Wolf Song: Us Against The Wolves Collection Book 1. Wolf Song: Us Against the Wolves Adam Harrison was the most popular guy in school. Tall, blonde, and mysterious - all the girls wanted him and all the guys wanted to be him. Enter Noah Sinclair - the school's resident musician. With a talent for both the guitar and melodic words, he could melt any person's heart, man or woman. The two were from two different cliques. They were cordial, but they didn't mix. That was just the unspoken law of high school. Then one night, the two groups clashed in a battle of egos. Noah's band wasn't going to let Adam's teammates step all over them. The jocks needed to be taught a lesson. Noah went up against Adam. It should have been a sure win, or so Adam thought. It was then Adam and Noah found out one another's darkest secrets - they were both shifters who could turn to wolves at will. They had always felt alone with no one to talk about the special gift. Until now. Book 2. When Wolves Love: Us Against the Wolves Adam Harrison was the most popular jock in school. All the girls wanted him, and all the guys wanted to be him. But he already had his eyes set on someone else. Noah Sinclair could play the guitar like a player could any woman. He was the best musician in school, and a hot one at that. It was too bad he was already taken - by none other than Adam Harrison. Now that Adam and Noah were a couple, high school should have been their playground. They were popular and they were together. They were supposed to feel like they were on top of the world. But how come they felt anything but? Why couldn't they help but feel as if they were being judged and sneered? Just because they were two guys in a relationship? As if high school wasn't bad enough. When a stranger comes into town, holding the answers to Adam and Noah's questions of being a shifter, they find out high school is the least of their problems. The stranger - Sophie - had run away from her own pack, and her Alpha is out to get her, immediately putting Adam and Noah's lives at risk. Book 3. The Wolves' Unraveling: Us Against the Wolves It was supposed to have gotten easier for Adam and Noah - life in general, especially after everything they had gone through. They saved Sophie, the runaway shifter, from her vengeful fiancé. They didn't care anymore what their peers in school thought of their relationship as long as they were

happy. They were still at the top of the social totem pole, and best of all, they were in love. But it seemed like they could never catch a break. When a bonfire party turns awry, Adam and Noah find themselves in a race against time. There's a shifter on the loose with a new dead body popping up every week. To keep the secret of the existence of shifters and the police away, Adam and Noah must find the killer before it's too late. Book 4. Fight and Flight of the Wolves: Us Against the Wolves Adam and Noah were at the top of their high school's social chain. They were two of the most popular guys in school, who shared a secret that made them unstoppable. They were shifters who could take the form of wolves at will. Training against one another was one thing, but fighting against a threat they'd never encountered was a whole different story. Will Adam and Noah be able to graduate high school unscratched? Or is the threat too powerful to handle this time? Adam and Noah believe they're stronger, faster, and better together, but will that still hold true? Mated to the Alpha [Full Collection]

There are normal random life events, like falling in love with a stranger, and then there is "having your first gay experience with an (admittedly very sexy) Alpha werewolf and ending up pregnant" kind of random. Ethan feels like he is a plain guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in him. Max, a successful entrepreneur and one of the top Alpha's in the city, has been getting pressure from all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight. After a whirlwind night, Ethan wakes up pregnant. Something neither of them realised was possible. Now the two men need to navigate the next steps of their relationship, living together, getting married and all the while trying to keep the pregnancy out of the media. It isn't easy, not on either of them, but they are hellbent on making it work, for the baby, for their families and for each other. Mated to the Alpha takes place in a paranormal Omegaverse world where shifters and humans live side by side. This serial has mpreg (male-pregnancy), steamy scenes and cliffhangers. This collection consists of the FULL Mated to the Alpha serial, this includes: Omega's Fate, Omega's Home, Omega's Pack, Omega's Bond, Omega's Love, Omega's Wedding, Omega's Baby and Omega's Future. All eight books in one handy collection!

Fight and Flight of the Wolves

When wishing for a new life, Elam finds out the hard way he should've been more specific. A year in the Alaskan wilderness was supposed to help nature photographer Elam determine his next move. However, hitting his head and being rescued by one of the hottest men he's laid eyes on in a while is not getting him off to a great start. Elam is starting over and staying away from sexy guys is part of his new regime. He has a career to nurture in addition to repairing his bruised ego after his rat of an ex cheated on him multiple times. Nicolai is a rare, blue-eyed white wolf shifter. He's also an Alpha and the expected heir to his pack in the Alaskan Wolf Alliance. Much to his father's dismay, Nic has stepped aside as ruler and ceded his spot as future head of the pack to his younger brother. As a gay shifter, he'll never be able to provide a biological heir and has no intention of claiming a female mate for the sole purpose of giving him a pup. Instead, he's made a life for himself miles away from the pack in his own section of woods. However, fate intervenes and puts Nic on a collision course with a human mate. While Nic's wolf might be on board with the idea, Nic wants no part of it. Why would he want to get tangled up with the stunning Elam only to have his cold heart ripped away once Elam decides it's time to leave Alaska for good? There's also the small detail that humans know nothing of the existence of shifters. When chemistry, love and the truth of what the growly Nic is blindsides Elam, he has some tough decisions to make. Does he let Nic turn him? Never go back to his old home? But the biggest surprise is yet to be revealed when Nic and Elam discover the new life Elam had hoped for is more than just his own - and that there are wolves who are frothing at the mouth to destroy it. Author's Note: Rescued by the Alpha is Book One in the Alaskan Wolf Alliance series and features an Alpha and

omega who are fated to have lots of steamy, knotty fun and to make beautiful babies together. This suspenseful, action tale does include some peril to Dad and baby. But, there's a fluffy, feel-good HEA and we all know wolves don't cheat, so no worries there!

Rescued by the Alpha

I'm a shiftless omega, a half-blood, and a burden to my pack. I have nothing to offer my family let alone a future mate. Being more human than wolf, Willow stands on the sidelines while his brothers take on their animal forms, hunting, tracking, and racing along the edge of their territory. But when a rogue wolf crosses his path and brings on Willow's heat, this omega might be more wolf than he thinks. Chasing after a runaway omega is one thing, but to find my mate in the process? That's something else entirely. Xander's risked everything to find the omega his father dismissed after using suppressants. Now, halfway across the countryside, he trades one omega's scent for another. And this one's all his. With omegas in short supply and wolves nearly extinct, Xander's surprised to learn how little Willow knows of his heritage or the part he plays in starting a family. Their family. Can Xander hold his instincts back long enough to earn Willow's trust, or is Willow's heart too high a price to pay? More Human than Wolf is a gay MPREG romance with a HEA and no cliffhangers! Omega Sacrifice

An omega betrayed by his pack...and the lone wolf who must risk everything to save him. Henry Wright was supposed to be dead. Since the night his alpha dumped him in the dangerous ruins of Old Detroit, life has been an unending nightmare for the packless omega. Left to scavenge for food and evade the savage creatures infesting the city, Henry's become good at surviving—until his luck fails and leaves him trapped on a rooftop with monsters closing in. Then out of nowhere, help arrives in the form of a tall, swaggering stranger with rugged good looks and a sexy glint in his eyes. Their night of passion, intensified by their brush with death, leaves Henry breathless. But that isn't the only thing he's left with. Thanks to the genetic mutation shared by omegas, Henry is pregnant. And with all that's going down in the city, Tom might not be there to save him again. Especially when Henry's former alpha learns Henry is still alive. Tom Reinhart doesn't mess around. Wealthy clients pay the lone wolf to sneak into the ruins of Old Detroit, retrieve what they want—diamonds, cash, heirlooms—and get out alive. But his latest run goes belly up when he saves the life of an omega wolf with haunting amber eyes that grab him by the balls and won't let go. As former airborne military, Tom's used to danger. He knows better than to let a pair of pretty eyes distract him. But the little omega dredges up Tom's protective instincts and the need to care for a mate. Sadly, the only things the lone wolf can't give are the things the omega wants most—the security of a pack and a family of his own. Tom will never again submit to an autocratic alpha. But the pack who wants Henry silenced is too strong to handle alone. To save his precious golden-eyed mate and their unborn son, Tom must swallow his pride and seek the help of another alpha—Jake Kross of the St. Clair Pack. The epitome of everything Tom hated about his previous life... Reader note: contains M/M Mpreg romance, omegas, wolf shifters, hot romance elements, and male male love

Wolf Song

One battle-scarred alpha will risk his heart, life, and home to save his omega and their unborn child. Danny Holloway is an omega wolf living life on the run. Never putting down roots. Never knowing true

love. And certainly never finding a mate—a silly shifter myth. He's fled to the Alaskan wilderness, keeping a low profile as a small-town bartender and hiding from an abusive pack. But when Danny is viciously attacked, he draws exactly the wrong kind of attention: that of Marcus Connor, a huge, mean-looking alpha shifter as strong as he is scarred, who comes to Danny's rescue and saves his life. Danny's wolf howls that Marcus is his mate, and when Marcus gives him the most intense night of lovemaking of his life, Danny's tempted to believe it. But they both have demons, and Danny can't stick around for a myth. Not even after Marcus bites him and marks him as his. Haunted by his failure to protect his pack, Marcus lives in the wilds of Alaska with only his dog Ginger. Out here, he can let his wolf roam free without giving a damn—about anything or anyone. But when he sees the omega being attacked, his protective alpha instinct takes over. And it doesn't stop until Marcus claims Danny as his mate. What would a scarred-up loner like Marcus want with a mate, let alone an omega? Omegas have a tendency to give you cubs—another thing Marcus doesn't need. But denying Danny is proving easier said than done. And the old saying is starting to prove true: once bitten, once branded, once his. The Alpha's Claim: MM Omega Mpreg Romance

An omega wolf has a chance at the greatest prize ever—the love of an alpha king... Darius Voss, the powerful alpha king of the shifter nation of Andernburg, thought his palace was impenetrable. So imagine his surprise when he enters his bedchamber and finds a thief looting the family jewels. The little American looks nothing like a criminal. He's small, lithe, and delicately beautiful—and he's an omega wolf. Despite his better judgment, Darius is enamored with the cheeky omega and decides to show him mercy instead of a dungeon. But some nobles aren't as amused by the little thief's antics. Or by Darius's taste in companions. Johnny Hughes is stuck in Andernburg after his money and passport are stolen by thugs who put him in the hospital for what he is. And now, it's either steal or starve. He knows his relationship with the gorgeous alpha king is pure sport, but he'd be a fool to turn down accommodations like these...for as long as the king finds him amusing. And if he's falling in love with the king? No one ever needs to know. Especially not Darius. Or the nobles who believe that a common omega—and a thief—is cheating them out of the power they want for themselves. But when a reckless night of passion leaves Johnny with child, everything becomes far more real. Darius is bound by duty to the realm and beset by betrothals from noble wolf packs vying for a royal match for their daughters. But the kingdom will never yield that honor to an omega, much less allow one to bear the king's heir... Stealing the Wolf King's Heart: MM Omega Mpreg Romance

A camping trip gone wrong... Traveling to Sweet Pines Campground with his sisters was supposed to mean a weekend of relaxation for Tyler. Things just never go quite as planned for the fox Omega – nicknamed “the klutz” by his family. Getting lost in the woods during a run, he soon finds himself face-to-face with not only one, but two wolves. And while they might be shifters just like him, that doesn't mean he's safe... It isn't the two wolves that scare him the most though, but the third one that comes to his rescue... Because he makes Tyler feel things he never has before... The Omega Fox is a short, standalone gay romance with male pregnancy. Intended for mature audiences only.

The Omega Fox

Two rival wolves have one last chance to change the shifter world... Alex MacGregor is a tough-as-they-come wolf shifter with the Chimera Company Special Forces. What starts as a rescue mission in the ruins of Old Detroit soon ends up changing his life. Not only does Alex's wolf insist the shifter he's sent to rescue is his mate, but David Casey isn't a typical omega. He's an agent for the government, sent on a secret mission to get a blood sample from a lagodire—dangerous shifter hybrids created by government experiments. Alex and David immediately fail to hit it off, which doesn't bode well for that whole “fated mate” thing. How is Alex supposed to deal with a mate who seems more enemy than lover most of the time? The desire is there, but the closer he gets to David, the more the man pushes him away. The roguish smile Alex has relied on all his life won't be nearly enough to win the heart of this omega. David Casey has spent most of his life alone, fighting for his country in dangerous places and doing things that stayed secret. His life hasn't been easy. People judge him for being an omega, and now Alex has flooded his life with irritating complications and stirred up his wolf instincts.

But only with Alex's help can he save a pregnant lagodire omega named Lowku from a horrible fate. Not only is Lowku his friend, but the secrets in his blood might provide the cure to the shifter cancer that has plagued wolves since they were created. Saving Lowku changes David, and helping with the birth of Lowku's children brings out a new side to him. As does looking into Alex's eyes, seeing his smile...and sharing a kiss. After a passionate and reckless night with Alex, it isn't long until David discovers he is pregnant too. But bringing peace to New Detroit might be a cakewalk compared to the chance for a happy family with Alex and their soon-to-be baby. Healing

Percy No way was I going to marry someone just because my father said I had to. I was an adult. I could do what I wanted. But not according to my Alpha Father. Apparently, he'd meticulously arranged this marriage for me. I couldn't fathom why he would do such a thing. Curious about the alpha, I snuck up behind him. But he caught me. I ran as fast as my little legs could carry me, but in the end he had the endurance and I didn't. I feared this was the end. Jeff A wolf and a rabbit? Ha! That's a good one. I scoffed as my father informed me about my betrothed. This was a joke, right? I mean, I eat rabbits for breakfast and now you're telling me that I'd be mated to one? That was the best laugh I'd had in a long while. Then I saw my Alpha Father's dead-set eyes and I stopped laughing. Wait? This isn't some kind of twisted April Fool's joke? I was sure this was going to turn out terrible, but I went to the ball our parents set up. We were both from upper-crust society, so it was expected. I expected to have a nice dinner, maybe some dancing and then a nice, heart-to-heart talk with his Alpha Father where we could clear up this little...misunderstanding. What I didn't expect was for him and our babies to be kidnapped. This 15k word story contains an HEA, Mpreg, and babies at the end. Cute babies. Insufferable little tykes that get into all sorts of trouble.

Omega Exiled

Bound by rogue magic to the wolf king, for better or for worse... When omega Stephen Silva saves the life of wolf prince Malcolm Dacian on the night of his coronation, he has no idea how drastically his life will change. As a lycanastri mage, Stephen's research into a strange rip in the fabric of the universe is everything to him. But when he rushes in to protect Malcolm from a magical attack, the magic goes haywire, binding his soul to the prince's forever, allowing them to feel each other's most intimate emotions. But worse, it severs him from his magic, ripping away the one thing that ever gave his life meaning. Crown Prince Malcolm Dacian has too many problems to worry about a nobody omega mage. He hasn't had time to mourn his father's death, the kingdom is plagued with problems, and the attempt on his life nearly loosed an otherworldly threat on the world. But when his head becomes filled with the distracting emotions of a smart, brave, and anxious omega wolf, he learns the depth of the omega's loss—the young man lost his magic saving Malcolm's life. Grateful for the omega's heroism, he does the only honorable thing. He proposes marriage. It's the obvious solution: they're both gay, the omega can bear him an heir, and as king, Malcolm can repay Stephen by making sure he wants for nothing. There's only one problem. Stephen has no desire to compound his misery with a marriage of convenience to someone who doesn't love him. Yet Malcolm can't go on living with their bond, feeling all the devastated mage's feelings as if they're his own. When the high priestess tells him she knows of a way to break their bond, Malcolm is all for it. But when he learns it involves taking the omega to his bed, Malcolm knows his problems have only just begun... Found by the Wolf

Only one omega can give the king an heir needed to save his kingdom...and save himself... Wolf king Edric Rylan is forced to marry, not for love, but to avoid the destruction of his family's dynasty. A prophecy he doesn't entirely believe has forced his hand. Either he marries a werewolf from the Silvius bloodline and produces an heir, or his kingdom is finished. Edric rules the most powerful wolf kingdom in the U.S., and he's not about to watch everything he's built fall to pieces. But he faces big problems. First, the Silvius royal family was completely wiped out in his grandfather's era. Second, he's gay. That complicates things when it comes to the nitty-gritty of making an heir. Fortunately, an eccentric old wolf seer has found a solution: a male omega wolf named Julian Wilson—the offspring of a werewolf and a human—who can have a child. The omega is illegitimate, born on the wrong side of the sheets, and grew up around humans, but he has Silvius blood in his veins. Edric knows his duty. He must mate this omega and produce his heir to stop the prophecy...and then he'll decide whether to keep the omega or exile him back to the human world. But Julian is like no wolf he's ever met—not only hauntingly beautiful but unassuming, genuine...and kind. The omega is dangerous, but he's only a threat to Edric's rigid way of seeing the world...and to his heart. Julian Wilson feels like a nobody. He works the drive-thru window at a fast-food joint, struggling to pay for night classes at the community college. So when a limo rolls up and he's offered money to meet with a king, he's sure it's a scam or a joke. Then he loses his job. Desperate, he agrees to meet King Edric...and immediately regrets it. The alpha wolf is so handsome and sexy that Julian has to stop himself from drooling over a man who could star in his fantasies. When the king asks for Julian's hand in marriage to avoid a ruinous prophecy, he nearly falls over. Julian doesn't believe in prophecy, and this might turn out to be a loveless arranged marriage, but he's at the end of his rope. At least sex with Edric will be hot, Julian will live in a palace, and he can do more good in the world as mate to a king than he ever could alone. Julian knows his duty. He must give this king his heir, doing his best to protect the child he carries inside. Soon Julian is pregnant and discovers far more depth and passion to his mate than he first realized, even if the alpha doesn't like humans. Edric would be an easy man to fall in love with... But there are wolves within the royal court seeking to end the union of a king and a tainted-blood omega and will stop at nothing to rip their love apart. Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love
