Introduction

Blessing in disguise

A piece of cake

Actions speak louder than words

Add insult to injury

Theres cheapest chips

Barking up the wrong tree

Beat around the bush

Better late than never

Bite off

Bite the bullet

Break a leg

Break the ice

Call it a day

Cost an arm a leg

Cut corners

Dont give up the day job

Put all of your eggs in one basket

Easy does it

Every cloud has a silver lining

Get a taste of your own medicine

Get out of hand

Get something out of your system

Get your act together

The benefit of the doubt

Give someone the cold shoulder

Go back to the drawing board

Come to those who wait

Hang in there

Nail on the head

Hit the sack

Ignorance is bliss

In a nutshell
Its one to know one
Its not rocket science
Jump on the bandwagon
Keep ones chin up
Kill two birds with one stone
Leave no stone unturned
Let sleeping dogs lie
Let someone off the hook
Let the cat out of the bag
To make a long story short
To miss the boat
Neck of the wood
No pain no gain
Not ones cup of tea
Off the top of ones head
On the ball
On thin ice
Once in a blue moon
Out of someones league
Play devils advocate
Play something by ear
Pull someones leg
Pull yourself together
Rain on someones parade
Rock the boat
Save something for a rainy day
To see eye to eye
To shed light on something
To sit on the fence
To sit tight
To smell a rat
So far so good
Someone wouldnt be caught dead
Heart is in the right place
Someones jaw drops
Someones pride and joy
Someones true colors
Something rings a bell
Speak of the devil
Spill the beans
Steal someones thunder
To stick to ones guns
Take something with a pinch of salt
Take the Mickey
The Ball is in Your Court
The Best of Both worlds
The Best thing since sliced bread
The devil is in the details
The early bird gets the worm
The elephant in the room
The last straw
There are plenty more fish
Method to someones madness
No such thing as a free lunch
Through thick and thin
Make matters worse
Under the weather
Up in the air

Well cross that bridge
Wrap your head around something
You can say that again
You cant have your cake eat it too
You cant judge a book by its cover
You live and you learn
