One letter written by the Rawson Family to Admiral Sir Richard Collinson, K.C.B.

The Rawson Family

This is a reproduction of the original artefact. Generally these books are created from careful scans of the original. This allows us to preserve the book accurately and present it in the way the author intended. Since the original versions are generally quite old, there may occasionally be certain imperfections within these reproductions. We're happy to make these classics available again for future generations to enjoy!

The Rawson Family

Excerpt from Memorial of the Rawson Family The original papers from which the Memorial has been compiled, together with the old family Bible of the Secretary, brought by him from England, and the ancient portraits of himself and Rebecca, are in the possession of Mr. Dodge, where they will remain for future reference, and be open to the inspection of those who may wish to see them. But little is known of the English Ancestry of the family, as nothing has been done to trace it. The name, however, is not uncommon in several Counties of Great Britain, and it has been coupled with titles of nobility and wealth. If this work, as a guide, should so far interest any one of the descendants of the Secretary, who may have sufficient leisure at a future day, as to induce him to enlarge its limits. What would you wish for? This middle-grade novel exploring what it means to become a blended family is perfect for fans of Rebecca Stead's *The List of Things That Will Not Change*. 12-year-old Winnie feels stuck. She's alone in a new town with a mom who doesn't seem to notice how miserable Winnie's new stepbrother and stepfather make her. One night, when Winnie makes a hasty wish, she nearly

gets sideswiped by an odd bird, leading her to a strange oak tree with even stranger glowing leaves. Investigating the tree, Winnie discovers a nest of golden eggs with wishes inscribed on the shells. After Winnie accidentally breaks two of the eggs, the wishes come true. Winnie sneaks back to the tree to try to grant her own wishes. But when she realizes the wishes are coming true in unexpected and terrible ways, Winnie must find a way to fix everything.

Humble yourselves, therefore, under the mighty hand of God so that at the proper time he may exalt you

Be sober-minded; be watchful. Your adversary the devil prowls around like a roaring lion, seeking someone to devour.

Resist him, firm in your faith, knowing that the same kinds of suffering are being experienced by your brotherhood throughout the world.

And after you have suffered a little while, the God of all grace, who has called you to his eternal glory in Christ, will himself restore, confirm, strengthen, and establish you.

This is what the LORD says: Your injury is incurable - a terrible wound.
