Christian Meditation

Enter a Monastery Without Walls Christian Meditation introduces an ancient practice to a contemporary audience. James Finley, a former monk and student of Thomas Merton, presents the fundamentals of both understanding and practicing Christian meditation. He provides simple, helpful instructions, as well as explaining the deeper connection with the divine that meditation can bring. Above all, he makes clear that the aim of meditation is to allow us to experience divine contemplation -- the presence of God.

Christian Meditation

This text introduces an ancient practice to a contemporary audience, teaching readers to expand, or begin, their meditation practices in union with their faith and helping them discover that divine moments of awakened consciousness can lead to a deeper connection with Christ.

Into God's Presence

For the heart that longs for communion with Christ... For the soul that thirsts for intimacy with its Creator... For the man or woman in search of a living relationship with the Living God... Meditation and contemplative prayer have been described as the best-kept secrets in the church. Introducing this ancient spiritual discipline and applying it to the needs of busy contemporary people, *Into God's Presence* helps readers bring the gentle rhythms of grace into a twenty-four/seven world. From one-minute meditations for hectic days to contemplating Scripture for spiritual insight, readers will discover a wide range of practices for creating a deeper intimacy with God in their daily prayer life. *Into God's Presence* offers simple and accessible ways to communicate with God in prayer every day, encouraging readers to integrate the timeless practice of meditative prayer into modern life. This delightful book on meditation is a timely reminder of our need to be still before God, in order to hear from him. – Fiona Castle
Liz Babbs book gives a friendly and approachable introduction to Christian meditation, and will stimulate many to venture into an enriching and rewarding new journey with Jesus Christ. -- Rev Dr Rob Frost
I've enjoyed all Liz's books, but this one beats them all! She manages to make the mysterious and complex subjects of contemplative prayer, Christian meditation and knowing God intimately seem easy and possible even for a busy 'Martha' like me! – Jennifer Rees Larcombe

The Power of Christian Meditation

Meditation allows the Christian to still the senses of their body so that God can speak and communion with their spirit. Most Christians struggle with their prayer life trying to get things accomplished. The problem that most Christians don't realize is that they are not truly in the presence of God; as a result their prayers are not answered. Because God is a Spirit and they that worship Him must do so in Spirit. Christians who has learned how to meditate have found themselves obtaining not only an answer from God, but achieving awareness of their ONENESS with God and acquiring supernatural power through meditation.

Contemplative Prayer at Work in Our Lives

While many practicing Christians are relatively satisfied with their prayer life, others are not. The latter often find their prayer practice has dried up. Their traditional forms of prayer at churches have become routine and empty. In a very real sense, there is a void in their spiritual lives. They want a deeper union with God yet experience an unsettling estrangement with their current pathway in prayer. In *Contemplative Prayer at Work in Our Lives*, Geoff Colvin draws on his own experiences, studies of spiritual literature, and participation in retreats and meditation groups, to unravel the challenging practice of contemplative prayer, a unique form of meditation involving very few words in silence and stillness. Contemplative prayer centers on the fundamental belief that God dwells not only in the world at large but also at the center of our being. This book offers Christians an approach for understanding contemplative prayer followed by hands-on detail for developing and sustaining a practice that hopefully leads to a richer and fuller spiritual journey to union with God.

Word into Silence

An introduction to the practice of Christian meditation, this book offers a twelve step programme in learning meditative prayer.

Meditation and Communion with God

John Jefferson Davis summons the resources of traditional biblical meditation for a culture lost in the cloud. He establishes the trinitarian view of God's real presence in Scripture and then ushers readers through three successive stages of meditation--consummating in a method for deep assimilation of the Christian worldview.

Quiet Prayer

The world around us teems with chaos and noise. We can change this turmoil by first changing the turmoil within us. That's what *Quiet Prayer* is all about. In *Quiet Prayer*, bestselling author Marie Chapiro introduces readers to the ancient Christian tradition of solitude and meditation—a way of being in the presence of God based on silence and stillness. She answers questions Christians may have, such as: Is it Christian to meditate? What is Quiet Prayer meditation? What are the benefits of Quiet Prayer? Through learning about the history of Christian meditation and practicing with Marie's step-by-step

guided meditations in the book, you can lean deeper into the Lord's call to "Be still, and know that I am God" (Psalm 46:10).

Conversations with Silence

Silence—scary, inviting, or both? What do you do with silence? And what if silence was a language we could learn to read, hear, and even speak? This book invites you to tune the eyes and ears of your heart to the cadences of silence. Enter into conversations with silence as you are taken on an odyssey. Venture into the Australian bush. Trek deep into the red desert. Encounter shadows and desert dwellers. You will also delve into the tiny houses of everyday silences and receive their gifts of hospitality. And stumbling into that other territory, where silence becomes a death threat, or survival, an orchard can show you the fruit of life beginning again. *Conversations with Silence* takes you to the Rosetta Stone of an ancient, forgotten language, a language some have called God, or the soul. Immerse yourself in the silent realm of mystics, musicians, poets, and pilgrims of every path. These are our companions, as we explore the nuanced vocabulary of the worlds of silences and join in the conversation with a new voice.

Moment of Christ

Turns to the source and focus of all the author's inspirational teaching about prayer - the presence of Christ. He describes this prayer as the stream of love that flows constantly between Jesus and his Father.

Mindfulness and Christian Spirituality

May I be safe and protected. May I be at peace in mind and body. May I live with ease and kindness. (Kindness practice, p. 120) We can all engage with such longings and wish these good things for the people we love. Mindfulness practice is hugely popular these days! But what, Tim Stead asks, does it have to offer Christianity? How might it help us to transform the way we manage stress and open up more completely to the promised 'life in all its fullness'? Key is the definition of mindfulness as being more fully aware of our own experience in the present moment in a non-judgmental way. The author finds that 'distractions';, so often the bane of those trying to pray, can be taken note of without our being caught up in or taken over by them. A non-judgemental approach seems entirely consistent with talk of grace, and as Christians we know we can only ever experience God in the present moment. Tim reflects: 'If I feel loved entirely without judgment, I will gradually dare to allow every aspect of myself to come into the light of God's gaze and so into relationship with the rest of myself and this is how healing comes.' 'You can read this book in a day, but take it to heart and it will last a lifetime.' - Professor Mark Williams, from the Foreward

Practicing the Presence of Jesus

Many Christians long to know God more deeply but find themselves limited by old understandings and ways of knowing. *Practicing the Presence of Jesus* rediscovers the centuries old Ignatian tradition of placing oneself into the gospel story to experience the presence of Jesus in a vital and real way. Each chapter explores another angle to come to the stories, while remaining true to the scripture. Irene Alexander gives examples of her own retellings, and real life interactions with the gospels to illustrate the process and make it accessible to contemporary readers. Readers will be led through a process of entering the stories themselves, so that they connect with the Jesus, human and divine, in the present reality of their daily lives. Relevant for new believers as well as those who have known God for decades, these stories introduce readers to a vibrant way of being present to the reality of our God.

Abiding in the Secret Place

What place does meditation have in Christian devotion? Is the same thing as the ?

Christian Meditation

John Main understood that the remedy for the malaise that affects individuals and nations alike was the love of Christ. He taught that when we build our lives on the rock-like foundation of this love, we become rooted in the ultimate reality, and the winds and storms of life, and even death itself, no longer have power over us. In the short chapters of this book, he shows how we can find the way to this foundation and root ourselves in the eternal love that nothing can destroy. The way is simplicity itself, but it is also a way of dispossession. Daily meditation brings us to the place where our lives become wholly immersed in the Spirit of God, but it requires that we come empty handed and prepared to walk the way of unknowing.

The Way of Unknowing

Do you aspire to live a life of joy, peace and fulfillment only to find that it's as elusive as the pot of gold at the end of the rainbow? Do feelings of inadequacy, disappointment and frustration hold you back? Sophia was a busy working mother of two when chronic sleeplessness struck and left her struggling to cope. Stay is the honest and hopeful story of how she identified the roots of her restlessness and overcame them through the ancient and powerful practice of biblical meditation. In her ground-breaking book, Sophia invites us all to realize that when we learn to be mindful of God and 'stay' in his presence, we experience a life-transforming power that frees us to live a joyful and fulfilled life, one where we are truly at peace. Written with refreshing candour and wisdom, Stay is a life-changing read.

STAY - The Power of Meditating in God's Presence

Centering prayer, both a meditative technique and the experience of God's presence in every waking moment, is a spiritual practice that all Christians continue to strive for. David Keller, close colleague of Thomas Keating and director of Keating's Contemplative Ministry project, offers practical suggestions for personal prayer, addresses its difficulties, and reveals what is special about it in relation to other prayer traditions. Short but substantive, this book is for Christians looking for new insights about prayer and for people who are drawn to contemplation, but do not think the church has much to offer them. Above all, Keller emphasizes that it is the integration of personal prayer and our day-to-day activities that forms a life of prayer. Prayer is a life-long vocation, he reasons, not a separate compartment of life.

Come and See

It is becoming clear that the church of the modern world is losing (or has already lost) its perceived value among the general populace. There have been many theories proposed that try to explain the reason for this decline in value, ranging from the church's need to be more relevant, to the necessity of return to authentic community. If the church is to become valuable again then we must return to a more substantive theology, one that helps people, both individually and collectively, to better understand Christian spiritual growth by explaining what the process of growing toward spiritual maturity has historically looked like. What the world needs is a church that is irrelevant...one that breaks the worldly cycles of selfishness, selfism, and entitlement and offers an alternative to the meaningless quest for self-deification. If we are to make a difference in the world again, then we must stop trying to make disciples who follow Christ, and begin making disciples who know Christ.

Our Treasured Heritage

Peace is perhaps the most elusive, miraculous phenomenon in the human experience. From the kindergartners arguing on the playground to the world powers storing up technologically advanced weapons, we clearly struggle to coexist peacefully with each other. Yet for all our efforts to generate

peace between people, we often overlook the importance of finding peace within ourselves. Though we long for this inner peace, our world full of war, famine, bank collapses, pandemics, and day-to-day struggles has discouraged us from even trying to find it. In his new book, *Finding Inner Peace During Troubled Times*, author William Moss shows readers that inner peace is indeed attainable in the person and presence of Jesus. As a high-powered businessman and a key political decision-maker, Moss has faced his share of daily distractions. For over a decade, he has studied and practiced the lost art of Christian meditation. "I believe God wants us to find peace and will show us the way, if we are willing to accept it. But for many, the peace of God is elusive. They are not sure how to accept it or where to begin in their pursuit of it," says Moss. "There are many difficulties, distractions, and hardships that stand in the way of our inner peace. Sometimes these are due to our circumstances. Other times it is our sin or the attitudes of our hearts that stand between us and the inner peace we crave. Through prayer and meditation we can transcend all the distractions and difficulties of our days if we live by the Spirit and put God's love and presence first." Many believers are wary of any form of meditation because of its association with Eastern religions. These Christians might be surprised to learn that meditation was regarded as a key spiritual discipline throughout church history. Eastern meditation focuses on emptying the mind completely. Christians find inner peace by filling their minds—with scripture and with the presence of the Holy Spirit. Another fundamental difference is the motivation behind the meditation. Peace, like life, is a gift from God that is for His glory—and it is meant to be shared. For those who are in Christ, meditation is not about practicing the kind of self-focus that precludes people from being involved in the solutions of the many problems that confront them. It is communion with God through the Holy Spirit. It is letting go of anger, worry, and fear and taking on the loving, serving character of Christ instead. *Finding Inner Peace During Troubled Times* uses key scriptures to demonstrate God's gift of peace to every believer. This slender book encourages readers to be intentional about pursuing that peace, even including a simple, step-by-step example of Christian meditation. "With the constant stream of media, noise, commitments, conflicts, and other distractions, you will not likely find times of quiet, stillness, and spiritual reflection unless you plan them, unless you pursue meditation as a discipline," states Moss. "The key to inner peace and a fulfilled life is one that is grounded in Christian mediation."

Despite an artificially-boosted high profile, fundamentalist Christians actually make up less than 7 percent of the American public. Meanwhile, a growing number of people inside and outside the Church are turning away from religious extremism and outmoded beliefs - a full third of American adults now identify themselves as "spiritual, but not religious." If you yourself have had your curiosity about Jesus squashed by fundamentalist extremism, or if you hesitate to pursue feelings of connectedness with the presence of Jesus because you don't like dogmatic beliefs, you're going to love *Jesus for the Rest of Us*. Former minister John Selby offers a compassionate experiential guide that will enable you to encounter Jesus' meditative presence where all words stop . . . and true spiritual experience begins. From John Selby's extensive research into the mechanics of meditation, as well as his lifelong work as a therapist and spiritual counselor, he now teaches this new meditation technique that actively nurtures the love and guidance of Jesus' presence in our hearts. A landmark text, *Jesus for the Rest of Us* will help you connect with the contemplative and mystical qualities of Jesus' teachings that have sustained deep spiritual experience in millions of hearts from the time of Jesus to the present. The Path of Centering Prayer

This collection of talks on Christian meditation is full of practical advice and great spiritual insights in equal measure. It shows how discovering the presence of Christ within through meditative prayer can give shape and purpose to everything we do and are: our actions, emotions, fears, longings, failings and dreams. As John Main taught, the point of this kind of prayer is to allow God's presence to become not just a reality, but the reality of our lives.

Practicing the Prayer of Presence

Renowned pastor and New York Times bestselling author of *The Prodigal Prophet* Timothy Keller explores the power of prayer. Christians are taught in their churches and schools that prayer is the most powerful way to experience God. But few receive instruction or guidance in how to make prayer genuinely meaningful. In *Prayer*, renowned pastor Timothy Keller delves into the many facets of this everyday act. With his trademark insights and energy, Keller offers biblical guidance as well as specific prayers for certain situations, such as dealing with grief, loss, love, and forgiveness. He discusses ways to make prayers more personal and powerful, and how to establish a practice of prayer that works for each reader. Dr. Keller's previous books have sold more than one million copies. His Redeemer Presbyterian Church is not only a major presence in his home base of New York, it has also helped to launch more than two hundred fifty other churches in forty-eight cities around the world. His teachings have already helped millions, the majority of whom pray regularly. And with *Prayer*, he'll show them how to find a deeper connection with God.

Prayer

Focus on what matters most—and intentionally remove the rest. Logically, we all know our purpose in life is not wrapped up in accumulating possessions, wealth, power, and prestige—Jesus is very clear about that—but society tells us otherwise. Christian Minimalism attempts to cut through our assumptions and society's lies about what life should look like and invites readers into a life that Jesus calls us to live: one lived intentionally, free of physical, spiritual, and emotional clutter. Written by a woman who simplified her own life and practices these principles daily, this book gives readers a fresh perspective on how to live out God's grace for us in new and exciting ways and live out our faith in a way that is deeply satisfying.

Cast Your Cares

Usually when we pray we try to shut out the outside world and focus on the interior, the spiritual, in order to be able to be with God. Instead, this book invites us to be with God through the very tangible, specific objects of our everyday life. We're invited to take another look--as well as another listen, taste, touch, and smell--at what is right before us and see God there. A rock, a shoe, a pen--all offer an opportunity for entering into prayer and experiencing God's presence.

Christian Minimalism

"The practice of contemplation is one of the great spiritual arts," writes Martin Laird in *A Sunlit Absence*. "Not a technique but a skill, it harnesses the winds of grace that lead us out into the liberating sea of silence." In this companion volume to his bestselling *Into the Silent Land*, Laird focuses on a quality often overlooked by books on Christian meditation: a vast and flowing spaciousness that embraces both silence and sound, and transcends all subject/object dualisms. Drawing on the wisdom of great contemplatives from St. Augustine and St. Teresa of Avila to St. Hesychios, Simone Weil, and many others, Laird shows how we can uncover the deeper levels of awareness that rest within us like buried treasure waiting to be found. The key insight of the book is that as our practice matures, so will our experience of life's ordeals, sorrows, and joys expand into generous, receptive maturity. We learn to see whatever difficulties we experience in meditation--boredom, lethargy, arrogance, depression, grief, anxiety--not as obstacles to be overcome but as opportunities to practice surrender to what is. With clarity and grace Laird shows how we can move away from identifying with our turbulent, ever-changing thoughts and emotions to the cultivation of a "sunlit absence"--the luminous awareness in which God's presence can most profoundly be felt. Addressed to both beginners and intermediates on the pathless path of still prayer, *A Sunlit Absence* offers wise guidance on the specifics of contemplative practice as well as an inspiring vision of the purpose of such practice and the central role it can play in our spiritual lives.

Savoring God

Docent Juliet Benner began showing people how to meditate on Christian art treasures, which led to her much-beloved "O Taste and See" columns from the spiritual formation journal *Conversations*, now expanded into this book. In each chapter you'll encounter a passage of Scripture and a corresponding piece of art to lead you in a new experience of prayer in God's presence.

A Sunlit Absence

This book invites you to meditate on God's word in the presence of Jesus and all His loving kindness. The meditations are experiential in nature, bringing to life the richness of imagery found throughout the Bible. You will be gently guided to be still and relax as you are immersed in the beauty and majesty of scripture, allowing God's word to come alive within you. You will experience the still waters, lie in the green pastures and walk in the light of Jesus' presence. You will be encouraged to look to Jesus in all His ways so that you may be transformed into His likeness. Scriptural excerpts woven seamlessly into

the entire meditative process reinforce God's truth, and help open your heart so that the Holy Spirit may flow from deep within you. Let these meditations sow the seed for Jesus' peace, healing and righteous desires to unfold in your life into abounding thankfulness in the Lord.

John Piper writes, that it's only when we know what makes God glad that we'll know the greatness of His glory. Therefore, we must comprehend "the pleasures of God." Desiring God, Revised Edition

Experience the Lifelong Pleasures of Knowing God! Satisfaction...Happiness...Joy. According to John Piper, the pursuit of pleasure in God is not only permissible, it's essential. *Desiring God* is a paradigm-shattering work that dramatically alters common perspectives on relating to God. Piper reveals that there really is no need to choose between duty and delight in the Christian life. In fact, for the follower of Jesus, delight is the duty as Christ is most magnified in His people when they are most satisfied in Him. Constantly drawing on Scripture to build his case, Piper shows why pursuing maximum joy is essential to glorifying God. He discusses the implications of this for conversion, worship, love, Scripture, prayer, money, marriage, missions, and suffering. Piper beckons us to approach God with the hedonist's abandon. Finally, we are freed to enjoy Jesus—not only as our Lord and Savior, but also as our all-surpassing, soul-satisfying Treasure. *Desiring God* may turn your Christian world upside down. And that will be a good thing, for the glory of God, and for your deepest joy. Includes a study guide for individual and small group use.

These meditations offer a daily serving of God's Word along with practical insights from beloved pastor and author John Piper. Each reading reorients you to the eternal rather than the popular. In a world where ephemeral feelings are valued more than firm facts and eternal joys, each selection will awaken you to the truth of who God is—and who you are. These 120 devotional readings celebrate God's sovereignty in every aspect of our world, from how to feed our soul, the danger of hero worship, and loving our enemies, to suffering, having a passion for purity, and ways we can be a refuge for our children. This collection offers a daily feast of truth and wisdom that places God right where He belongs—at the center of our lives. These meditations originally appeared in John Piper's *Pierced by the Word*, *Life as a Vapor*, and *A Godward Heart*. **YOU ARE INVITED TO ENJOY THE RAREST OF TREASURES...** The world tries to distract our minds. Deadens our hearts. Water down our beliefs. If there are no absolutes, then we can pursue whatever tickles our fancy. We are the captain of our destiny. But, sadly, the result is that we remain hopelessly adrift in a constantly changing sea of confusion. There is a better answer: Rather than numb our soul, we can fully satisfy it. Instead of letting the world squeeze us into its mold, we can be molded into sons and daughters of God. The solution is to feast on God's Word and drink deep from His river of life. These daily meditations invite us into this central

promise about God: You are good and do good; Teach me your statutes. –Psalm 119:68 Discover the supremacy of God in every area of your life...and as the only source of a truly satisfied soul.

A Godward Life

120 daily readings encompass many topics, from personal concerns to public and cultural issues, rooted in the Scriptures.

Pierced by the Word

Pierced by the Word takes up thirty-one subjects as unique as "How to Be a Refuge for Your Children," "How to Drink Orange Juice to the Glory of God," and "Embracing the Pain of Shame." Some are longer, some shorter, like the real-world conversations they so closely resemble, and each comes from the fertile mind of John Piper and is written in his own inimitable style. Together, the readings will lead to a deeper understanding of God and a cleaner, clearer relationship with Him. Most of all, Piper's approach shows how meditating on God's powerful Word can affect every aspect of our lives. Whether you're steeped in the Word of God or newly acquainted with it, these thirty-one meditations will penetrate to the deepest reaches of your soul. With a contagious passion, John Piper awakens us to violent prayer, piercing pleasure, and fearless faith.

When I Don't Desire God

'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Let the Nations be Glad

There is an appetite for God. And it can be awakened. I invite you to turn from the dulling effects of food and the dangers of idolatry, and to say with some simple fast: "This much, O God, I want you." Our appetites dictate the direction of our lives - whether it be the cravings of our stomachs, the passionate desire for possessions or power, or the longings of our spirits for God. But for the Christian, the hunger for anything besides God can be an arch-enemy. While our hunger for God - and Him alone - is the only thing that will bring victory. Do you have that hunger for Him? As John Piper puts it: "If we don't feel strong desires for the manifestation of the glory of God, it is not because you have drunk deeply and are satisfied. It is because we have nibbled so long at the table of the world. Our soul is stuffed with small things, and there is no room for the great." If we are full of what the world offers, then perhaps a fast might express, or even increase, our soul's appetite for God. Between the dangers of self-denial and self-indulgence is this path of pleasant pain called fasting. It is the path John Piper invites you to travel in this book. For when God is the supreme hunger of your heart, He will be supreme in everything. And when you are most satisfied in Him, He will be most glorified in you.

A Hunger for God

Secrets of a Faith Well Lived

New from Best-Selling Author John Piper From Genesis to Revelation, the providence of God directs the entire course of redemptive history. Providence is “God’s purposeful sovereignty.” Its extent reaches down to the flight of electrons, up to the movements of galaxies, and into the heart of man. Its nature is wise and just and good. And its goal is the Christ-exalting glorification of God through the gladness of a redeemed people in a new world. Drawing on a lifetime of theological reflection, biblical study, and practical ministry, pastor and author John Piper leads us on a stunning tour of the sightings of God’s providence—from Genesis to Revelation—to discover the all-encompassing reality of God’s purposeful sovereignty over all of creation and all of history. Piper invites us to experience the profound effects of knowing the God of all-pervasive providence: the intensifying of true worship, the solidifying of wavering conviction, the strengthening of embattled faith, the toughening of joyful courage, and the advance of God’s mission in this world.

Living in the Light

Drawing upon his experience in teaching this material over the past twenty-five years in forty countries, Ron Man provides a rich and deep examination of biblical worship, drawing principles out of a rigorous study of the text of Scripture. He also writes as a practitioner, from the perspective of one who served as a church worship pastor for twenty-two years. Features distinguishing this book from other similar studies include: 1) a tracing of the foundational Revelation and Response pattern through the Scriptures; 2) a more thorough treatment of New Testament texts than is often found; 3) a comprehensive treatment of the crucial role of Jesus Christ as the true Leader of our worship; 4) a consideration of worship as it relates to world missions; and 5) a concluding summary of twelve “Biblical Principles of Worship,” synthesizing the results of the study.

Let Us Draw Near

The wonder and majesty of the gospel are that we are given the greatest gift imaginable: God himself. Biblically faithful and radically God-centered, this book leads to satisfaction for the deep hungers of the soul.

God Is the Gospel: Meditations on God's Love as the Gift of Himself

Are There Two Wills in God? Divine Election and God’s Desire for All to Be Saved In this short, theological essay, John Piper builds a scriptural case that God’s unconditional election unto salvation is compatible with God’s genuine desire and offer for all to be saved. Helping us to make sense of this seemingly paradoxical relationship, Piper wisely holds both truths in tension as he explores the Bible’s teaching on this challenging topic, graciously responds to those who disagree, and motivates us to passionately proclaim the free offer of the gospel to all people.

Does God Desire All to Be Saved?

Advent is for adoring Jesus. The Christmas season is one of the busiest times of year. But it’s also a season of reflection and preparation for that special day when we mark Immanuel’s coming—the arrival of our eternal God in our own frail humanity. This is the greatest of history’s many wonders, something too stupendous to celebrate just on one day. Advent is a way of lengthening and intensifying the joy of Christmas. These 25 brief devotional readings from John Piper begin on December 1 and carry us to Christmas Day. Our hope is that God would use these meditations to deepen and sweeten your adoration of Jesus and help you keep him at the center of your Christmas season.

The Dawning of Indestructible Joy

National Book Award Finalist: “This man’s ideas may be the most influential, not to say controversial, of the second half of the twentieth century.”—Columbus Dispatch At the heart of this classic, seminal book

is Julian Jaynes's still-controversial thesis that human consciousness did not begin far back in animal evolution but instead is a learned process that came about only three thousand years ago and is still developing. The implications of this revolutionary scientific paradigm extend into virtually every aspect of our psychology, our history and culture, our religion—and indeed our future. “Don’t be put off by the academic title of Julian Jaynes’s *The Origin of Consciousness in the Breakdown of the Bicameral Mind*. Its prose is always lucid and often lyrical...he unfolds his case with the utmost intellectual rigor.”—The New York Times “When Julian Jaynes . . . speculates that until late in the twentieth millennium BC men had no consciousness but were automatically obeying the voices of the gods, we are astounded but compelled to follow this remarkable thesis.”—John Updike, *The New Yorker* “He is as startling as Freud was in *The Interpretation of Dreams*, and Jaynes is equally as adept at forcing a new view of known human behavior.”—*American Journal of Psychiatry*

The Origin of Consciousness in the Breakdown of the Bicameral Mind

God is the treasure of our lives. He is part of everything we do, think, act, and say—literally, he is a part of us. This precious heirloom of Christ himself must be passed on to future generations. But how? *Treasuring God in Our Traditions* presents the importance of passing along Christ-centered traditions and a Bible-saturated legacy in Christ to future generations. Noël Piper helps her readers recognize how the “everyday” routines of life and the “especially” celebrations of holidays and dates can be practically passed down to future generations. When parents and grandparents seek to pass along the treasure of God to their children and grandchildren, they will develop and deepen their love for him. When family traditions are rooted in the Bible, the next generations will see that the greatest treasure that anyone can have is the treasure of God.

Treasuring God in Our Traditions

Discover the key to enjoying God in every moment of every day We believe in God, we serve God, we trust God, but would we say that we experience God on a day to day basis? Do we really know him personally? What exactly does a relationship with God look like, and how is it even possible? In this seminal work by Tim Chester, we’ll see how the three persons of the Trinity relate to us in our day-to-day lives and how to respond. We’ll discover that as we interact more with God, and understand how awesome he is, we will experience the joy of being known by the creator of the universe. Every Christian will benefit from discovering the key to enjoying God in every moment of everyday.

Enjoying God

It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

The God Who Is There

The term New Birth has been devalued by the multitudes who claim to be 'born again' while living like everybody else. The New Testament defines new birth and new life completely differently.

Finally Alive

Pastor John Piper shows how to sever the clinging roots of sin that ensnare us, including anxiety, pride, shame, impatience, covetousness, bitterness, despondency, and lust in *Battling Unbelief*. When faith flickers, stoke the fire. No one sins out of duty. We sin because it offers some promise of happiness. That promise enslaves us, until we believe that God is more desirable than life itself (Psalm 63:3). Only the power of God's superior promises in the gospel can emancipate our hearts from servitude to the shallow promises and fleeting pleasures of sin. Delighting in the bounty of God's glorious gospel promises will free us for a less sin-encumbered life, to the glory of Christ. Rooted in solid biblical reflection, this book aims to help guide you through the battles to the joys of victory by the power of the gospel and its superior pleasure.

Battling Unbelief

In *Future Grace*, author John Piper helps readers discover the key to overcoming sin and living a life that honors God. Many men and women attempt to walk upright out of gratitude for what Christ did in the past, but Piper encourages believers to look ahead to the grace God provides for us on a day-by-day, moment-by-moment basis—putting faith into action by laying hold of God's promises for the challenges we face. Sever the Root of Sin No one sins out of duty. We sin because we want to. Sin promises happiness, and we buy the lie. So how can the root of sin be severed in our lives? The penalty of sin must be paid by the righteous blood of Christ. And the power of sin must be broken by banking on the promises of Christ. John Piper's meditations are rooted in rock-solid biblical reflection. Chapter by chapter—one for each day of the month—he reveals how, by cherishing the promises of God, you can break the power of anxiety, despondency, covetousness, lust, bitterness, impatience, pride, misplaced shame, and more. From the Trade Paperback edition.

Future Grace

"Useful men are some of the greatest blessings of a people. To have many such is more for a people's happiness than almost anything, unless it be God's own gracious, spiritual presence amongst them; they are precious gifts of heaven." Certainly one of the most useful men in evangelical history was the man who preached those words, pastor and theologian Jonathan Edwards. Commemorating his 300th birthday, general editors John Piper and Justin Taylor chose ten essays that highlight different aspects of Edwards's life and legacy and show how his teachings are just as relevant today as they were three centuries ago. Even within the church, many people know little more about Edwards than what is printed in American history textbooks—most often, excerpts from his best-known sermon, "Sinners in the Hands of an Angry God." They unjustly envision Edwards preaching only fire and brimstone to frightened listeners. But he knew and preached God's heaven as much as Satan's hell. He was a humble and joyful servant, striving to glorify God in his personal life and public ministry. This book's contributors investigate the character and teachings of the man who preached from a deep concern for the unsaved and a passionate desire for God. Studying the life and works of this dynamic Great Awakening figure will rouse slumbering Christians, prompting them to view the world through Edwards's God-centered lens.

The Life of God in the Soul of Man

God has provided a way for all people, not just scholars, to know that the Bible is the Word of God. John Piper has devoted his life to showing us that the glory of God is object of the soul's happiness. Now, his burden in this book is to demonstrate that this same glory is the ground of the mind's certainty. God's peculiar glory shines through his Word. The Spirit of God enlightens the eyes of our hearts. And in one self-authenticating sight, our minds are sure and our hearts are satisfied. Justified certainty and solid joy meet in the peculiar glory of God.

A God Entranced Vision of All Things

Trusting Jesus is hard. It requires following the unseen into an unknown, and believing Jesus's words over and against the threats we see or the fears we feel. Through the imaginative retelling of 35 Bible stories, *Not by Sight* gives us glimpses of what it means to walk by faith and counsel for how to trust God's promises more than our perceptions and to find rest in the faithfulness of God.

A Peculiar Glory

Piper reveals that the debate between duty and delight doesn't truly exist: delight is our duty. Join him as he unveils stunning, life-impacting truths that you saw in the Bible but never dared to believe.

Desiring God

The classic *Weight of Glory* by C.S. Lewis, the most important Christian writer of the 20th century, contains nine sermons delivered by Lewis during World War Two. The nine addresses in *Weight of Glory* offer guidance, inspiration, and a compassionate apologetic for the Christian faith during a time of great doubt.

Recovering Biblical Manhood and Womanhood (Revised Edition)

David Bentley Hart offers an intense and thorough reflection upon the issue of the supernatural in Christian theology and doctrine. In recent years, the theological—and, more specifically, Roman Catholic—question of the supernatural has made an astonishing return from seeming oblivion. David Bentley Hart's *You Are Gods* presents a series of meditations on the vexed theological question of the relation of nature and supernature. In its merely controversial aspect, the book is intended most directly as a rejection of a certain Thomistic construal of that relation, as well as an argument in favor of a model of nature and supernature at once more Eastern and patristic, and also more in keeping with the healthier currents of mediaeval and modern Catholic thought. In its more constructive and confessedly radical aspects, the book makes a vigorous case for the all-but-complete eradication of every qualitative, ontological, or logical distinction between the natural and the supernatural in the life of spiritual creatures. It advances a radically monistic vision of Christian metaphysics but does so wholly on the basis of credal orthodoxy. Hart, one of the most widely read theologians in America today, presents a bold gesture of resistance to the recent revival of what used to be called “two-tier Thomism,” especially in the Anglophone theological world. In this astute exercise in classical Christian orthodoxy, Hart takes the metaphysics of participation, high Trinitarianism, Christology, and the soteriological language of theosis to their inevitable logical conclusions. *You Are Gods* will provoke many readers interested in theological metaphysics. The book also offers a vision of Christian thought that draws on traditions (such as Vedanta) from which Christian philosophers and theologians, biblical scholars, and religious studies scholars still have a great deal to learn.

Weight of Glory

John Piper has had a profound impact on countless men and women over his nearly thirty years of ministry. From his online ministry with *Desiring God* to his preaching ministry at Bethlehem Baptist to his writing ministry in over thirty books, his faithful service has encouraged and challenged many with God's Word. Piper's influence does not stem from his own abilities and accomplishments, but finds its source in his consistent and humble leading of others to Scripture, where the breathtaking glory of God is displayed in all its wonder. We rejoice and are changed as we encounter glorious truths about God in Piper's ministry. It is in this spirit that friends and colleagues of Piper, including Wayne Grudem, D. A. Carson, Randy Alcorn, and others, honor him by presenting essays covering topics central to his ministry: prayer, the sovereignty of God, justification, Jonathan Edwards, Christian Hedonism, and more. Pastors, scholars, and lay leaders will benefit from this tribute to a man who has labored so faithfully for the fame of God's name.

You Are Gods

Abstract theology is overrated, for God can be found in even the most ordinary of things. Jesus used things like a lily, sparrow, and sheep to teach about the kingdom of God. And in the Old Testament, God repeatedly describes himself and his saving work in relation to physical things such as a rock, horn, or eagle. In *God of All Things*, pastor and author Andrew Wilson invites you to rediscover God in this way, too--through ordinary, everyday things. He explores the idea of a material world and presents a variety of created marvels that reveal the gospel in everyday life and fuel worship and joy in God--marvels like: Dust: the image of God Horns: the salvation of God Donkeys: the peace of God Water: the life of God Viruses: the problem of God Cities: the kingdom of God *God of All Things* will leave you with a deeper understanding of Scripture, the world you live in, and the God who made it all.

For the Fame of God's Name

A paradigm-challenging examination drives home the point that what is most loving about God is His enabling us to enjoy making much of Him forever.

God of All Things

A choice lies before you: Either waste your life or live with risk. Either sit on the sidelines or get in the game. After all, life was no cakewalk for Jesus, and he didn't promise it would be any easier for his followers. We shouldn't be surprised by resistance and persecution. Yet most of us play it safe. We pursue comfort. We spend ourselves to get more stuff. And we prefer to be entertained. We are all tempted by the idea of security, the possibility of a cozy Christianity with no hell at the end. But what kind of life is that really? It's a far cry from adventurous and abundant, from truly rich and really full, and it's certainly not the heights and the depths Jesus calls us to. Discover in these pages a foundation for fearlessness. Hear God's promise to go with you into the unknown. And let Risk Is Right help you see the joys of a faith-filled and seriously rewarding life of Jesus-dependent abandon! Risk Is Right is a significantly expanded version of a chapter previously published in the book Don't Waste Your Life (chapter 5).
