Snowflake Bentley

In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasm was misunderstood. But with patience and determination, Wilson catalogued hundreds of snowflake photographs, gave slideshows of his findings and, when he was 66, published a book of his photos. His work became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.

Swing Like a Monkey

Open up a fresh and stylish story about growing up and keeping hold of your favorite memories. As the year passes, the narrator's favorite dress goes through a series of creative changes, from dress to shirt to tank top to scarf and so on, until all that's left of it is a good memory. Assisted by her patient and crafty mama, the narrator finds that when disaster strikes her favorite things, she doesn't need to make mountains out of molehills—she "makes molehills out of mountains" instead! Structured around the days of the week, the story is also illustrated to show the passing of the seasons, a perfect complement to the themes of growing older and keeping hold (and letting go) of special mementos. Praise for *I Had a Favorite Dress* "A spunky story about adjusting to change with creativity and style. Tailor-made, so to speak, for the Etsy generation of DIY enthusiasts." —Publishers Weekly "Everyone is smiling in the buoyant confections created by illustrator Julia Denos—including, it's fair to say, young readers looking at them. Endearing picture book." —Wall Street Journal "What could have been yet another example of kindergarten consumerism instead becomes one of resourcefulness and resilience." —New York Times "Denos's multimedia illustrations reinforce the narrator's vibrant personality and the amazing transformations of the dress while capturing the action and emotion of the story. This book is sure to capture the imaginations of would-be seamstresses; children who can't bear to part with a favorite item; and those who want to reduce, reuse, recycle." —School Library Journal "Breezy in style, they smartly stitch each scene of alteration as the not-so-little girl sashays through the days of the week and

the seasons. A charming interpretation of an old story that will speak to young fashionistas.” –Kirkus Reviews
