Warrior

Two women. One soul. Mirage wasn't supposed to exist. Born from the ritual that gives the witches of Starfall their power, she should have been destroyed. Instead she survived, and grew up to become one of the most lethal Hunters the land has ever seen. Miryo wasn't supposed to fail. But when her initiation at Starfall goes awry, she realizes her double is still alive. Now she must hunt down Mirage and put an end to something that should never have begun. But how can a witch kill the perfect warrior, when her own magic is trying to kill her?

Doppelganger

Doppelgangers are monsters, hardwired for murder. They are not supposed to have doubts, but this one does. He wishes he could be different. More human, maybe. But even that can't stop him from killing people so he can take their places and live their lives. He has to do it; it's who he is. But when the doppelganger murders a small-town teenager, assumes his shape, and takes over his life, he's shocked by the world he steps into. Engulfed in a whirlwind of peer pressure, messy family dynamics, and a provocative relationship with a beautiful girl, he quickly learns that there's more than one way to be human, and many ways to be a monster. Told in the tortured voice of a most extraordinary teen, this contemporary gothic romance brews a captivating combination of violence, desire, and atonement. Here is the story of a monster yearning for a human life.

The Doppelganger Omnibus

For centuries, the witches of Starfall have served the people of the fourteen domains while keeping their own secrets close. No one outside their ranks knows their power comes from a ritual that divides each newborn daughter in two: the witch, infused with magic, and the doppelganger, a soulless shell that is soon destroyed. Not all of the doppelgangers are dead, though, and their battle to survive will plunge Starfall into crisis. So long as her doppelganger lives, a witch cannot control her magic. But there are secrets even the witches do not know, and the doppelgangers hold power of their own . . .

This omnibus includes the novels from the novel duology *Warrior and Witch*, as well as the prequel novella "Dancing the Warrior."

Dancing the Warrior

Those who serve the Warrior face the harshest of discipline. Trained from a young age to become lethal Hunters, they have no room in their ranks for the weak -- or for those who join them late. Her entire life, Seniade has felt a bond with the Warrior. Becoming a Hunter ought to be a dream come true. But first she has to prove herself worthy to stay . . . and she might just kill herself trying. *Dancing the Warrior* is a standalone novella set before the events of the novels *Warrior and Witch*, by the author of the acclaimed *Memoirs of Lady Trent* series.

Doppelganger

When a witch is born, a doppelganger is created. For a witch to master her powers, the twin must be killed. But what happens when the doppelganger survives? This debut is an original adventure fantasy about a young witch who must kill her twin in order to survive. Original.

Warrior and Witch

When a witch is born, a doppelganger is created. For the witch to master her powers, the twin must be killed. Or so it was believed for centuries . . . Once Mirei discovered that merging with a doppelganger gave a witch more power than killing them, the witches at Starfall have been in an uproar (*Doppelganger*; 4/06). Her heresy goes against centuries of teaching and the accepted practice of murdering their doubles. On a quest to collect the surviving doppelgangers, Mirei is unsurprised to discover that there are still witches at Starfall who side against her and her unorthodox ways. But worse, her fellow hunter and closest friend, Eclipse, has been captured by these same witches and has no choice but to swear a blood oath to kill Mirei. If he fails his blood oath, he will die. With the witches divided, and Starfall itself in the middle of a civil war, Mirei will have to choose between saving her friend and figuring out away to unite Starfall before it's too late.

Witch

When a witch is born, a doppelganger is created. For the witch to master her powers, the twin must be killed. Until now... Created by the merging of witch and doppelganger, Mirei is a unique being. Her extraordinary magic makes her the most powerful witch alive -- and a notorious social outcast. While Satomi, the leader of the witches' ruling Primes, hails Mirei as a miracle, rival Primes proclaim that Mirei is an evil abomination...and that those who champion her must be destroyed. Now the different witch factions engage in a bloody war with magic, treachery, and murder. But both sides may be fighting for nothing. For the power that the rebel Primes fear, the magic that Mirei alone possesses, is killing her.

A Natural History of Dragons

"You, dear reader, continue at your own risk. It is not for the faint of heart--no more so than the study of dragons itself..." From Scirland to the farthest reaches of Eriga, Isabella, Lady Trent is known to be the world's preeminent dragon naturalist. She is the remarkable woman who brought the study of dragons out of the misty shadows of myth into the clear light of modern science. But before she became the illustrious figure we know today, there was a bookish young woman whose passion for learning and natural history defied the stifling conventions of her day. Here at last, in her own words, is the true story of a pioneering spirit who risked her reputation, her prospects and her fragile flesh to satisfy her scientific curiosity; of how she sought true love and happiness despite her lamentable eccentricities; and of her thrilling expedition to the perilous mountains of Vystrana, where she made the first of many historic discoveries that would change the world forever.

Daughter of Necessity

By day she crafts; by night she unmakes. Surely somewhere, in all the myriad crossings of the threads, there is a future in which all will be well. Marie Brennan offers an intriguing new spin on a classic tale. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Turning Darkness into Light

A brand-new adventure set in the hugely popular A Natural History of Dragons universe – a delightful Victorian-esque fantasy. As the renowned granddaughter of Isabella Camherst (Lady Trent, of the riveting and daring Draconic adventure memoirs) Audrey Camherst has always known she, too, would want to make her scholarly mark upon a chosen field of study. When Lord Gleinleigh recruits Audrey to decipher a series of ancient tablets holding the secrets of the ancient Draconeian civilization, she has no idea that her research will plunge her into an intricate conspiracy, one meant to incite rebellion and invoke war. Alongside dearest childhood friend and fellow archeologist Kudshayn, she must find proof of the conspiracy before it's too late.

Voyage of the Basilisk: A Memoir by Lady Trent

Six years after her perilous exploits in Eriga, Isabella embarks on her most ambitious expedition yet: a two-year trip around the world to study all manner of dragons in every place they might be found, from feathered serpents in the ruins of a fallen civilization to the mighty sea serpents of the tropics. Facing storms, shipwrecks, and warfare, she makes a discovery that offers a revolutionary new insight into the ancient history of dragons.

The Tropic of Serpents

"During these years I found myself accused of fornication, high treason, and status as the worst mother in all of Scirland..." Attentive readers are already familiar with how a bookish young woman named Isabella first set out on the historic course that would lead her to becoming the world's premier dragon naturalist. Three years after her journey through Vystrana, the illustrious (and occasionally scandalous) Lady Trent defies convention to embark on an expedition to the war-torn continent of Eriga, home of the legendary swamp-wyrm. Accompanied by an old associate and a runaway heiress, Isabella must brave oppressive heat, palace intrigues, gossip, and other hazards in order to satisfy her fascination with all things draconian, even if it means venturing deep into the forbidden jungle known as the Green Hell... where her courage, resourcefulness, and scientific curiosity will be tested as never before. "[U]ncompromisingly honest and forthright... with a heroine at once admirable, formidable and captivating. Reader, lose no time in making Isabella's acquaintance." Kirkus (starred review) "Marie Brennan brings dragons into the Victorian world, and flawlessly so... [It] gives fantasy readers another good reason to enter Brennan's fantastical world." Washington Post "Every bit as exciting and engrossing as the first part of Lady Trent's memoir. Isabella's strength and bravery in the name of scientific advancement... is beyond admirable—she's a model protagonist." RT book reviews "Lady Trent makes for an intrepid and pleasingly independent protagonist, mastering challenges both emotional and physical." Publishers Weekly

Within the Sanctuary of Wings

After her adventure in the mountains of Vystrana, and her exploits in the depths of Eriga, to the high seas aboard The Basilisk, and then to the deserts of Akhia, the Lady Trent has captivated hearts along with fierce minds. This concluding volume will finally reveal the truths behind her most notorious adventure - scaling the tallest peak in the world, behind the territory of Scirland's enemies - and what she discovered there, within the Sanctuary of Wings.

Driftwood

Who is Last? Fame is rare in Driftwood--it's hard to get famous if you don't stick around long enough for people to know you. But many know the guide, Last, a one-blooded survivor who has seen his world end many lifetimes ago. For Driftwood is a strange place of slow apocalypses, where continents eventually crumble into mere neighborhoods, pulled inexorably towards the center in the Crush. Cultures clash,

countries fall, and everything eventually disintegrates. Within the Shreds, a rumor goes around that Last has died. Drifters come together to commemorate him. But who really was Last? Lying liar, or heroic savior? A mercenary, a charlatan, a legend? A man, an immortal--perhaps even a god? Discover Marie Brennan (The Memoirs of Lady Trent)'s incomparable Driftwood, a realm of fragments cohered into a myth that encompasses realities.

The Rise of the Wyrms Lord

The second exciting adventure in The Door Within trilogy awaits! The Rise of the Wyrms Lord revisits favorite characters from The Door Within and opens with Aidan Thomas in trouble. Separated from his best friend by a thousand miles and unable to return to The Realm of Glimpses himself, Aidan needs a way to reach Robby with a message from King Eliam, the one true King. Enter Antoinette Reed, a bright but headstrong young woman who seems like the perfect person to reach King Eliam. When Aidan discovers that Antoinette has been called to enter The Realm, he solicits her help to find Robby's Glimpse before it is too late. But when she arrives in the Kingdom of Alleble, Antoinette finds the kingdom is in turmoil. Alleble's allies are inexplicably beginning to turn away, renouncing former ties with King Eliam. And there are rumors that the dark Prince of Paragory, sworn enemy of the Kingdom, is seeking an ancient evil power—the Wyrms Lord—to crush the Alleble once and for all. With over 250,000 copies sold in The Door Within trilogy, this is a perfect time to introduce the series to a new tween audience. The fantasy genre is wildly popular among young readers, and The Rise of the Wyrms Lord is a heart-pounding second installment that will leave tweens and teens on the edge of their seats. Meets national education standards.

In Ashes Lie

ABOVE It is the seventeenth century. For twenty years, the City of London has been torn apart: by war, by plague, by fire. BELOW The Onyx Court is London's faerie shadow. Dedicated to co-existence with mortals, it struggles to survive against rival courts who oppose everything it stands for. BETWEEN Now, when these two realms are at their most divided, they face a threat neither can defeat alone. The Great Fire ravaging London is more than mere flames. While the city's human residents struggle to halt the inexorable blaze, the fae must defeat a stranger foe: the embodiment of the fire itself, a monstrous Dragon that seeks to devour London both above and below. If the faerie queen Lune and her mortal consort cannot bring the two worlds together, the city itself may not survive . . .

The Monstrous-Feminine

In almost all critical writings on the horror film, woman is conceptualised only as victim. In The Monstrous-Feminine Barbara Creed challenges this patriarchal view by arguing that the prototype of all definitions of the monstrous is the female reproductive body. With close reference to a number of classic horror films including the Alien trilogy, T

Spaces of Identity

We are living through a time when old identities - nation, culture and gender are melting down. Spaces of Identity examines the ways in which collective cultural identities are being reshaped under conditions of a post-modern geography and a communications environment of cable and satellite broadcasting. To address current problems of identity, the authors look at contemporary politics between Europe and its most significant others: America; Islam and the Orient. They show that it's against these places that Europe's own identity has been and is now being defined. A stimulating account of the complex and contradictory nature of contemporary cultural identities.

Spiraling (Born to the Blade Season 1 Episode 6)

This is the 6th episode in the first season of Born to the Blade, an 11-episode serial from Serial Box. This episode written by Marie Brennan. For centuries the Warders' Circle on the neutral islands of Twaa-Fei has given the countries of the sky a way to avoid war, settling their disputes through formal, magical duels. But the Circle's ability to maintain peace is fading: the Mertikan Empire is preparing for conquest and the trade nation of Quloo is sinking, stripped of the aerstone that keeps both ships and island a-sky. When upstart Kris Denn tries to win their island a seat in the Warder's Circle and colonial subject Oda no Michiko discovers that her conquered nation's past is not what she's been told, they

Dualed

The Hunger Games meets Matched in this high-concept thriller where citizens must prove their worth by defeating the other version of themselves—their twin. Two of you exist. Only one will survive. West Grayer is ready. She's trained for years to confront her Alternate, a twin raised by another family. Survival means a good job, marriage—life. But then a tragic misstep leaves West questioning: Is she the best version of herself, the version worthy of a future? If she is to have any chance of winning, she must stop running not only from herself, but also from love . . . though both have the power to destroy her. Fast-paced and unpredictable, Elsie Chapman's suspenseful YA debut weaves unexpected romance into a chilling, unforgettable world. Praise for *Dualed*: "A gripping, thought-provoking thriller that keeps your heart racing and your palms sweaty. . . . The kind of book Katniss Everdeen and Jason Bourne would devour." —Andrew Fukuda, author of the Hunt series "Full of unexpected turns. . . . Fans of the Divergent trilogy will want to read this imaginative tale." —VOYA "A fast ride from first to final pages, *Dualed* combines action and heart." —Mindy McGinnis, author of *Not a Drop to Drink* "Intense and swift, *Dualed* grabbed me by the throat and kept me turning pages all the way to the end. Romance and action fans alike will love it." —Elana Johnson, author of the Possession series "Stylish, frenetic, and violent, . . . the textual equivalent of a Quentin Tarantino movie." —Publishers Weekly "A double dose of intensity and danger in this riveting tale of survival, heartache, and love." —Kasie West, author of *Pivot Point* "This thought-provoking survival-of-the-fittest story will leave you breathless for more." —Ellen Oh, author of *Prophecy* "Clever suspense—here, stalking is a two-way street." —Kirkus Reviews

Emotion, Place and Culture

Recent years have witnessed a rapid rise in engagement with emotion and affect across a broad range of disciplines in the humanities and social sciences, with geographers among others making a significant contribution by examining the emotional intersections between people and places. Building on the achievements of *Emotional Geographies* (2005), the editors have brought together leading scholars such as Nigel Thrift, Alphonso Lingis and Frances Dyson as well as young, up and coming academics from a diverse range of disciplines to investigate feelings and affect in various spatial and social contexts, environments and landscapes. The book is divided into five sections covering the themes of remembering, understanding, mourning, belonging, and enchanting.

Un Lun Dun

The iron wheel began to spin, slowly at first, then faster and faster. The room grew darker. As the light lessened, so did the sound. Deeba and Zanna stared at each other in wonder. The noise of the cars and vans and motorbikes outside grew tinny . . . The wheel turned off all the cars and turned off all the lamps. It was turning off London. Zanna and Deeba are two girls leading ordinary lives, until they stumble into the world of UnLondon, an urban Wonderland where all the lost and broken things of London end up . . . and some of its lost and broken people too. Here discarded umbrellas stalk with spidery menace, carnivorous giraffes roam the streets, and a jungle sprawls beyond the door of an ordinary house. UnLondon is under siege by the sinister Smog and its stink-junkie slaves; it is a city awaiting its hero. Guided by a magic book that can't quite get its facts straight, and pursued by Hemi the half-ghost boy, the girls set out to stop the poisonous cloud before it burns everything in its path. They are joined in their quest by a motley band of UnLondon locals, including Brokkenbroll, boss of the broken umbrellas, Obaday Fing, a couturier whose head is an enormous pincushion, and an empty milk carton called Curdle. Winner of the Locus Award for Best Young Adult Book, China Miéville's *Un Lun Dun* is an extraordinary vivid creation; is populated by astonishing frights and delights that will thrill the imagination.

Ashes of a Black Frost

"Bones jutted from the sand at angles--not odd angles, though, for that would suggest that there were ways bones could protrude that made sense--and the eyes of those still living stared and saw nothing. Amidst a scene of carnage on a desert battlefield blanketed in metallic snow, Major Konowa Swift Dragon sees his future, and it is one drenched in shadow and blood. Never mind that he has won a grand victory for the Calahrian Empire. He came here in search of his lost regiment of elves, while the Imperial Prince came looking for the treasures of a mystical library, and both ventures have failed. But Konowa knows, as do the Iron Elves--both living and dead--that another, far more important battle now looms before them. The campaign in the desert was only the latest obstacle on the twisted, darkening path leading inexorably to the Hyntaland, and the final confrontation with the dreaded Shadow Monarch"--Publisher description.

New Germans, New Dutch

In today's globalized world, traditions of a national Self and a national Other no longer hold. This timely volume considers the stakes in our changing definitions of national boundaries in light of the unmistakable transformation of German and Dutch societies. Examining how the literature of migration intervenes in public discourses on multiculturalism and including detailed analysis of works by the Turkish-German writers Emine Sevgi Özdamar and Feridun Zaimoglu and the Moroccan-Dutch writers Abdelkader Benali and Hafid Bouazza, *New Germans, New Dutch* offers crucial insights into the ways in which literature negotiates both difference and the national context of its writing.

Mother of Learning: ARC 1

Zorian Kazinski has all the time in the world to get stronger, and he plans on taking full advantage of it. A teenage mage of humble birth and slightly above-average skill, Zorian is attending his third year of education at Cyoria's magical academy. A driven and quiet young man, he is consumed by a desire to ensure his own future and free himself of the influence of his family, resenting the Kazinskis for favoring his brothers over him. Consequently, Zorian has no time for pointless distractions, much less other people's problems. As it happens, though, time is something he is about to get plenty of. On the eve of Cyoria's annual summer festival, Zorian is murdered, then abruptly brought back to the beginning of the month, just before he was about to take the train to school. Finding himself trapped in a time loop with no clear end or exit, he will have to look both within and without to unravel the mystery set before him. He does have to unravel it, too, because the loop clearly wasn't made for his sake, and in a world of magic even a time traveler isn't safe from those who wish him ill. Fortunately for Zorian, repetition is the mother of learning...

The Poltergeist Prince of London

It began with a key. One afternoon in 1956, in the home of the Hitchings family in Battersea, south London, a small silver key appeared on Shirley Hitchings' bed. This seemingly insignificant event heralded the beginning of one of the most terrifying, incredible and mysterious hauntings in British history. The spirit, who quickly became known as 'Donald', began to communicate, initially via tapping sounds, but over time - and with the encouragement of psychical researcher Harold Chibbett, whose case-files appear here - by learning to write. Soon, the spirit had begun to make simply incredible claims about his identity, insisting that he was one of the most famous figures in world history - but what was the truth? Here, for the first time, is the full story, told by the woman right at the heart of it all - Shirley herself.

Hollywood Genres: Formulas, Filmmaking, and The Studio System

The central thesis of this book is that a genre approach provides the most effective means for understanding, analyzing and appreciating the Hollywood cinema. Taking into account not only the formal and aesthetic aspects of feature filmmaking, but various other cultural aspects as well, the genre approach treats movie production as a dynamic process of exchange between the film industry and its audience. This process, embodied by the Hollywood studio system, has been sustained primarily through genres, those popular narrative formulas like the Western, musical and gangster film, which have dominated the screen arts throughout this century.
