

Supportive Cancer Care With Chinese Medicine

[#chinese medicine cancer care](#) [#supportive cancer therapy](#) [#acupuncture for cancer support](#) [#herbal medicine cancer](#) [#integrative oncology chinese medicine](#)

Explore the benefits of traditional Chinese medicine (TCM) in providing supportive care for cancer patients, complementing conventional treatments. This integrative approach utilizes therapies like acupuncture and herbal medicine to help manage treatment side effects, alleviate symptoms, and significantly improve the overall quality of life and well-being for individuals undergoing cancer therapy.
