, is there magic potent enough to protect her from the dangers lurking in the treacherous forests of the Wildness—or from the shadows in her own heart?

Sneaking Into the Flying Circus

Alexandra Pelosi, creator of the Emmy award-winning film *Journeys with George* and of *Diary of a Political Tourist*, makes her literary debut with an intimate look at the frenzied and grueling underbelly of presidential campaigning and the puppet role of the media. Pelosi went along on the campaign trail in order to, as she puts it, “document the absurd hazing rituals that our presidential candidates have to go through.” With this savvy, well-connected, and fearless guide, it's a rollicking, breakneck journey unlike any other. Pelosi's one-on-one time with the 2004 presidential candidates affords an up-close perspective on the highs and lows of campaign life: the genuine thrill of seeing America, the unrelenting grind of endless campaign stops, the hope and heartache of poll results. While the candidates try to stick to tightly constructed scripts, Pelosi's nonnetwork angle makes for revealing portraits of the men who wanted to be president. But even more, Pelosi's approach reveals fundamental flaws in the media's election coverage. A former member of the campaign press corps, she turns her gimlet eye on the media, which are busy enacting their own election-time rituals: “Every election cycle journalists defy the theory of evolution, living sequestered on a bus, with no sleep, few showers, and tons of junk food, going town-to-town listening to the same speech over and over. You're stuck in this dysfunctional relationship between the news organization that has you there to do their bidding and the campaign that is trying to co-opt you.” And herein lies Pelosi's driving point: politicians and journalists don't trust each other, and so, in election coverage and in politics in general, the press is utterly hamstrung. Since the candidates never say anything unscripted and the journalists have to make nice in order to maintain access, modern presidential campaigns have become little more than media events. Politicians and journalists alike are going through the motions, and the voters have no idea who the candidates really are. But Pelosi says the public are not fools: “Everyone knows that the media do not give them an accurate portrait of a person.” No wonder people are apathetic. But whose fault is it? Are the candidates driving people away from the political process, or are the media keeping them out? Probing, insightful,

and lively, Sneaking into the Flying Circus exposes the election process for what it is: a three-ring gala production that comes to town every four years. As a nation and an audience, we're often willing to suspend disbelief -- and we often can't resist when the clowns try to get us in on the act. It is, after all, the greatest show on earth.

Our Lady of the Circus

The latest offering by acclaimed Mexican writer David Toscana is a whimsical and dark tale about a group of circus performers who, disillusioned with their lives as traveling entertainers, are seduced by the idea of settling down and living like ordinary people. Our Lady of the Circus begins with the once formidable circus of the Mantecón Brothers breaking apart, resulting in one brother taking with him the best of the group. Left behind is brother Don Alejo, who tries to rally the remaining troupe of eight stragglers and a pig. Together they stumble upon an abandoned town, where the demoralized performers seize the opportunity to start over and christen it Santa María del Circo. What ensues is an absurd and tragic look at the misfits' struggle to create new lives for themselves. Through these

desperate characters, Toscana skillfully reveals the many defects of humanity and the individual's desire for self-realization, and, in so doing, creates a touching metaphor for the human condition.

In No Fit State

Runebinder

A new edition of a "dazzlingly seductive" fever dream written in "brilliant poetic vernacular" (Bookforum) by a beloved poet and cultural critic, now with an introduction by Rachel Kushner. For five years, concert pianist Theo Mangrove has been living at his family's home in East Kill, New York, recovering from a nervous breakdown that derailed his career, and attempting to relieve his relentless polysexual appetite in the company of male hustlers, random strangers, music students, his aunt, and occasionally his wife. As he prepares for a comeback recital in Aigues-Mortes, a walled medieval town in southern France, he becomes obsessed with the idea that the Italian circus star Moira Orfei must join him there to perform alongside him. Extravagantly (and tragicomically) describing his hallucinatory plans in a series of twenty-five notebooks, he assembles an incantatory meditation on performance, failure, fame, decay, and delusion. "If Debussy and Robert Walser had collaborated on an opera, it would sound like this. --John Ashbery

Playing Wicked

A National Book Award Finalist: This 'wonderfully descriptive' novel from an author with a 'tremendous imagination' tells the unforgettable story of the Binewskis, a carny family whose mater- and paterfamilias have bred their own exhibit of human oddities. (The New York Times Book Review) The Binewskis are a circus-geek family whose matriarch and patriarch have bred their own exhibit of human oddities (with the help of amphetamine, arsenic, and radioisotopes). Their offspring include Arturo the Aquaboy, who has flippers for limbs and a megalomaniac ambition worthy of Genghis Khan, Iphy and Elly, the lissome Siamese twins, albino hunchback Oly, and the outwardly normal Chick, whose mysterious gifts make him the family's most precious - and dangerous - asset. As the Binewskis take their act across the backwaters of the US, inspiring fanatical devotion and murderous revulsion; as its members conduct their own Machiavellian version of sibling rivalry, *Geek Love* throws its sulfurous light on our notions of the freakish and the normal, the beautiful and the ugly, the holy and the obscene. Family values will never be the same. Praise for *Geek Love* 'If Flannery O'Connor had consumed vast quantities of LSD,

she might have written like this' Literary Review 'The most romantic novel about love and family I have read. It made me ashamed to be so utterly normal' Terry Gilliam 'I felt electrocuted when I read that first page with Crystal Lil and her freak brood. I stood there in the bookstore and my jaw came unhinged. No book I've read, before or since, has given me that specific jolt' Karen Russell, author of *Swamplandia*

First settled in the late 1600s and incorporated in 1770, the small seacoast town of Cohasset became an important center for fishing and shipbuilding during the great age of sail. As the maritime era declined in the late 19th century, wealthy Bostonians found Cohasset's cool ocean breezes, the natural beauty of its rockbound shoreline, and its protected coves and harbor ideal for summer recreation. Amateur and professional theater groups flourished in this summer colony. Through vintage photographs, Cohasset covers all this and more-seaside hotels and summer "cottages," village life and old-time merchants, patriarchs and politicians. Personalities abound, such as Philander Bates, a shoemaker who held almost every elected and appointed town office, and financier Clarence W. Barron, who entertained Calvin Coolidge at his Oaks Farm in 1925.

Genesis Magic

In 1927, General Yang Sen invited Li Qingyun to Wanxian, China, to teach about health and longevity. Li Qingyun was reported to be 250 years old at the time, and his visit to Wanxian was big news. In 1970, Yang Sen compiled a book of his and other's accounts of Li Qingyun, titled "An Authentic and True Record of a 250-Year-Old Man," which Stuart Alve Olson started translating into English in 1982. Besides the notion of someone living to 250 years of age, this book goes well beyond the biography of Li Qingyun's life. It has great historical value, especially for Westerners who are unfamiliar with much of Chinese history towards the end of the Qing dynasty. It also explains incredible health therapies and provides information on what is now called Medical Qigong. Much is explained about Daoism on meditation, breathing, qigong exercise, food, sex, and philosophy for Daoist living. Another true gem of this book is the philosophical teachings, as much of this material has never been presented in English. The depth of information provided in this book surpasses any previously published work on Daoist health practices and philosophy. It is rare to come across a text with such abundance of insights and written with such clarity as this material provides. Although "Qigong Teachings of a Taoist Immortal: The Eight Essential Exercises of Master Li Ching-yun" was published in 2002, which includes translations from Yang Sen's book, the entire translation is now finally available. This book belongs in everyone's library who studies or has an interest in Chinese philosophy, qigong regimes, and biographies. A companion DVD-"Li Qingyun's Eight Brocades"-is now available."

Mechanique

From the New York Times bestselling author of *The Night Circus*, a timeless love story set in a secret underground world—a place of pirates, painters, lovers, liars, and ships that sail upon a starless sea. Zachary Ezra Rawlins is a graduate student in Vermont when he discovers a mysterious book hidden in the stacks. As he turns the pages, entranced by tales of lovelorn prisoners, key collectors, and nameless acolytes, he reads something strange: a story from his own childhood. Bewildered by this inexplicable book and desperate to make sense of how his own life came to be recorded, Zachary uncovers a series of clues—a bee, a key, and a sword—that lead him to a masquerade party in New York, to a secret club, and through a doorway to an ancient library hidden far below the surface of the earth. What Zachary finds in this curious place is more than just a buried home for books and their guardians—it is a place of lost cities and seas, lovers who pass notes under doors and across time, and of stories whispered by the dead. Zachary learns of those who have sacrificed much to protect this realm, relinquishing their sight and their tongues to preserve this archive, and also of those who are intent on its destruction. Together with Mirabel, a fierce, pink-haired protector of the place, and Dorian, a handsome, barefoot man with shifting alliances, Zachary travels the twisting tunnels, darkened stairwells, crowded ballrooms, and sweetly soaked shores of this magical world, discovering his purpose—in both the mysterious book and in his own life.

The Starless Sea

Love Is in the Air

The end is here. Tenn thought the spirits wanted him to find his fellow Hunter, Aidan, to win the war against the undead. But with Aidan on the brink of self-destruction and Tenn reeling from his lover's spite, their fated convergence seems far from promising. Especially because Aidan no longer appears to be fighting for the living. With the Dark Lady whispering commands and Tom's guiding his hand, Aidan slips deeper into darkness. And while the world rallies for its final battle against the Dark Lady's minions, Tenn finds himself torn between saving the boy who's slipping away and fulfilling a prophecy he can't understand—one that will require him to harness the most powerful magic the world has ever seen: the Sphere of Maya. And depending on who unleashes its power, that magic could either save humanity...or erase it.

Daughter Of The Burning City

Vikings meets *Frostblood* in this romantic historical fantasy stand-alone from author Jessica Leake. The ancient land of Éirinn is mired in war. Ciara, princess of Mide, has never known a time when Éirinn's kingdoms were not battling for power, or Northmen were not plundering their shores. The people of Mide have always been safe because of Ciara's unearthly ability to control her enemies' minds and actions. But lately a mysterious crow has been appearing to Ciara, whispering warnings of an even darker threat. Although her clansmen dismiss her visions as pagan nonsense, Ciara fears this coming evil will destroy not just Éirinn but the entire world. Then the crow leads Ciara to Leif, a young Northman leader. Leif should be Ciara's enemy, but when Ciara discovers that he, too, shares her prophetic visions, she knows he's something more. Leif is mounting an impressive army, and with Ciara's strength in battle, the two might have a chance to save their world. With evil rising around them, they'll do what it takes to defend the land they love...even if it means making the greatest sacrifice of all.

Beyond a Darkened Shore

Set in 1899. Through the circus flier *F evvers'*, the author mocks clichés of Gothic romance, melodrama, farce, fairytale, and utopian vision.

Circus Life and Circus Celebrities

The extraordinary story of a young man's plunge into the unique and wonderful world of the circus—taking readers deep into circus history and its renaissance as a contemporary art form, and behind the (tent) walls of France's most prestigious circus school. When Duncan Wall visited his first nouveau cirque as a college student in Paris, everything about it—the monochromatic costumes, the acrobat singing Simon and Garfunkel, the juggler reciting Proust—was captivating. Soon he was waiting outside stage doors, eagerly chatting with the stars, and attending circuses two or three nights a week. So great was his enthusiasm that a year later he applied on a whim to the training program at the École Nationale des Arts du Cirque—and was, to his surprise, accepted. Sometimes scary and often funny, *The Ordinary Acrobat* follows the (occasionally literal) collision of one American novice and a host of gifted international students in a rigorous regimen of tumbling, trapeze, juggling, and clowning. Along the way, Wall introduces readers to all the ambition, beauty, and thrills of the circus's long history: from hardscrabble beginnings to Gilded Age treasures, and from twentieth-century artistic and economic struggles to its brilliant reemergence in the form of contemporary circus (most prominently through Cirque du Soleil). Readers meet figures past—the father of the circus, Philip Astley; the larger-than-life P. T. Barnum—and present, as Wall seeks lessons from innovative masters including juggler Jérôme Thomas and clown André Riot-Sarcey. As Wall learns, not everyone is destined to run away with the circus—but the institution fascinates just the same. Brimming with surprises, outsized personalities, and plenty of charm, *The Ordinary Acrobat* delivers all the excitement and pleasure of the circus ring itself.
