Megan Jackson Hall has struggled with her mental health for decades. Faith, Romance, and Creations through Psychosis is her powerful memoir that delves into a range of personal topics, including the author's continued distrust of her ex-husband and her belief in his connections to the mafia. It also explores her dream of a free worldwide online JK-doctorate institute, her ideas for revolutionizing the Catholic Church, and creating a healing ranch for people suffering from mental health issues. Faith, Romance, and Creations through Psychosis delves into how the author learns about her past and the connections of her family to the mafia. She recounts recurring dreams of a romantic relationship with a man named Gary Barlow, whom she believes communicates with her through his songs. She provides comfort for Catholics who want a church to come home to, and a clarion call for all who believe in access for everyone to free education and an easier way to receive treatment for mental health. The innovations that swirl through her head offer the promise of a brighter, more efficient future.
