The Witch Doctor Is In

"The characters are quirky. The storyline is fast-paced and entertaining. I really enjoyed reading this sexy, action packed story. I think you will too." — Reader JGH Ashley McDonnell: Doctor. Hospital administrator. Witch. Nick Raines: Tough guy. Secret service agent. Vampire. Bad news comes in threes at Empire General Hospital. One: The hospital's operating license is in jeopardy. Two: The most valuable supernatural drug in Washington DC has been stolen from a seemingly impenetrable safe. Three: Ashley McDonnell has lost her magical powers. Newly turned vampire Nick Raines shows up at Empire General the night everything goes wrong. How will Ash turn things around when the vampire who makes her hormones hum might be the man sabotaging her career? The Witch Doctor

Saul didn't have so many friends that he would give one up without a fight. So when Matt disappeared, Saul started a search that led through Matt's kitchen window -- straight into a world of magic and desperate danger! Saul discovered that in this world, his love of verse made him a wizard. But his newfound magic earned him a dreadful foe: Queen Suetay, a false monarch without peer for wickedness and corruption. A fearsome sorceress herself, with armies steeped in evil ready to obey her every sinful command, she determined to break Saul's growing power -- or win his soul for Satan. Fortunately, Saul earned some stalwart friends, as well: Gruesome the troll and young Squire Gilbert; Saul's own guardian angel, and the beautiful -- if unsubstantial -- Angelique. But he'd need the help of the mysterious Spider King to spin a web strong enough to trap this tyrant!

The Witch Doctor's Daughter

Safiyya loves her charlatan parents, but after years of watching the heartbroken and grieving come to them for fake and futile spiritual aid, she has had enough. So she leaves the Water Village to stay with her mother's people at the longhouse in the jungle, where she learns traditional medicine, meets an enigmatic linguist and finds herself caring for an orphaned newborn. Along the way, Safiyya must discover what she truly wants from life.

A Scottish Witch Doctor

For over 50 years, from the foundation of conventional medical training, Roger Melhuish (Mel-hew-ish) has continued an ever-broadening exploration into deeper and more fundamental aspects of health. He has continued his relentless quest to understand and address the essential causes of illness - and the results have been life-changing for many. The Scottish Witch Doctor recounts both the personal and professional stories of this remarkable and highly unconventional pioneer. The book will also lead you to a better understanding of the factors impacting your own health and wellbeing. With Foreword by Derek O'Neill: "This man's a feckin genius at what he does!" WARNING: You may never see health in the same way again! TESTIMONIALS: Dear Roger, Although I wanted to write this card to you, finding words adequate to describe my thanks and gratitude are impossible. This goes far beyond concept and idea. My gratitude is more than personal. It's gratitude for having a being who has made an unshifting, imperturbable commitment to healing and (it seems to me) has spent his life dedicated to this. On a personal level, I'm sure you have a sense of what this has meant to me but thank you from the deepest heart space, not only on this occasion but from more than 30 years ago for the healing my daughter received. My wish is for your long life and wellbeing and a continuation of the blessings you bring to others. Much love. CD Dear Roger, I am compelled to write to you to thank you for all your efforts to bring me back to life. I was a dutiful robot for 60 years but in the past 25 years I have come so alive I am positively looking forward to my next life! I am truly so very grateful. Yours alive, J [age 85] Dear Doctor Melhuish, 19/03/95, Just a note to let you know how much your work is appreciated. I came to you roughly 9/10 years ago and felt you gave me the courage to start a change process in my life. Your work is invaluable and you give so much help and inspiration to people that I felt I had to let you know. Please accept my respect and admiration for the help you give to others. Love, AH

Dorrie and the Witch Doctor

The Witch Doctor

The Witch Doctor

Yoruba legend and culture were the source of much of Amos Tutuola's writing and the stories collected here are no exception. They feature characters from folklore, archetypal figures from Yoruba society, supernatural or magical happenings, acute human observation and often a moral point. Their very titles - from 'The Duckling Brothers and their Disobedient Sister' to 'Don't Pay Bad for Bad' - are evocative of a unique blend of tradition and imagination, which belongs to the same universal culture as Aesop and the Brothers Grimm.

White Witch Doctor

They were the kind of musical notes men and woman once swayed to—even worshiped to—or so Jasper had told him, ground from an instrument called an “organ”—which had once been common, or so he’d said, but had vanished from the face of the world. So, too, were there cymbals, which echoed throughout the crew compartment of the War Wagon like tinsel—if tinsel could be said to have a sound—and mingled with the steely whispers of their muskets and tanks and other gear as the truck rocked and their harnesses held them fast. “When a maaan loves a woman,” sang a hearty and soulful voice both inside and outside the compartment, and Jeremiah knew they were close, else the driver wouldn’t have cued the music, and when he scanned the other Witch Doctors, strapped in six to a bench in the wagon’s cramped confines, he knew that they knew it too. What was more, he knew that, however fearsome they looked in their black jumpsuits and white flame-retardant vests, their goggled respirators, their buckled hats—they were frightened, too. But then the wagon ground to a halt and there was no time to be feel anything, much less fear, as Jeremiah unbuckled and piled out with the others. And yet, as he paused momentarily to take in the building—a ramshackle six-story brownstone which looked as though it had been built before the Betrayal, much less the Pogrom—a strange thing happened. He thought he heard a voice; not from without but entirely from within—a woman’s voice, a witch’s voice. And it said to him, as faintly as the cymbals at the start of the music, Why have you come

for us, Witch-Doctor? And he found himself scanning the illuminated windows of the brownstone as if someone had perhaps shouted to him (rather than reaching directly into his mind), and saw behind one of the uppermost panes a figure so small and motionless that he might have thought it a piece of furniture, a lamp, perhaps, had it not slid to one side and vanished.

The Village Witch Doctor and Other Stories

You wake up in a bathtub of ice with a surgical incision on your side--but the hospital says you've still got two kidneys! Where do you go for a second opinion? Where else but Dr. Vincent Morrow, the Witch Doctor! Summer's medical horror smash hit returns with a tale of black magic and organ-swapping. And it's a great jumping-on point for new readers, so don't miss out - ask your retailer to preorder a copy for you! 'If you're not checking out WITCH DOCTOR, you need to do so, STAT!' - Ain't It Cool News.

The Witch Doctor

The lives of locals and expatriates intertwine and collide as they strive to negotiate the shifting mores of the ever-changing emirate of Dubai in this debut short story collection. In one story, a young male journalist puts himself at risk when he dares to defy local custom by giving an Emirati female colleague a ride back to the office, to the envy of a bitter office rival. Another tale portrays a lavish mansion party in full swing that is suddenly interrupted by a muezzin's call to prayer. Still another story follows a Pakistani taxi driver who fails to wake a female passenger from her drunken stupor and takes her to his favorite cafe across the city so as not to miss an important cricket match. These tales of hardship and the high life, paranoia and alienation, and cruelty and love feature an array of characters that span Dubai's wide social spectrum and will appeal to anyone with a curiosity about what it is like to be an expat in the Arab world's most futuristic, vibrant, and affluent city.

Witch Doctor: The Resuscitation #1 One Shot

Collects issues #0-4 and bonus materials! HOUSE M.D. MEETS FRINGE IN THE FIRST SKYBOUND ORIGINAL FROM ROBERT KIRKMAN's NEW COMICS IMPRINT! Meet Vincent Morrow, a doctor looking for a vaccine... for the apocalypse! In this stand-alone first issue, a family needs Dr. Morrow's help with their son's illness: Demonic possession. But when Morrow attempts an experimental cure, he discovers the boy's disease isn't all spinning heads and pea soup - it's like nothing you've seen before! Horror gets a brain transplant in WITCH DOCTOR, the book WARREN ELLIS calls 'Mental.'

The Witch Doctor of Umm Suqeim

It's Dr. Morrow's biggest case yet: 'The Patient From The Black Lagoon!' What's the secret of the Deep Ones? How do they fit in with the Relapse, the Extinction Event that's coming for humankind? And why are Morrow and his medical staff at each other's throats? 'Basically, I'm jealous. Bastards!' -- Ben Templesmith

The Witch-doctor

Dr. Vincent Morrow, specialist in supernatural diseases, is back -- but this time, he's the patient! In the second collection of the hit medical horror series, Doc Morrow himself is targeted by shadowy supernatural forces. With his body betraying him, Morrow races against the clock to diagnose the threats he faces -- and to punish those responsible!

The Witch Doctor and Other Rhodesian Studies

The story of the experiences of an American woman who surmounted many difficulties in order to go as a Baptist missionary to Africa; of her adjustments to... the poverty-stricken mission where she first went as a nurse; of her taking over a junglepost ... of her winning the understanding and loyalty and affection of the natives.

Witch Doctor Vol. 1

"The witch doctor with sad eyes said to me, 'The demons who used to possess me said they would kill me if I came to America and told all. They reminded me that no deserter of witchcraft had lived.' I rebuked the devil and demons tormenting the former witch doctor, and assured him that he would live and not die".

Witch Doctor #3 (Of 4)

Bishop Samuel Vagalas Kanco's testimony is more than just the biography of a man, or an examination of his preaching. The Witch Doctor and The Man: City Under the Sea penetrates deeply into the very essence of Bishop Kanco's life and ministry. Witnessing the power of the Holy Spirit's anointing in his life and work, you will find this book fascinating and empowering. As a young man in Ghana, Vagalas Kanco was a high level wizard in his tribe. Fortunately, Jesus Christ intervened to rescue him from the kingdom of darkness shortly before he inherited, from his father, the position of fourth generation witch doctor. The Bishop's testimony tells of a high-powered confrontation between Satan, the lord of darkness, and Jesus Christ, the Lord of Lords. Kanco exposes the lies, subterfuges, and half-truths Satan uses to entice people down dark and dangerous back alleys. With characteristic creativity and skill, Bishop Kanco strips away the veneer of our modern society, to expose the evil of Satan and his many demonic minions, evil that often disguises itself as good. His testimony is a landmark study of the power of God. There's an honest terror here that will instruct you. So, read and grow in your understanding of this mighty warrior of God. Bishop Samuel Vagalas Kanco received his Doctorate of Ministry from Southeastern Seminary in Savannah, GA. He currently oversees The Lord's Vineyard Church, International (Box 816, Medina, Accra, Ghana, Africa) in Africa, England, and Canada, and also ministers worldwide in a miracle ministry, teaching and healing God's people. He has appeared on many international television and radio programs.

White Woman Witch Doctor

What if we stopped avoiding the difficult people in our lives and committed to simply loving everybody? What happens when we give away love like we're made of it? In Everybody, Always, Bob Goff's joyful New York Times bestselling follow-up to Love Does, you'll discover the secret to living without fear, constraint, or worry. Bob teaches us that the path toward the outsized, unfettered, liberated existence we all long for is found in one simple truth: love people, even the difficult ones, without distinction and without limits. In Everybody, Always, Bob shows us the simple truths about life that have the power to shift our mindset forever: Jesus uses our blind spots to reveal himself to us. It's easy to love kind, lovely, humble people, but you have to tackle fear in order to love people who are difficult. What we do with our love will become the conversations we have with God. Dark and scary places are filled with beautiful people who need our unconditional love. Extravagant love has extraordinary power to change lives, including our own. Driven by Bob's trademark storytelling, this book reveals the wisdom Bob learned--often the hard way--about what it means to love without inhibition, insecurity, or restriction. From finding the right friends to discovering the upside of failure, Everybody, Always points the way to embodying love by doing the unexpected, the intimidating, the seemingly impossible. Whether losing his shoes while skydiving solo or befriending a Ugandan witch doctor, Bob steps into life with a no-limits embrace of others that is as infectious as it is extraordinarily ordinary. Everybody, Always reveals how we can do the same.

Witch Doctor Vol. 2: Mal Practice

Scooby and the gang are enjoying a trip to Hawaii when a spooky witch doctor begins to make trouble. Can they solve the mystery of the haunted volcano?

Witch doctor

WITCH DOCTOR : The Craft of Healing Just the stuff that works! Take control of the healing powers of food, herbs, homeopathy, essential oils, candles, crystals, ogham, runes, Reiki symbols, Wicca and Chi Kung. Health is a battle. Make preemptive strikes. With this book you will be "armed." The world of alternative medicine can be bewildering for people. I have had clients go to the health food store and get too confused to even buy the vitamins. I convey homespun knowledge in simple language. My goal is not to write a compendium of every herb and potion, but instead to offer a pharmacopeia that you can grow in your garden. An arsenal of a selected few products you can make or buy that will just work. I am not a doctor. I am a witch. At times I have affectionately been called a "witch doctor". The witch

hunts branded those of us who used the age old herbal remedies as sorcerers and shrouded them in ignorant superstitions that still persist today.

Scooby-Doo and the Witch Doctor

Dr. Vincent Morrow, specialist in supernatural diseases, is back — but this time, he's the patient! In the second collection of the hit medical horror series, Doc Morrow himself is targeted by shadowy supernatural forces. With his body betraying him, Morrow races against the clock to diagnose the threats he faces — and to punish those responsible! Collects Witch Doctor: The Resuscitation and Witch Doctor: Mal Practice #1-6.

Witch Doctor

Welcome to the future, where women have been infected with a virus that turns them into witches and men have formed a militarized cult to exterminate them-the Witch Doctors. You can survive here, if you're lucky; but only if you swear to one of the dominant practices-Puritanism or witchcraft-and are willing to check your humanity at the door. Because in the future, being a man means donning black and white and carrying a fire-breathing musket-the better to incinerate witches by-while being a woman means to live as the undead or a white-eyed practitioner of the black arts. Either way, humanity is doomed. That is, unless a single man and woman can resist-and in so doing, find the courage to cooperate, even love, again. Will it be Satyena, the beautiful young witch prone to kindness and compassion? Patrobus, the salty platoon sergeant with a secret past? How about Aluka, the intersex witch-doctor caught between worlds? Dive into these tales of the Sex War to find out-tales told in the dystopian tradition of Fahrenheit 451 and Logan's Run-stories at once brutal and beatific, halting and surreal. Do it today, before the future they portend becomes shocking reality ... From The Witch-Doctor Diaries: Malachi suspects something-has suspected, it's clear to me now, since the raid on Medea Coven. I can see it in his eyes as we stare at each other across the War Wagon: something cool, dispassionate (even behind the smoked lenses of his gas mask), predatory, like a cat. He is on to something, he knows. My headset crackles as the driver updates our status: "Fifteen minutes to target. Check your belts and harnesses-it's going to get bumpy." I check my belt and harness, the wagon starting to rock, our tanks clinking and sloshing. Jeremiah offers me a stick of gum-but I shake my head. Nobody says anything. "Remember, we're going in fast and we're going in hot," crackles Patrobus (as though he has taken up residence in our very minds), "Look sharp. And don't get so preoccupied with your kill count that you forget; this is an intelligence op. Find the lab, extract what you can, air it out, and

then get out. Is that clear?" Although he doesn't mention him by name, we all know who he's referring to: Malachi, who once let a witch escape just so he could prolong the pursuit. A witch. A woman. A carrier of the M24 virus. Something to be killed on sight. "It is clear, Captain," says Jeremiah, glancing at his friend-at Malachi. "I'll make sure Doctor Aluka leaves him some targets. We'll keep him occupied." "Find the lab, Jeremiah. Find out what it is they've been doing there. Then get your men back on this side of the Transom." And then he is gone and there is just the twelve of us, our buckled hats canted low on our brows, our flame-retardant Puritan tunics black as night and white as snow, our muskets charged and ready to spew fire. At which moment Malachi just looks at me, seeming to smirk behind his mask (which has been spit shined to a gloss), and says, "How about it, Brother Aluka? A contest! Who can kill the most women? That is-if you still have the jewels for it." "Lay off him," says Jeremiah. "The Medea raid was tough on everyone. Besides, his record's better than any of us." But I don't say anything, only use the time remaining to disassemble and clean my weapon, wondering: What did he see and how much does he know? And what will happen when I can no longer hide my eyes-which have begun to turn white when I sleep, witch's white, and take longer to clear each morning? How long is it until I-who am not fully man nor fully woman-have at last become neither; neither male nor female, neither Witch Doctor or witch?

The Witch Doctor ...

The Witch Doctors is a one-stop guide to management theories, fads, and the gurus who promote them that will spark controversy, debate, and a dialogue for change. Funny, entertaining and outspoken, this is a book no American worker can afford to miss. "From the Hardcover edition.

Witch Doctor

Dr. Vincent Morrow, specialist in supernatural diseases, is back -- but this time, he's the patient! In the second collection of the hit medical horror series, Doc Morrow himself is targeted by shadowy supernatural forces. With his body betraying him, Morrow races against the clock to diagnose the threats he faces -- and to punish those responsible!

Witch Doctor #1 (Of 4)

Another foray into medical horror from ROBERT KIRKMAN's Skybound Originals line! Is your baby really your baby - or is it a camouflaged monster that's feeding on you while you sleep? An infestation of Cuckoo Faeries is spreading through the nurseries of Arkham, Oregon, and it's up to Dr. Vincent Morrow, the Witch Doctor, to stop it! So why doesn't he want to bother? Plus: Shark cage diving with sea monsters!

Witch Doctor's Apprentice

Although a little witch tries very hard to be good when her whining nasty aunt comes to visit, she needs some help from the Witch Doctor.

Witch Doctor: Malpractice #4 (Of 6)
