

Poisoned Embrace A Brief History Of Sexual Pessimism

[#Sexual Pessimism](#) [#Poisoned Embrace](#) [#History of Sexuality](#) [#Sexual Ethics](#) [#Anti-natalism](#)

Explore the complex history of sexual pessimism with 'Poisoned Embrace: A Brief History Of Sexual Pessimism.' This book delves into the philosophical and social movements that have questioned the inherent goodness or naturalness of sexual activity, from ancient ascetic traditions to modern anti-natalist arguments. Discover the key figures, ideas, and debates that have shaped this often controversial perspective on human sexuality and its place in society, uncovering the historical and philosophical underpinnings of skepticism towards procreation.

Introducing the guest

What is the sexual revolution

Sex can be both a force for good and evil

How has feminism evolved over time

Freedom at the expense of children

The debate around surrogacy is about only the rights and desires of adults

If you don't care about children, you don't care about the future

The case for having kids

Sex selective abortion and feminism

The psychological underpinnings of the west's rejection of children

Men always regret not spending more time with their children

How we've strayed from the normal human lifecycle

What does the sexual revolution mean for the happiness of women?

The Me-Too movement and the problem with consent

How has the sexual revolution affected men?

Polygamy is the natural human state

Consent does not mean 'good'

The 1960s will be seen as the new reformation

Convincing feminists to get married

Where has all the romance gone?

Social media and pornography

How have feminists responded to your work

Armed with permission

Advice for raising children
