More Than Two

Can you love more than one person? Have multiple romantic partners, without jealousy or cheating? Absolutely! Polyamorous people have been paving the way, through trial and painful error. Now there's the new book *More Than Two: A practical guide to ethical polyamory* to help you find your own way.

Sex, You're Doing It Wrong

There are some deeply TABOO ways to create the best sex life you've ever had! If only it was common knowledge that to have perfect sex is to have a perfect relationship, but it's not! If you want to learn how to make your partner crazy horny again, like you were when you first met, you are in the right place and I will show you how. Here's the problem with most advice on sex... It is too vague and focuses on "safe" topics. These authors are too uncomfortable to tell their readers the dark truth about human sexuality and how we need intense physical AND mental stimulation to have great sex! Men need to understand the real reasons why their girlfriends struggle to have an orgasm with them. It's not fair to hide this truth from frustrated men with disappointed wives. Just like women need to understand the real reasons why men seem to lose interest in them sexually. It's not fair that this problem can be solved with one simple but very controversial thing. We all hate the idea of not being able to excite our lovers. None of us want to be boring and we all want to experience the carnal bliss that only perfect sex can provide. People have strayed too far from nature and have forgotten what makes men men and women women. This is one of the key ingredients to flawless and happy sex lives and relationships. I am so thrilled to finally have this powerful book out there in writing. I want to see shiny happy people walking around because the night before they practised my teachings together. Truth in Dating

Millions of single people — whether never married or divorced — put a lot of energy into meeting and dating new people, but because they don't invest their true selves, their efforts often go nowhere. To counter this trend, Susan M. Campbell presents an approach to dating that many consider radical: Be honest about yourself and ask for what you want, up front. Campbell shows people how to have fun by

flirting truthfully; date without getting ahead of the relationship; enjoy the freedom of being themselves; relate to their dates with honesty; realistically examine what a romantic partner can — and can't — offer in the way of fulfillment and happiness; and move forward when the time is right, or say goodbye if it's not working. On the way to finding the love of their lives, readers gain the tools they need to successfully manage the entire process.

Sexual Intelligence

This is not your standard sex book. Sex therapist, sociologist, and Psychology Today contributor Dr. Marty Klein goes beyond the sex manuals to reveal how our mindsets during sex are more important than any tricks or techniques—and that the way to a healthier, more exciting, more fulfilling sex life lies in first developing our sexual intelligence. This book is the antidote to the many gimmick-oriented sex guides and manuals; Dr. Klein shows us how to reorient how we think about sex in order to experience a truly different way of being sexual. “Marty Klein is the Steve Jobs of sex advice. . . . Sexual Intelligence is a work of enormous wisdom and expansiveness, and will inspire readers, regardless of age, to realize their full sexual potential.” —Ian Kerner, best-selling author of *She Comes First*

The Married Man Sex Life Primer 2011

The author of the innovative sex and marriage blog "Married Man Sex Life" brings together his edgy and brilliant advice in a single volume primer delivering the motherload of substance. The Married Man Sex Life Primer 2011 cherry picks the best ideas of books like "The Mystery Method," "No More Mr. Nice Guy," and the volatile online world of the Pickup Artist a.k.a. "Game" community and merges them with a solid grounding in evolutionary psychology, sociology, biology and behavior modification. The result is a simple, effective plan for men to create sexually exciting marriages for themselves and their wives. The opening covers the underlying ancient "hard-wired" biological and modern social reasons women find men attractive. Athol pulls no punches here and the sexual motivations of women are laid bare. Though rather than framing women as sexually devious and seeking to advantage themselves over men, he explains how their sexual behavior is entirely rational in nature and once understood as such, it becomes very useful information. The second part of the book takes the framework developed in the first part and offers a wealth of tools to put it to practical use. The most important tool is The Male Action Plan, which charges the husband with the task of becoming a better, sexier man and thereby leveraging his increased attractiveness for a better sex life with his wife. As Athol says, "whoever is the most attractive in the relationship is in charge." The third part of the book is a treasure trove of playful sexy and romantic moves women will find charming and engaging. It's clear that Athol could have a harem of young ladies, but here he displays an endless variety of playful instigation to continually charm

just one. The final section is a catchall of serious topics on what not to do, how to choose a wife, the current state of marriage law and a crushingly simple approach to dealing with being cheated on. (Want a better man? Leave it where he can find it.)

How to Get Your Wife Or Girlfriend to Want More Sex

In this incisive and frank book, Mr. L. Rx explains to men that if they are not getting enough sex from their wife or girlfriend, they are definitely doing something wrong. In this book, he outlines a program for men to eliminate their mistakes, and more importantly how to get their wives or girlfriends to want more sex with them. Topics covered include what men do to "turn" women on and off, how to use "body language," "dress," and "romance" to create sexual interest in a woman, and a frank education in "sexual techniques" that will drive any woman wild.

Beyond Order

The inspirational sequel to 12 RULES FOR LIFE, which has sold over 5 million copies around the world - now in paperback In 12 Rules for Life, acclaimed public thinker and clinical psychologist Jordan B. Peterson offered an antidote to the chaos in our lives: eternal truths applied to modern anxieties. His insights have helped millions of readers and resonated powerfully around the world. Now in this long-awaited sequel, Peterson goes further, showing that part of life's meaning comes from reaching out into the domain beyond what we know, and adapting to an ever-transforming world. While an excess of chaos threatens us with uncertainty, an excess of order leads to a lack of curiosity and creative vitality. Beyond Order therefore calls on us to balance the two fundamental principles of reality - order and chaos - and reveals the profound meaning that can be found on the path that divides them. In times of instability and suffering, Peterson reminds us that there are sources of strength on which we can all draw: insights borrowed from psychology, philosophy, and humanity's greatest myths and stories. Drawing on the hard-won truths of ancient wisdom, as well as deeply personal lessons from his own life and clinical practice, Peterson offers twelve new principles to guide readers towards a more courageous, truthful and meaningful life.

The Guyde

The Guyde is the most comprehensive men's dating and self-improvement book ever written, designed to be everything you need to transform into the most confident version of yourself. There are no lines or routines; instead you'll find exercises and information to improve your self-esteem, social skills, and other elements integral to social success. Everything in these pages is backed with scientific evidence, and when I say scientific evidence, I mean cited peer-reviewed literature, not pop evolutionary psychology or the "law of attraction." You won't be reading anecdotes telling you about my "successes" or opinions; you'll be learning the practical steps necessary for the specific changes you want to manifest in your life. The Guyde is divided into four sections: Part I - Psychology Part I focuses on the internal elements of social interaction. How do you overcome your toxic self-limiting beliefs that keep you from being authentic with people? How do you overcome your fears? How can you stay motivated to make your changes? You will learn clinically effective approaches to all of these and more. Part II - Social Skills For many men, the biggest barrier between themselves and social success is a lack of social skills and awareness. In Part II, you'll learn how to shore up this weakness. You will learn how to listen, banter, share stories, and assert yourself with others. You'll learn how to improve your body language and vocal tonality to project confidence and charisma. Part III - Physical Attractiveness Part III will teach you how to improve your physical features. The first two chapters detail the most clinically effective approaches to diet and exercise. We'll also discuss the basics of fashion and how to dress to impress. Master Part III, and when you go out, you will turn heads. Part IV - Dating The final portion of The Guyde deals with dating, in this version, in a heterosexual male context. You'll learn the best places to meet potential dates, how to flirt, and how to ask someone out. You'll learn how to plan brag-worthy

romantic evenings and how to address problems like rude cancellations and "ghosting." You'll learn how to interact physically while being sensitive to your date's wishes, as well as how to perform better in bed. You'll learn why relationships fail and how to avoid the pitfalls most couples fall into, and you'll come to understand a bit about what it's like to date from a woman's perspective, including many of the cultural factors they face that most men don't understand. The Guyde is a labor of love. I wrote it to be everything I wish I'd known when I was younger, the sorts of things that turned my life around for the better. I hope it does the same for you.

Love After 50

A comprehensive and intimate guide to finding, keeping, and enjoying love after fifty, the best kind of love there is. Studies keep showing that love after fifty is more satisfying than at any other stage in life, and it makes sense: at this stage, you are more emotionally stable and more focused on the present; you know what you absolutely have to have, but also what you can live without; partnering is no longer about building family and fortune—it's about sharing intimacy as grounded individuals. And sex isn't pass/fail anymore, but about becoming erotic friends. So, if this is the promised land, how do you get there? In *Love After 50*, journalist Francine Russo interviewed the best experts in the field and dozens of couples to help show the way. Her "practical, excellent guide" (John Gottman, author of *The Seven Principles for Making Marriage Work*) includes advice like: -How to recover from the emotional damage of divorce, the grief of widowhood, or a history of unfulfilling relationships -How to build realistic requirements for a partner -What attitudes to bring to dating -How to overcome the psychical challenges of sex and embrace your erotic selves -How to evaluate the financial, emotional, and practical results of marrying, living together, or living apart -How to deal with (hostile) adult kids to safeguard your relationship and family *Love After 50* is "essential reading" (Pauline Boss, PhD, author of *The Myth of Closure*) that is not only practical but also unassuming and candid. It is full of real people's stories (including the author's), with vivid examples of couples who have overcome their pasts to form healthy and nurturing partnerships. In other words, it's as real as love after fifty can be.

Divorced Girl Smiling

Smile! It's not just the end of your marriage, it's the beginning of your second chance! Missy Benson has a two and a half carat diamond engagement ring with color grade H, VS2 clarity and a value of \$36,000. It's absolutely gorgeous, practically flawless, and let's be honest, really big! But what the successful Chicago realtor doesn't have anymore is a husband. After 12 years of marriage, her husband, Paul, a handsome, wealthy attorney has devastated her by breaking up their marriage for Priscilla Sommerfeld, a young, personal trainer, who according to Missy's sassy assistant, J.J., looks more like a Las Vegas stripper than a fitness expert. Not sure what to do with her ring, and with no financial issues to worry about, Missy decides to put it up for sale on Craigslist. The price: 99 cents! The catch: She gets to pick the buyer. In essence, she's looking for the perfect guy, but not for herself. Her hope is to regain faith that good men do exist, and that marriages can last forever. Now referring to herself as "the divorced girl," Missy interviews dozens of young men who are vying for the huge ring. It's a contest that includes outrageous characters, hilarious and sentimental stories, and two finalists, both of whom Missy adores and who she must choose between. Then there's Parker Missoni, the sexiest contestant by far, who drives her crazy with his brutal honesty, and at the same time stops her heart with his deep brown

eyes. Divorced Girl Smiling is the story of a woman's journey to do whatever it takes to heal herself from divorce. It's about acceptance, reflection, taking accountability for mistakes, and appreciating all of life's wonderful gifts. In other words, if you have the guts to put the past behind, admit your mistakes, embrace your future, and give love another chance, you will surely be a divorced girl smiling.

How to Turn Her on and Satisfy Your Woman Sexually

When was the last time you banged her brains out? The only book that doesn't mince words and gives Guys all the information they've been looking for on life in the bedroom is this one! This is going to be an insane journey if you want to spice up your sexual life, wow your girlfriend, and connect with your naughty side. It might be difficult to get your spouse to talk openly about her feelings. To see the world from her viewpoint is the main objective. Sex at Dawn

The 10th-anniversary edition of the book that radical re-evaluates the origins and nature of human sexuality. Since Darwin's day, we've been told that sexual monogamy comes naturally to our species. Mainstream science — as well as religious and cultural institutions — has maintained that men and women evolved in families in which a man's possessions and protection were exchanged for a woman's fertility and fidelity. In this groundbreaking book, however, Christopher Ryan and Cacilda Jethá argue that human beings evolved in egalitarian groups that shared food, child care, and, often, sexual partners. Weaving together evidence from anthropology, archaeology, primatology, anatomy, and psychosexuality, the authors show how far from human nature monogamy really is. With intelligence and humour, Ryan and Jethá explain how our promiscuous past haunts our contemporary struggles. They explore why many people find long-term fidelity so difficult; why sexual passion tends to fade even as love deepens; why homosexuality persists in the face of standard evolutionary logic; and what the human body reveals about the prehistoric origins of modern sexuality. Shocking, enlightening, and ultimately inspiring, Sex at Dawn offers a revolutionary understanding of why we live and love as we do.

Learn how to get over Retroactive Jealousy in 12 Steps without spending a fortune on therapy. Is your mind caught in a vicious circle of repetitive thoughts about your partner's past love life? Are you extremely bothered by the fact that they once engaged in casual sex? Or were in love with someone else? Are you constantly wondering how to get over your girlfriend's past? Or boyfriend, husband, wife's? Don't Worry, I Know What You're Going Through... I was also once afflicted by retroactive jealousy issues -- irrational jealous thoughts about my girlfriend's sexual past -- and struggled FOR MONTHS to overcome them. Platitudes like "Just move on," or "The past is the past" were well intentioned but, as you probably know, completely meaningless. BUT finally, after months of battling, I discovered the secret of how to overcome my girlfriend's past sexual exploits... My retroactive jealousy book will help squash all jealousy of your partner's past, for good. Inside I will teach you the ultimate retroactive jealousy cure -- how to overcome retroactive jealousy in a relationship 12 SIMPLE STEPS. Learn which TWO KEY EMOTIONS are fueling your retrospective jealousy, AND how to get rid of them. REWIRE your mind to think about your partner's past in a whole new positive light. "What you resist, persists!" Learn how to BREAK the cycle of resisting these jealous thoughts and feeling worse because of it. Stop interrogating your loved one about their past behaviour and zero in on what really matters -- THE PRESENT. In short, learn how to not care AT ALL about your husband, boyfriend, wife or girlfriend's sexual or romantic history. Learn How To Stop Being Jealous In Your Relationship In 14,300 words, 12 steps, 3 sections: Part 1: Understanding Retroactive Jealousy Issues Discover just what a retroactive jealousy disorder is. As Yoda used to say "Named must your fear be, before banish it you can." Part 2: Rewiring The

MindThe next four steps tackle how you're thinking about your partner's sexual history and rewires these thoughts to reframe them in a much more positive light. As you'll find out, retroactive jealousy and insecurity go hand in hand. Part 3: Practical ExercisesYou can't overcome retroactive jealousy in a relationship by thinking about it. In this last section I give you four hands-on practical exercises that you can do every day to kill all your anxiety about your partner's past. Join The 100s Of Satisfied Customers Who've Beaten Retroactive Jealousy OCDHere's what just one of my happy customers had to say about my book about overcoming retroactive jealousy:"Something must have deeply echoed with my subconscious....as well as my rational mind and these feelings were GONE. Years of making myself depressed and hurting my peace and energy over imaginary stuff.....gone.... Thank you! You are a good man."-- Pat. O. St Louis (see original email from Pat here: goo.gl/ovqwhu) Get your thoughts back under control and end the "mini-movies" about the past and let go of your angry, judgmental, and jealous emotions and feel at peace once again. Onward!-- Jeff

The Ultimate Retroactive Jealousy Cure

The book opens up with my thoughts on why relationships today are a joke. I talk about how they have broken down over the years. How there is no affection, no love towards each other. It is all about lust and sex nowadays. All we do is get it done, in and out so to speak. This is how it is with these relationships today. There are points that are made that could enable you to have a better relationship if you choose to accept them. Trust me, when you are in a good relationship you tend to think, feel, love, hug, kiss, rest, relax, trust, communicate, and be happier with life. Thank you for purchasing this book!
