Joe and Marilyn

Traces the passionate and sometimes volatile relationship between Joe DiMaggio and Marilyn Monroe, covering their sensational 1954 elopement and the troubles that led to their divorce nine months later.

Marilyn Monroe and Joe Dimaggio - Love in Japan, Korea and Beyond

The love story between Marilyn Monroe and Joe DiMaggio is a timeless tale. Both of these legends had extraordinary careers in their individual fields, as well as remarkable existences. This book chronicles each of their lives, from the days before they met, until that magical night in 1952 when their paths finally crossed. Their lives would never be the same after that. Though their marriage lasted for nine months, their love endured beyond those years and her death in 1962 -- Joe's heart yearned for no one else, even at his deathbed thirty-seven years after her untimely passing. This account shares of their love and focuses on their marriage in 1954, and their trip to Japan and her trip to Korea, during the nearly one month time span that the couple was in the Far East together. The author's collections of rare and unpublished photographs (some never-before-seen), especially from their time in Japan and Marilyn's in Korea (released in tandem with the sixtieth anniversary of their trip to the Far East), as well as memorabilia from both of the stars from the author's collection, are treasures that accompany this story. This book weaves in elements about baseball, entertainment, the military, the tragedies of stardom, and above all, the love Marilyn and Joe shared. The story told here unveils other characters in the casts of both of their lives, including interviews with family members of Marilyn Monroe who run the "Marilyn Monroe Family" website, headed by Marilyn's second cousin, Jason Edward Kennedy. This book begins to also debunk the myths and propaganda about the life and death of Marilyn Monroe. Additionally, controversy within Joe's final days is also explored. "Marilyn Monroe & Joe DiMaggio - Love In Japan, Korea & Beyond," is the first book in the series endorsed by MarilynMonroeFamily.com, the website run by the relatives of William Marion Hogan, Marilyn Monroe's great-uncle.

Joe and Marilyn

From the "New York Times" bestselling author of "Bobby and Jackie" comes the riveting, true story of the passionate, sometimes volatile relationship between baseball great Joe DiMaggio and Hollywood icon Marilyn Monroe. When Joe DiMaggio and Marilyn Monroe eloped in January 14, 1954 they became an international sensation. Images of America's most famous baseball player and Hollywood's biggest star flooded the media. "Joe and Marilyn" reveals the true inside story of these two iconic figures whose marital troubles became apparent during the now famous skirt-blowing scene in Monroe's filming of "The Seven Year Itch." Though their marriage only lasted nine months, they remained close until Monroe's mysterious death in 1962 at the age of thirty-six. He had a half-dozen red roses delivered three times a week to her crypt for twenty years. According to Heymann, DiMaggio remained devoted to her until his own death in 1999. Based on extensive archival research and personal interviews with family and friends, "Joe and Marilyn" offers great insight into this famously tragic romance. Sixteen pages of striking photos accompany this unforgettable and quintessentially American story.

Joe & Marilyn

Here, Roger Kahn describes the love, the joy, the heartbreak that was Joe and Marilyn, one of the great poignant romances. Drawing on more than five years of research, Kahn gives us a DiMaggio who was almost as godlike as his legend on the diamond, but vulnerable and human off the field.

Marilyn, Joe & Me

Entertainer, June DiMaggio, niece of baseball player Joe DiMaggio and dear friend of Marilyn Monroe for 11 years, shares first-hand stories of the two very private stars.

The Real Marilyn

It's 1950, and Marilyn Monroe is quickly becoming America's ultimate sex symbol. She is coveted by scores of men, but none so much as Joe DiMaggio, all-around American boy and baseball legend. Marilyn finds Joe fantastic and agrees to marry him a year into their relationship. Joe falls madly in love. However, after meeting John Kennedy at a rooftop party in New York, Marilyn's mind has always been elsewhere. When she happens upon John again at Frank Sinatra's Beverly Hills abode, tensions run high, and she finds herself swept into a whirlwind romance and a dangerous affair. Joe knows something is amiss. He will stop at nothing to keep her safe. But after Marilyn leaves Joe for John, he can't protect her anymore. John Kennedy is elected president. When Marilyn threatens his reputation, he does something he can't undo. And no one is angrier than Joe, who embarks on a quest to avenge his beloved and bring the Kennedys to their knees.

My Story

Written at the height of her fame but not published until over a decade after her death, this autobiography of actress and sex symbol Marilyn Monroe (1926-1962) poignantly recounts her childhood as an unwanted orphan, her early adolescence, her rise in the film industry from bit player to celebrity, and her marriage to Joe DiMaggio. In this intimate account of a very public life, she tells of her first (non-consensual) sexual experience, her romance with the Yankee Clipper, and her prescient vision of herself as "the kind of girl they found dead in the hall bedroom with an empty bottle of sleeping pills in her hand." The Marilyn in these pages is a revelation: a gifted, intelligent, vulnerable woman who was far more complex than the unwitting sex siren she portrayed on screen. Lavishly illustrated with photos of Marilyn, this special book celebrates the life and career of an American icon—from the unique perspective of the icon herself.

Joe Dimaggio

Examines the life of the baseball player in a new light, as a man who took his marriage to Marilyn Monroe very seriously long after their divorce, and had trouble finding a new role for himself during his retirement from the sport.

LIFE The Loves of Marilyn

LIFE The Loves of Marilyn is the definitive book on Marilyn Monroe's romantic past, told through rare and iconic photography as well as captivating narrative. Central to Marilyn's mystique has always been her love life - filled with rumors, romantic entanglements and multiple marriages, all before she died prematurely at the age of 36. Within its pages, LIFE captured everything from her flirtations with co-stars

to her genuine affection for her husbands to her tragic divorces. All three of her marriages (two famously to Joe DiMaggio and Arthur Miller), ended in divorce, and she was rumored to have multiple affairs, including one with JFK. LIFE was in its heyday in the 1950's and 60's, when Marilyn was at the peak of her fame. In ten years (between 1952 and 1962) LIFE put her on the cover six times. Had she lived, she might well have challenged Liz Taylor's supremacy and her close connection to LIFE magazine. From famous pictures such as Marilyn singing "Happy Birthday Mr. President" to John F. Kennedy to lesser known shots such as those from her divorce proceedings with Joe DiMaggio, this book provides fans of Marilyn Monroe with a definitive summary of her many romances, glamorous life, and tragic end.

Bobby and Jackie

The author of *A Woman Named Jackie* and *The Georgetown Ladies' Social Club* draws on intimate sources to offer insight into the relationship between Jacqueline Kennedy and Robert Kennedy, sharing details about an affair that was an open secret for decades among family insiders.

Murder Orthodoxies: A Non-Conspiracist's View of Marilyn Monroe's Death

Perhaps no one's death has stirred more interest, controversy, and theories than Marilyn Monroe's August 4 of 1962. In *Murder Orthodoxies*, author Donald R. McGovern analyzes and examines the many theories that Monroe was murdered by a host of curious characters—from the middle Kennedy brothers to brutal gangsters to aliens. McGovern separates fact from fiction and theory from outlandish rumor. He addresses and debunks the usual allegations related to Monroe's death, the secrets recorded in her little red diary, her scheduled whistle-blowing press conference, the murder plots by organized crime and the brothers Kennedy, and the fatal injection of drugs, along with many others. In *Murder Orthodoxies*, McGovern restores logic and sanity to the investigation of Monroe's death. His thesis is based upon the premise that the engines of conspiracies are started and fueled by opinion, not by facts. His credible conclusions are based on logic, science, toxicology, and forensic evidence.

Marilyn Monroe

Frank Sinatra! Marilyn Monroe! Never before teamed in a book, yet theirs was a seven-year friendship and on-and-off intimate relationship shrouded in secrecy and fraught with danger. Frank Sinatra and Marilyn Monroe—here is the first book to bring these two all-American icons together. Their friendship and on-and-off intimate relationship, kept secret because of powerful others in their lives, spanned seven tumultuous years. At one point, he even proposed marriage. In *Frank & Marilyn*, we follow Sinatra and Monroe from one explosive relationship to another, their marriages and love affairs eventually leading to a tangled relationship with each other, sparking a nasty rivalry between Frank and Marilyn's ex-husband (and one-time friend of Frank), Joe DiMaggio. Frank and Marilyn's ultimately disastrous relationship with John F. Kennedy, his brother Robert, and their often ruthless family was a fatal move for Marilyn. Her death remains a controversial topic to the present day. Dedicated biographer and entertainment world insider Edward Z. Epstein has spoken with many people who were familiar with the pair, all of whom talked about the Frank and Marilyn they knew—and the dangers they faced. It's a fascinating, largely untold story that's usually glossed over...until now.

Finding Marilyn

Marilyn Monroe remains the most provocative female legend of the twentieth century. What you may have known about her before was only the tip of the iceberg. For twenty years, the men and women who knew Marilyn best saw what they knew suppressed because certain important people were still living, and the tenor of the times prohibited frankness. Instead, rumors ballooned. This book finally sets the record straight. Fred Guiles—whom Norman Mailer acknowledges as the chief source of fact about Marilyn—has written the life behind the legend. He reveals what really happened in the careening career of the pretty waif named Norma Jean Mortensen, who married the boy next door, became a model, an actress, movie star, married an incompatible legend named Joe DiMaggio, sought to improve the mind that came with her near-perfect body, married playwright Arthur Miller, lent herself to the Svengalilike ministrations of Paula and Lee Strasberg, became the mistress of John and then Robert Kennedy when they ran the country, kept camera crews and studios waiting—but not death, which took her under the most unusual circumstances by the age of thirty-six. A legend, by definition, is unaltered by fact, but the enthralled reader will find the revelations in this book no deterrent to the love of Marilyn Monroe by understanding at last what happened to the Queen of Need. Among the people interviewed for this book are Arthur Miller; James E. Dougherty, her first husband; Frank Taylor, the producer of *The Misfits*; Lee Strasberg; Otto Preminger; Billy Wilder; Joshua Logan and John Huston.

At age seventeen, Gia Carangi was working the counter at her father's Philadelphia luncheonette, Hoagie City. Within a year, Gia was one of the top models of the late 1970's, gracing the covers of

Cosmopolitan and Vogue, partying at New York's Studio 54 and the Mudd Club, and redefining the industry's standard of beauty. She was the darling of moguls and movie stars, royalty and rockers. Gia was also a girl in pain, desperate for her mother's approval—and a drug addict on a tragic slide toward oblivion, who started going directly from \$10,000-a-day fashion shoots to the heroin shooting galleries on New York's Lower East Side. Finally blackballed from modeling, Gia entered a vastly different world on the streets of New York and Atlantic City, and later in a rehab clinic. At twenty-six, she became one of the first women in America to die of AIDS, a hospital welfare case visited only by rehab friends and what remained of her family. Drawing on hundreds of interviews with Gia's family, lovers, friends, and colleagues, *Thing of Beauty* creates a poignant portrait of an unforgettable character—and a powerful narrative about beauty and sexuality, fame and objectification, mothers and daughters, love and death.

Marilyn Monroe, born Norma Jeane Mortenson on June 1, 1926, is one of the best-loved movie stars and sex goddesses of all time, although she died much too young at the age of thirty-six. Marilyn overcame multiple foster homes and an early, war-time marriage to become the wife of two of America's most famous men: first, the baseball all-star Joe DiMaggio, and then the playwright Arthur Miller. Not surprisingly, she even caught the eye of President John F. Kennedy to whom she famously sang "Happy Birthday" in 1962 in front of an overflow crowd at New York City's Madison Square Garden. A life-time struggle with self-confidence, tumultuous marriages, ill health, and drug and alcohol addictions, Marilyn's movie career suffered in the last years before her death. The filming of her last movie, *Something's Got to Give*, was never completed. She died during production. In death as in life, Marilyn Monroe fascinates. This book is a brief history of her short life. It is filled with photos of Marilyn throughout her life. Marilyn worked with some of the best directors of her day and pushed herself to excel in comedic, dramatic, and musical roles. She was only the second female movie star to create her own production company. Marilyn may have played the dumb blonde, but that was just one more role.
