RISE of the CHOSEN

An unexpected prophecy, a church-going family, and occult magic working in the background. To the unsuspecting, the Star family is a normal, everyday family. They have regular jobs and lead unremarkable, mundane lives. However, the Stars are far superior. They are part of a secret culture that practices sorcery and is preparing behind closed doors for a new world order. Dawn and his family were born with great magical powers, but tread a delicate line between revealing their true nature and blending into a society that would fear and misunderstand their powers. But as the world falls into greater discord, a prophecy is revealed. The looming Black Awakening manifests with supernatural and extraterrestrial forces colliding, threatening to plunge the world into unprecedented chaos. Amidst this brewing storm, Dawn Star uncovers the truth of his identity and his profound connection to the deity Lucifer. With this revelation comes a startling destiny. As the world teeters on the brink of collapse, the time approaches for Dawn to show the world the true might and goodness of Lucifer, and to protect

his people from what is to come. Can Dawn rise to fulfill his destiny and steer the world away from the chaos of the Black Awakening? Or will his efforts unravel in the face of insurmountable darkness? In a story where sorcery, prophecy, and divinity collide, Dawn Star's hidden life and true identity become the world's last beacon of hope.

Rise, Chosen One

"...the final installment of the Stare at Daggers trilogy...continues the story of a brave girl Stare at Daggers, who defeated ruthless King Brutus in her quest to avenge her parents and restore the land that has taken away her clan"--back cover

Rise Up! The Chosen Generation

Rise Up! The chosen Generation book is about the end time Holy prophets God has chosen for such a time like this they are willing to go up and possess the land. God has chosen them to be the generation that will enter into His rest. This will be a generation of destiny - even now God is birthing through them a prophetic voice that will go to the ends of the earth. It is a prophetic generation that is coming. It is the witness of Moses and Elijah that Satan yearned to destroy, but could not. There is a Chosen generation coming - holy prophets of God who will speak words of healing and life to a dying world. God is raising up an army of young, radical, uncompromising believers who will lay down their lives to see others come to know God. These soldiers are even now emerging - God Himself is raising them up! They will be more interested in serving their Lord Jesus Christ than in their own happiness. They will fight battles in the spiritual realms. They will reap the greatest harvest the world has ever seen! This generation will seek the face of God. They weep for a dying world. They will hear the heart cry of God. Then they will emerge with messages in the hour. They shall be the first fruits of a harvest that has never been experienced before - they shall herald a move of the Spirit that has never been seen in the history of the world. This is a must read book so we will be able to identify these Holy Prophets of God the Generation that will speak on behalf of our living God.

Rise of the Chosen

Kate lived an ordinary life with her mother and dog on a small farm near her planet's capital city. In Filan, the Chosen reigned. It was like this on all the worlds, or at least Kate thought so. Kate assumed her life would always be ordinary, until a very important Meeting flipped her world upside down. Now the Chosen have Named her as one of them and wish to send her to a special training facility to help mold her unique abilities. Through training and trials Kate discovers the powers that have been lying dormant within her, showing her that she is anything but ordinary, and the small town life she had was full of mystery, adventure, intrigue, and a betrayal far beyond anything she could have imagined.

The Rise of the Chosen Ones

Joseph C. Parker, radio host of "Program Your Life Radio" airing in 30 countries bi-weekly. The show focuses on creating a positive media source in our negative media world. Joe is also a full-time, cyber-security expert for the U.S. Navy. After spending 25 years in high technology, Joe set out to transform the media industry with ideas gained from PSYCH-K, PSI Seminars, Andy Dooley, Bob Proctor, and Burklyn Global. In his new book Rise of the Chosen Ones, Joe uses the transformational ideas to help people transform their lives and choose themselves for the greatness they were destined for.

Rise of the Chosen

It has only been a few months since Kate left her small farm to attend a training school for the Chosen, but in that time Kate's life has been turned upside down. From Words of Power and magic building through her fingers, to allies like the Nexus and battles with grotesque villains, Kate's experiences have far surpassed anything she expected for her life. In the midst of the war brewing with Lord Ruark, Kate is also in the middle of a battle for her heart. With Ben admitting his love and James ready to take things to the next level, will Kate choose the love that's grown stronger over the years, or the fire that ignited overnight? Now as Kate is met with imminent battle, she is devastated to find herself thrown away from the fray and into an unknown world. In her effort to get back to her friends, she finds herself face-to-face with the Voiceless Warriors, an elite force of Chosen whose recklessness is as widely known as their

fighting prowess. With the help of the mercenaries, Kate embarks on the rest of her journey to save the galaxy she's only beginning to understand.

Legends from Lethurea: Rise of the Chosen

Surely you are one of those people who, through your own experience, have heard of a God or a god and have investigated and thought on your own. Surely you are one of those people who know how to add four plus three and know that the order of the factors can often alter the product. Surely you are one of those people who feels unsatisfied in your search for the peace, tranquility and abundance that your soul needs. And if you are not, or that is not your case, then surely you are a very lucky person. Well, this book is for the chosen ones, those who have decided to stop looking for God or divinity on the outside and have decided to focus on the true search for the inner god, that unknown acquaintance who lives, expresses himself and exists in its entirety in the infinity of consciousness, that global soul. That soul responsible for you and I now communicating and understanding each other; and we live the same life although they seem different lives, because all, as beings of the same species, and as organisms of intelligent matter, we are a unit. Life has no end, since the eternal is the meaning of life; But to understand it, first you have to find the right combination to order the total of spiritual or religious life, and build the best bridge that connects that intimate and spiritual life with the illusion of outer life, which is no less important, but which is, in short, something secondary.

The Chosen

As the war of the ages presses on and the light at the end of the tunnel fades. The chosen ones rise to defend the honor of their clans. This is what you have wanted, a Gate of Nafaraious clan book that features all of the 9 base clans. Here you will find the heavy hitting units that were forgotten in lore, but remembered by legend. Elizabeth Valdez brings to you the untold story of these new units and with the feature of the "Chosen" you can name and use the Chosen to be a captain, Archon or even an Ancient.

White Rise

The hottest team in military SF is back in action¾ with Book I of a red-hot sequel to The General series! Planted by interstellar probes on hundreds of human-occupied worlds, the downloaded personalities of Raj Whitehall and the ancient battle computer known as Center work together for planetary unity. Their goal is to prepare those worlds for membership in the Second Federation of Man. But on one planet they do the opposite: on Visager they work to prevent unity. For on Visager a nation-state of vicious militarists is about to start the final war to unite their world-once that is accomplished and their technology has matured they will turn outward, bringing their fatal racist infection to the stars. John Hosten is the son of a high general of the Chosen. Jeffrey Fair is the son of an admiral of the only nation on Visager that might be capable of halting the onslaught. Through a strange twist of fate they have become as brothers united in their hatred of all that the Chosen hope to do. Only they ¾with the aid of the disembodied voices of their mentors from the stars-stand between eternal tyranny for their world and eternal war for the galaxy. At the publisher's request, this title is sold without DRM (Digital Rights Management).

Rise of the Chosen Ones

From the time that the Darkness ruled the ancient tribes, The Elders prophesied of a time when a descendant of The Gods would arise. Tonight, in the town of Winmont, an Ancient Legion has been awoken to finish what they started many millennia ago. Now, the fate of humanity is in the hands of One, but can he overcome the forces that dare to challenge the bloodline of the Gods? Alex Manning is The One. Born of a heritage that was once a powerful civilization before it was destroyed by the Giants that once walked among men. Now tonight, in a small town, after thousands of years of being bound in the Dark Realm, the Ancient Darkness has been unleashed, and they set about to finish what was begun. Only Alex can stop the Dark Forces from destroying this town, but will he fulfil his own tests and sacrifice his life for those would seek to betray him?

The Chosen

In Sam's world there are two rules. Rule #1: Nobody dies. Protect the living at all costs. Rule #2: Everybody dies. At least once. The Waking was a global event in which a force called the Lifeblood invaded all humans who died. The few strong enough to control it came back as powerful immortals.

The rest let the bloodlust take over and awoke with one goal - to kill. Newly appointed Watch Guard Samantha Shields has a legacy to uphold. Her father died a hero defending their city and now she wants to follow in his footsteps. Except for the dying part, of course. Unfortunately, fate has other plans as she discovers deep dark secrets that make her choose between her loyalties and the lives of everyone in her city. Both rules are in play as Sam is forced to make hard decisions that could cost her everything - including the person she cares about most.

The Chosen ~ Rise of the Darkness

Kate lived an ordinary life with her mother and dog on a small farm near her planet's capital city. In Filan, the Chosen reigned. It was like this on all the worlds, or at least Kate thought so. Kate assumed her life would always be ordinary, until a very important Meeting flipped her world upside down. Now the Chosen have Named her as one of them and wish to send her to a special training facility to help mold her unique abilities. Through training and trials Kate discovers the powers that have been lying dormant within her, showing her that she is anything but ordinary, and the small town life she had was full of mystery, adventure, intrigue, and a betrayal far beyond anything she could have imagined.

Rise of the Chosen

Most of us have read Genesis and Exodus, but few of us work through Leviticus, Numbers, and Deuteronomy. When Jesus was asked to name the greatest of the Commandments, he turned to Leviticus and Deuteronomy. When the author of the Gospel of John wanted to illustrate the meaning of the cross, he turned to Numbers. These books are worth reading, even if they are difficult.

The Calling Chronicles

A superhero and a detective team up to fight crime of a supernatural nature. Their first job is to deal with an army of demons released into this world by a terrorist organization intent on destroying the world financial market.

Rise of the Fallen

Three kingdoms at war. Three stories of hope, sorrow, and sacrifice. Three groups of heroes, whose personal quests lead them to discover that a fourth kingdom, long forgotten, lies dormant. But no more. Unless these heroes, bitter enemies of each other, can put aside their enmity, then Cithria will rise again, and everyone else will fall into the abyss.

The Struggle With God

The Order of the Clarifying Luminosity is a cult that desires to rule the world but needs the power of one woman in which to do it. Jenna has the power to bring about the OCL's new reign and she has the power to destroy them. Which path will she choose?

Lasalle Street, Rise of the Chosen

William LeMasters is dead! Xavier should feel relieved. He should feel happy, but he doesn't. He can't because he knows the truth- the Dark King lives! As a result, the approaching war is inevitable, and the fate of the king rests in the balance! The kingdom must prepare. Before Xavier can confront the Dark King, another war arises within Warwood, a devastating war no one sees coming. Will Xavier fulfill his destiny and become the kingdom's greatest hope or will he become its worst enemy?

The Chosen

Named Outstanding Academic Title by CHOICE Winner of the Wesley-Logan Prize of the American Historical Association Winner of the Byron Caldwell Smith Book Prize Winner of the 2014 Albert J. Raboteau Book Prize for the Best Book in Africana Religions Jacob S. Dorman offers new insights into the rise of Black Israelite religions in America, faiths ranging from Judaism to Islam to Rastafarianism all of which believe that the ancient Hebrew Israelites were Black and that contemporary African Americans are their descendants. Dorman traces the influence of Israelite practices and philosophies in the Holiness Christianity movement of the 1890s and the emergence of the Pentecostal movement in 1906. An examination of Black interactions with white Jews under slavery shows that the original impetus for Christian Israelite movements was not a desire to practice Judaism but rather a studied

attempt to recreate the early Christian church, following the strictures of the Hebrew Scriptures. A second wave of Black Israelite synagogues arose during the Great Migration of African Americans and West Indians to cities in the North. One of the most fascinating of the Black Israelite pioneers was Arnold Josiah Ford, a Barbadian musician who moved to Harlem, joined Marcus Garvey's Black Nationalist movement, started his own synagogue, and led African Americans to resettle in Ethiopia in 1930. The effort failed, but the Black Israelite theology had captured the imagination of settlers who returned to Jamaica and transmitted it to Leonard Howell, one of the founders of Rastafarianism and himself a member of Harlem's religious subculture. After Ford's resettlement effort, the Black Israelite movement was carried forward in the U.S. by several Harlem rabbis, including Wentworth Arthur Matthew, another West Indian, who creatively combined elements of Judaism, Pentecostalism, Freemasonry, the British Anglo-Israelite movement, Afro-Caribbean faiths, and occult kabbalah. Drawing on interviews, newspapers, and a wealth of hitherto untapped archival sources, Dorman provides a vivid portrait of Black Israelites, showing them to be a transnational movement that fought racism and its erasure of people of color from European-derived religions. Chosen People argues for a new way of understanding cultural formation, not in terms of genealogical metaphors of -survivals, - or syncretism, but rather as a -polycultural- cutting and pasting from a transnational array of ideas, books, rituals, and social networks.

The Chosen Child

The line between good and evil has been drawn. In a town, much like your own, a darkness has emerged from the shadows, and will leave you guessing until the very end. Alex is a man who finds himself entertaining a strange fascination with a powerful demon by the name of Jamiesonn and the town that will fall victim to the peril of this tyrant if someone doesn't intervene. What Alex doesn't know is that his draw to investigate this evil source of power is because he is being called by his destiny to stop the takeover of the world by warring factions of the underworld. Rise of The Darkness. The award winning debut novel by Australian author, C.A.Milson. Also coming in late 2013, the movie trailer based on the book.

The Prince of Warwood and the Rise of the Chosen

Elaina Martin lived an ordinary life, with her ordinary name, ordinary family, ordinary friends. Until it all went to hell. She faces the fact that nothing was ever as it seemed and the last eight years of school? Pointless. Her life? Meant nothing. She becomes all the worlds' most wanted and needed after losing everything and becoming "The One"

Chosen People

Controversy rages on about God's choosing people for salvation. Are only the few elect? Rather than typically beginning with the preconceptions of systematic theologies, Dr. William Klein takes up this question by searching for a biblical theology of election. He surveys the OT contexts of God's choosing individuals--prophets, priests, kings--to serve divine purposes, and considers God's election of the nation of Israel as his special people. This OT study proposes that God's election is both individual and corporate, but not always determinative. Individuals entered the people of God by birth, but not all the people found salvation. Faith in Yahweh was required. This book traces these elective understandings through the intertestamental literature, identifying continuities and shifts. The bulk of the study, and the heart of the argument, focus on the New Testament. Klein identifies concepts of election, and relationships between writers in the gospels, the Lucan material, Paul's writings, and the rest. The new covenant, God choosing the church in Christ, emphasizes election as corporate, while the individual election of Jesus' disciples and of Paul raises the question whether such chosenness is necessarily salvific. In closing, Klein discusses the most engaging and divisive questions around God's election, and offers a real challenge to today's church.

The Chosen - Rise of the Darkness

Rise Of The Chosen VesselThe first three books of the Maestro Chronicles in one addition. Daniel Benhannon rises from the simple life of a mountaineer to being a powerful Accomplished who has been chosen by the Creator to be the fleshly vessel to fight on the side of good against the chosen vessel of evil. Tarin Conn, whose rise from the depths of Mount Kelgotha would bring about the deaths of any who opposed him, from whom not even a person's dreams would be private, wants to have domino over everyone and everything. To Cast The First SpellDaniel Benhannon has finished building his cabin near the peak of Mount Tannakonna and ready to leave home and invite Val Terrance to be his

wife. The simple life he hopes for is changed when he inadvertently casts a spell so powerful it draws the attention of the Grand Maestro of Aakadon and the Dark Maestro Tarin Conn. The two foes sense a change in the balance of power and both of them intend the tilt to be in their favor. Daniel wants nothing to do with either faction but must learn to master his newly discovered potential before the forces looking for him destroy his family, friends, and every person in the remote village of Bashierwood. To seize control of his life he must set his priorities and arrange his chores accordingly. To Challenge a Maestro Daniel Benhannon, a young mountaineer, recently raised to six-bolt Accomplished, wants to be left alone to live out his life as he chooses. The casting of his first spell has placed him square in the middle of an ancient battle between the seven Guilds of Aakadon, led by Grand Maestro, Efferin Tames, and the Serpent Guild, led by Maestro Balen Tamm. To accomplish his goal, Daniel must break his link to the mind of the evil Tarin Conn, the Dark Maestro, imprisoned beneath Mount Kelgotha. To break the link, he must go to Aakadon, keep secret his standing as a six-bolt Accomplished, a potential equaling that of the Grand Maestro, out maneuver Efferin Tames, Balen Tamm, and Tarin Conn, three of the most powerful Accomplished in history, and show them what a Ducaunan backwoodsman can really do after he sets his priorities and arranges his chores accordingly. To Be Chosen Daniel learns what it means to be the Creator's Chosen Vessel. Queen Cleona has a deadly disease for which there is no cure, Serin Gell has escaped, and spies infest the royal court. The Serpent Guild is reorganizing with two Accomplisheds vying for the coveted position of Maestro and the Ducaunan mountaineer gets caught up in the machinations of one while his friends get tangled up with the other. For a thousand years the Trumpet of Tarin Conn has been hidden away by the Ducaunan Royal family, now Duke Cantor of house Ducalin sends word that his estate is under assault by members of the Serpent Guild and the trumpet is in danger of once again falling into the hands of the enemy Aakacarns. As a newly dubbed Royal Knight of Ducaun, Daniel must go from the Sasquatch infected Swamps of Append to the northern kingdom of Pentrosa in pursuit of the trumpet. His friends, Sherree and Jeremy, face horror and death if Daniel makes the wrong choice, but the right choice could mean war between Ducaun and Pentrosa. To succeed, Daniel must accept that he is the Creator's Champion, recover the Trumpet of Tarin, compose a healing Melody, all while trying to keep secret his ability to cast spells has not been hampered by the Silencing laid upon him by the Grand Maestro.

The Chosen Novel

A graphic novel based on an original translation of three books

The New Chosen People, Revised and Expanded Edition

With this book, Yaakov Ariel offers the first comprehensive history of Protestant evangelization of Jews in America to the present day. Based on unprecedented research in missionary archives as well as Jewish writings, the book analyzes the theology and activities of both the missions and the converts and describes the reactions of the Jewish community, which in turn helped to shape the evangelical activity directed toward it. Ariel delineates three successive waves of evangelism, the first directed toward poor Jewish immigrants, the second toward American-born Jews trying to assimilate, and the third toward Jewish baby boomers influenced by the counterculture of the Vietnam War era. After World War II, the missionary impulse became almost exclusively the realm of conservative evangelicals, as the more liberal segments of American Christianity took the path of interfaith dialogue. As Ariel shows, these missionary efforts have profoundly influenced Christian-Jewish relations. Jews have seen the missionary movement as a continuation of attempts to delegitimize Judaism and to do away with Jews through assimilation or annihilation. But to conservative evangelical Christians, who support the State of Israel, evangelizing Jews is a manifestation of goodwill toward them.

Rise of the Chosen Vessel

There is endless talk about the need for an urban renaissance; can it happen in the real world? In this broad, challenging and highly engaging book, Nicholas Schoon argues that the foremost priority for regeneration is to make neighbourhoods and cities places where people with choices choose to live. The author surveys the last two centuries of metropolitan growth and decay, analyzes the successes and failures of recent changes in urban policy and proposes a wide range of radical measures to make the renaissance a reality. Comprehensively researched, *The Chosen City* is a wake up call for everyone interested and involved in urban regeneration - degree students and academics, planning and housing professionals, architects, surveyors, developers and politicians. The text is illustrated with powerful black and white images from a leading national newspaper photographer.

The Unlikely Chosen

From the ashes of despair..... a Vigilante will rise. The citizens of Armor City had given up hope. Crime, drugs, violence, and corruption from the highest levels of government all the way down had sank its teeth into the heart of the once great city. Then one man rose up to meet violence with violence. His name was Thomas Hunt. He would become known simply as the Vigilante. He is the second archer of the prophecy. His story begins here.

Evangelizing the Chosen People

A Journey of Brokenness My first introduction to brokenness came at the young age of seven. My parent's divorce chained our family to everyday terms such as "broken home, single parent family, and child support." Not wanting to experience the pain, I constructed walls of determination to become a survivor. A survivor determined to "never divorce." I discovered however, love and determination wasn't enough when my own marriage of 29 years crumbled to infidelity. Now broken again, the walls tumbled down and forced me to embrace the pain of brokenness. Grieving the losses in my life hurt so deeply, my heart actually ached. Embracing the pain began the transformation of God's restoration plan to set me FREE! **Choices Not Chosen** will: Walk you through the valley Hold you close to reality Show you God is present in times of trouble Bring another perspective of brokenness Reveal healing in surrender **Zoe A. Seed** has lived the command of Jesus to "pray and not give up." Her bull-dog faith carried her through the valley of death in her marriage and death in ministry as a pastor's wife. Her passion is to see God's restorative nature transform broken lives. Her mustard seed faith has seen the movement of many a mountain. Her personal journey of brokenness has brought surrender and healing. She is a former pastor's wife of 14 years, during which time she served in women's ministry with Wesleyan Women. She and her husband Michael have a story to tell of the miracle of God's healing. They cherish their three grown children and three precious grandchildren. Zoe and Michael reside in Bourbonnais IL.

The Chosen City

A noted expert on Kabbalah, Jonathan Garb places the 'kabbalistic Renaissance' within the global context of the rise of other forms of spirituality, including Sufism and Tibetan Buddhism.

The Chosen

Are you content with church? Are you content with living your life the way you want? Though many would say yes to these questions, a select few would not. There is a remnant of people God's chosen people 'who are willing to lay down their lives, wills, and ways to follow after God. These people are willing to give up their own agendas and follow the agenda of the Lord to seek and save that which was lost. From cover to cover, the voice of the Lord can be heard in the new Chosen: Are You the One or Should I Choose Another? If you want to go to the next level with God, if you're tired of church as usual, and if you desire the manifold manifestation of your Lord and Savior Jesus Christ, then don't miss Chosen: Are You the One or Should I Choose Another?

Choices Not Chosen

Drawing on decades of research, Karabel shines a light on the ever-changing definition of "merit" in college admissions, showing how it shaped--and was shaped by--the country at large.

Journal of Debates and Proceedings in the Convention of Delegates, Chosen to Revise the Constitution of Massachusetts

Warrior Chosen is the story of a teenaged girl named Tekka. By some cruel twist of fate, Tekka has inherited warrior blood, which means that she is intrinsically skilled in areas such as hand-to-hand combat and piloting. There are thousands of others who also share this trait, and even though Tekka only cares about living out a normal life, she is forced to compete with them to discover who is to be chosen to lead the people of her planet in intergalactic warfare.

Journal of Debates and Proceedings in the Convention of Delegates chosen to revise the Constitution of Massachusetts, begun and holden at Boston, November 15, 1820 ... Reported for the Boston Daily Advertiser [by Nathan Hale and Octavius Pickering]. New edition, revised and corrected [by Nathan and Charles Hale].

Stories of immigrant success have traditionally illustrated the basic principles of political and economic freedom in the United States. In reality, the presence and achievements of the foreign-born are the complex result of attitudes, choices, and decisions, not only of the immigrants themselves but also of the U.S. government and its native-born citizens. Based on census data and government administrative records, *The New Chosen People* presents a comprehensive picture of this interaction as the authors examine immigrant behavior in the United States. Jasso and Rosenzweig trace the factors that influence the immigrants' adjustment and achievements in a broad area of concerns—learning English, finding work and earning a living, and raising a family. The authors devote special attention to family relationships—kinship migration, family reunification, and the marriage market—and to the factors determining where immigrants choose to settle. Jasso and Rosenzweig also consider the situation of the largest recent groups of refugees—Cubans and Indochinese—who have entered the U.S. under very different rules than those governing the selection of immigrants from other countries. They also look at how the foreign-born population has changed over time, drawing comparisons between post-1960 immigrants and those of 1900 through 1910. For all foreign-born, the authors discuss the factors that influence decisions to naturalize and the economic and social consequences of achieving legal status. Jasso and Rosenzweig also detail the policy choices that affect the composition of the foreign-born population. What criteria determine who is eligible to enter the country? How do these regulations differ for each country of origin, and how have they changed over the years? *The New Chosen People* emphasizes the determining influence of choice and selection on the foreign-born population of the United States. For policymakers and social scientists, the book provides a valuable assessment of the economic and social well-being of the nation and its newcomers. A Volume in the Russell Sage Foundation Census Series

Chosen Will Become Herds

CALLED, CHOSEN, FAITHFUL, AND GLORIFIED

Chosen Ones

When Peter and Julia go to stay with their grandparents in Oxford, England, they discover a mysterious garden, which serves as a portal to a world where they are greeted as the saviors of a people enslaved by evildoers.

The Chosen Ones

THE EYE OF LUCIFER HAS BEEN STOLEN. THE GATES OF THE THIRTEENTH SECTOR OF HELL ARE ABOUT TO BE OPENED UPON THE UNIVERSE. The forces of the thirteenth sector of Hell are looming over the universe, restlessly awaiting the opening of its horrid gates upon existence after many centuries of exile. The only thing that could hinder this is the prophecy of the coming of The Chosen One, the mighty oracle who is to be sent to stop the resurrection of The Dark Lord Mondosza, and thwart the rise of The Underverse. The eye of Lucifer, lost when Mondosza was destroyed centuries before and locked away within a secret sacred monastery, has been taken from its guarded vault and is dangerously close to falling back into the hands of Mondosza. Twelve-year-old Steven learns his destiny by a dispatcher from Heaven. He is The Chosen One, the one who was preordained to close the gates of the thirteenth sector forever, and restore order to the universe. The young Jersey boy is misguided, misjudged and overcome with enemies in both worlds along the way. Will he recognize this omen in time to save his world, as well as ours? Now, he must choose between his life and the girl he secretly loves. His happiness or his destiny. Our universe ora]The Underverse. But he must hurry: The Day of Recompense is soon]

The Chosen Ones

Odin's last Shield Maiden, Faolan, swore oath to assist in bringing Earth back to life once more. She pledged to try to awaken all realms in the universe, and in the end have them join as one. She took her oaths seriously, so why were some beings meddling, taunting, or distracting her? The nine realms of the universe, previously stuck in slumber, are nearly all awake. She is so close to victory she can nearly taste it, but as with all things tasty there is the possibility that bitterness will follow. The lowest realm of the universe gives Faolan the greatest pause. Loki the trickster, along with his daughter Hel, ruler of the underworld, lay crippled by Faolan's hand, but not annihilated. Hel is more than ever determined to gain favor from the Norse gods while proving her power remains intact, as Faolan is determined to stop her in her tracks. Odin selected The Chosen Ones to assist Faolan in her endeavors, and they would soon be put to test. As Hel summons heinous creatures from her realm to aid in her victory, Faolan gathers The Chosen Ones, and many others to her side. Who will build the most formidable army depends upon their cunning and skill.

The Prophecy of the Chosen Ones

A fiction story based on a tribe of highly trained warriors that have a oath that they must keep to protect the royal blood line but can they keep that oath when they have been brought to the brink of extinction.

The Chosen One: Guardians of Mankind - Book 1 of 'the Chosen Ones Series' - Gabrielle Cranny

The Shadow Kingdom is on an epic journey to save its prince and the kingdom. Who could be chosen to fulfill the prophecy? As the tragedy continues, the Enigma of Six follows the prophecy to rise against all odds. The soul from the sleeping prince Anish's body might escape, while the Devil King prepares to take over the kingdom and destroy the mother. Will Tyler and Ella ever reach their destination in their journey through the treacherous path of love, and frustrations, secrets, and sufferings, sacrifice and faith? Who carries the royal blood that keeps the life of prince Anish on hinges? The clock is ticking.

The Chosen Ones

Naju is a reincarnated prince and one true King of Mantabia, destined to assume the throne stolen hours before the beginning of his reign. However, he must survive the wrath of Nkosi, his first love in his current lifetime, in order to protect his country and end the prophecy which continues to separate the kingdom in and outside of the compound walls. Connected by an intricate web of life altering secrets and fatal ulterior motives, Nkosi is determined to protect the one true king, until she stumbles upon reasons to protect herself and Mantabia. While savagely following the path she's destined to create, Nkosi is caught between the life she has and the one she never knew existed. Naju and Nkosi begin as lovers and become enemies determined to secure the fate of Mantabia by either following or destroying the prophecy. If they destroy one another along the way, who will rule the country they are both fighting for?

Darkness Shall Fall

Fleeing King Manasseh's tyranny, Joshua leads the faithful remnant to their new home in Egypt. But as years pass, Joshua's desire for vengeance becomes an obsession. Blinded by hatred, he makes rash decisions, placing his loved ones in jeopardy. Amid Joshua's turmoil comes an unexpected awakening of love--a love that burns so intensely it draws him from the dark inner seclusion where he often retreats. But what will it take for him to grasp the great love his Heavenly Father has for him...and for the chosen people of Judah? (Chronicles of the King Book 5)

The Chosen Ones of the Kingdom

As the war of the ages presses on and the light at the end of the tunnel fades. The chosen ones rise to defend the honor of their clans. This is what you have wanted, a Gate of Nafaraious clan book that features all of the 9 base clans. Here you will find the heavy hitting units that were forgotten in lore, but remembered by legend. Elizabeth Valdez brings to you the untold story of these new units and with the feature of the "Chosen" you can name and use the Chosen to be a captain, Archon or even an Ancient.

The Shadow Kingdom and the Land of Nines

The spellbinding fantasy that began with *The Fifth Sorceress* and *The Gates of Dawn* continues... Tristan and his twin sister, Shailiha, are the Chosen Ones, long prophesied to unite the opposing magics of the dark Vagaries and the benevolent Vigors. With the destruction of the Gates of Dawn, it would appear that the ravaged kingdom of Eutracia has been given the chance to cleanse itself, to heal - and the Chosen Ones the opportunity to fulfil their destiny under the tutelage of wizards Wigg and Faegan. But Fate would have it otherwise. For there is another who unknowingly possesses magic in his blood - a magic that, in the wrong hands, could unleash unspeakable evil. To find this unsuspecting soul and understand the threat that now faces them, the Chosen Ones and their allies begin a quest that takes them deep into the mysterious Chambers of Penitence and then across the Sea of Whispers to the sacred Isle of Sanctuary. They are not alone in searching. Krassus, devoted servant of the Vagaries, has dispatched ships of demonic slavers to scour the coast of Eutracia, taking captive men and women and bringing them to the island fortress of the Citadel, where evil dreams take the form of living nightmares. Aided by Tyranny, a pirate as fierce as she is beautiful, Tristan and his sister must destroy the demonslayers' fleet and rescue the ill-fated pawn of magic, now imprisoned in the Citadel. For Krassus seeks to awaken the magic in this one's blood and imbue him with dark enchantments from the mysterious Scrolls of the Ancients - transforming him into an instrument of evil the likes of which the world has never known... and will not long survive.

Chosen Ones: The Journey Begins

The Chosen Ones and Ariole has to defeat the demon so that the victims can cross over and not be stuck back in the physical world as ghosts.

Among the Gods (Chronicles of the Kings Book #5)

Being the Chosen One could kill her and others ?Join Victoria Saveron and her friends as they fight to save Aeris from the Dark Man's evil schemes.Awakening: Vic discovers her powers, her gift, and her calling.The Holy War: Vic and company race to stop an all-out war between the two magical races.Reclaim the Darklands: One by one, Vic's family and friends are captured by the Dark Man's minions to force her submission.She's prepared to fight, bleed, and even die for her homeland, but does that commitment extend to sacrificing everyone she loves?***This combo book contains the original Redeemer Chronicles series: Awakening, The Holy War, and Reclaim the Darklands. Audiobooks are available for Books 1-3 singly and for this combination title. The short story, River's Edge Ransom, is set right before the opening of The Huntsman and the Healer, the first story in a prequel series called Aeris Legends. These are not available yet as audiobooks, but they're coming.

Rise of the Chosen Ones

Chosen, the word is laced with awe throughout the kingdom. To be chosen is to bring honor and glory, or banishment and death. For the new group of Chosen it has meaning they have yet to understand and implications yet to realize by being summoned to such a high calling, though some already have a plan. Adonia has the deepest love and respect for the King and would go to any length for his honor.

Meanwhile, Plickta despises the King and seeks to find a way to literally bury him. The calling has been issued, the ten have gathered, and the assignment given. They are to create a whole new world in which they will lead, but only one can be King. Even before the world is finished sides are taken and lines drawn. Who will become ruler of their creation? What force will armor the one chosen to be the new king; love, cunning, brute force, wisdom, or pure luck.

The Scrolls Of The Ancients

"I forever banish all involved in these crimes to the Back Water Stream area of Blooming Isle where you will live with the trolls for the rest of your lives!" The fairies have been involved in a bloody war with the ogres for centuries with each claiming Century Isle as their own. Instead of bringing peace and harmony, the settlement of humans on the lush, fertile island has only served to heighten tensions. Seventeen-year-old Meg is left heartbroken when the ogres launch a ferocious assault on her village leaving her orphaned and fearing for her life. Aware that she is "The chosen one" the fairies take her to a safe haven where under the protective eye of Seraphina, the Fairy Queen, an incredible voyage of self-discovery and spiritual awakening begins. Can Meg set her own grief aside for the greater good of her people? Will she submit to the teachings of her ancestors to fulfil an ancient prophecy? Will she find true love or are her heart and soul set to be crushed by an evil warlock? Century Isle Chronicles: The Chosen One is a haunting, coming of age story in which a young heroine must not only come to terms with her grief but learn to safely unlock and embrace the supernatural power that will keep the islanders safe.

The Chosen One

David, Rebecca, Karter, Adara, and Ethan are five extraordinary teenagers who have all been through the tribulations, and heartaches that life has to offer. Everything though drastically changes for the better in their lives the day they encounter Avram the Great from the seventh dimension, who bestows to them supernatural powers through the help of the five Garva stones. The five of them have been predestined by Avram to unite as a group, and to nurture their powers for the next seven years to come. It is up to The Tenacious Five to protect earth, and all of mankind from the sinister Zeviathan, and his fleet of dark-hellion-demons the Nephilim's.

The Chosen Ones Rolling on a River

Selkor has gained three of the four keys that the Warders have kept secret for untold years. The Shandese Magician is desperate to get the final key and become 'The Chosen One' prophesied by the Oracle, Drehboor Perdimonn, Warde of the Earth Key, must somehow find a way to stop him.

Redeemer Chronicles Books 1-3

It is said that when war threatens the world, one individual will be selected by prophecy to lead the Shadow Warriors out of the Land of Mist and reclaim the freedom which has been stolen. ~Shanti has grown up under the constant threat of war. Since she helped her people defeat a raiding party by using a special power, she's been a hunted woman. Carrying rare abilities and an uncanny fighting aptitude, Shanti is the only hope of salvation for her people. The problem is, she doesn't believe in her own divinity, and when she flounders, she nearly fails in the duty hanging so heavy on her shoulders. It seems like any other day when Sanders and his band of misfit boys find a foreign woman clinging to life in the wastelands. Oblivious to the weapon they now have in their possession, they are content to harbor the mysterious woman until she is well enough to continue her journey. But when the war spreads its arms and lands on her borrowed doorstep, Shanti has no choice but to reveal her secrets, plunging her saviors into danger. If they band with her, they will face certain death. But to trade her to Xandre, the warlord desperate to add her to his war machine, would be to give up their entire way of life.

The Chosen One

The Chosen Chronicles

The Chosen One

High in the Wind River Mountains where the lodge pole pines give way to short shrubs and wildflowers, live the Mountain Shoshone, also known as the Sheep Eaters. They are a peaceful people who want nothing more than to live separate from other tribes and the invading white man. They feel safe here, high above timber line, protected by the Toyawo, the powerful mountain medicine. Aggretta, a widow at only twenty summers has dedicated her life to becoming a medicine woman, taught by Kwinaa, the wise and feared puhagant of the Tukadika tribe. When a white trapper is found badly injured, Kwinaa brings him to the village and gives Aggretta the task of healing him. Jim, awakens after days of unconsciousness, which was filled strange dreams and nightmares, to find himself in a secluded Indian village high in the Wind Rivers. He marvels at the richness in the lives of this reclusive tribe. Little do Jim and Aggretta know that the mountain spirits are at work and this unlikely pair will be sent on a dangerous quest to find the lost memories of the ancient Tukadika.

The Palace of Lost Memories: After The Rift, Book 1

Six years ago, officials from the Child Protective Agency removed Dakota Sky Basilla from her alcoholic father's home, and she became a ward of the county. Dakota's one wish is to see her mother, Marta, again. But for now, she lives with her sixth set of foster parents while attending yet another high school. Things in Dakota's life begin to spin even more out of control when she receives a wooden angel as a gift for her sixteenth birthday—and the angel comes to life. Dakota is beginning to think she's lost her mind. Even worse, her best friend, Lauren, goes missing. Dakota must now rely on her psychic ability, the guidance of her uncooperative angel, and the visions she experiences to solve the mystery and find Lauren. As the days pass and the dead bodies pile up, Dakota becomes more frantic to find her friend. When she walks into a criminal's trap in the course of her search, it will take all of her ingenuity to save herself and her friends. In the process, she may discover what loss really means.

The Palace of Lost Memories

The divinity, the spirit, the master, the inner spark, or God, in our inner universe as conscience, shows us the path to follow to be able to transcend spiritually, towards divine life. As God transforms us, we gradually lose consciousness of being primary cerebral, and intellectual ego, or ego mind conscience, and become one with whom is and is not, absolute, eternal, without form nor name. In this context of material, spiritual, and mystical experiences, the life of Torcuato the chosen one and of his master, the shaman Naga developed, in the City of Moles, and in a place faraway in the desert, beyond the dunes, with the spirits of light, in a quantum jump to the fourth dimension of dark and luminous antimatter.

Lost Memories

I wrote this book from the time I was two years old up until the present day to tell my life story about the trials that life puts you through, and many of the trials have been very hard and bitter. They left scars in my heart, and at times, I was wondering if God was watching over me. But through it all, I remember what the Christian family that I grew up in has taught me and made me realize all I had to do was to call his name, and he would comfort me in my time of need. I'm hoping this book would be an inspiration for someone going through similar trials!

Torcuato the chosen one, and his master, the shaman Naga

To introduce you to my book you will find a variety of poems that will touch your heart in so many ways. My poetry tells of how as a child I was taught love that has followed and helped me throughout my lifetime. I have written many poems for our service men and women to show my appreciation and support for all they have done for us here at home. Those boys and girls are truly my heroes. In my book they can do no wrong. I have stories of situations in life from children and teens and adults and the trials and errors we all encounter throughout our life. When you read my work there will be times you will feel this love I was given in my life and how in my work I pass it on for others to feel and know its there for the ones who want to share it with me. Come into my world and within each page know the joy of reading my story form poetry that will place you within the story. Here is a sample of one of my poems that is within my book it is called -- A SOLDIERS PRAYER She cries silver tears the day he leaves, knowing her little man knows what it takes to be free. She waits with prayers whispered on the wind, for a mothers prayers never end. Within the spring showers there is a rainbow arc, she sees her little man from within her heart. With outstretched arms to the man above, whispers God let a mothers prayers be enough. For a mothers love is a love divine, as she shared her soul within this life. Raised a man to stand up for the free, and face what he doesn't want us to ever see. With open arms God hold

them there, for he is there he can see and hear. Young men trying to save the innocent ones, ones who are searching for peace just as our son. Gods glory can be seen upon the air, he works with our men for he is so aware. He floats among them as his wings are lifted high, from prayers from their mothers you and I. Then at battles end and there comes mornings light, those left standing looks through Gods eyes. They see all who were so brave till the end, and within a whisper they hear Amen.

The Chosen One

Enjoy this spell-binding series by USA Today Bestselling urban fantasy author Sarah Biglow... One final prophecy may be her undoing... Vowing vengeance for an unthinkable murder, Ezri tests the bounds of law and order to unmask the killer. By whatever magical means necessary. As she seeks justice for her fallen ally, the enemy taunts her at every turn. Each step threatens her resolve, making her question her title of Savior. But when darkness reigns, can she stand as a beacon of light? Or will she make the ultimate sacrifice to defend her world? WINTER'S RECKONING is the heart-pounding fourth and final novel in the Seasons of Magic urban fantasy series full of strong heroines, magic and mystery. The Seasons of Magic series is best enjoyed in order. You can begin the journey in book 1, Spring's Calling. Great for readers who can't get enough supernatural law enforcement, witches and destiny. You can see more of the Seasons of Magic characters you love in Agents of Magic Book 1, Unseen Magic. Buy WINTER'S RECKONING and surrender to the magic today.

In Memory Of

Have you ever wondered what a world of old and sacred magic was like? Well now you can. Long ago in the beginning a prophecy was created. This prophecy stated that in the future three warriors would arise to save the world. These warriors would have to fight the only ultimate evil and the new evil. The ultimate evil is known as Abraxas, will try to wipe out the entire universe with one single blow. He will be helped by the new evil that arose from a great vengeance. The only way to save the world is by the Chosen One. The Chosen one was destroyed in a great battle and its powers disappeared. Now since the Chosen One is supposedly gone the three warriors are only the ones who have a fighting chance to stop the great evil. Hopefully the earth will be saved, but no one knows.

Winter's Reckoning: A Chosen One Urban Fantasy

In Journey of Memory, Kaine Temple wakes up in the middle of a forest with only his name in his mind. However, he is soon swept up in an adventure involving magic, friendship, reunions, and love. But all the while, threats hang over Kaine's head. Between the Saviors of Vorun, who want to kill him, and a mysterious voice saying that doom will come if he doesn't remember who he is, Kaine has a lot on his mind besides his missing memory. Add in Sophiria Foxtail, who makes Kaine confused over his feelings, as well as a cast of friends new and old, and together the group will try and get Kaine's memory back. Or die trying.

The Chosen One

Emily Monroe may be a lot of things, but one thing is for sure, she is NOT the Chosen One. Emily has a long day. After fending off another villainous attack during the night shift at Big Burger, and all she wants to do is to go home and get some sleep as the sun rises. What's a unpowered girl to do in a super powered world when she gets home to find the most notorious villain of Big City in her kitchen? An even more dangerous threat to the city takes precedence as after Containment's detention facility is damaged, dozens of criminals escape. But the biggest threat? The person hired to replace the Chosen One as the city's protector... Mega-Girl!

Journey of Memory

Two old gods play chess to decide the fate of the galaxy. A hapless pawn is cast down upon the Earth. Mikha'il awakens, mortally wounded, on his crashed ship. He's saved by a young woman with unusual abilities. With no memory of his past and his ship destroyed, he has no choice but to integrate into her village. In stone-aged Mesopotamia, everyone must work or starve, but the only skill he possesses is an uncanny ability to kill. Ninsianna's people have prophecies of a time when a winged champion, a Sword of the Gods, will defend their people against an Evil One. Mikha'il insists he's no demi-god,

but the dark premonitions sent to her by She-who-is say otherwise! Unbeknownst to them, Earth is about to become ground zero in a war between two ancient adversaries. The Emperors' armies are a dying race ... and humans hold the key to their survival. As love blossoms, the mysterious kidnappings of young women forces Mikha'il to choose between Ninsianna and his duty to complete a mission he can't quite recall. As fault lines open in the heavens, Mikha'il must teach his adopted people to raise armies from the dust to fight back against an enemy who remains unseen.

Emily Monroe is NOT the Chosen One: Re-Chosen

Although still virtually unknown in the West, Ôoka Shôhei (1909-1988) is one of Japan's most important and influential writers and social critics. *The Burdens of Survival* is both a seminal English-language study of this preeminent literary figure and one of the first scholarly works to thoroughly examine the war literature of a major Japanese veteran-author. Drawing on Robert Jay Lifton's work on traumatic experience and survivor psychology, the book tells the illuminating story of Ôoka's arduous journey that began with guilt-ridden survival as a prisoner of war in the Philippines and culminated some twenty-five years later in the fruitful completion of survivor mission. David C. Stahl examines Ôoka's battlefield memoirs, including the established war classic *Fires on the Plain* (1952), in terms of extreme experience, survivor guilt, bearing witness, and the "inability to mourn." Writing enabled Ôoka to give cathartic expression to his haunting battlefield experience and made it possible for him to move from blame-shifting to empathy and mourning. The lengthy, exhaustively researched historical work *The Battle for Leyte Island* (1967-1969) faithfully details the personal and collective experience of battle, depravation, and loss, and clarifies who and what was ultimately responsible for defeat. Toward the end of this work and *Return to Mindoro Island* (1969), Ooka draws attention to the outstanding obligations owed by his countrymen to the war dead and suggests how they can be fulfilled by public confrontation, learning the lessons of defeat, and using them to rectify lingering social and political evils.

The Chosen One

Essayist, social critic, poet, "mad farmer," novelist, teacher, and prophet: Wendell Berry has been called many things, but the broad sweep of his contemporary relevance and influence defies facile labels. With his unique perspective and far-reaching vision, Berry poses complex questions about humankind and our relationship to the land and offers simple but profound solutions. Berry's essays, novels, and poems give voice to a provocative but consistent philosophy, one that extends far beyond its agrarian core to include elements of sociology, the natural sciences, politics, religion, philosophy, linguistics, agriculture, and other seemingly incompatible fields of study. *Wendell Berry: Life and Work* examines this wise and original thinker, appraising his written work and exploring his influence as an activist and artist. Jason Peters has assembled a broad variety of writers including Hayden Carruth, Sven Birkerts, Barbara Kingsolver, Stanley Hauerwas, Donald Hall, Ed McClanahan, Bill McKibben, Scott Russell Sanders, Norman Wirzba, Wes Jackson, and Eric T. Freyfogle. Each contributor examines an aspect of Berry's varied yet cohesive body of work. Also included are highly personal glimpses of Wendell Berry: his career, academic influence, and unconventional lifestyle. These deft sketches of Berry show the purity of his agrarian lifestyle and demonstrate that there is nothing simple about the life to which he has devoted himself. He embraces a life that sustains him not by easy purchase and haste but by physical labor and patience, not by mindless acquiescence to a centralized economy but by careful attention to local ways and wisdom. *Wendell Berry: Life and Work* combines biographical sketches, personal accounts, literary criticism, and social commentary. Together, the contributors illuminate Berry as he is: a complex man of place and community with an astonishing depth of domestic, intellectual, filial, and fraternal attributes. The result is a rich portrait of one of America's most profound and honest thinkers.

Sword of the Gods: The Chosen One

This is book 13 of the *Eternal Flames* series, you should read *Eternal Flames* 1-12 and book 1-8 of *Eternal Flames* Maddox before this book. Benji is scared, alone and on the run from his own people. Being a chosen one, Benji knows that he is intended to have three mates. However, meeting all three at the same time wasn't something he ever thought could happen. Casius, a dragon shifter raised in a gypsie tribe surrounded by nothing but humans. Asbuth a gargoyle, open minded and caring as well as lethal to those that endanger anyone he holds dear. A phoenix shifter, Robert, known as Doc Rob, to all of Crystal with a chip on his shoulder when it comes to dragons and not sure if he can claim one as his own. If Robert refuses what does this mean for the rest of the mates since Benji refuses to mate

any of them if he can't mate them all? They better figure out things fast because that which hunts Benji is on its way, bringing war and death.

The Burdens of Survival

Noah must do much more than simply build a huge ship in this novel of fantasy and adventure. When Noah is born, his father Lamech believes that his young wife, the beautiful teenager Bathenosh, had an affair with a tall, dark stranger, whom she met on their farm about the time of Noah's conception. The tall, dark stranger is a fallen angel named Samhazi, who has cloned for himself a human body. He is torn between his demonic rebellion and his human love for the captivating dark-haired Bathenosh. When Noah is grown, Samhazi returns and abducts Noah's young mother, who is entranced by him. He is part of a group of 200 fallen angels from the constellation Orion, who have assumed human bodies, and who desire to rule over ancient mankind. It looks like they will succeed. Only the daring boldness of the young Noah stands in their way. He and the patriarchs are inspired by the "memories of the Garden of Eden"

The Chosen One

I know why you are here, the woman said, smiling at Kay in return. Kay froze. She wasn't expecting the woman to talk to her. She looked around for Makaytia, but the woman smiled. She's back where she belongs; she's back in you, my dear Makaytia. Kay looked at her, stunned with confusion. For Kay, all her life she'd just wanted to know who she was, why she was alone since a young age. She wasn't expecting to find a bracelet that would lead her to all her answers and more explanations along the way.

Wendell Berry

A fundamentalist Islamic army is on the march in the Middle East, and the fight to stop the spread of madness will take everything the American military can muster, in this novel from the author of *The Red Line*. Two months ago, a new leader arose in the Islamic world, the Mahdi—or the Chosen One. He has rallied fundamentalist Muslim forces across the Middle East who have driven deep into Saudi Arabia and Egypt. Standing against them is an allied force made up primarily of the American military. It's a desperate fight. From armored battles in the desert to American carriers desperately dodging waves of cruise missiles, the Mahdi proves to have many tricks up his sleeve. Marine Lieutenant Sam Erickson is in the thick of the fighting. He and his company have fought their way from a landing on the Mediterranean shore to the outskirts of Cairo. Now he finds himself at a critical juncture, but can he make the sacrifices necessary for the greater good?

The Chosen One

Fort and his friends face more perilous ancient magic as they race towards the final battle to save humanity in this fifth and final installment in the fantastical series from the author of the New York Times bestselling *Story Thieves!* Fort Fitzgerald is finally reunited with his father and wants nothing more than for life to return to normal, the way things were before magic burst back into the world. But normal isn't an option anymore. Not when the Old Ones could still return to enslave humanity and Damian is dead set on making that happen. Convinced he's the Chosen One the prophecy says will save the world, Damian has mastered all six books of magic and plans to summon the Old Ones to destroy them. Fort knows better though—Damian has no chance of defeating the Old Ones once they arrive. Maybe Fort could stop Damian if he could use the magic from the dragon dictionary, but he's consumed with strange visions each time he tries. The only hope left is for Fort, Jia, and Rachel to recruit the help of old friends—and enemies. But how can they know who to trust? Because unless they can find the truth behind the web of secrets and lies surrounding the prophecy of the Chosen One, Fort's visions, Arthurian legends, and even magic itself, they've already lost.

Lost Memories of Eden

no data

Makaytia and the Lost Memories

There was some agreement about what memory traces were not, but little about what actually did characterize the memory trace. Yet models and theories of memory at the time could not help making

implicit and often unrecognized assumptions about the memory trace. Originally published in 1982, this title aimed to strengthen the meagre base on which memory theories rested at the time. It challenges old assumptions and introduces new concepts, foremost the notion of singularity, as they become necessary to understand traces adequately. Some research data of the past was found in need of reinterpretation. The result is a new theory of the memory trace.

The Lost Memories

In this stunning conclusion to the After The Rift series, Josie and her friends return home to find Glancia on the brink of war and their enemies in power. With political machinations and court intrigue bringing danger at every turn, they must tread carefully. But being careful won't bring resolutions and answers. It won't bring back lost memories or stop the nation hurtling into war. The only thing that can make everything right is the ultimate sacrifice. But will Josie make it? At the heart of it all is the magic that stole the memories of so many. The magic that some people will do anything to get their hands on. In a palace full of lies and betrayal, Josie and her friends must be careful who they trust - or suffer the consequences. THE RETURN OF ABSENT SOULS is the final book in the After The Rift series. The books in order are: #1 The Palace of Lost Memories #2 The Echo of Broken Dreams #3 The Whisper of Silenced Voices #4 The Temple of Forgotten Secrets #5 The Prison of Buried Hopes #6 The Return of Absent Souls

The Chosen One

Closing the cover, she stared down at the reason for her life on the run. The small body of her daughter, Raine, sleeping on the hotel bed, smeared dried chocolate ice cream on her rosy lips. Her first words tangled in a two-year old language I am Christ. Father Mc Kenna tossed the folder down on his desk letting his eyes remain on the rain splattered window. Weighing out the common denominators, trying to justify and dispel what he was learning on his trip from the Vatican to the United States. All the children were born in the same year. They all told the same stories. Most importantly, they all searched for the one girl they claimed to Christ walking on earth again. If he took the job offered to him as a liaison between the States and the church, he would oversee the school designed to house all the children together, study them, analyze and scatter their credibility. Yet in the back of his mind, the question lingered what if Christ had returned? Michael David stared out his binoculars at the mother and daughter playing in the backyard of their newest home. A cold chill ran up his spine as he recalled the typed black on white words written in the folder given to him by his commander General Frank Mc Gunther. No, surely not, it couldn't be this bright eyed little girl shaking off the cool water her mother sprayed on her with the garden hose, she looked so ordinary. If there was a God, He was surely playing a joke on all of them. Or so he thought.

The Chosen One

Found wandering the Cornish Coast, Elissa is cared for by Dr. Daniel Brett until mysterious Mark Chivers claims her as his fiancée.

The Chosen One

For all beings are the paths of fate carved, but for three dark elven children did the loss of their parents put their fates in clear unwanted view. Being murdered by a wizard in the body of a beastly Minatare, this brutal unscrupulous terror was bent on ruthless backlash to all in the realm for his own dark suffering past. Through the aging course of fifteen years, being both guided and protected by their new guardian uncle did the children's mission finally start. Forced for their own safety from all they knew they leave their home that was fashioned in a world under the world. Their clan was nothing more than a rebel shadow of their old race, driven into hiding from persecution and disloyalty of not willing to uphold the continuing evil traditions of their ancestral nature; and with struggles unseen they fight to emerge from the shadows to the surface realm, with a final goal to one day be again equal both in sociological weight and rank. Accomplishing such tasks held its risks; for the three on their endeavor discover the complications of sibling rivalry, loyalty and personal acceptance. Unexpectedly do they find trials of the body, mind and soul with allied companions along their journey, that introduce them to truth, love and self sacrifice when stories of their own past intertwined with theirs. Will such tasks lead the children to the same doom that brought them to this very dark alley; or strengthen their resolve through the sight of true purpose not only to defeat their mortal enemy, but defend their continuing wished existence within the realm.

The Memory Trace (PLE: Memory)

From acclaimed Japanese author Sanaka Hiigari comes a heartwarming, life-affirming novel about a magical photo studio, where people go after they die to view key moments from their life—and relive one precious memory before they pass into the afterlife. The hands and pendulum of the old wooden clock on the wall were motionless. Hirasaka cocked his head to listen, but the silence inside the photo studio was almost deafening. His leather shoes sank softly into the aging red carpet as he strode over to the arrangement of flowers on the counter and carefully adjusted the angle of the petals... This is the story of the peculiar and magical photo studio owned by Mr. Hirasaki, a collector of antique cameras. In the dimly lit interior, a paper background is pulled down in front of a wall, and in front of it stands a single, luxurious chair with an armrest on one side. On a stand is a large bellows camera. On the left is the main studio; photos can also be taken in the courtyard. Beyond its straightforward interior, however, is a secret. The studio is, in fact, the door to the afterlife, the place between life and death where those who have departed have a chance—one last time—to see their entire life flash before their eyes via Mr. Hirasaki's "spinning lantern of memories." We meet Hatsue, a ninety-two year old woman who worked as a nursery teacher, the rowdy Waniguchi, a yakuza overseer in his life who is also capable of great compassion, and finally Mitsuru, a young girl who has died tragically young at the hands of abusive parents. Sorting through the many photos of their lives, Mr. Hirasaki also offers guests one guests a second gift: a chance to travel back in time to take a photo of one particular moment in their lives that they wish to cherish in a special way. Full of charm and whimsy, *The Lantern of Lost Memories* will sweep you away to a world of nostalgia, laughter, and love.

The Return of Absent Souls

Does evil lie sleeping in some people only to be suddenly awakened by some catalyst? This is the question that will be answered in this romantic thriller, *The Chosen One*. Not only does it offer romance, intrigue, and suspense, but presents a chilling insight into the age-old problem of sex trafficking a threat, which has plagued women for centuries. As you travel within its pages, you will see how easy it is to set evil on a rampage, and why bad things happen to good people. Sometime or somewhere, you have let loose the evil within them. Perhaps, you said the wrong words or were in the wrong places at the wrong time. You may never even know what caused such a demon to be set loose on you, but you will certainly feel its affects when it threatens your total existence. Now, it seems that evil has found its next victim in unsuspecting Margarite Phillips. Margarite portrays such a victim in the beautiful city of Dallas during the 1940s. Even though she represents all that is good in a young woman to her family, fianc, and friends, her innocence and beauty are not enough for the malicious entity that stands so close to her. Unknowingly, she has set loose the catalyst that will sell her to the highest bidder. Will her strong faith in God save her from such a humiliating destiny, or will she end up the concubine of some perverted foreigner? Will she meekly accept the sordid life of a sex slave or escape by any means she can even death? Who will save her? These are the questions, which will set you on edge for a hasty end to this gripping insanity.

Chosen

An absorbing, evocative and rich period drama of buried secrets and lost love. When a mysterious countess arrives late in life to live in a large house on the outskirts of a beautiful Hampshire village, the local tongues start wagging. No one is more intrigued than Cecily Chadwick, idling away the long, hot summer of 1911 with nothing much to do. Cecily is deeply fascinated by the exotic elderly lady, and as she gets to know her, is riveted by the tales of her life on the continent. And when she meets Jack, the Countess's grandson, she realises that there is much more to both of them than meets the eye and that there are long hidden secrets still to be revealed...

Lost Memories

Abstract Musings is a collection of poetical verse where honest feelings are unveiled as disclosed from the imagination of the author. Inspiring works are, offered, inviting open-mindedness as repetitive messages, flow, exposing truth of life where not all is pure and wonderful. Very often rhythmic words combine to form haunting images, revealing belief that everything is mystically possible, yet, sometimes horribly insufferable. Much of this poetry reflects ideals inciting fate as reality on a journey through designated vistas. Many show that, moments of fear obliterate hope, telling we must offer heart-felt prayers to GOD asking to, be shown a new path to our destined eternity. Throughout this book faith is, revealed as uppermost always, testifying to our Creator's power over HIS scientific domain. Existence and illusion intertwined invariably by love or loss are recurring themes explored intuitively in, these writings. Two of Judith's newest poems, "Castles of Sand" and "Crystal Beaches\

The Chosen Colossus of Evil

For writers and academics prominent in the field of the New Literatures in English today, the notion of return explodes into rich semantic difference to reveal the diversity of preoccupations underlying the use of the common tongue. From the Caribbean to Australia, Guyana to South Africa, India to Great Britain, literary, political and personal history collaborate in the poetic metamorphosis of an otherwise everyday experience. Now a state of being, now a reading rich with cross-cultural age, return draws from the collective memory, invokes revenants, digs up forgotten history, quests for roots. Just as it creates a dialogue with the past, textual or real, it negotiates turning points and perpetuates reversals. It reclaims territory, tradition and language in its yearning for home. Fraught with the tensions arising from awareness of the impossibility of return, from the exhilarations of imaginary, fictional return - even from the glimmering hope of a possible return - its contemplation can also lead to appreciation of the infinite re-turn, re-newal and re-creation that is the beauty of human experience. Discussion ranges from revenant supernaturalism in West Indian literature and the exploration of return in Australian, African and Indo-Anglian fiction to Caribbean poetry, South African praise poets, and West African drama. Writers treated include Ama Ata Aidoo, Edward Kamau Brathwaite, Jean D'Costa, Bessie Head, Matsemela Manaka, Salman Rushdie, Derek Walcott, and Patrick White. The personal, biographical dimension of physical return is encompassed via the examination of the life and works of such writers as Es'kia Mphahlele and Wole Soyinka, and through autobiographical reflections. The essays, stories and poetry in this collection challenge patterns of conditioned reading and call for a multilayered polylogue with reality.

The Lantern of Lost Memories

By the time he had concluded twelve years on prime-time television, Archie Bunker had raised a Jewish child in his home, befriended a black Jew, gone into business with a Jewish partner, enrolled as a member of Temple Beth Shalom, eulogized his close friend at a Jewish funeral, hosted a Friday evening Sabbath dinner, participated in a bar mitzvah ceremony, and joined a group to fight synagogue vandalism. While the famed style of All in the Family was unique, its inclusions of Jews and Jewish issues was far from unusual. On the whole, Jewish issues have been portrayed with respect and relative depth during five decades of television programming. This work documents and examines the portrayal of Jewish themes in popular prime time television, from 1948 through the 1996-1997 television season, focusing on how such topics as anti-Semitism, intermarriage, Jewish lore and traditions, Israel, the Holocaust, and questions of Jewish identity have been featured in numerous television genres. How real-life attitudes about Jews and Jewish issues are reflected in television portrayals is also explored.

The Chosen One

"When age-old power meets millennium-old grudges, all that is left is mass destruction." What's worse than losing your memory and getting stuck in another dimension? Getting your memories back and realizing you're lost in another dimension. After an accidental encounter deep in the Terean forests leaves Amber, Bella, and Leo with their memories and reeling from newfound emotions, they spontaneously agree to escape with Theodore, a God's Chosen whose mysterious motives were almost as worrying as the rumors surrounding him. Theodore has spent the past seventy-four years planning and hiding, searching for the perfect chance to fix everything. When three Crowns with unnatural luck end up as the only way Theodore can get out without getting caught, he takes the chance, even if it means risking everyone's life. The closer they get to Empyrean, their only way out, Theodore and the Crowns realize that they might have to reevaluate what they really wanted. Was the God's Chosen willing to throw away his found family and centuries of forgiveness for an age-old feud? And were the Crowns truly ready to risk it all for some memories that may or may not be real? As dark secrets and unfamiliar powers enter the scene, Amber's, Bella's, Leo's and Theodore's choices will bring them to the end-or beginning-of one of the most thrilling chapters of their lives.

The Memory of Lost Senses

Voted a Reader's Favorite Five Star Read! The Memory of Us is a second chance soulmate new adult romance that will have you questioning the meaning of true love as two people search for their other half. Twelve hours was all they spent together, but to them, it meant everything. Nora and Elliot's meeting was predetermined. They both believed that wholeheartedly. It was fate. But circumstances beyond their control separated them, and twelve years later they're still searching. Apart, they're broken and they won't give up until they find each other. But what if they never do? The Memory of Us is a complete standalone angsty soulmate romance with all the feels. You can expect heartbreak, miscommunication, searching, crying, loving and a sigh-worthy ending. No cheating and no cliffhanger!

Abstract Musings

Being a demon isn't easy, especially when you've grown up learning the importance of love and friendship. When Jax gets summoned by his best friend and asked to protect his only child, Cassie, who's been hidden away in the human world, he agrees. He thought it would be simple – protect the girl while she learns the truth about herself and the abilities she holds. What he hasn't counted on is the shock that runs through him when they touch, immersing him in feelings and memories he can't place. As he tries to figure out the nature of the bond that connects them, he realises that something else is at play – a magic that could be working for or against them. Will he be able to honour his promise and keep Cassie safe?

Return in Post-Colonial Writing

When three cousins learn that they have inherited distinct components of a family legacy, unexplainable things begin to happen around them. Kalista begins to see apparitions, Taylor experiences terrifying dreams, and Brendon hears voices that tell him what people are thinking. Secretly, they embark on a quest to find answers and seek advice from Mama Julie, a one hundred and ten-year-old, wise woman with psychic abilities. Adding to their frustration, Mama Julie opens their minds to new ideals and beliefs. In doing so, she spins a tale regarding an ancient mythological legend that they have a difficult time believing. It only leaves them with more questions. During their journey to solve the mystery, even stranger things begin to transpire and the legendary prophecy comes to life. As the trio continues on their mystical odyssey, they encounter the unimaginable; murder, cultural bias, supernatural phenomenon, love, hate, betrayal and ultimately coming to terms with their extraordinary talents. These talents transport them to a world full of suspense, fantasy and spine tingling adventure...they invite you to join them during the exploration to find the truth.

The Chosen Image

This title examines not only other writers' works with a critical eye, but also breaks boundaries in Simic's exploration of the outer and inner reaches of the human condition. Included here are essays on April Bernard, Robinson Jeffers, Donald Justice, Pablo Neruda, Gerald Stern, Richard Wilson, and more.
