The International Standard Bible Encyclopedia

A comprehensive biblical reference includes a wide range of articles about people, places, customs, events, religious concepts, and philosophical ideas mentioned in the Scriptures.

The International Standard Bible Encyclopedia

The International Standard Bible Encyclopedia combines the defining function of a dictionary with an encyclopedia's comprehensive presentation of accurate, dependable information. Summarizing the state of knowledge on more than 9,000 topics and including 3,500 cross-references, ISBE contains articles on every person and place mentioned in the Bible, every word in the Bible that has significant theological or ethical meaning, and all terminology that touches on the transmission and interpretation of the Bible.

The International Standard Bible Encyclopaedia; Volume 5

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The International Standard Bible Encyclopaedia; Volume 1

Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The International Standard Bible Encyclopaedia Volume 5

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The International Standard Bible Encyclopaedia, Volume 5 - Primary Source Edition

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The International Standard Bible Encyclopedia

The International Standard Bible Encyclopedia combines the defining function of a dictionary with an encyclopedia's comprehensive presentation of accurate, dependable information. Summarizing the state of knowledge on more than 9,000 topics and including 3,500 cross-references. ISBE contains articles on every person and place mentioned in the Bible, every word in the Bible that has significant theological or ethical meaning and all terminology that touches on the transmission and interpretation of the Bible. ISBE is based on the Revised Standard Version, making it readily accessible to a wide range of readers. More than 1,485 photographs, including 138 color plates, enhance the text of this encyclopedia, and 342 maps give an accurate and attractive presentation of relevant geographical features. -- back cover.

The International Standard Bible Encyclopedia

This is Volume III of an encyclopedia representing the scholarship of hundreds of evangelical contributors who have prepared articles on virtually every person, place, and term mentioned in the Bible. The encyclopedia is based on the Revised Standard Version, but contains cross-reference entries making it easy for readers of other versions to utilize it.

International Standard Bible Encyclopedia, Volume III

This book has been considered by academicians and scholars of great significance and value to literature. This forms a part of the knowledge base for future generations. So that the book is never forgotten we have represented this book in a print format as the same form as it was originally first published. Hence any marks or annotations seen are left intentionally to preserve its true nature.

The International Standard Bible Encyclopedia (Volume II) Clement-Heresh

The International Standard Bible Encyclopedia contains nearly ten thousand entries from over 200 Bible scholars and teachers. It was edited by James Orr, John Nuelsen, Edgar Mullins, Morris Evans, and Melvin Grove Kyle and was published complete in 1939. It is the most up-to-date multivolume Bible encyclopedia written by conservative scholars. In addition to the encyclopedia articles, all of the major words of the Bible are defined and all scripture references and reference to other entries within the text have been colorized. There are two linked indexes in this volume- a main index at the beginning and a linked subject index. This Encyclopedia is a must have for any biblical scholar.

International Standard Bible Encyclopedia

The #1 Bible Reference book celebrates its 10th anniversary with this 230-page edition that features more Bible maps, charts and illustrations than the original! This stunning, easy-to-understand reference book still provides the same full-color, reproducible Bible charts and overviews that made the original a favorite--but in an easier-to-use, updated format! This 10th anniversary edition of the Rose Book of Bible Charts, Maps and Time Lines features over 200 Bible Charts, Maps, and Timelines--and includes more pages, 6 extra topics, updated information, and a bonus 24" fold-out on Jesus' Family Tree. Every church library and every home should have a copy of Rose Book of Bible Charts, Maps and Time Lines. This book contains thousands of facts that will enrich your understanding and study of the Bible, and will be a great resource as you teach others about the Word of God. "If I could give only two books to a new Christian, one would be the Bible and the other would be this book." --Dr. Ed Hindson, President of World Prophetic Ministry and pastor on the The King is Coming telecast Features more than 200 reproducible Bible charts, maps, and timelines, including: Foldout Posters: Bible Time Line and Jesus' Genealogy Overviews on Popular Old Testament Topics, including the Tabernacle, Ark of the Covenant, Names of God, Feasts & Holidays of the Bible, and much more Overviews on Popular New Testament Topics, including the 12 Disciples, Armor of God, Fruit of the Spirit, and much more Overviews of Jesus' Life and Teachings Bible Overview: Books of the Bible and Key Bible Stories Christian History, including "How We Got the Bible" and a Christian History Time Line Charts Comparing Christianity to Islam and 20 Other World Religions Overviews on Bible Prophecy, Revelation, and the End Times Bible Maps Bible Illustrations and Diagrams "It is awesome! Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

The International Standard Bible Encyclopedia

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. Themelios is an international, evangelical, peer-reviewed theological journal that expounds and defends the historic Christian faith. Themelios is published three times a year online at The Gospel Coalition (<http://thegospelcoalition.org/themelios/>) and in print by Wipf and Stock. Its primary audience is theological students and pastors, though scholars read it as well. Themelios began in 1975 and was operated by RTSF/UCCF in the UK, and it became a digital journal operated by The Gospel Coalition in 2008. The editorial team draws participants from across the globe as editors, essayists, and reviewers. General Editor: D. A. Carson, Trinity Evangelical Divinity School Managing Editor: Brian Tabb, Bethlehem College and Seminary Consulting Editor: Michael J. Ovey, Oak Hill Theological College Administrator: Andrew David Naselli, Bethlehem College and Seminary Book Review Editors: Jerry Hwang, Singapore Bible College; Alan Thompson, Sydney Missionary & Bible College; Nathan A.
