Intro

Faith will work by saying it without praying

It is God's will for you to prosper!

Faith works the same for finances.

Don't ever pray about money anymore.

Claim whatever you need!

Say, Satan take your hands off of my money!

Say, go ministering spirits and cause the money to come!

Faith will work in you heart with doubt in your head.

You can have what you say. (financially)

Believe the things you say shall come to pass.
