Life and Teachings of Guru Nanak

Excerpt from Life and Teachings of Guru Nanak In Gurmuhhi Bhàsha, there exist numerous such books, which treat of Guru Nanak's life and teachings; but in English there are no books of this kind. If there are any; they have been written by those, who had no knowledge of the Gurmukhi literature, which contains all the books, written by Nanak and his successors. Besides, the authors, have endeavoured, in season and out of season, to find faults with the founders of the Khalsa religion and keep the advantages, derived by the people from this true religion, hidden from the readers. On these accounts, such books instead of doing any good, are productive of deplorable effects upon the minds of those, who are desirous of knowing the Khalsa religion in order to embrace it. I went through all the Gurmukhi Janamsakhies of Nanak and noted important facts, which were written in English, so as to meet the required ends. Had those facts been literally translated, the usefulness of this book, which has been written in a foreign tongue, would have been lost. So, I wrote them in such a style and placed them in such an order as to make the book as interesting as possible. If the public will also appreciate this book, my labours will not go in vain. In conclusion, I would gladly receive any suggestions that would tend to

make the book more practically useful, from any, who are interested in the cause of the Khalsa religion. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Nanak Dev : Special Edition - 550th Guru Nanak Jayanti Teachings of Sikh culture and heritage -Biography/Memoir/Graphic Novels/Comics)

Guru Nanak was born on 15 April 1469, on the day of Kartik Purnima in a village named Talwandi. The tradition of Guru and disciple is very ancient in India. The place of Guru is considered to be even higher than God. It is only through the Guru that one attains worldly knowledge, and only through the Guru does one realize the enlightenment of how to attain God. Guru Nanak was born at a time when there was no central organized power in India. Foreign invaders were engaged in looting the country. In the name of religion, superstitions and rituals were spread all around. In such a difficult times, Guru Nanak proved to be a great philosopher & thinker of Sikhism. Guru Nanak won the hearts of people with his melodious simple voice. In a very simple language the message of Ek Onkar was explained to the whole world that all humans are brothers of each other. God is the Father of all, then how can we be high and low despite being the children of one Father? In order to clear all these misconceptions, he implemented the teachings in his own life and became an ideal by propagating religion all around. He set an example of social harmony and gave the true message of humanity.

The Japji of Guru Nanak

The Japji is by far the best-known work of Guru Nanak (1469-1539) - poet, philosopher, historian, composer, First Sikh Guru and founder of the Sikh faith. Many Sikhs recite its sacred verses daily. Its title derives from the root "jap-" meaning to recite or chant. Dr. Rupinder Singh Brar provides in this book a compelling new translation with commentary. This book also examines its core concepts, and presents the Japji as a condensed summary of Guru Nanak's philosophy. This translation and commentary is published to celebrate the 550th anniversary of Guru Nanak's birth (1469-2019).

The Story of Guru Nanak

In this highly accessible and comprehensive biography, Nikky-Guninder Kaur Singh deftly mines the available sources to construct a vivid and complex account of Guru Nanak's life and legacy, his personality and background, the pluralistic world he lived in, his teachings and philosophy, and even the manner in which he has been understood by believers and scholars over time. What emerges is a majestic and magisterial portrait of a great enlightener who not only founded one of the world's major religions but whose singular message of unity and hope has endured centuries after he first walked the earth. The First Sikh unites rigorous scholarship with a deep love for the subject, offering fascinating

insights into Guru Nanak's life and times even as it explores key facets of Sikhism. Moreover, it shows us how Guru Nanak continues to remain relevant in a twenty-first-century reality.

The First Sikh

Guru Nanak, the founder of the Sikh religion, walked the earth to restore love and humanity lurking in the doldrums. His early communion with the Ultimate drew him to far-fetched places to inculcate the scent of unity and equality among people. He sang the divine praises along the way and persuaded people towards the spiritual essence of the Lord. He made an intriguing manifestation that the Lord is One and there exists no other besides Him. Most of what Nanak professed was apparently derived from the Ultimate. As mentioned in the Janamsakhis, he often directed his companion Mardana to play on his rabab as he vividly sang the Bani or Divine Word descending upon him from the skies. With an unrelenting desire to spread enlightenment among the masses, he became an itinerant preacher to eradicate the upsurge of erroneous beliefs and the moss of differences propelled by caste and creed. This exquisitely illustrated book explores the life of Guru Nanak at length and offers an insight into his timeless teachings which are marvelously ingrained in his divine hymns - the Japji, Asa di Var and Barah-maha.

Guru Nanak's Life and Thought

Guru Nanak was deeply spiritual from an early age, having being born into a society caught in the throes of orthodoxy and ritualism. The ills of child marriage, infanticide and a rigid caste system had further crippled his people. The outpouring of Nanak's faith evolved into the universal message of the omnipresence and existence of one God, of true love, equality and compassion, which appealed to Hindus and Muslims alike. Drawing upon the various myths and legends contained in anecdotal biographies and placing them in as precise a historical framework as possible, The Book of Nanak traces the chronology of the main events of Nanak's life. It sheds new light on Guru Nanak's message and includes translations of some of his hymns, which continue to inspire people the world over.

Guru Nanak's Divine Teaching

Ji jant sabh Saran tumaari sarb chint Tudh paase jo Tudh bhaave soo-ii changaa Ik Nanak ki ardaase [Raga Bilawal] all beings seek your protection. They leave their worries with you. Whatever pleases you is good. That is Nanak's prayer. Guru Nanak spiritual beliefs and practices, based on his direct experience of God, were profoundly transformational. He brought the path to enlightenment closer to the masses by his use of a language that they understood. His monotheism, coupled with his emphasis on the pursuit of divinity while living the life of an ordinary householder, was a significant departure from the prevailing beliefs in renunciation, pilgrimage, and other rituals. A gift of grace: the essence of Guru Nanak spirituality simplifies the gurus core spiritual message for the modern reader. The author, at the outset, enunciates the spiritual foundation of the gurus world view and his conception of reality, including the nature of God. Japji Sahib, a foundational religious text, is presented in its original

form together with an English translation and an in-depth commentary. The book concludes with a representative selection of the gurus hymns.

Sri Guru Granth Sahib

There is only one God and all are equal before him.' The founding father of Sikhism, Guru Nanak Dev was born in a little village near Lahore in Pakistan in the year 1469. In an age of religious orthodoxy, hate and disharmony, Guru Nanak came to preach and convert, to blaze a new trail. Sreelata Menon traces the life and times of this spiritual master. She brings to life stories of the birth, childhood and the search for enlightenment of a little boy who, unhappy with the social conditions existing around him, sought to make a difference as he grew up. With Mardana, his best friend and companion, Guru Nanak spent twenty years and more travelling the world to spread his message of love, truth, compassion and One God. Come rain or shine, braving all odds, winning over all kinds of people and performing miracles through the power of prayer, he spread the word of God. A Gift of Grace

This book describes revelations about Jap Meditation as explained by Guru Nanak in Japji. Guru Nanak laid foundation of a revolutionary approach to Spirituality some 500 years back. The concepts in Japji elucidate the nature of "true reality" in Creation. The composition itself is a form of steps in the Jap meditation. It is a method that takes us deep within the mindscape where the inner voice of guidance is heard. With it we recognise our origin and the nature of consciousness. Our conscious awareness begins to have new vision. and ability. We can know the Sach, the Truth only when we go within. We can, with this method, reap the benefit of inner world in our worldly life. This is the way to be free of fear and anxiety. This is the method through which we can remove negative thoughts and inclinations from our personality. The move within to the Nirgun point is not only an awakening but an empowerment. At this point, we hear the Celestial Sound vibration of Creation. This shift to this Nirgun point is destined to shift humanity towards a life aligned with the truth of existence. This is an age in the history of mankind that despite the desire about spiritual awakening, there is so much misinformation. Japji tells us that Maya (the deceptive influence) is inbuilt in the world construct. It prevents an easy knowing of truth about the created world. The way out is to be guided by internal guidance. True understanding and guidance come by having an awareness of the Nirgun, the formless world within. Outside in the Physical world this "truth" is not perceptible as there our mind is involved in worldly affairs. We have a self-identity. There is purification and change of attitude. The mind then becomes aware of the presence of Truth. Humanity needs this to get to the next level. In this modern world there is an ongoing talk of consciousness revolution and "Fifth dimensional Living". The concepts for such a life were brought to this world by Guru Nanak with his advent in this world. He travelled more than 28,000 Kms in five major tours of the world during the period from 1500 to 1524 bringing the light of knowledge to the innumerable souls leaving behind his compositions. This book is an English translation of Japji and along with the comments reveals the indicated message. The composition not only reveals the "Truth" but also explains the realisation of it. Gurbani hymns are the words of the inner true Guru. Japji has at its beginning the main light in the form of the Mool Mantar. For awakening to the truth no rites, rituals or pilgrimages are needed. All we need is true guidance. Guru Nanak has brought this method for the

humanity. This is the time it is explained with true meanings for humanity's transformation towards an awakened living.

Jap Ji

Guru Nanak was born 550 years ago, during a period of political and religious turmoil in India. Tension between Hindus and Muslims had escalated, leading to a greater polarization of the two religions. Guru Nanak created a synthesis of Hinduism and Islam with the belief that God is one. He advocated a casteless society based on truth, brotherhood and equality. He spent twenty-three years travelling not only in India but also in Tibet, Ceylon and the Central Asian countries of Arabia, Iraq and Iran, preaching the truth as he had perceived it and showing mankind the path to salvation. This book, part of the Spiritual Masters series, tells the fascinating story of a unique messiah who showed a gentle, peaceful, humanistic path to religion. The world has a greater need for Nanak's message and teachings now than ever before.

Life Story of Guru Nanak

Excerpt from Life and Teachings of Guru Nanak Lodhi dynasty were nominal occupants of the throne of this great empire but, In reality, the country was partitioned out into territories - the possession of many Chieftains and princes - each with supreme and irrefutable rule in his own dominions, having the most lax and inefficient governments, and at enmity with and jealous of all his neighbours. Those despotic rulers, who can appropriately be called robbers, considered it their chief duty to rob the peasantry of all they possessed; but they had no will or leisure to think of their prosperity. The Japji Or Guru Nanak's Meditations

There are three primary purposes of a religious prayer. 1. To refresh your remembrance and awareness of God. 2. To bring your wandering mind into the present moment. 3. To understand the meaning of the prayer and imbibe its teachings into your life in order to further your spiritual progress. By God's grace, presented to you here is the translation of the JAPJI SAHIB (composed in Gurumukhi script by Guru Nanak Dev Ji, the First Guru and founder of the Sikh Religion) into English. At the end of the translation, I have also offered to you the Transliteration of JAPJI SAHIB, for those who may wish to recite as a prayer in the original Gurumukhi language. JAPJI SAHIB is a universal sacred hymn (prayer) about God and creation, composed by Guru Nanak Dev Ji, the founder of the Sikh faith. The Japji Sahib consists of the Mool Mantra (Root Mantra) as the beginning followed by 38 hymns and a final Salok at the end of this composition. The Japji appears at the very beginning of the Guru Granth Sahib, the Holy Scriptures of the Sikhs. It is regarded as the most important Bani or 'set of verses' by the Sikhs and is recited every morning by all practicing this faith. The word 'Jap' means to 'recite' or 'to chant'. 'Ji' is a word that is used to show respect as is the word 'Sahib'. You are encouraged to read the translation several times, and the beauty of this glorious script will manifest in your mind. Harmony will come to your life as you begin to understand God and his attributes (as can be comprehended by a human), as revealed to us by God through Guru Nanak Dev Ji.
