ROME AFFAIR.

"I resisted, but she drew me back. I stayed away, but she beckoned me. I distanced myself, but she haunted me. I even rejected her but she did not abandon me..." This work of nonfiction is divided into chapters in which the reader experiences aspects of art, culture, history and the present through the eyes of the writer and of the inhabitants of Rome, past and present. *Show Less She Seduced Me* is that rare book in which the reader becomes part of a magical world in which places, monuments and artists come alive through their stories. In this case, however, that world is Rome and the reader becomes a participant in the ebb and flow of the city and gains insight into why so many have fallen in love with Rome despite its faults. The journey commences with the reader accompanying the author who, standing in front of Michelangelo's Moses statue, mouth agape, almost hears the artist scream at his creation: "Speak!" From this an odyssey of wonder begins: what is the story behind the Trevi fountain, behind that rock in the middle of the Roman Forum, behind all those priests and nuns everywhere, behind everything one stumbles upon, wonders about and takes selfies in front of? The quest is

to uncover those stories. Author and reader continue to explore the life in the piazzas, experience camaraderie with street performers, see history through all the senses, get lost in Rome, observe Americans and foreigners, discover unique places to eat, speak with Romans, explore the houses of Nero, Augustus and Livia, encounter Caravaggio and chats with expats. This work is a virtual tour through a magical city that educates and enthralls.

Can she find freedom... In her lover's arms?

The Roman Lady's Illicit Affair (Mills & Boon Historical)

Ten years after completing his work *The Last Communion of Saint Jerome*, Bolognese painter Domenichino was accused by his rival Giovanni Lanfranco of stealing the idea for the painting from an altarpiece crafted by Lanfranco's teacher, Agostino Carracci. The resulting scandal reverberated through the centuries, drawing responses by artists and critics from Poussin and Malvasia to Fuseli and Delacroix. Why was Domenichino attacked in this way when other related paintings—including Raphael's *Marriage of the Virgin* and Perugino's painting of the same subject--aroused no such negative response? In this fast-paced book, Elizabeth Cropper investigates the Domenichino affair and addresses the perennial debate regarding the precise nature of originality and of imitation. She offers close readings of the paintings involved in the story, detailed analysis of attitudes toward imitation, emulation, and plagiarism, and a fascinating discussion of what Domenichino's plight signifies in art history.

The Lovers' Guide to Rome

Rome, too, wants the sound of roaring as evening falls ... *The Rome Zoo*: a place born of fantasy and driven by a nation's aspirations. It has witnessed – and reflected in its tarnished mirror – the great follies of the twentieth century. Now, in an ongoing battle that has seen it survive world wars and epidemics, the zoo must once again reinvent itself, and assert its relevance in the Eternal City. Caught up in these machinations is a cast of characters worthy of this baroque backdrop: a man desperate to find meaning in his own life, a woman tasked with halting the zoo's decline and a rare animal, the last of its species, who bewitches the world. Drifting between past and present, *The Rome Zoo* weaves together these and many other stories, forming a colourful and evocative tapestry of life at this strange place. It is both a love story and a poignant juxtaposition of the human need to classify, to subdue, with the untameable nature of our dramas and anxieties. Spellbinding and disturbing, precise and dreamy, this award-winning novel, translated by Stephanie Smee, is unlike any other. Winner of the Swiss Literature Award, the Prix Michel-Dentant and the Prix du public de la RTS "Like all truly great literary allegories, *The Rome Zoo* is both innocent and wise, filled equally with tenderness and darkness. A gorgeous, dream-like fable of Italy's past and present." —Ceridwen Dovey

The Hidden Beach

On 16 March 1978, Aldo Moro, former Italian Prime Minister, was ambushed in Rome. Within three minutes the gang killed all five members of his escort and bundled Moro into one of three getaway cars. An hour later the Red Brigades announced that Moro was in their hands; on 18 March they said he would be tried in a 'people's court of justice'. Seven weeks later Moro's body was discovered in the boot of a Renault parked in the crowded centre of Rome. In this book, Leonardo Sciasica, a master of detective fiction, untangles the real-life events of these crucial weeks and provides a unique insight into the dangerous world of Italian politics in the 1970s.

The Rome Zoo

Insubrecus tries to escape assassins sent after him from Rome by hiding in the Roman army, right at the time that the new governor, Gaius Julius Caesar, launches his legions into Gaul to stop an invasion by a fierce and ruthless tribe called the Helvetii. The Moro Affair

The Italian love affair with sport is passionate, voracious, all-consuming. It provides a backdrop and a narrative to almost every aspect of daily life in Italy and the distinctively pink-coloured newspaper *La Gazzetta dello Sport* is devoured by almost half a million readers every day. Narrating the history of modern Italy through its national passion for sport, *Sport Italia* provides a completely new portrayal of one of Europe's most alluring, yet contradictory countries, tracing the highs and lows of Italy's sporting history from its Liberal pioneers through Mussolini and the 1960 Rome Olympics to the Berlusconi era. By interweaving essential themes of Italian history, its politics, society and economy with a history of the passion for sport in the country, Simon Martin tells the story of modern Italy in a fresh and colourful way, illustrating how and why sport is so strongly embedded in both politics and society, and how it is inseparable from the concept of Italian national identity. Showing sport's capacity to both unite and deeply divide, this book reveals a novel and previously unexplored element of the history of a society and its state, which will be an essential read for sports fans, historians and students alike.

The Spanish Promise

Why did Rome fall? Vicious barbarian invasions during the fifth century resulted in the cataclysmic end of the world's most powerful civilization, and a 'dark age' for its conquered peoples. Or did it? The dominant view of this period today is that the 'fall of Rome' was a largely peaceful transition to Germanic rule, and the start of a positive cultural transformation. Bryan Ward-Perkins encourages every reader to think again by reclaiming the drama and violence of the last days of the Roman world, and reminding us of the very real horrors of barbarian occupation. Attacking new sources with relish and making use of a range of contemporary archaeological evidence, he looks at both the wider explanations for the disintegration of the Roman world and also the consequences for the lives of everyday Romans, in a world of economic collapse, marauding barbarians, and the rise of a new religious orthodoxy. He also looks at how and why successive generations have understood this period differently, and why the story is still so significant today.

Antony & Cleopatra

Tennessee Williams's first novel The Roman Spring of Mrs. Stone is vintage Tennessee Williams. Published in 1950, his first novel was acclaimed by Gore Vidal as "splendidly written, precise, short, complete, and fine." It is the story of a wealthy, fiftyish American widow recently a famous stage beauty, but now "drifting." The novel opens soon after her husband's death and her retirement from the theatre, as Mrs. Stone tries to adjust to her aimless new life in Rome. She is adjusting, too, to aging. ("The knowledge that her beauty was lost had come upon her recently and it was still occasionally forgotten.") With poignant wit and his own particular brand of relish, Williams charts her drift into an affair with a cruel young gigolo: "As compelling, as fascinating, and as technically skillful as his play" (Publishers Weekly).

The Conquest of Rome

~Mischa~ I made a conscious decision to cheat on my husband. Now, before you judge me, hear my story. Hear how much I'm like you, how similar my thoughts are to your own. Yes, I'm a horrible person. Yes, I've done horrible things. Yes, I don't deserve forgiveness. Yes, bad things happened because of my actions. But I'm willing to bet I've done things that maybe, just maybe, you have thought of doing. Maybe, just maybe, you're not as innocent as you'd like to think. Or maybe I'm not so guilty ... The Roman Spring of Mrs. Stone (New Directions Bibelot)

From acclaimed poet and New Yorker writer Cynthia Zarin comes a deeply personal meditation on two cities, Venice and Rome—each a work of art, both a monument to the past—and on how love and loss shape places and spaces. Here we encounter a writer deeply engaged with narrative in situ—a traveler moving through beloved streets, sometimes accompanied, sometimes solo. With her, we see, anew, the Venice Biennale, the Lagoon, and San Michele, the island of the dead; the Piazza di Spagna, the

Tiber, the view from the Gianicolo; the pigeons at San Marco and the parrots in the Doria Pamphili. As a poet first and foremost, Zarin's attention to the smallest details, the loveliest gesture, brings Venice and Rome vividly to life for the reader. The sixteenth book in the expanding, renowned ekphrasis series, *Two Cities* creates space for these two historic cities to become characters themselves, their relationship to the writer as real as any love affair.

Like the random possessions she leaves in her wake, from Australia to Yemen, she also leaves behind a string of lovers. But this is about more than just sensual conquest; it is also a journey of self-discovery, in which her pursuit ultimately guides her home - back cover.
