Sins Of The Night

In the realm of the Dark-Hunters there is a code of honour that even immortal bad boys must follow. No human can be harmed. Yet every few centuries or so, there is always one who thinks himself above the Code... Alexion is the defender of the code that governs the immortals. He is judge, jury and executioner: if they step over the line it's his wrath they will face. For centuries Alexion has survived alone. Isolated and haunted by his human past, he has learned to distance himself from his emotions and his role ensures that even his fellow Dark-Hunters give him a wide berth. However, this time the rogue Dark-Hunter is an old friend. Alexion cannot destroy him without at least allowing him one last chance at redemption. But to do this he needs the help of a female Dark-Hunter who goes by the name Danger. And the last time Alexion ran into her, she tried to kill him...

The Dark-Hunters, Books 7-9

#1 New York Times bestselling author Sherrilyn Kenyon has entertained millions of readers with her extraordinary Dark-Hunter series. With over 40 million copies of her books in print, Kenyon was dubbed "the reigning queen of the wildly successful paranormal scene" by Publishers Weekly. Here together for the first time in a fabulous eBook bundle are her popular Dark-Hunter novels: Sins of the Night Alexion and Danger will have to untwist a tangled web of lies and deceit or watch the world of the Dark-Hunters fall apart. Unleash the Night Always an outsider, Wren has never trusted anyone. Now his life and fate are in the hands of a human who threatens his very existence. But Maggie isn't just anyone. She's the daughter of a prominent senator. Dark Side of the Moon Born into a world of predators, Ravyn was betrayed by everyone he knew. Now with the ultimate battle about to begin, one very human woman holds the power to shatter all worlds.

Seize The Night

Valerius isn't a popular Dark-Hunter - he's a Roman, which means that the largely Greek Hunters have a major grudge against him and his civilization for superceding them. To make things worse, he's very

conscious of his aristocratic background and breeding. So it serves him right when he runs into Tabitha Devereaux. She's sassy, sexy, and completely unwilling to take him seriously. (Not to mention Tabitha is also the sister-in-law of Kyrian, a former Dark-Hunter and Val's mortal enemy.) What Tabitha does take seriously is hunting and killing vampires-and soon she and Val have to grapple with the deadliest of all Daimons - one who's managed to come back from the dead, and one who holds a serious grudge against both of them. To win against evil, Val will have to loosen up, learn to trust, and put everything on the line to protect a man he hates and a woman who drives him nuts.

Unleash The Night

An extremely rare Tigarian Katagaria, Wren is half snow leopard and half white tiger. Both species are extremely dangerous. Combined, they are lethal. He's reclusive and anti-social. Marguerite Godoeau has spent her lifetime trying to please her politician father. But has come to the recent conclusion that she wants her freedom. Missing her friend Nick Gautier who was a voice of reason in her insane life, she goes to Nick's favorite bar, Sanctuary. From the moment he sees her, Wren is completely captivated by Marguerite. Compelled, he follows after her and starts a most forbidden courtship. Wren knows he has no business with a human. He has too many enemies as it is. Yet he can't seem to let go of the only thing in his life that means something to him. Through enemies, both human and other, they have to learn to stand together or be devoured.

Night Play

Bride McTierney has just been dumped via FedEx. There's not much that could ease such a broken heart until Vane Kattalakis wanders into her shop and her life. Their whirlwind affair feels too good to be true. Deadly and tortured, Vane Kattalakis isn't what he seems. Most women lament that their boyfriends are dogs. In Bride's case, hers is a wolf. A Were-Hunter wolf. Wanted dead by his enemies, Vane isn't looking for a mate. But the Fates have marked Bride as his. Now he has three weeks to either convince Bride that the supernatural is real or he will spend the rest of his life neutered - something no self-respecting wolf can accept... But how does a wolf convince a human to trust him with her life when his enemies are out to end his? In the world of the Were-Hunters, it really is dog-eat-dog. And only one alpha male can win.

Kiss Of The Night

Dark-Hunter: an immortal warrior who has traded his soul to Artemis for one moment of vengeance on his enemies. In return, they swear to spend eternity protecting mankind from the daimons and vampires that prey on them. Dark-Hunter Wulf is an ancient Viking warrior with a useful but extremely aggravating power - amnesia. No one who meets him in person can remember him five minutes later. It makes it easy to have one-night stands, but hard to have a meaningful relationship, and without true love he can never regain his soul. Then he meets Cassandra, the one woman who can remember him. However, as the princess of the cursed race Wulf is sworn to hunt, she is forbidden to him...

Acheron

Eleven thousand years ago a god was born. Cursed into the body of a human, Acheron endured a lifetime of hatred. His human death unleashed an unspeakable horror that almost destroyed the earth. Brought back against his will, he became the sole defender of mankind. Only it was never that simple... For centuries, he has fought for our survival and hidden a past he never wants revealed. Now his survival, and ours, hinges on the very woman who threatens him. Old enemies are reawakening and uniting to kill them both.

Devil May Cry

Ever since that moment his status as a god was revoked by Artemis, Sin has done nothing but plot his revenge. He kidnaps a woman he believes to be the goddess, but she is Artemis' servant, Katra. And instead of imprisoning her, Katra captures him and refuses to release him until he promises not to seek vengeance on her mistress. Despite himself, Sin finds himself intrigued by Katra, who is nothing like the goddess she serves. She's fierce, true, but she's also compassionate and loyal. However, Sin is not the only enemy Artemis has and it quickly becomes apparent that he must help Katra save her mistress or the world as we know it will end. What's a wannabe god to do?

Night Pleasures

Amanda Devereaux has a crazy family. Her mother and older siblings are witches and psychics, and her twin sister is a vampire hunter. All Amanda wants is a quiet, normal life. Only when she finds herself the target of an attack meant for her twin, she wakes to find herself handcuffed to a sexy, blond stranger. He is Kyrian of Thrace. And while Amanda's first thought is that this might be another of her sister's attempts at extreme match-making, it soon becomes clear that Kyrian is not boyfriend material. For Kyrian is a Dark-Hunter: an immortal warrior who has traded his soul for one moment of vengeance upon his enemies. Kyrian spends his eternal days hunting the vampires and daimons that prey upon mankind. He is currently on the hunt for a very old and deadly daimon named Desiderius who has deemed it sport to handcuff Kyrian to a human while he hunts him. Now Kyrian and Amanda must find a way to break their bond before they give into their dangerous attraction to one another. Or Desiderius kills them both.

Bad Moon Rising

Fang Kattalakis isn't just a wolf. He is the brother of two of the most powerful members of the Omegion: the ruling council that enforces the laws of the Were-Hunters. And when war erupts among the lycanthropes, sides must be chosen. Enemies are forced into shaky alliances. When Aimee, the woman Fang loves, is accused of betraying her people, her only hope is that Fang believes in her. Yet in order to save her, Fang must break the law of his people and the faith of his brothers. That breach could very well spell the end of both their races and change their world forever. The war is on and time is running out...

One Silent Night

It's the Christmas season and all hell's breaking loose. Literally. While humans shop, an angry demon lord is plotting an all-out onslaught against his enemies, which - unfortunately for us - includes the human race. But as Stryker gathers his forces, he discovers a grown daughter he never knew existed and an angry ex, Zephyra, who's as determined to end his existence as he is to end ours. The ultimate predator is about to meet his match as new battle lines are drawn and the Dark-Hunters are rallied for a blood bath on Christmas Eve. The only question is this: can Stryker survive his oldest enemy to fight the ones he really wants to kill - or will Zephyra finally have her shot at the husband who abandoned her?

Dark Side Of The Moon

Susan Michaels is a reporter on a mission to resurrect her professional reputation. And she only has to brave her cat allergy at a local animal shelter to follow the lead that could get her off the tabloid beat forever. But she gets more than she bargained for when she inadvertently adopts one of the cats... As soon as she gets home the cat turns into a gorgeous naked man. Ravyn is entirely unique - a Were-Hunter who became a Dark-Hunter as well. Suddenly, Susan is pulled into Ravyn's mysterious world - one full of danger and magic. And, despite the way he makes her sneeze, despite the danger that swirls around him, she just can't resist him...

Dance With The Devil

Zarek is the most dangerous of all the Dark-Hunters. He endured a lifetime as a Roman slave and centuries as a Dark-Hunter in exile. Zarek trusts no one. Because of his steadfast denial to follow any orders, he is kept in isolation in Alaska where his activity is seriously limited and closely monitored. There are many who fear he will one day unleash his powers against humans as well as vampires. Have nine hundred years of exile made Zarek too vicious to be redeemed? The gods want Zarek dead

but reluctantly agree to allow justice goddess Astrid to judge him. Astrid has never yet judged a man innocent, and yet there is something about Zarek that tugs at her heart. He views even the smallest act of kindness with shock and suspicion. But while Astrid struggles to maintain her impartiality in the face of her growing attraction to Zarek, an executioner has already been dispatched...

Dream Chaser

Condemned by the gods to live out his existence without emotions, Xypher chose the pursuit of sensations, to feel again in the dreams of humans, only to find himself condemned to death. But he is given one last chance at a reprieve. Made human for a month, he must redeem himself within that time or Hades will return him to Tartarus and his torture. Simone Dubois is a coroner who isn't scared by much, especially since she's psychic and can see and hear the people she's working on. When they wheel in another victim, she doesn't think much about it, until he gets up from her table and starts to leave. Xypher doesn't have time to spend with this human woman and her questions. But it's not long before mysterious attempts on Simone's life force Xypher to stand between the woman who is beginning to touch the heart he thought had died a long time ago and the danger that is threatening her life.

Night Embrace

Talon was once a Celt warrior cursed by his ancient gods. Following the murder of his sister, the dying Talon had made a deal with the goddess Artemis. He had been given one act of vengeance against the clan who betrayed him, in exchange for his soul and his eternal service as a Dark-Hunter. Talon has sworn to fight Daimons and rescue the human souls they've captured. He has never had cause to regret this choice - until he meets Sunshine Runningwolf. The unconventional Sunshine should be Talon's perfect woman. She is beautiful, sexy and isn't looking for a long-term commitment. But the more time Talon spends in her company the more he starts yearning for dreams of love and family that he buried centuries ago. But loving Sunshine would be dangerous for both of them - Talon is destined never to know peace or happiness while his enemies still seek to destroy him and everyone close to him...

A Hard Day's Night Searcher

Previously published in the anthologies *My Big Fat Supernatural Wedding* and *Dark Bites*, Sherrilyn Kenyon's *A Hard Day's Night Searcher* is now available as a standalone e-novella! As a Dark-Hunter and an immortal pirate who once intimidated the entire Spanish Main, Rafael Santiago thinks he has it made. Until his Squire writes a story that threatens to expose their covert world and Celena shows up to kill him for the story. In order to protect his Squire, he is now forced to endure Celena who is the greatest aggravation of his life. Celena, for all her bluster, only wants what's best for all Dark-Hunters, but there's something about Rafael that makes her want to forsake her deepest held oath. That is if her well intentions don't kill him first.

Stygian

#1 New York Times bestselling author Sherrilyn Kenyon brings us back to the astonishing world of the Dark-Hunters in *Stygian*, with a hero misunderstood by many . . . but most of all by himself. Born before man recorded time, I lived for thousands of years believing myself to be something I'm not. Someone I'm not. Lied to and betrayed by gods, Daimons and Dark-Hunters, I've struggled to find my way in a world where I've been cursed since the moment I was prematurely ripped from my mother and planted into the womb of an innocent woman who thought me her son. Trained as a slayer and predator, I learned to fit in and stay low. To become a tool for evil. Until I was sent to kill the one woman I couldn't. My hesitation cost her her life. Or so I thought. In an act of betrayal that makes all the others pale in comparison, I've learned that this world is an illusion and that my Phoebe still lives. Now I will have to travel into the very pits of Hades to try and save her, even as everyone around me attempts to steal what little soul I have left. There's only one person at my back and I'm not sure I can trust her either, for she was born of an enemy race. Yet sometimes the road to redemption is one that sings us to our very core. And if I fail to find the answers I need to save Phoebe, more than just my wife will die. We will lose the world. Both human and Daimon.

Styxx

The most highly-anticipated novel in the Dark-Hunter series since *Acheron* is here - the unforgettable story of Styxx, Acheron's twin brother and one of the most powerful beings on earth. Just when you thought Doomsday was over . . . Centuries ago Acheron saved the human race by imprisoning an ancient evil bent on absolute destruction. Now that evil has been unleashed and it is out for revenge. Misjudged, condemned, betrayed and abandoned, this is Styxx's only chance to set the record straight. He hasn't always been on his brother's side but now he could prove his loyalty . . . if he's willing to trade his life and future for Acheron's. When allegiances are skewed and no one can be trusted, not even yourself, how do you find a way back from the darkness that threatens to consume the entire world - one that may soon devour your very soul?

But his efforts have been in vain, his father loathes him and, in his dying breath, makes one final demand of his biological son, the jealous and vengeful Benedict: to destroy his half-brother. After being tricked into giving his entire fortune to the Van Der Byls Diamond company, Johnny realizes he only needs two things in life, and one of them is Benedict's sister, the smart and beautiful Tracey. But the obsessive Benedict has been shaped at his father's hand and will stop at nothing to finish what he started. Even if it means destroying everything . . .

Time Untime

Prepare to enter a world full of richly imagined mythology - a world where dark and dangerous heroes fight to protect us. Prepare to enter an endless battle. Prepare to lose yourself . . . The Mayans aren't the only ones with a 2012 prophecy . . . Long before recorded history, there was a Keetoowah warrior so feared that everyone trembled before his wrath. Only a brutal betrayal by the one closest to him could defeat him. But not even death was the end of a man so strong. The Time Untime approaches . . . Kateri Avani has been plagued her entire life with dreams she doesn't understand: images of places she's never been and of a man she's never seen. Her quest for answers has driven her to Las Vegas where she hopes to finally silence the demons in her mind. What she never anticipates is coming face to face with the warrior who has haunted her her entire life. One who belongs to a world the scientist in her refuses to believe is real. Ren Waya came back from the dead to keep the prophecy he began from coming true and ending the world. For thousands of years, he has fought the same evil that once possessed him. But now that evil has found the one person he can't fight. The one person who, against his will, holds the most sacred part of him: his heart. But if he doesn't kill Kateri, the deadliest of evils will reemerge and destroy everyone else on the planet. It was a sacrifice he made once. Will he be able to make it again?

The Secrets of My Life

In this remarkable memoir-written during her pivotal first years of becoming her authentic self-Caitlyn Jenner reflects on her past as she looks to her future. "Imagine denying your core and soul. Then add to it the most impossible expectations that people have for you because you are the personification of The American Male Athlete." Bruce Jenner, the celebrated Olympic icon and later the patriarch of one of the most famous families in the world, seemed to be living a dream life of success, fame, and prosperity. But the all-American image and million-dollar smile belied a lifelong struggle with gender dysphoria, and it wasn't until the sensational Diane Sawyer interview that the public mask of Bruce Jenner was finally retired, and through the memorable Vanity Fair piece by Buzz Bissinger, that Caitlyn Jenner was introduced to the world and set free to exist on her own terms. Since then, Caitlyn has undertaken an arduous emotional and physical odyssey to achieve the completeness she always felt was missing. In *THE SECRETS OF MY LIFE*, Caitlyn reflects on the inner conflict she experienced growing up in an era of rigidly defined gender identities, and the cruel irony of being hailed by an entire nation as the ultimate symbol of manhood. She recounts her Olympic triumph, her rise to fame, and relates how her sense of frustration and shame grew with the passing years and the lengths to which she had to go to conceal her true self. Caitlyn in turn uncovers the toll that these personal struggles had on her three marriages and, subsequently, the relationships with her children. She also talks candidly about her life in the public eye as a member of the Kardashian clan, what led to her decision to become Caitlyn, and how she, her family, the transgender community, and the rest of the world has since embraced her new life. Filled with incredibly personal and moving stories of struggle and victory, of anxiety and fear, and, finally, of surrender and acceptance, *THE SECRETS OF MY LIFE* reveals the real Caitlyn Jenner by tracing her long and eventful journey to becoming herself.

Carmina

Sherrilyn Kenyon returns with the next addictive novel in her globally bestselling Dark-Hunter series . . . There is nothing in the universe the cursed dragon, Falcyn, hates more than humanity . . . and in particular, Greek humans. In a war he wanted no part of, they systematically destroyed everything he'd ever cared for. Now he lies in seclusion, away from the world and waits for the day when evolution will finally rid him of the human vermin. Medea was born the granddaughter of the Greek god Apollo, and among the first of his people that he cursed to die. But she will not let anyone rule her life. Not even her notorious grandfather. And when Apollo sends a new plague to destroy what remains of her people, she refuses to standby and watch him take everything she loves from her again. This time, she knows of a

secret weapon that can stop the ancient god and his army of demons. Once and for all. However, said device is in the hands of a dragon who wants nothing to do with politics, the gods, humanity, demons or Greek Apollites. And especially not her. He is the immovable object. When Apollo makes a strategic move that backfires, he forces Falcyn back into play. Now Medea either has the weapon she needs to save her people, or she's unleashed total Armageddon. If she can't find some way to control the dragon before it's too late, Falcyn will be an even worse plague on the world than the one Apollo has set loose. But how can anyone control a demonic dragon whose sole birthright is total destruction?

Dark Places

A cult classic, adapted into a film starring Christian Bale. Is evil something you are? Or is it something you do? Patrick Bateman has it all: good looks, youth, charm, a job on Wall Street, reservations at every new restaurant in town and a line of girls around the block. He is also a psychopath. A man addicted to his superficial, perfect life, he pulls us into a dark underworld where the American Dream becomes a nightmare . . . With an introduction by Irvine Welsh, Bret Easton Ellis's *American Psycho* is one of the most controversial and talked-about novels of all time. A multi-million-copy bestseller hailed as a modern classic, it is a violent black comedy about the darkest side of human nature.

American Psycho

In the ethereal world of dreams there are champions who fight to protect the dreamer and there are demons who prey on them. Arik is such a predator. Condemned by the gods to live for eternity without emotions, Arik can only feel when he's in the dreams of others. Now, after thousands of years, he's finally found a dreamer whose vivid mind can fill his emptiness. Dr Megeara Kafieri made a reluctant promise to her dying father that she would salvage his reputation by proving his life-long belief that Atlantis is real. But frustration and bad luck dog her every step. Especially the day they find a stranger floating in the sea. His is a face she's seen many times...in her dreams.

The Dream-Hunter

Hired gunslinger William Jessup Brady lived his life with one foot in the grave - until the day he finally found a reason to live. In one single act of brutal betrayal, he lost everything, including his life. Brought back by a Greek goddess to be one of her Dark-Hunters, he gave his immortal soul for vengeance and swore he'd spend eternity protecting the humans he'd once considered prey. Orphaned as a toddler, Abigail Yager was taken in by a family of vampires and raised with one belief: Dark-Hunters are the evil who prey on both their people and mankind, and they must all be destroyed. Brought together by an angry god and chased by ancient enemies out to kill them both, William and Abigail must find a way to overcome their mutual hatred or watch as one of the darkest of powers rises and kills both the races they've sworn to protect.

Retribution

Award-winning author Madeline Hunter transports readers back to the scandal and intrigue of nineteenth-century England in the enthralling tale of a magnetically sensual man, a virtuous woman, and a love story that will take your breath away. . . . She arrives at his home without warning or invitation, determined to win him to her campaign to reform women's rights. Instead, Charlotte, the widowed Baroness Mardenford, ends up being nearly seduced by Nathaniel Knightridge. No woman is safe from the mesmerizing sensual power of the famed courtroom advocate, and Charlotte discovers she is no

exception. But does he recognize her as the masked woman who recklessly joined him in forbidden passion a month ago? And how to avoid becoming his Lady of Sin when he decides to pursue her again?

Lady of Sin

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. In this volume, the adventure continues with Talon and Sunshine as they face off against the Greek and Celtic gods bent on making a major comeback.

The Dark-Hunters, Vol. 4

Hailed as "the most radical repackaging of the Bible since Gutenberg\

The First Book of Moses, Called Genesis

In the war against vampires, mankind has only one hope: The Dark-Hunters. Ancient warriors who died of brutal betrayal, the Dark-Hunters have sworn themselves into the service of the goddess Artemis to protect us. It's a pact with pretty good perks. Immortality, power, psychic abilities, wealth and a cool wardrobe. But it comes with a few drawbacks: fatal sun poisoning and a new, irreparable dental problem. But aside from the fangs and nocturnal lifestyle, it's not so bad. Talon, an ancient Celtic warrior, has been cursed by the god Camulus for killing his son. Camulus cursed Talon, decreeing death for everyone he loved. Now a Dark-Hunter in modern-day New Orleans, Talon meets Sunshine, who is key to ending his curse once and for all. Not to mention helping him to save New Orleans from an ancient god bent on total destruction...

The Adventures of Sir Roderick, the Not-Very-Brave

In a land where peace is threatened by assassins, invading armies and unhappy peasants, one knight must be brave enough to journey forth on a great quest. 'But that can't be me,' thought Sir Roderick. 'I'm the most junior knight in the kingdom. And definitely the most hopeless. They wouldn't pick me to go somewhere so dangerous ... Would they?

The Twins of Tintarfell

Life's hard when you're an orphan stuck working in a castle all day. But it doesn't get any easier for twins Dani and Bart when they end up separated beyond the castle walls. They will meet untold dangers and an assortment of bizarre characters - a retired witch, a cowardly prince, an evil magician, a sarcastic giant and a warthog called Flango (and that's just for starters!) - while trying to save not just each other but Tintarfell itself. But who can they really trust? The third thrilling adventure from broadcaster and comedian James O'Loughlin, author of Sir Roderick, the not-very brave; and Daisy Malone and the blue glowing stone.PRAISE FOR THE ADVENTURES OF SIR RODERICK, THE NOT-VERY BRAVE"Very funny ... Simply delightful, whatever your age" Daily Telegraph

The New Kid

Sam's finally got what he always wanted - he's popular!He owns the school's most wanted marble, kids sit with him at lunch and even Johnny Wilson has stopped calling him 'derr-brain'. Things are looking up at home too. When his new baby sister arrives, he'll no longer be a lonely, only child. But when Sam becomes the teacher's pet his popularity drops faster than a tomato in a lift. Soon even his best friend Gary won't talk to him, and the new kid at home is a crying disaster. Who knew that getting exactly what you wanted could be so painful?

Innovation is a State of Mind

A modern framework for practical innovation—from individual ideas to an innovative organisational culture Everyone says that innovation is important. The problem is that no one tells you how to be innovative. Innovation is a State of Mind sets out a step-by-step guide to creating innovative ideas and putting them into action. You'll learn how to generate more ideas with greater potential, how to grow and evaluate them, test their effectiveness and then implement the ones that are going to improve your business. Author James O'Loughlin has worked with over a thousand of Australia's best inventors and innovators in the eight years he hosted ABC-TV's The New Inventors. He studied what they do differently and how they are able to identify and take advantage of opportunities that the rest of us miss. Packed with engaging stories and a good dose of humour, this insightful guide helps you to make innovation a part of what you do every day. Change your thinking and identify overlooked opportunities Step around common roadblocks to innovation Generate better ideas, and find the ones that will improve your business Create a culture where innovation is part of everyone's job Harvest innovative ideas from the entire staff and find the ones that will make a difference Innovators see things differently. They solve problems that the rest of us can't, and create solutions to problems that we never noticed we had. Getting stuck in routine and procedure is the death knell for modern business. Most companies undervalue and underuse the creative potential of their people, because they underestimate the impact of continuous innovation. Innovation is a State of Mind shows you how to think like an innovator and create a culture of innovation, so you can stay out in front of the future of business.

Daisy Malone and the Blue Glowing Stone

Someone has to save the world and that someone is DAISY MALONE. It's Daisy's 12th birthday but she's got more earth-shattering things on her mind. Her father is scared of everything, her mother has disappeared, and she and her dog Ben (a highly intelligent, talking dog - his words!) have just found a mysterious blue glowing stone in the attic. But what is it, and why does everyone want it? A HILARIOUS NEW ADVENTURE FROM THE AUTHOR OF Sir Roderick the not-very brave Very funny... Simply delightful, whatever your age' Daily Telegraph

The New Kid: Unpopular Me

New kids aren't cool. Everyone knows that. Eleven-year-old Sam is the new kid at school but he has a plan, or two, or three to make himself the most popular kid ever. What you are about to read is unforgettable (lonely losers, frog underpants, human umbrellas, bad boys ...). It's bumpy (jumping out a window is never a good idea). It's the story of a kid who wants to be more. P.S. Sam was not harmed (too much) during the telling of this story.

The Adventures of Roderick Random

APOLOGUE A young painter, indulging a vein of pleasantry, sketched a kind of conversation piece, representing a bear, an owl, a monkey, and an ass; and to render it more striking, humorous, and moral, distinguished every figure by some emblem of human life. Bruin was exhibited in the garb and attitude of an old, toothless, drunken soldier; the owl perched upon the handle of a coffee-pot, with spectacle on nose, seemed to contemplate a newspaper; and the ass, ornamented with a huge tie-wig (which, however, could not conceal his long ears), sat for his picture to the monkey, who appeared with the implements of painting. This whimsical group afforded some mirth, and met with general approbation, until some mischievous wag hinted that the whole—was a lampoon upon the friends of the performer; an insinuation which was no sooner circulated than those very people who applauded it before began to be alarmed, and even to fancy themselves signified by the several figures of the piece. Among others, a worthy personage in years, who had served in the army with reputation, being incensed at the Supposed outrage, repaired to the lodging of the painter, and finding him at home, "Hark ye, Mr. Monkey," said he, "I have a good mind to convince you, that though the bear has lost his teeth, he retains his paws, and that he is not so drunk but he can perceive your impertinence." "Sblood! sir, that toothless jaw is a d—ned scandalous libel—but don't you imagine me so chopfallen as not to be able to chew the cud of resentment." Here he was interrupted by the arrival of a learned physician, who, advancing to the culprit with fury in his aspect, exclaimed, "Suppose the augmentation of the ass's ears should prove the diminution of the baboon's—nay, seek not to prevaricate, for, by the beard of Aesculapius! there is not one hair in this periwig that will not stand up in judgment to convict thee of personal abuse. Do but observe, captain, how this pitiful little fellow has copied the very curls—the colour, indeed, is different, but then the form and foretop are quite similar." While he thus remonstrated in a strain of vociferation, a venerable senator entered, and waddling up to the delinquent, "Jackanapes!" cried he, "I will now

let thee see I can read something else than a newspaper, and that without the help of spectacles: here is your own note of hand, sirrah, for money, which if I had not advanced, you yourself would have resembled an owl, in not daring to show your face by day, you ungrateful slanderous knave!"

The Adventures of Roderick Random

Horrible Histories meets Wimpy Kid in these funny stories mismatching characters with careers. The stories are colour chapter books perfect for the independent reader. When Billy is named a Knight he thinks it can't be that hard, until he discovers that he needs to be brave... Race Further with Reading is a series designed to build reading confidence with illustrated stories in manageable bite-size chapters, which encourage a sense of achievement at completing each one. They follow on a level from the Race Ahead with Reading series with stories of 2,000 words. The books are perfect for children aged 6-8 or who read book band 11.

The Not-So-Brave Knight

Sir Maxwell may not be the smartest or the strongest knight that ever lived, but he certainly knows a thing or two about adventure. Or so he likes to think. His trusty steed, Ringo, and faithful valet, George, know all too well that Sir Maxwell's glory days are well behind him, but that doesn't stop him from coming to the aide of the residents of Brooklands whenever his particular brand of foolish bravery is called for. Whether it be searching for giant blue gems in the mines below the dwarf kingdom, escaping from bears in a giant snowball, or just battling dragons and witches with complete disregard for his own safety; Sir Maxwell is always ready to lend a hand. So why not join Sir Maxwell on his hilarious and exciting adventures, and prepare yourself for battle.

The Adventures of Roderick Random, Etc

Liam was playing in the closet with his imaginary friends when one of them opened a hatch in the floor and leaped into the dark unknown. Liam and the others followed him, and they all ended up in the Middle Ages. Liam is given the dangerous mission of rescuing a maiden in distress, and he bravely saves her life. But it turns out that she is NOT a maiden-she is the Queen. As a reward, the King knights Liam, SIR LIAM THE BRAVE, and treats him and his friends to a royal feast. It's quite an adventure, yet, it's just another day in Liam's Wondering World.

The Adventures of Roderick Random

George had trained all his life to become a knight. He is skilled in combat and is an excellent horseman. Now that he is 18, he is setting off from his family's castle to challenge a menace that has been harassing people in the valley for as long as he can remember. Many a brave lad has made this attempt before and never returned to tell the tale. George, now Sir George, sets off on a quest that will take him through the dark wood and to the top of forbidding black mountains where the fierce dragon lives. Along the way, Sir George has nerve rattling encounters that test his courage and resolve. And he meets some creatures he would never have expected, in fact did not even know existed. Will he achieve his goal to rid the valley of this dangerous and destructive threat? Will he return with stories of bravery and victory? Or will his fate be the same as those who ventured before him?

The adventures of Roderick Random ... The seventh edition. By Tobias George Smollett

George has trained all his life to become a knight. He is skilled in combat and is an excellent horseman. Adventures with Sir Maxwell

These hilarious fictional diaries put us inside the heads of hapless figures from history. Meet Roderick – a scrawny, unremarkable teenager keeping a diary of his life in the Middle Ages. When he's chosen to become a knight on a quest to find a holy relic (the fingers of St Stephen), Roderick is determined

to prove his honour and graduate from zero to hero. 'Get Real' fact boxes feature throughout, providing historical context and further information, as well as a timeline, historical biographies and a glossary in the end matter.

Life of Sir Roderick I. Murchison

Relates tales of Sir Lancelot, the bravest knight in King Arthur's court.

Life of Sir Roderick I. Murchison, Bart

Orphaned twins Dani and Bart have lived and worked at Tintarfell Castle for as long as they can remember. Nothing remarkable has ever happened to them - until the day Bart is kidnapped. As Dani and the devious Prince Edward try to find him, strange becomes even stranger when they encounter a sarcastic giant, a mysterious sorcerer, a retired witch and a warthog named Flango. Dani and Bart must decide how far they will go to save themselves, the kingdom, and each other. A thrilling adventure from broadcaster and comedian James O'Loughlin, author of *The Adventures of Sire Roderick the Not-Very Brave* and *Daisy Malone and the Blue Glowing Stone*. PRAISE FOR THE ADVENTURES OF SIR RODERICK, THE NOT-VERY BRAVE "Very funny ... Simply delightful, whatever your age" Daily Telegraph

Life of Sir Roderick I. Murchison, Bart.; K.C.B., F.R.S.

Sir Laughalot rides out in search of adventure, but never realizes how much good he does.

Sir Liam The Brave

The Rope of Honesty is the fourth book in a series of adventures of Princess Polly and Sir William the Brave. Rumors and gossip are filling the streets of Havenshire. The Provider sends Polly and Billy a map that takes them to the land above the trees to help bring truth to the kingdom. Riddles and the mystery of the caves must be solved in order to find the treasure of honesty. This book emphasizes to its young readers the concepts of loyal friendship, the importance of telling the truth, problem-solving, and bravery.
