Marilyn: Her Life In Her Own Words

"You Are The First One I'm Telling This To. I'll Tell You All. . ." No one looked like her. No one walked like her. No one talked like her. Sexy yet vulnerable, and unexpectedly talented, she was no ordinary screen goddess. Few really knew her. What others wrote, she called "Lies! Lies! Lies!" Here, at last, is Marilyn Monroe's account, in her own singular voice. It was June 1, 1962, her thirty-sixth birthday. Famed photographer and reporter George Barris had come to see Marilyn on the set of what would be her final, unfinished, film. They had met eight years earlier, became friends, and planned to do a picture book and autobiography. Now the time was right. For the next six weeks Barris photographed and interviewed the actress. "Don't believe anything you read about me except this. . ." she told Barris. And so she began to confide the truth about herself. Barris last talked to Marilyn on August 3, less than twenty-four hours before she was found dead in her apartment. At their last meeting, she was effervescent and eager to embrace life. "I feel I'm just getting started," she said. Barris firmly believes that murder, not suicide, caused Marilyn's untimely end and he could not bring himself to publish her thoughts or the haunting photos of that summer--until now. Marilyn: Her Life In Her Own Words is a candid memoir enhanced by 150 black-and-white and color photos, many never before published. A highlight is "The Last Photo Shoot" where Marilyn appears luminous without makeup on the beach at Santa Monica and in a North Hollywood house. This moving book brings Marilyn Monroe back--beautiful, flirtatious, and sweet as a first kiss--for one rare and radiant farewell. George Barris has worked as a photojournalist for many of the country's major magazines, from Life to Cosmopolitan. He is the co-author (with Gloria Steinem) of Marilyn-Norma Jean, and contributed to Norman Mailer's book, Marilyn. He lives in California.

My Reincarnation Story As Marilyn Monroe

Cursum Perficio is the name of Marilyn Monroe's last home. Cursum Perficio, the book, is author Gary Vitacco-Robles' exploration of Marilyn's last home as a touchstone to her brief and extraordinary life. A definitive testament of Marilyn Monroe's modest nature, simple tastes and spirituality was her selection of a house in which to settle at age 35. The Spanish Colonial hacienda symbolizes Marilyn's unfulfilled dreams and unfinished life. The Latin inscription on the tiles adorning the front doorstep, Cursum Perficio (translating to "My journey ends"), prophesied the screen goddess' death in the home in 1962. Cursum Perficio invites us inside Marilyn's private life through 120 illustrations and previously unpublished photos of her hacienda and its contents. See the interior, Marilyn's art and decorations purchased on a shopping spree in Mexico, and the furniture delivered days before her death. Vitacco-Robles reveals the events during Marilyn's last months, her daily routine, and her random acts of kindness. Cursum Perficio is not a sensational exploitation of Marilyn Monroe but a celebration of the human being behind the legend. It is a rare and refreshing exploration for the most devout fan and an insightful introduction for those just discovering this enduring icon of the Twentieth Century. This expanded second edition contains added chapters and new images by Brandon Heidrick.

Cursum Perficio

There have been many Marilyn Monroe photo books—but nothing like this. Curator and photographic preservationist David Wills has amassed one of the world's largest independent archives of original Marilyn Monroe photographs. Now, in Marilyn Monroe: Metamorphosis, he has gathered spectacular, museum-quality work from Marilyn's key photographers—Richard Avedon, George Barris, Cecil Beaton, Bernard of Hollywood, Andre de Dienes, Elliott Erwitt, Milton Greene, Philippe Halsman, Tom Kelley, Douglas Kirkland, Willy Rizzo, Sam Shaw, and many others—to create this dazzling portfolio of images from every period of Marilyn Monroe's adult life, from her wedding day in 1942 till just weeks before her death two decades later. Marilyn Monroe: Metamorphosis pays homage to her continually evolving style and extraordinary beauty. Among the highlights: Previously unseen Kodachrome, dye transfer, and Carbro prints of Norma Jeane from her modeling career. Classic portraits and pinups in luscious full color, digitally restored from the original transparencies. Never-before-seen photos from the sets of *The Seven Year Itch*, *Some Like It Hot*, *The Misfits*, and *Something's Got to Give*. Rare candid of Marilyn with Marlon Brando, Clark Gable, Humphrey Bogart, Lauren Bacall, Ronald and Nancy Reagan, Queen Elizabeth II, Joe DiMaggio, Arthur Miller, and others. Previously unpublished photos by Richard Avedon, George Barris, Cecil Beaton, David Conover, Elliott Erwitt, John Florea, Tom Kelley, Richard C. Miller, Frank Powolny, Willy Rizzo, Zinn Arthur, and many others. Pairing more than two hundred first-generation photos with reflections on Marilyn from her friends, work associates, and admirers—and including her last interview, in which she reflects on her life and fame—Marilyn Monroe: Metamorphosis is an unforgettable showcase of the actress's transformation from an unknown factory worker to one of the most recognized faces in history.

Marilyn Monroe: Metamorphosis

The world continues to be fascinated with Marilyn Monroe who dazzled with her beauty and captivated the hearts of millions, worldwide, with her innocence, charm, generosity, and kindness, and yet, who died tragically at the age of only 36. Hollywood columnist, film critic, and author of 'The Fifty Year Decline and Fall of Hollywood', Ezra Goodman, writing in 1961, the year prior to her death, declared,

'The riddle that is Marilyn Monroe has not been solved'. Aside from the fact that Marilyn's so-called autobiography cannot be relied upon, making sense of her is certainly problematical, not least because in her early years, she was insecure and introspective, and unable even to make sense of herself. There has been much debate, in particular, about the frame of mind that Marilyn was in when, on the night of 5 August 1962, she knowingly or unknowingly took her own life. With his medical background, the author is in a position to shed new light on the enigmatic character of Marilyn Monroe, this fascinating, yet deeply troubled, former Hollywood icon who is regarded, arguably, as the world's most famous ever movie star.

Making Sense of Marilyn

Marilyn Monroe

The shocking truth behind the death of an American icon—and the conspiracies that kept it secret for decades—in “the best autopsy of Marilyn Monroe” (Cyril H. Wecht, MD, JD) In her tragically short life, Marilyn Monroe embodied American womanhood, innocence, and lust—both as a Hollywood star and in the shadows of her tormented soul. But when she was found naked and dead on the morning of August 5, 1962, she became the subject of a mystery that has perplexed the world for generations. Was her death an accident? Suicide? Or murder? In Crypt 33, two Los Angeles private investigators recount the startling evidence that may solve the case once and for all, finally revealing the truth about: Monroe's affairs with JFK and Robert Kennedy . . . The identity of the friend who allowed Monroe's killers into her home . . . Evidence of the deadly drugs and how they were administered to the starlet . . . The rumors of an assassination plot masterminded by the Cosa Nostra and high-ranking government officials . . . The tangled web of wiretaps in Monroe's home—and what happened to the audio tape recording of her murder . . . Now, at last, the truth of Monroe's shocking death can be told in a book that “makes the hardest case yet that Marilyn was the victim of foul play” (Kirkus Reviews). “Well and sympathetically told . . . Speriglio and Gregory are fluent, convincing writers.” —Publishers Weekly

My Sister Marilyn

Fragments is an event—an unforgettable book that will redefine one of the greatest icons of the twentieth century and that, nearly fifty years after her death, will definitively reveal Marilyn Monroe's humanity. Marilyn's image is so universal that we can't help but believe we know all there is to know of her. Every word and gesture made headlines and garnered controversy. Her serious gifts as an actor were sometimes eclipsed by her notoriety—and by the way the camera fell helplessly in love with her. Beyond the headlines—and the too-familiar stories of heartbreak and desolation—was a woman far more curious, searching, witty, and hopeful than the one the world got to know. Now, for the first time, readers can meet the private Marilyn and understand her in a way we never have before. Fragments is an unprecedented collection of written artifacts—notes to herself, letters, even poems—in Marilyn's own handwriting, never before published, along with rarely seen intimate photos. Jotted in notebooks, typed on paper, or written on hotel letterhead, these texts reveal a woman who loved deeply and strove to perfect her craft. They show a Marilyn Monroe unsparing in her analysis of her own life, but also playful, funny, and impossibly charming. The easy grace and deceptive lightness that made her performances indelible emerge on the page, as does the simmering tragedy that made her last appearances so affecting.

LIFE Remembering Marilyn

Published for the fiftieth anniversary of her tragic death, this definitive account dispels the rumors and sets the record straight on her last two years Marilyn Monroe passed away at the age of thirty-six under circumstances that have remained mysterious to this day. *Marilyn Monroe: The Final Years* separates the myths and rumors from the facts as Keith Badman takes readers through the concluding months of 1960 to that fateful day in August 1962. In this extraordinary book—the product of five years of exhaustive research—the author is both biographer and detective: Badman uncovers long-lost or previously unseen personal records, exclusive interviews, and eyewitness accounts that illuminate the final chapter of Marilyn's life as she navigates weight gain, drug use, and personal turmoil, along with drama on the set of the ill-fated movie *Something's Got to Give*. Badman dispels popular beliefs, such as her supposed affairs with John and Bobby Kennedy. (Monroe only had a one-night stand with the president at Bing Crosby's house, and never with Bobby.) Readers learn the long-concealed identity of her biological father, who refused Marilyn's attempt to contact him in 1951—and was then repaid with her apathy ten years later when he attempted to contact her. The author also reveals the details of her

famous "last Sitting" with photographer Bert Stern (which was not her last photo shoot) and describes the horror she endured after being tricked into being institutionalized at the Payne-Whitney Psychiatric Clinic, from which ex-husband Joe DiMaggio had to pull strings to secure her release. Perhaps most shockingly, we learn of the regrettable incident in which a drunken Monroe was sexually exploited by mobsters at a Lake Tahoe hotel co-owned by Frank Sinatra. Finally contrary to the salacious rumors that Marilyn was suicidal or the victim of a murder and cover-up, Badman discloses new information about her final days alive and reveals, in unequivocal detail, evidence that indicates Monroe's death was accidental. Above it all, Badman pays homage to Monroe by rescuing her final months from the realm of wild and sensationalized allegations popularized by those who sought to gain from them. Marilyn Monroe: The Final Years sheds new light on an immortal movie legend.

Marilyn Monroe is one of the most beloved icons of our time-- the original blonde bombshell. She defined the term sex symbol and captivated the attention of the public with her tumultuous ups-and-downs. She has inspired devotion and admiration among her fans at a level never before seen. Follow her story, from beginning to end in Tribute: Marilyn Monroe.

Tribute: Marilyn Monroe

The feminist icon and New York Times–bestselling author offers an intimate appraisal of the ultimate sex symbol—and the real woman behind the images. Few books have altered the perception of a celebrity as much as Marilyn. Gloria Steinem, the renowned feminist who inspired the film *The Glorias*, reveals that behind the familiar sex symbol lay a tortured spirit with powerful charisma, intelligence, and complexity. This national bestseller delves into a topic many other writers have ignored—that of Norma Jeane, the young girl who grew up with an unstable mother, constant shuffling between foster homes, and abuse. Steinem evocatively recreates that world, connecting it to the fragile adult persona of Marilyn Monroe. Her compelling text draws on a long, private interview Monroe gave to photographer George Barris, part of an intended joint project begun during Monroe's last summer. Steinem's Marilyn also includes Barris's extraordinary portraits of Monroe, taken just weeks before the star's death. "An even-handed introduction to the Monroe phenomenon." —Library Journal

Barris Kustoms of the 1960s

With an in-depth look at the two most empowering years in the life of Marilyn Monroe, *The Girl* details how *The Seven Year Itch* created an icon and sent the star on an adventure of self-discovery and transformation from a controlled wife and contract player into a businesswoman and unlikely feminist whose power is still felt today. When Marilyn Monroe stepped over a subway grating as *The Girl* in *The Seven Year Itch* and let a gust of wind catch the skirt of her pleated white dress, an icon was born. Before that, the actress was mainly known for a nude calendar and one-dimensional, albeit memorable, characters on the screen. Though she again played a "dumb blonde" in this film and was making headlines by revealing her enviable anatomy, the star was now every bit in control of her image, and ready for a personal revolution. Emboldened by her winning fight to land the role of *The Girl*, the making of *The Seven Year Itch* and the eighteen months that followed was the period of greatest confidence, liberation, and career success that Monroe lived in her tumultuous life. It was a time in which, among other things, she: Ended her marriage to Joe DiMaggio and later began a relationship with Arthur Miller; Legally changed her name to Marilyn Monroe, divorcing herself from the troubled past of Norma Jeane; Started her own production company; Studied in private lessons with Lee and Paula Strasberg of the Actors Studio and became a part of the acting revolution of the day. The ripple effects her personal rebellion had on Hollywood, and in trailblazing the way for women that followed, will both surprise and inspire readers to see the Marilyn Monroe in an entirely new light.
