My China Travel Journal

Emma and Joe are curious about everything on their trip to China. My China Travel Journal tells the story of the fascinating, and sometimes quirky, people and places they encounter. Woven into the story of these two appealing characters are tidbits of information that will not only teach your children about China but also peak their natural curiosity to learn more. Fly kites with their new Chinese friends, spot strange new vegetables at the market, and rename your school the Chinese way! Writer's Digest said "... a great way to open children's minds to new cultures and the wonders of the world... very well done".

China Travel Journal: Document Your Trip Details and Memories

Because the journey is every bit as important as the destination. Chronicling your trip, from the moment you decided to buy those air tickets to when you set foot on your door back home, is what makes those getaways twice as fun - and memorable. And even though you can always use apps in your phone or tablet to track the details of your travel, there's still something infinitely satisfying about the act of taking out your pen and jotting down memorable quotes you heard from chatty locals, keywords that struck you in a moment of inspiration while sipping a cup of espresso, or a new foreign phrase you've just picked up. But in the frenzy of planning your itinerary, to last-minute packing, to hopping from one connecting flight to another, it can be hard to remember to write down those seemingly insignificant details. Thankfully, you've got this travel journal to help you. With 108 pages of insightful, thoughtful journalling prompts encased in an elegant glossy soft cover, this is more than just a trip diary; it's the first hand witness to every inch of your wanderlust fulfilled. Every sunrise and sunset you chased. Every foreign culture you soaked up. Every morsel of that exotic dish you dared to try and surprisingly liked. This travel journal is your very own tangible time capsule - a unique documentation of each trip

you take. Because while travel is universal, every trip is personal. Create your own story, and experience the world through this travel journal. journaling prompts My favorite part of the day: My Picture of the Day: What I Learned Today: Vacation Notes: Location: Where I stayed: What I feel today: Best thing I saw today: Best place I visited: Best food I ate

The China Travel Journal

"I don't always design travel journals, but when I do they are the kind of travel journals that deli owners name sandwiches after." - Cormac Younghusband, The World's Most Legendary Nomad THE CHINA TRAVEL JOURNAL has been carefully crafted by the legendary nomad Cormac Younghusband to help make your trip unforgettable, fun and organized—with plenty of room to help spur spontaneity and document new discoveries. This journal can help you plan, live out and record every stage of your journey to China—from pre-trip, to getting there, to being there, to getting home, and afterwards. "China food is among the world's finest. They do this thing with the thing!" - Cormac Younghusband, The World's Most Legendary Nomad The first part of the journal is for PRE-TRIP PLANNING and contains sections for important information, a page to write about what inspired you to make the trip, a page to write about the who, where, what, when, how of the journey, a page to make note of your travel companions, a number of pages to organize your travel research.* Plus, you will find sections for drafting an itinerary and keeping a journey to-do checklist. The second part of the journal deals with GETTING THERE, containing sections to describe getting there and arriving. The third part of the journal is all about BEING THERE. There are sections for: tracking the stuff you buy and for your daily adventures there are 50 two-page daily records to keep notes on: day #, date, weather, places visited, what happened today + thoughts on what happened, the highlight of the day and extensive notes (with a handy reminder list of things to write about). Because there are about 1,343,239,923 people in China, there's also a section to record the names and contact info of the people you meet along the way. The fourth part of the journal is for GETTING HOME, that fateful day you depart and the days that follow. There are sections for describing your departure, for making your own top 10 highlights lists, a country radar to help you create a signature review of the country, and an afterwards where you can sum up the meaning of your trip. When a trip is over, Cormac Younghusband recommends you start planning your NEXT TRIP. To help, there is a section where you can make a travel wish list. Also included is a COUNTRY BRIEF to give you important info on the destination and a MAP to give you an idea of the lay of the land. Plus, at the back of the book there are sections for: generic packing ideas, measures and conversions, and pages for notes, sketches, maps and such "Find a place in the world you haven't been, and go there. Keep on trucking, my friends" - Cormac Younghusband, The World's Most Legendary Nomad - - - - - * Research Such As: places to go / explore, places to stay, places to shop / must have souvenirs, cultural / sporting events to attend, historical / religious sites of interest, pubs-bars-places-to-party, beaches / forests / natural wonders to see, parks & gardens to wander through, things to eat and drink / dining experiences, festivals & events to attend, stuff for kids - seniors - and such, experiences to experience, important local customs, etiquette, laws, and such. - - - - - "Why visit China? Because, it's there." - Cormac Younghusband, The World's Most Legendary Nomad - - - - - WHEREVER YOU'RE GOING, YOUNGHUSBAND WORLD TRAVEL JOURNALS HAS THE PERFECT JOURNAL FOR YOU.
