Blippi: Alphabet Fun!

This book is designed to introduce your child to the alphabet in a fun, engaging way. It's full of short, easy (and mostly free!) activities that will make lasting educational imprints on your child as well as create memories of learning and fun together. Playing through the ABC's is for anyone who has interaction with children between the ages of 2-6 years old and wants to help them learn their ABC's. It's for the single parent who picks their cutie up from daycare after working all day and only has a short amount of time to spend with their child each night. You have a million things to do before going back to work the next day and keep having that nagging feeling that maybe you should be doing something more to help prepare your kiddo for school. It's for the parents who are both working full time and want to give their munchkin a head start on schooling but aren't sure if watching 'ABC videos' is enough. It's for the stay-at-home mom (or dad) who is trying to come up with educational ideas that their kiddo will actually enjoy doing, but doesn't cost anything or require much prep time. It's for the family member (or friend/neighbor) who is nice enough to watch the kids, but is bored of doing the same activities week after week and is looking for something new, entertaining and beneficial for the kiddos. It's for the preschool or daycare teacher who is tired of spending all of their money on expensive activities that require lots of materials. Not to mention spending all of their free time trying to think of new, engaging ways to make learning the letters fun and active for their kids. If you fit into any of these categories, THIS BOOK IS FOR YOU! This book provides many different activities that are quick, simple and material free to teach your child about the alphabet and what sound each letter makes. The activities allow you to spend quality time with your kiddo while teaching them something worthwhile.
