Then we will get into ...

The American Dream is Dead

The traditional "american dream"

What the average person could afford in the 1960's

What the average person could afford today

Wages VS Inflation

The American dream is dead for normal/essential jobs

Can a firefighter afford life in America?

Are prestigious jobs (doctor/lawyer) still worth it?

The American dream = generational wealth?

Income inequality is much worse now

Covid Inflation & Corporate greed

There's hope: how to win at the american dream in 2024

People are leaving the US to achieve the american dream

People make a lot more money from their own businesses

student loans are keeping people poor

What do you guys think?

Introduction
The start of The American Dream
You're more likely to achieve it OUTSIDE of the US
But... when and how did this happen?

What about meritocracy?

But there might be some good news...
