So I Claimed a Polar Bear

I made a massive mistake in the heat of the moment with bear shifter Bjorn. Not only is he my coworker, but I can't stand the big, gorgeous beast. I haven't been able to stop thinking of him since that night—okay, since we discovered an ancient mating relic on the last episode of *The Mating Game*. After confiding my predicament to host and fairy dragmother Bibi le Bonnet, she convinces me to become a contestant on the show. Problem is, my last job in the public eye crashed and burned—thanks to Bjorn. I expect the paparazzi to have a field day, but they're not the ones I need to worry about. My mother sees my latest shot at fame as the perfect vehicle to revive the reality show that canceled us both. I'll get three questions. Can I play by the rules this time? Will I ever be able to look at Bjorn with experiencing white-hot rage? Or thinking about what his gorgeous body looks like naked? Three potential suitors. When Bibi puts Bjorn on stage with me, I swear I won't pick him. But I think the bear might actually want me. And worse, I might want him just as much. And three dates to find my forever. Bjorn's a completely different bear when he's not behind the camera. I'll do whatever it takes to make sure these feelings are for real, even if it puts me at odds with every shifter in Sunset Springs. And Mom will use every cheap reality show trick in the book to keep me away from him. But when the bear delivers a plot twist that none of us saw coming, our lives will never be the same.

Beast Behaving Badly

"Shelly Laurenston's shifter books are full of oddball characters, strong females with attitude and dialogue that can have you laughing out loud." —The Philadelphia Inquirer Some men just have more to offer. Like hard-muscled, shape-shifting Bo Novikov--part polar bear, part lion, pure alpha... Ten years after Blayne Thorpe first encountered Bo Novikov, she still can't get the smooth-talking shifter out of her head. Now he's shadowing her in New York--all seven-plus feet of him--determined to protect her from stalkers who want to use her in shifter dogfights. Even if he has to drag her off to an isolated Maine town where the only neighbors are other bears almost as crazy as he is. Let sleeping dogs lie. Bo knows it's good advice, but he can't leave Blayne be. Blame it on her sweet sexiness--or his hunch that there's more to this little wolfdog than meets the eye. Blayne has depths he hasn't yet begun to fathom--much as he'd like to. She may insist Bo's nothing but a pain in her delectable behind, but polar bears have patience in spades. Soon she'll realize how good they can be together. And when she does, animal instinct tells him it'll be worth the wait... In no way can he reveal the truth to her. Yet, just that connection between them pushes them to go beyond his self-imposed boundaries with both a client and a human. Alicia is fascinated with Rob, not only because he's rugged and handsome and just as interested in her, he intrigues her like no other man has ever done when her touching him reveals he has abilities like she has. Ice Bear Blues

"I've got a polar bear in my bed. Didn't think I'd ever get to say that. A very warm, soft, cosy polar bear." About to be sold off to the highest bidder, Isla chooses instead to escape over the frozen sea to an unknown Scottish island. There, she finds herself surrounded by four mysterious men. They seem to care for her, but Isla soon discovers she's not as safe as she thought. The four strangers are bear shifters; very hot bear shifters with an aversion to wearing clothes. In the midst of winter, the bear within takes over, leaving Isla wondering if she is safe with them. Can she keep her hormones under control and tame her four shifters? And is it possible to stay human while living with bears? A full-length dystopian reverse harem novel set in Scotland. Be warned, this book contains four sexy bear shifters that will make your blood boil and your ovaries scream. 18+.

Polar Bears Live on Ice

Second chances are great. Or are they? Why doesn't sexy shifter Jake Evans, known to the Bear Canyon Valley shifters as Doc get it? Mae's brewing up a storm. She's successful at finding mates for all the shifters in the valley. All but one. The one she's in love with. Oh, Jake gets it alright. What he doesn't get is why Mae fights it. He also doesn't know about her secret. Yet.

Polar Destiny

Bear shifter Rune hates wolf shifters. Wolves and the hunter organisation Archangel have taken too much from him and the only good wolf is a dead wolf... so when a howl goes up in Black Ridge territory, Rune is out for blood. Only he's not prepared for the sleek, beautiful and fiery female he finds trapped in a hunter's snare... or the shadow of his past she has on her tail. On the run from a pack leader determined to enslave her, Callie is desperate to reach the sanctuary of the White Wolf pack. When she finds herself caught in a trap, things look as if they can't get any worse... until a mountain of a man emerges from the night, an ice-cold bear who is equal parts alluring and terrifying, and might just be the key to securing her freedom. Can Callie crack the ice around Rune's heart and convince him to help her? And when the price of his revenge is risking getting another female killed, will Rune be willing to pay it? Attraction

A note from Audrey: Some series can be read out of order - this isn't one of them. Start with Alpha and welcome to Ghost Mountain! That day when a polar bear shifter arrives in a plane full of purple yarn and all hell breaks loose... Ronan is coming. He's a big bear--an enormous bear--and arriving at Ghost Mountain is going to change the shape of who he is forever. All it will take is a little engineering, a lot of duct tape, and a pack willing to use history and hope to do the impossible.

Unleashed by her Bear

Sometimes wishes do come true... Collection containing books 1 through 3 in the sweet, feel-good, holiday-themed, bear shifter Beary Christmas series. Collection contains: A Very Beary Christmas: As a child, Chloe believed in the magic of Christmas and made two impossible wishes: to turn into a bear so that no one would ever hurt her again, and to live in a real, loving home. Now that she's all grown-up, she knows better than to wish for silly things... but will finding Sam make her believe again? Going Polar: Veterinarian Lainey decides to spend the holidays in tiny Aurora Falls — where she's strangely drawn to massive, handsome Finn. What she doesn't know is that Finn is a polar bear shifter... and he's just found his mate. Bearly Festive: Ben wants a soul mate who doesn't mind sharing his forested mountain paradise. Allie wants to find the peace and love she reads about in romance novels. Neither believes their wishes will come true, because somewhere along the line, they've forgotten about the magic to be found in a Christmas snowstorm.
