New King James Topical Index

This book is a topical index for the New King James Version of the Bible. The reason author Terry R. Trammell created this index is that, even though he knew where many topics may be located, it would help many other people who were less knowledgeable. He decided to put something together that would help others in their studies by having a topical index, helping them to locate particular subjects and topics more easily like it has him. This will save more time than using concordances, as they help you look for words, not topics. This New King James Version Topical Index covers all sixty-six books of the Bible, both the Old and New Testaments. In this topical index, you will find that all the books will have a heading, a sub-heading, a list of the topics that are within that particular book, plus the page number of where that topic begins and ends. It has already helped Mr. Trammell a great deal. He is sure it will help you in your study of God's Word, as well. Even if you are not studying as a student but are just looking for a certain topic, this topical index will be of great use.

Strong's Bible Concordance

Strong's Bible Concordance was the first and till now, the most important attempt to index all the words in Bible. The purpose of this book is to help a reader understand and find every verse of the Bible easier. The original Bible consisted of the Hebrew Old Testament and the Greek New Testament. John Strong collected all the words from the two parts. He listed 8,674 Hebrew root words and 5,624 Greek root words. All of them are also give English dictionary translations giving a reader a possibility to find other meanings of ancient scriptures. This edition also contains King James Bible translation, so it has all the parts needed for a profound biblical study.

The Exhaustive Concordance of the Bible

In 1975, the boldest, most extensive project in modern Bible publishing history began. 130 Bible scholars, pastors and communicators gathered with one goal in mind - to preserve the accuracy, authority and beauty of the King James Version while updating the language for modern readers. This book offers an insightful glance into the history of this event as only the Executive Editor, Arthur L. Farstad can tell. If you've ever thought that a room full of biblical scholars sorting through Hebrew and Greek was boring, then think again. Revealing the painstaking progress that each member of the committee made over the seven-year process, three distinct sections guide the reader through the purpose of the NKJV translation: Part One: Accuracy Part Two: Beauty Part Three: Completeness

NKJV, Open Bible

This classic word study resource allows you to study the meaning of biblical words in the original languages without spending years learning Greek or Hebrew. A great resource for students, seasoned pastors, and anyone who enjoys biblical word studies--even if they have little to no formal training in Hebrew or Greek. Vine's Complete Expository Dictionary: Contains over 6,000 key biblical words, describing word frequency, usage, and meaning as fully as possible. Serves as a dictionary, commentary, and comprehensive topical concordance all in one volume. Includes the widely used numbering system found in The New Strong's Exhaustive Concordance of the Bible. Contains an introduction describing the history of the languages in which the Bible was written and other orientating data on how the modern Bible came about. This classic reference tool has helped thousands dig deeper into the meaning of the biblical text and will enlighten Bible students to the riches of God's truth in Scripture, opening up God's word as it has never been opened before. This is the most affordable complete edition of Vine's famous Old and New Testament dictionaries available.

The New Strong's Exhaustive Concordance of the Bible

This classic reference volume celebrates a century of use with this modern edition, featuring the words of Christ highlighted and emphasized, and a handy topical index to the Bible. Includes exclusive Fan-Tab index system.

Life Application Study Bible NIV

Get more mileage out of your Strong's Concordance with this English Word Index Every one of the millions of users of Strong's Exhaustive Concordance can now multiply its usefulness and benefit from the exclusive English Word Index created by Thomas Nelson. A convenient addition to Bible study resources for pastors, scholars, students, and those who want to dig deeper in their personal Bible study, this index offers an easy-to-use format for doing word studies more efficiently and completely. The New Strong's® Guide to Bible Words helps you get the full benefit of your current Bible study resources-giving you access to over 14,000 biblical words, showing all Hebrew or Greek words that lie behind each English word, along with the number of times each occurs, Strong's numbers, and brief definitions. If you own a Strong's Concordance, you'll want the New Strong's® Guide to Bible Words. If you want to do serious word studies, you won't want to be without this valuable tool.

Vine's Complete Expository Dictionary of Old and New Testament Words

This Large Print Overview and Study Edition of the Proper Name Version of the King James Bible restores the proper name of God and updates the English in the reliable Authorized King James Version, in which the Word of God has been preserved. It reveals the glory of the name of God, yet it is clearer to read and easier to understand. The name of God is restored in this Bible as Yahweh and in its essential short form as Yah. The name of the Messiah is revealed as Yahshua, meaning Yah is salvation. The updated English maintains reliability by remaining faithful to the manuscripts and retaining the familiar sentence structures of the Authorized King James Version. The large and clear 14-point typeface helps reduce eye strain for greater reading comfort. Original cross-references provide important tools that promote unbiased study by helping the reader use the Scriptures to interpret themselves. The concordance index offers a useful navigation tool. Concise overviews in each section give a brief and clear perspective of each book of the Bible. The Appendix illustrates historical renderings of the name of God and the Messiah. It also answers frequently asked questions about why the name of God, which had been replaced by titles, has been restored in this Bible. The pages are Smyth sewn before being bound in a durable high quality soft-to-touch synthetic leather cover. The page edges are beautifully gilded with gold and the Bible is complemented with a helpful place marking ribbon. The typeface size, paper thickness, page sizes, and page formatting styles are designed to balance readability and portability. This Large Print Edition of the Proper Name Version of the King James Bible is intended for those who want a reliable Bible that is more comfortable to read and that helps bring the understanding of the Word of God to a new level by restoring His name and updating the English. It helps the reader to gain a more intimate knowledge of Yahweh through Yahshua. This Bible has a black synthetic leather cover.

The New Strong's Exhaustive Concordance of the Bible

This edition of the King James New Strong's Exhaustive Concordance of the Bible gives you all the classic features of the full-size concordance in a smaller, more convenient form. Complete with all of the same great Life Application Study Bible features, this edition comes in an exclusive, elegant cover at a fantastic promotional price.

Proper Name Version of the King James Bible

Is The New King James Bible Just An Updated King James? It promised to be a 5th edition of the KJV, preserving "the originally intended meaning of every verse." Did publishers and translators keep their promise? Author David Daniels shows us in this book that the classical language (including the "thees" and "thous") is not all that was changed. In fact, this Bible is not a King James at all! Some of the

"updates" actually change doctrines! "I'M NOT SAYING WHAT COULD HAPPEN. I'M SHOWING YOU WHAT DID HAPPEN." – DAVID W DANIELS It cannot be a true King James, if salvation is changed from a finished work to an unfinished process (1 Corinthians 1:18). How can you know you are saved? Or in Matthew 7:14 where it says, "Because narrow is the gate and difficult is the way which leads to life..."? God did not make the way "difficult". Salvation is as close as our mouth and our heart! These tiny changes, as well as others like it, have made a big difference, moving people from faith to doubt in God and His words. But there's more. The publishers of the New King James said, themselves, that their goal was to provide a "transitional bridge" to a modern Bible (and they sell plenty of them). As people get used to seeing words changed in their Bible, they soon will accept a Bible that changes even more! Eventually, you have a Bible with wording vague enough, in many key areas, that all the world's religions will be able to "fit" their doctrines into it. This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist's coming one world religion. How do we counter this? By teaching our children how to read the clear words of the King James, we can bring faith and not doubt to the next generation. In fact, as you will see in this book, if previous generations had done this, the New King James would never have been made.

New King James - The Bridge Bible

Over 2 million readers around the world have had their spiritual lives enriched and their understanding of God's Word expanded by The MacArthur Study Bible. Drawing on more than fifty years of dedicated pastoral and scholarly work, Dr. John MacArthur's verse-by-verse study notes, book introductions, and articles display an unparalleled commitment to interpretive precision--with the goal of making God known through His Word. The MacArthur Study Bible is available in the New King James Version (NKJV). Trusted by millions of believers around the world, the NKJV remains the bestselling modern "word-for-word" translation. It balances the literary beauty and familiarity of the King James tradition with an extraordinary commitment to preserving the grammar and structure of the underlying biblical languages. And while the translator's relied on the traditional Greek, Hebrew, and Aramaic text used by the translators of the 1611 KJV, the comprehensive translator notes offer important insights about the latest developments in biblical manuscript studies. The result is a Bible translation that is both beautiful and uncompromising--perfect for serious study, devotional use, and reading aloud. Features include: Fully redesigned second edition with updated study notes and expanded selection of maps and charts Nearly 25,000 verse-by-verse study notes 190 in-text maps, charts, and diagrams that illustrate the meanings, themes, teachings, people, and places of Scripture Outline of Systematic Theology Thomas Nelson's complete cross-reference system, with over 72,000 references Concordance Bible reading plans Chronology of Old Testament Patriarchs and Judges Chronology of Old Testament Kings and Prophets Chronology of the New Testament Overviews of Christ's Life, Ministry, and Passion Week Harmony of the Gospels Introductions to each major section of Scripture Index to Key Bible Doctrines Clear and readable Thomas Nelson NKJV Comfort Print(R) typeface
