Blue Tear Called Love

"After years of wandering around the world of love, I found the truth about it. I met face-to-face with that wonderful fairy Love, and she shared with me that despite the pain that was tearing her apart, she is very happy and didn't want to part with it. In my fantasy, that fairy was standing smiling among the deserted sands and was holding a heart in love. There was blood dripping from her hands, but she looked hard and firm. She split the heart in two and threw the two halves away from her. They fell with ominous strength on the glowing sand, started burning, and burned away. The fairy told me that that had been my heart, and that this evil destiny awaited it. She opened her scarlet lips and said that love hurts and it was like a cloud, which carried many tears to my eyes in love. Nevertheless, I decided to follow my heart, and it was saying: "When Love looks you in the eyes, you will know, I will tell you, and then you take it right away, hold it tight, hide it here with me, to be happy."

Dear Emmie Blue

This is the book description of The Lovely Blue. The Lovely Blue, by George H. Malouf, is a volume of poetry full of great, honest emotion inspired by the poets relationship with Gods bounty in nature and in his love for his Greek Angel, Yiota. The poet describes his emotions for this, his spark of inspiration, by threading his way, at times, from the heights of elation to the depths of despair. In this colorfully woven tapestry of one of the most mysterious of human experiences, the poet achieves a uniquely sculptured effect of rhyme and cadence, as he strives for formal elegance in every stanza. The poetry represented by our poet, in this volume, is sure to increase the understanding of how people relate to each other in that magical, mystical way known as love.
