You can go snorkelling and hiking

Fiji is the most accessible outpost of the South Pacific.

And with white sand and blue sea, it's one of the most popular countries.

On Viti Levu, you can hike at the Sigatoka Sand Dunes National Park.

Divers should head to the waters off Kadavi or Taveuni.

Chase Baker and the Humanzees from Hell

Praise for this series: VINCENT ZANDRI: #1 Kindle Book in the World, Feb. 2016 Named one of SUSPENSE MAGAZINE'S Best Books of 2014! WINNER: BEST "POTBOILER" NOVEL for 2013 by CrimeFictionBook Blog THE NO. 1 AMAZON BESTSELLER IN "OCCULT" THE NO. 1 AMAZON BESTSELLER IN "INTERNATIONAL CRIME AND MYSTERY" Fact: In the 1920s, a Soviet scientist attempted to mate humans and chimpanzees to create "humanzees." Fact: Forty years later, an apparent human-ape hybrid surfaced in the United States in the sideshow circuit, dubbed the "Minnesota Iceman." How are these two far-fetched and seemingly unrelated events connected? Adventurer and Renaissance man Chase Baker is hot on the trail of the shocking truth in "Chase Baker & the Humanzees from Hell." After a dying man's last words lead him to a Minnesota Iceman exhibit in a museum of bizarre artifacts, Chase quickly learns that the old Soviet program to breed humans and chimpanzees never ended. It's up to him to stop the development of "humanzee" super-soldiers that could serve as the catalyst for World War III. Standing in his way are biker gangs, a mad scientist and a greedy museum owner with her own ax to grind. Can Chase stop the humanzee super-soldiers before World War III breaks out? Or will he wind up a victim of the hybrid experiments themselves? Find out in "Chase Baker & the Humanzees from Hell." It's perfect for fans of Clive Cussler, Dan Brown and JR Rain.

The Shroud Key: A Chase Baker Thriller

CHASE BAKER IS ON THE HUNT FOR THE GREATEST RELIC IN HISTORY! New York Times and USA Today bestselling Thriller Award winning author Vincent Zandri takes you into the world of of acclaimed Suspense Magazine Award winning Chase Baker action/adventure series, starting with the pilot novel, THE SHROUD KEY. Chase Baker is a true Renaissance Man. He's also a man who knows how to find trouble. A part-time resident of Florence, Italy and New York City, his resume reads like a modern day Da Vinci or Casanova. Writer, treasure hunter, adventurer, and even archaeological sandhog, Chase is also lucky and more often unlucky in love. Now, at the direct request of the Florence police, he finds himself on the trail of an archaeologist by the name of Dr. Andre Manion who's gone missing from his teaching post at the American University. But having worked for the archaeologist several years ago as a sandhog on a secret but failed dig just outside the Great Pyramids in the Giza Plateau, Chase smells a renewed opportunity to uncover what, for some, just might be the most prized archaeological treasure in the world: The mortal remains of Jesus. But then, do the remains truly exist? How will Chase Baker go about solving the mystery of finding both the archaeologist and the alleged Jesus Remains? With the help of Manion's beautiful ex-wife, Chase will manage to secure an up-close and personal examination of the Shroud of Turin, not only to view the famous image of the crucified Christ, but to unlock the relic's greatest secret which is none other than a map, or a key, detailing the precise location of Jesus's body. It's a mission that will test Chase's faith in both himself and God. A romantic, action-packed, and thrilling conspiracy mystery. Fans of Clive Cussler, Dan Brown books like the Da Vinci Code, and JR Rain, will love the first installment of the Chase Baker Series from NEW YORK TIMES and USA TODAY Thriller Award winning, bestselling author, Vincent Zandri. Don't wait another minute. Get the thrilling debut to the bestselling Chase Baker action/romantic adventure series today! Then get all the thrilling Chase Baker novels: --Chase Baker and the Golden Condor --Chase Baker and the God Boy --Chase Baker and the Lincoln Curse --Chase Baker and the Dutch Diamonds --Chase Baker and the Di Vinci Divinity --Chase Baker and the Spear of Destiny --Chase Baker and the Ark of God Plus... --Chase Baker and the Viking's Secret (with Ben Sobieck) --Chase Baker and the Apocalypse Bomb (with Ben Sobieck) --Chase Baker and the Humanzees from Hell (with Ben Sobieck) What the critics are saying: : "If you put Zandri and Dan Brown in a dark Cairo back alley, I'd put money on Zandri. He went to Cairo in the middle of the Arab Spring (against the explicit wishes of the U.S. State Department), gathered materials for the book while Tahrir Square rioted ... The Shroud Key is page-turning fun for popcorn munchers." --Ben Sobieck, CrimeFictionBook Blog "Zandri has brought

back that wonderful 'quest' story ... THE SHROUD KEY is well worth every minute." --SUSPENSE MAGAZINE

The Writer's Guide to Weapons

When it comes to writing weapons, most authors shoot from the hip--and miss. The Writer's Guide to Weapons will help you hit your target every time. Firearms and knives have starring roles in a wide range of genres--crime, thriller, war, mystery, Western, and more. Unfortunately, many depictions of weapons in novels and film are pure fiction. Knowing the difference between a shotshell and a slug, a pistol and a revolver, or a switchblade and a butterfly knife is essential for imbuing your story with authenticity--and gaining popularity with discerning readers. Inside you'll find:

- An in-depth look at the basics of firearms and knives: how they work, why they work, what they look like, and how to depict them accurately in your stories.
- The biggest weapons myths in fiction, TV, and film.
- A surefire guide for choosing the correct weapon for your characters, no matter their skill level, strength, or background.
- A review of major gun and knife laws, weapons safety tips, and common police tactics.
- "The Hit List," showcasing the most popular weapons for spies, detectives, gunslingers, gangsters, military characters, and more.
- Examples highlighting inaccurate vs. accurate weapons depictions.
- An insightful foreword by David Morrell, the award-winning creator of Rambo.

Equal parts accessible, humorous, and practical, The Writer's Guide to Weapons is the one resource you need to incorporate firearms and knives into your fiction like a seasoned professional.

Chase Baker and the God Boy

AN INDIAN BOY GOD CAPTURED BY THE DEADLY THUGGEE CULT...A BEAUTIFUL, SEXY ANTHROPOLOGIST WHO HAS GONE MISSING...AN UNDERGROUND TEMPLE OF DOOM...CHASE BAKER IS UP TO HIS NECK IN ACTION AND ADVENTURE! Now Renaissance Man Chase Baker is back in action with a new adventure that takes him to mysterious India and the jungles of Nepal where he goes on the hunt for a missing God Boy born with three sets of arms and who is said to possess the ability to perform miracles. Problem is, the hunt not only involves searching for his lost love, the beautiful anthropologist, Elizabeth Flynn, it also means facing down an army of newly resurrected Thuggee Cult fanatics, their radical terrorist leader, Kashmiri, and inevitably, the evil God Kali herself. Scroll up and grab your thrilling copy now! What the critics are saying: "Filled with cliffhangers, non-stop action, and romantic suspense, the newest episode in the bestselling Chase Baker "pulp fiction" series is sure to thrill. For fans of Dan Brown, Clive Cussler, JR Rain, and more. Sensational...Masterful...Brilliant. - New York Post If you put Zandri and Dan Brown in a dark Cairo back alley, I'd put money on Zandri. Chase Baker & the Apocalypse Bomb

Humans think they're the most advanced beings on Earth, but adventurer and Renaissance man Chase Baker just stumbled onto something that will blow the lid off that fantasy for good. As Chase discovers, an even more advanced species lives side-by-side with humanity, quietly ruling the world with incredible technology. But when that technology falls into the wrong hands, it's up to Chase to stop the creation of the Apocalypse Bomb, a weapon so powerful it could destroy Earth in an instant. No less than the fate of the world rests on his success, but nefarious Men in Black, an "ultraterrestrial" with a grudge against humans and conniving UFO tourists will stop at nothing to thwart his mission. Chase Baker & the Apocalypse Bomb is a riveting ride packed with action, twists and turns. It's perfect for fans of Clive Cussler, Dan Brown and JR Rain.

Glass Eye

* A TOP 10 NOVEL FOR MYSTERIES & THRILLERS ON WATTPAD * Her psychic powers are fake, but the kidnapped girl she must find is real. Zandra is an infamous "psychic" who grifts the gullible residents of her small Wisconsin town using her wits, not anything supernatural. Her skills are put to the ultimate test when the police tap her to help find a kidnapped girl. But there's a catch. The girl's

father apparently got away with murdering Zandra's husband years ago. Can Zandra put aside her grudge for the sake of a missing child? Or is this the perfect opportunity for revenge?

Chase Baker and the Spear of Destiny

THE KIDNAPPING OF THE POPE...THE HEIST OF THE SPEAR THAT PIERCED JESUS'S SIDE AT THE CRUCIFIXION...A SURVIVING NAZI BENT ON WORLD DOMINATION...THE ONLY MAN WHO CAN STOP IT ALL IS ADVENTURER, CHASE BAKER... After surviving a bloody run-in with ISIS sympathizing bandits in the middle of Morocco's Sahara Desert, adventurer and Renaissance man, Chase Baker, finds himself in the presence of a Vatican priest who desperately needs his help. One of the church's great relics has been stolen by a surviving member of the Nazi SS. A man by the name of Adolf Rickman. The relic is none other than the spear of Longinus. The very weapon that pierced Jesus Christ's side while he hung from the cross on Golgotha. If Chase can't recover the spear, it will be used by Rickman and his neo-Nazi cohorts, to create a brand-new evil Fourth Reich. Now, along with the help of a sexy Vatican archivist and a chain-smoking priest, Chase Baker travels to Italy, the Vatican, Germany and points in between in search of the one relic that can either save mankind or obliterate it. For fans of Russell Blake, Clive Cussler, Dan Brown, Boyd Morrison, and Brad Thor comes another full-length, hair raising, Chase Baker action/adventure from New York Times and USA Today bestselling ITW Thriller Award Winner, Vincent Zandri. Filled with romance, suspense, intrigue, and just plain fun, Chase Baker and the Spear of Destiny is one wild ride. Scroll up and grab your copy now. "Non-stop action." -I Love a Mystery "Vincent Zandri nails reader's attention." -Boston Herald "(Zandri) demonstrates an uncanny knack for exposition, introducing new characters and narrative possibilities with the confidence of an old pro...Zandri does a superb job interlocking puzzle pieces" -The San Diego Union-Tribune

The Invisible Hand

While drinking in a rural North Dakota bar on the edge of the modern day oil boom Wil Reynolds is tapped by a farmer to perform a mercy kill on his sick wife. Wil gets cold feet and kills the farmer instead. Unsure of what to do next, he also kills the farmer's wife. The local sheriff and his deputy hire a private contractor named Jane to find the fugitive. But Will and a female hitchhiker named Sam set out for Man Camp, a makeshift community of oil workers squatting on the prairie. Can Wil's pursuers be far behind? And is Jane who she claims to be? Is Sam? Will anybody survive this chase as Will and Sam make a stand at his family farm? Can he escape the invisible hand of fate?

The Shroud Key

Writer and adventurer Chase Baker seeks out the most sacred relic of all time--the mortal remains of Jesus Christ.

Exiles

"ABRAHAM LINCOLN'S CURSE...LEONARDO'S DA VINCI'S LOST CAVE...THE LOST BIBLE CODICES...CHASE BAKER UNCOVERS THEM ALL. PROBLEM IS, SO DO THE BAD GUYS..." In this volume of the bestselling Action & Adventure, romantic suspense series: Book 1: CHASE BAKER AND THE LINCOLN CURSE Renaissance man and adventurer, Chase Baker, goes in search of a cursed dress stained with Abraham Lincoln's blood from the woman who wore it in the Presidential Box at Ford's Theater on the night he was assassinated by John Wilkes Booth on the heels of the Civil War... Book 2: CHASE BAKER AND THE DA VINCI DIVINITY The Da Vinci Code isn't the entire story. In this book, Chase attempts to uncover a legendary cave in the Northern Italian forest before a team of Russian and Iranian hardliners do. What's so important about the cave? It's the place where Leonardo Da Vinci received divine inspiration which enabled him to create other worldly inventions and works of art including the Mona Lisa... Book 3: CHASE BAKER AND THE SEVENTH SEAL Chase travels to Israel to prevent Armageddon by uncovering the Seven Seals, or Bible Codices, that are said to rival the Dead Sea Scrolls in historical significance, but that also contain a direct connection not only to God, but to Satan. Is it the end of the world as we know it as the forces of good and evil prepare to do battle? Tune in to find out... The Chase Baker Trilogy Volume II, is an affordable way to spend the weekend binging award-winning men's and women's action & adventure and romantic suspense. For fans of Clive Cussler, Dan Brown, and JR Rain, from NEW YORK TIMES and USA TODAY Bestselling ITW Thriller Award winner, Vincent Zandri. Grab this bundle today and binge away the weekend! Praise and accolades for THE SHROUD KEY, the 1st novel in the Chase

His 'Chase Baker' character is cocky, smart, and multi-talented, but with that brotherly quality that reminds you of a best friend in school. These are the types of characters we remember and follow, and Zandri does them with flair, along with non-stop action and a surprise ending. What thriller reader could not love that? ... THE SHROUD KEY is well worth every minute." -- SUSPENSE MAGAZINE

The Chase Baker Trilogy: Volume II

A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. Hokum! is the first book to take a comprehensive view of short-subject slapstick comedy in the early sound era. Challenging the received wisdom that sound destroyed the slapstick tradition, author Rob King explores the slapstick short's Depression-era development against a backdrop of changes in film industry practice, comedic tastes, and moviegoing culture. Each chapter is grounded in case studies of comedians and comic teams, including the Three Stooges, Laurel and Hardy, and Robert Benchley. The book also examines how the past legacy of silent-era slapstick was subsequently reimagined as part of a nostalgic mythology of Hollywood's youth.

Hokum!

The second novel from the critically acclaimed writer of Pike, which was nominated for France's prestigious Grand Prix de Littérature Policière crime fiction award and "easily rivals Larry Brown's most renowned novels" (Spinetingler Magazine). In the tradition of Cormac McCarthy and Larry Brown comes a haunting story about men, their fathers, their sons, and the legacy of violence. For Patterson Wells, disaster is the norm. Working alongside dangerous, desperate, itinerant men as a tree clearer in disaster zones, he's still dealing with the loss of his young son. Writing letters to the boy offers some solace. The bottle gives more. Upon a return trip to Colorado, Patterson stops to go fishing with an old acquaintance, only to find him in a meth-induced delirium and keeping a woman tied up in the bathtub. In the ensuing chain of events, which will test not only his future but his past, Patterson tries to do the right thing. Still, in the lives of those he knows, violence and justice have made of each other strange, intoxicating bedfellows. Hailed as "the next great American writer" (Frank Bill, author of Crimes in Southern Indiana), Benjamin Whitmer has crafted a literary triumph that is by turns harrowing, darkly comic, and wise.

Cry Father

THE SECRET BEHIND LEONARDO DA VINCI'S DIVINE GIFTS LIE INSIDE A SECRET CAVE IN THE TUSCAN FOREST. IT'S CHASE BAKER'S JOB TO FIND IT BEFORE AN UNSPEAKABLE ENEMY BENT ON WORLD DOMINATION GETS TO IT FIRST. When a sharp witted and attractive young woman by the name of Andrea Gallo claims to be a fan of his pulp novels, Chase can't resist falling head over heels. But that night, while the two enjoy a romantic evening of wine and love in his Florence apartment, he is suddenly abducted from his bed by two thugs who turn out not only to be working for Great Britain's infamous MI-16, but also working side-by-side Gallo. Duped once again, Chase wants to bid his newfound romance a quick "arrivederci" and be on his way. But when it's revealed they desperately need his help to uncover a legendary cave in the Northern Italian forest before a team of Russian and Iranian hardliners do, he feels compelled to help out, regardless of their rather unsound method of capturing his attention... But what's so special about the cave? It's said to be the very same cave that Leonardo da Vinci discovered as a young man back in the mid-fifteenth century, and where he not only learned the secrets behind his many inventions, including the airplane, but where he was exposed to the very meaning behind God's divine plan for mankind. Why is the MI-16 so desperate to uncover the cave before the bad guys do? Whoever discovers it first will possess the knowledge and

the power to take over the world... Chase Baker and the Da Vinci Divinity is a romantic, action-packed, and thrilling conspiracy mystery for fans of Clive Cussler, Dan Brown, and JR Rain, from NEW YORK TIMES and USA TODAY bestselling author, Vincent Zandri. Scroll up and grab a copy of Chase Baker and the Da Vinci Divinity today.

Chase Baker and the Da Vinci Divinity

Hunted by his former comrades and labeled a traitor after he refuses to murder an innocent Afghan family, Mason Kane works to unravel a conspiracy that reaches all the way up to the highest levels of the government.

Clear by Fire

Concealed Carry for Women explains the mindset, skills, equipment and accessories necessary for successful concealed carry, with a focus on challenges unique to women. This book will help you: Decide to carry a gun for self defense The legalities and society's unwritten rules for armed citizens Shooting skills for concealed carry Integrating a concealed handgun into one's life Selecting a handgun How holsters work with the female figure Women's fashions and concealed carry: what works, what doesn't "Over the 18 years I've hosted Tom Gresham's Gun Talk radio show, I've taken calls from women all over the country, asking questions about whether it's smart to get a gun, what kind of gun to get, how to carry and the issues particular to women who carry. "In Concealed Carry for Women, Gila Hayes covers the basics of handgun and equipment choices and techniques of shooting. She also addresses issues unique to women. Should I? Why? Can I? How do I? What if? What will people think? How can I carry a defensive handgun and still dress like a woman? "Concealed Carry for Women is an easy read of a serious subject. With nearly every turn of the page there is an 'I never thought of that' nugget. This is a work you will reread several times, getting more with each visit." --Tom Gresham, Host of Tom Gresham's Gun Talk radio show

Concealed Carry for Women

Understand the Hottest Issues Surrounding Concealed Carry! Fantasy Football Guidebook

In the second book of the explosive Search and Destroy thriller series, Mason Kane—a special ops hero with a questionable past, joins forces with the CIA to neutralize a radical off shoot of ISIS and unravel a conspiracy emanating from the White House's inner sanctum. After almost losing his life, foiling a terror plot that threatened to draw the United States into another war—Mason Kane, disgraced American soldier, and special operations legend is still on the governments blacklist. To finally clear his name, Mason strikes a deal with the CIA—throwing himself back into the deadly world of black ops. But when an asset tied to ISIS leads an old friend into a trap, Mason goes off the grid, and finds himself

trapped in the middle of a plot involving an extremely violent and highly capable terror cell—with ties to the President's inner circle. With the help of Renee Hart, a DOD operative, and a team of elite special ops soldiers, Mason is determined to stop an attack aimed at crippling the US military before time runs out. Set in the shadows of the war on terror, and inspired by experiences of 82nd Airborne Paratrooper Joshua Hood, *Warning Order* is an action packed thriller full of shocking twists and non-stop action that throws the reader into the murky world of clandestine operations.

Warning Order

Is the American Civil War really over? Renaissance Man and Adventurer Chase Baker rarely visits home in upstate NY. But when his late dad's resting place is about to be interred to make way for a new road, he volunteers to operate the backhoe. It's the least he can do for a father who was always there to help Chase, the young man. But what he doesn't expect is a job offer by the local Albany Police Department to look into a missing elderly couple. Maybe Chase wants nothing more than to get back to New York City to work on his latest novel, but when the detective in charge happens to mention the couple lived in the same house as Clara Harris and Union Major Henry Rathbone, the young couple who accompanied President Abraham Lincoln in the Presidential Box on the night of his assassination back in 1865, he puts his plans on hold. What makes the job impossible to ignore (aside from the badly needed payday) is that Clara Harris's dress which is rumored to be soaked with Lincoln's blood, is also said to be stored inside a secret vault somewhere in the house. While Chase decides to take on the job of looking for the old couple, he can't help but put his treasure hunting tools to work in searching for the dress first. Standing in his way, however, is not only an egocentric and murderous Civil War Reenactment historian who believes he is the reincarnation of John Wilkes Booth, but more importantly, the dress itself. A dress that bears the blood of the Lincoln Curse. ããã Filled with romantic suspense, real history and alternative history, cliffhangers, action, and paranormal dream-like events, the newest novella-length episode in the bestselling, award-winning Chase Baker "pulp fiction" series is sure to thrill. For fans of Dan Brown, Clive Cussler, JR Rain, and more. Grab your thrilling copy now! If you put Zandri and Dan Brown in a dark Cairo back alley, I'd put money on Zandri. He went to Cairo in the middle of the Arab Spring (against the explicit wishes of the U.S. State Department), gathered materials for the book while Tahrir Square rioted ... The Shroud Key is page-turning fun for popcorn munchers. -Ben Sobieck, CrimeFictionBook Blog ããã Sensational...Masterful...Brilliant. -New York Post Zandri has brought back that wonderful quest story ... THE SHROUD KEY is well worth every minute. -SUSPENSE MAGAZINE

Chase Baker and the Lincoln Curse

It's as if we're living in an episode of the Twilight Zone. Every day we are inundated by news reports, trending topics on social media, and new political movements promoting such bizarre beliefs about race, gender, sexuality, and life in general, that it's impossible in many cases to distinguish whether such ideas are serious or if they're a parody of what liberalism has become. The political differences between liberals and conservatives used to be pretty well established, but recently the tug of war between the Left and the Right took a dramatic and disturbing turn. Modern liberalism has been replaced with new mind-boggling agendas promoting the adoption of unscientific, authoritarian, and sociologically disastrous ideologies. In attempts to accomplish their plans, the Left are conspiring to end freedom of speech, traditional families, long-cherished holidays, and hope to implement a new world order. Who is behind this madness? What is their ultimate goal? How far are they willing to go to achieve it? And what can we do to stop them? Bestselling author and media analyst Mark Dice takes you on a tour inside the minds of those constructing this new social landscape in his groundbreaking investigation: *Liberalism: Find a Cure*.

Liberalism

When Renaissance man and adventurer, Chase Baker, is contracted by a rich young rare book dealer to uncover seven metal Bible codices or books which rival the Dead Sea Scrolls in Biblical historical significance, he also discovers that the seventh book is sealed with a metal not found on this earth. A metal so impenetrable it can only be broken by God or Satan. Whatever the case, the breaking of the seventh seal means one thing and one thing only: the end of the world as we know it. While Chase will stop at nothing to find the missing codices he discovers that the evil Soldiers of the Expected One led by their leader Ansar Al-Mahdi, have taken possession of them so that they may find a way to break the seal and plunge the world into darkness. Chase, along with a beautiful young long brunette-haired

New York City-based Biblical History scholar named, Magda, and an unruly team of Hasidic Jews, must defeat Mahdi before they can take possession of the books. They find themselves not only fighting the fierce evil force, they must scale Jerusalem's Old City walls, crawl down into the Western Wall foundations deep inside its tunnels, fight off all manner of prey and obstacles from giant spiders to the Israeli Army to evil Nazi zombies who rise up from the dead in the Valley of Magida in anticipation of the Second Coming and along with it, Armageddon. Chase Baker and the Seventh Seal is a romantic, action-packed, alternative history, and thrilling conspiracy mystery for fans of Clive Cussler, Dan Brown, and JR Rain, from NEW YORK TIMES and USA TODAY bestselling author, Vincent Zandri.

Chase Baker and the Seventh Seal

Engage with the Next Generation of Writers! Wattpad is an online storytelling community where users can post their writing, such as articles, stories, novels, fan fiction, and poems. This platform offers writers the chance to connect directly with readers, fans, and story enthusiasts. With the ability to release stories and chapters one at a time, authors can receive continual encouragement and real-time feedback on their work. The Wattpad staff supports successful writers through their Stars program, which provides them opportunities to work with successful brands, publish to print, connect to film and television industries, and more. The potential of Wattpad for writers is limitless, and, for the first-time ever, the staff, writers, and stars of Wattpad have created the guide to help you launch and sustain a successful writing career through this platform. In The Writer's Guide to Wattpad, you'll learn how to:

- Get started using Wattpad, prepare your writing to be published, and develop a unique cover design.
- Interact with readers, use multimedia to enhance and tell stories, and leverage social media to create a stronger platform.
- Attract the attention of an agent or publisher and sell copies of your work elsewhere.
- Tap into the brand of Wattpad to understand their Stars Program, brand campaigns, and what success looks like.

Written to be accessible to beginners and veterans alike, The Writer's Guide to Wattpad is your essential companion to navigating the Wattpad platform and brand, and leveraging your writing to millions of users worldwide.

The Writer's Guide to Wattpad

Just because you don't have all the tools and training of a full-time medical examiner, doesn't mean you can't learn your way around a crime scene. In Forensics, award-winning author and TV show consultant D.P. Lyle, M.D., takes each area of forensics—from fingerprint analysis to crime scene reconstruction—and discusses its development, how the science works, how it helps in crime solving, and how you as a writer might use this technique in crafting your plot. This comprehensive reference guide includes:

- Real-life case files and the role forensic evidence played in solving the crimes
- A breakdown of the forensics system from its history and organization to standard evidence classification and collection methods
- Detailed information on what a dead body can reveal—including the cause, mechanism, and manner of death
- The actual steps taken to preserve a crime scene and the evidence that can be gathered there, such as bloodstains, documents, fingerprints, tire impressions, and more

Forensics is the ultimate resource for learning how to accurately imbue your stories with authentic details of untimely demises.

Howdunit Forensics

A Silence of the Lambs-style yarn that takes us into not one, but two criminal minds: a twisted psychopathic killer and a cat-burglar who stumbles upon and steals his fetishized "precious." There is hell to pay for them both as a result.

Wings of Mayhem

The first book in the award-winning Shadows of Time series introduces John Roley, Tim Jackson, and 2 intelligent computer prototypes known as ISAC-9. During their vacation, they are surprised to find that they have been proclaimed to be the guardians of time, a confusing situation since none of them had even been aware they were up for consideration. Before they have a chance to fully absorb this information (or decline the offer) they are thrown back in time to a point near the end of Mayan civilization. Immediately John is captured by Mayans, Tim is rescued by a group of people whose technology has no business existing anywhere, and both discover that real history is considerably more messed up than anyone could have imagined.

Shadows of Time

Skills to Save A Life Whether you are miles from help or immersed in an urban disaster situation, every second counts during a medical emergency. This book will help you take quick, effective action to stabilize the situation. The easy-to-follow, step-by-step instruction in this book will help you prevent or respond to: • Dehydration • Hypothermia, frostbite and heatstroke • Skin wounds including burns, cuts, bites and gunshots • Anaphylaxis, allergic reactions and rashes • Broken bones and injured joints Plus you'll find detailed packing lists for survival first aid kits of all sizes. This pocket-sized manual is perfect for packing in first aid kits, bug out bags, day-hiking packs and vehicle kits. Medical emergencies are unplanned and unpredictable, but you can be prepared. Arm yourself with knowledge that can save a life.

Melodious Accord

Does the Ark of the Covenant, or what's also known as the Ark of God, truly exist? Adventurer, writer, and treasure hunter, Chase Baker is about to find out, the hard way. Adventurer, Chase Baker is back in the thick of it. This time, he along with his sexy and adventuring archaeologist partner, Dr. Sarah Gibson, are entrusted by both a wealthy financier and an old English, Paris based Biblical scholar to unearth perhaps the greatest archaeological treasure of all time: The Ark of the Covenant. Or what's also known as the Ark of God. An adventure that begins in the mean streets of hot downtown Cairo, then reaches downtown Paris, and that quickly leads to the disputed Biblical territories of Old Jerusalem, Chase and Sarah encounter bandits who know precisely what their mission is. To find the Ark of God and deliver it to government officials in the United States. But the ark is a force of unspeakable power. Any nation that has it in its possession is said to be undefeatable in time of war. It's a somewhat familiar plot that was played out in Hollywood by Indiana Jones back when Chase was just a boy. But now that he's a man, he realizes just how real the power of the ark truly is. Not only is Communist China on the hunt for the Ark, but so are radical Jihadists, bent on using its power to destroy western civilization. What the rugged adventurer will also discover, is that the Lost Ark of God is to be found in the most unlikely of places. Deep under Golgotha, or the hill where Jesus was crucified 2,000 years ago. Once he and Sarah gain entry to the tunnel, they will face several potentially deadly challenges and booby-traps that will not only test their skill as adventurers, but also their very belief in the power of God. What they are in for, is one terrifying journey that will leave readers begging for more. If you love gripping romance, adventure, non-stop action, occult and alternative history novels, the newest installment in the bestselling, Suspense Magazine Award winning thriller, Chase Baker and the Lost Ark of God, is definitely for you. For fans of Dan Brown, Clive Cussler, J. Robert Kennedy and more, comes an edge-of-your seat adventure from New York Times and USA Today bestselling Thriller and Shamus Award winning author, Vincent Zandri. Don't wait another minute. Scroll up and grab the latest episode in the bestselling Chase Baker action/romantic adventure series today: Chase Baker and the Lost Ark of God! What the critics are saying: "If you put Zandri and Dan Brown in a dark Cairo back alley, I'd put money on Zandri. He went to Cairo in the middle of the Arab Spring (against the explicit wishes of the U.S. State Department), gathered materials for the book while Tahrir Square rioted ... The Shroud Key is page-turning fun for popcorn munchers."--Ben Sobieck, CrimeFictionBook Blog "Zandri has brought back that wonderful 'quest' story ... THE SHROUD KEY is well worth every minute."--SUSPENSE MAGAZINE

Living Ready Pocket Manual - First Aid

During the height of the Cold War, a naive computer nerd working first for the NSA, and then for the CIA, dreams of becoming a clandestine intelligence officer. After a very successful tour of duty in Iran, his new boss, the Vienna CIA Station Chief, is calling him the "luckiest man in the world". Nevertheless, he's managed to accidentally attract the enmity of the KGB, the malevolent attention of an East German seductress, and the absolute hatred of a psychopathic KGB mole at the heart of Austria's counter-intelligence agency. Will he be lucky enough, or skillful enough, to survive all these forces now converging to destroy him before he ever has a chance to realize his dream?

Chase Baker and the Lost Ark of God

DigiCat Publishing presents to you this special edition of "On The Art of Reading" by Arthur Quiller-Couch. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Trapped in a Hall of Mirrors

Characters: 3 male, 2 female Unit Set Olive Fisher is an elderly character actress whose claim to fame were the iconic "Gimme the Sausage" commercials of the 1980's. She's a classic New York curmudgeon, at war with the world and in particular her next door neighbors. Her closed-off life is shaken by the appearance of a spectral male figure viewed through her living room mirror. A series of strange and outrageous coincidences reveals that the man in the mirror has intimate links to every

On The Art of Reading

Opening with David Mancuso's seminal "Love Saves the Day" Valentine's party, Tim Lawrence tells the definitive story of American dance music culture in the 1970s—from its subterranean roots in NoHo and Hell's Kitchen to its gaudy blossoming in midtown Manhattan to its wildfire transmission through America's suburbs and urban hotspots such as Chicago, Boston, San Francisco, Los Angeles, Newark, and Miami. Tales of nocturnal journeys, radical music making, and polymorphous sexuality flow through the arteries of Love Saves the Day like hot liquid vinyl. They are interspersed with a detailed examination of the era's most powerful djs, the venues in which they played, and the records they loved to spin—as well as the labels, musicians, vocalists, producers, remixers, party promoters, journalists, and dance crowds that fueled dance music's tireless engine. Love Saves the Day includes material from over three hundred original interviews with the scene's most influential players, including David Mancuso, Nicky Siano, Tom Moulton, Loleatta Holloway, Giorgio Moroder, Francis Grasso, Frankie Knuckles, and Earl Young. It incorporates more than twenty special dj discographies—listing the favorite records of the most important spinners of the disco decade—and a more general discography cataloging some six hundred releases. Love Saves the Day also contains a unique collection of more than seventy rare photos.

Olive and the Bitter Herbs

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Love Saves the Day

Get your adventure on! Chase Baker is famous for seeking out ancient antiquities and treasure from some of the most exotic, not to mention, dangerous locales on earth. But when he runs into fellow author, Les Edgerton, at SuspenseFest, a conference for thriller writers in NYC, the two get talking about the 1930's notorious gangster, Dutch Schultz, and the legend of his hidden treasure which is said to be buried in a little town in Upstate New York. Feeling fine from a few drinks at the hotel bar, Chase and Les decide to skip the festival in order to seek out some real suspense. That is, the location of the Dutch Schultz Treasure. Little do they know but another writer, a beautiful and talented author of true crime stories, will tail them all the way upstate. When she finally connects with them, she reveals her personal connection to the Schultz treasure which purportedly contains a fistful of priceless blue diamonds that were transported to America back in the mid-1800s by slaves. Slaves who, it turns out, were her great, great, grandparents. Armed with a map carved into the back of a man's skull, and having to fight off a team of very crooked and greedy Russians who are also seeking out the treasure, Chase and his team of literary irregulars land themselves into a heap of trouble and

hair-raising adventures that promise to put them not only in prison, but in the hospital. For fans of Dan Brown, J.R. Rain, Clive Cussler, and Russell Blake, bestselling Thriller Award winner Vincent Zandri delivers the latest in the romantic action & adventure pulp series. Suspense Magazine voted it as one of "The Best of 2014." "Sensational... Masterful... Brilliant." --New York Post "The action never wanes." --Fort Lauderdale Sun-Sentinel "Gritty, fast-paced, lyrical and haunting." --Harlan Coben, bestselling author of Six Years "Tough, stylish, heartbreaking." --Don Winslow, bestselling author of Savages "Non-stop action." --I Love a Mystery "Vincent Zandri nails reader's attention." --Boston Herald "(Zandri) demonstrates an uncanny knack for exposition, introducing new characters and narrative possibilities with the confidence of an old pro... Zandri does a superb job interlocking puzzle pieces." --The San Diego Union-Tribune "Zandri has brought back that wonderful 'quest' story that keeps the reader alert and pinging with anticipation from beginning to end. His 'Chase Baker' character is cocky, smart, and multi-talented, but with that brotherly quality that reminds you of a best friend in school. These are the types of characters we remember and follow, and Zandri does them with flair, along with non-stop action and a surprise ending. What thriller reader could not love that? ... The Shroud Key is well worth every minute." -- Suspense Magazine

The Words We Use

There have never been more bullet choices for today's shooters and hunters, and in this indispensable guide to modern bullets, ballisticsian Philip P. Massaro expertly breaks down every facet of proper bullet selection for hunting, competition, target shooting, and self-defense. Understanding Ballistics: Complete Guide to Bullet Selection gives you: Detailed overviews of almost all available bullets in factory-loaded and component form. More caliber/bullet combinations than any other book on the subject. Best bullet choices for rimfire and centerfire rifles and handguns.

Chase Baker and the Dutch Diamonds

"Learn how to survive until help arrives"--Page 2 of cover.

Understanding Ballistics

"Les Standiford's account of the decades-long attempt to solve the murder of Adam Walsh is chilling, heartbreaking, hopeful, and as relentlessly suspenseful as anything I've ever read. A triumph in every way." —Dennis Lehane, author of Mystic River "The most significant missing child case since the Lindbergh's.... A taut, compelling and often touching book about a long march to justice." —Scott Turow, author of Presumed Innocent The abduction that changed America forever, the 1981 kidnapping and murder of six-year-old Adam Walsh—son of John Walsh, host of the Fox TV series America's Most Wanted—in Hollywood, Florida, was a crime that went unsolved for a quarter of a century. Bringing Adam Home by author Les Standiford is a harrowing account of the terrible crime and its dramatic consequences, the emotional story of a father and mother's efforts to seek justice and resolve the loss of their child, and a compelling portrait of Miami Beach Homicide Detective Joe Matthews, whose unwavering dedication brought the Adam Walsh case to its resolution.

Outdoor Survival

Vigilante detective Emily Stone continues her covert pursuits to find serial killers and child abductors, all under the radar while shadowing police investigations. Following the clues from California to the garden island of Kauai, she begins to piece together the evidence. Locals aren't talking as a serial killer now stalks the island, taking women in a brutal frenzy of ancient superstitions and folklore.

Bringing Adam Home

This book is about the American Arts scene in the early 1920s. Seldes devotes a chapter to each of the arts. These are motion pictures; music; US. theater; dance; journalism; circus and American Wit and Humour. Several prominent practitioners of the time are discussed.

Professor's explanation on how anesthesia affects your brain.

Sadhguru's explanation on difference between consciousness and jaagrithi (wakefulness).

How can we use the yogic insights and adapt them into anesthesiology ?

People lose sense of time both during enlightenment and during anesthesia. Why ?

Discussion on space and time from a yogic perspective.

How can we use your enlightenment experiences to solve the issues in the world ?

How can we put aside memory and intelligence when those are the biggest gifts to us ?

What are your thoughts on near-death experience ?
