In early twentieth-century Cuba, bandits terrorize the countryside as a young farm girl struggles with dyslexia. Based on the life of the author's grandmother.

Challenging Common Core Language Arts Lessons, Grade 4

This activity book, from the Center for Gifted Education at William & Mary, provides gifted and advanced learners challenging activities to master and engage with the Common Core State Standards for English Language Arts through four mini units. Each mini unit is packed with activities and practice problems that enrich and extend grade-level ELA content for grade 4. Included texts have messages and characters that are developmentally suitable for students. Through higher order reasoning questions, resulting discussions, and student-created products associated with these texts, gifted and advanced students' needs are met while still maintaining messages and characters to which students can relate. Students will be exposed to themes such as searching for improvement, unintended effects of changes, nature and the human spirit, and overcoming struggles. Each theme was chosen with advanced fourth-grade students in mind and their emerging need to learn more about themselves, their world, and how to work through adversity to accomplish their goals.

Teaching with the Common Core Standards for English Language Arts, Grades 3-5

Nearly every state has independently adopted the Common Core State Standards (CCSS), making this practical guide an indispensable resource for grades 3-5 teachers and teachers-in-training. Leading authorities explain each of the English language arts (ELA) standards and vividly show how to implement them. The book is filled with grade-specific classroom vignettes, instructional strategies and activities, sample lesson plans, and discussion questions. Chapters cover the major ELA strands: reading (literature, informational texts, and foundational skills); writing; speaking and listening; and language. Issues of assessment and technology integration are also explored. An appendix includes thematic units for each grade level demonstrating ways to embed CCSS/ELA standards into content-area instruction. See also Teaching with the Common Core Standards for English Language Arts, PreK-2.

Common Core State Standards and the Speech-Language Pathologist

Common Core State Standards and the Speech-Language Pathologist: Standards-Based Intervention for Special Populations is a tool for the analysis of the Common Core State Standards (CCSS) and the development of interventions to meet student-specific needs. The CCSS is an education initiative in the United States that details what K-12 students should understand in English language arts and mathematics by the end of each grade. The initiative seeks to establish consistent education standards across the United States and ensure that graduating students are prepared to enter college or the workforce. As of 2015, forty-three states had adopted the CCSS. With the implementation of the CCSS, it is critical that speech-language pathologists collaborate with educators to enable the success of students with communication disorders as well as English language learners. This text offers a practical approach for application of the CCSS with a parallel analysis of children's strengths and needs to create a template for intervention. It addresses strategies to facilitate the success of students in accessing and achieving the expectations of the general curriculum, with a focus on students with communication disorders, hearing loss, vision loss, deaf-blindness, specific learning disabilities, autism, multiple disabilities, and English language learners. Key features include: Background and implications of the CCSS Chapters written by experts in the field Tools for analysis of the language expectations of the CCSS and a framework for aligning intervention (both direct and classroom-based) with the CCSS for students at elementary and secondary levels Collaboration strategies to facilitate success in the classroom Multiple case studies Common Core State Standards and the Speech-Language Pathologist is a must-have resource for any speech-language pathologist working with children, as well as their education and administration partners.

Finish Line Mathematics

Finish Line Mathematics, Third Edition is the extra boost students need to reinforce skills and master Common Core-based standards. Finish Line supplements your core basal program with instruction and practice that are concise and simply presented. The workbook is divided into units that parallel the domains in the Common Core State Standards (CCSS) at grade level. Lessons indicate connections to prior knowledge and integrate the Standards for Mathematical Practice. The first unit reviews big ideas from the previous grade with four-to-five topics that are key to new concepts in the current grade. This feature allows students to refresh their skills in these areas before building on them to learn new ideas. Finish Line uses the gradual release model--from teacher-led instruction to individual student work--in a four-part lesson format: Skill Introduction, Focused Instruction, Guided Practice, and Independent Practice. Units conclude with a review, which covers all skills in the unit. The review includes a mix of item types, including those found on Common Core-based assessments. A glossary features terms that appear in boldface throughout the book. Flashcards are provided for students to practice important ideas, formulas, and symbols from the book.

Prioritizing the Common Core

The consensus among educators nationwide is that in-depth instruction paired with focused assessment of essential concepts and skills are far more effective than superficially covering every concept and skill in the standards. Educators are faced with the task of teaching all standards while meeting the extraordinary range of student learning needs. Prioritizing the Common Core offers common sense solutions to the dilemmas teachers face today in implementing the new, more rigorous national standards. Chapters present a rationale for prioritizing the Common Core, a step-by-step process for prioritizing standards in language arts and mathematics, strategies for soliciting feedback and input from everyone in the district or school prior to the final determination of the Priority Standards, and detailed summaries of the process schools in six different districts used to identify their Priority Standards, with accompanying commentary by those who directed the work.

The SENSE-ational Science Behind How We Discover the World Around Us

Embark on a journey of discovery by connecting with the five senses in this 30-lesson interdisciplinary science unit geared toward the fourth and fifth grade. Students will use their senses as a springboard to explore advanced concepts such as the science behind cooking, optical illusions, musical instruments, and more. They will learn to distinguish between physical and chemical changes, describe the movement of sound waves, classify optical illusions, and evaluate the validity of their discoveries through unique problem-based learning tasks. Featuring detailed teacher instructions, daily reflection activities, and reproducible handouts, this unit makes it easy for teachers to adjust the rigor of learning tasks based on students' interests and needs. Aligned with Common Core State Standards for English Language Arts and Mathematics and Next Generation Science Standards, both gifted and non-gifted teachers alike will find this unit engaging, effective, and highly adaptable.

Getting Started with Rigorous Curriculum Design

School districts are now successfully implementing the Rigorous Curriculum Design process to re-design their curricula to fulfill the promise of the Common Core and prepare students for success on the coming national assessments. Each chapter of Getting Started With Rigorous Curriculum Design will provide educators with "collective wisdom" — insights and ideas to enrich and expand understandings they may not have yet come to on their own.
