### The Wind in the Willows

The Mole had been working very hard all the morning, spring-cleaning his little home. First with brooms, then with dusters; then on ladders and steps and chairs, with a brush and a pail of whitewash; till he had dust in his throat and eyes, and splashes of whitewash all over his black fur, and an aching back and weary arms. Spring was moving in the air above and in the earth below and around him, penetrating even his dark and lowly little house with its spirit of divine discontent and longing. It was small wonder, then, that he suddenly flung down his brush on the floor, said 'Bother!' and 'Oblow!' and also 'Hang spring-cleaning!' and bolted out of the house without even waiting to put on his coat. Something up above was calling him imperiously, and he made for the steep little tunnel which answered in his case to the gravelled carriage-drive owned by animals whose residences are nearer to the sun and air. So he scraped and scratched and scrabbled and scrooged and then he scrooged again and scrabbled and scratched and scraped, working busily with his little paws and muttering to himself, 'Up we go! Up we go!' till at last, pop! his snout came out into the sunlight, and he found himself rolling in the warm grass of a great meadow.

#### E. F. Benson: Complete Short Stories Collection (70+ Classic, Ghost, Spook, Supernatural, Mystery & Haunting Tales)

A new anthology of twenty ghostly tales of Yuletide terror, collected from rare Victorian periodicals Seeking to capitalize on the success of Charles Dickens's *A Christmas Carol* (1843), Victorian newspapers and magazines frequently featured ghost stories at Christmas time, and reading them by candlelight or the fireside became an annual tradition, a tradition Valancourt Books is pleased to continue with our series of Victorian Christmas ghost stories. This third volume contains twenty tales, most of them never before reprinted. They represent a mix of the diverse styles and themes common to Victorian ghost fiction and include works by once-popular authors like Ellen Wood and Charlotte Riddell as well as contributions from anonymous or wholly forgotten writers. This volume also features a new introduction by Prof. Simon Stern. "Before me, with the sickly light from the lantern shining right down upon it, was--a cloven hoof! Then the awfulness of the compact I had made came to my mind with terrible force ..." - Frederick Manley, "The Ghost of the Cross-Roads" "By the fireplace there was a large hideous pool of blood soaking into the carpet, and leaving ghastly stains around. I am not ashamed to confess that my brain reeled; the mysterious horror overcame me ..." - Lillie Harris, "19, Great Hanover Street" "A fearful white face comes to me; a horrible mask, with features drawn as in agony--ghastly, pale, hideous! Death or approaching death, violent death, written in every line. Every feature distorted. Eyes starting from the head. Thin lips moving and working--lips that are cursing, although I hear no sound." - Hugh Conway, "A Dead Man's Face"

#### Ghostly

Nine Ghosts is a collection of nine fantasy stories by R. H. Malden. Malden was an Anglican churchman, classical and Biblical scholar, and a writer of ghost stories. Excerpt: "When he had finished speaking there came a rumbling, moaning noise in the chimney, such as is made by the wind on stormy nights. This presently began to shape itself into words. At first they were not at all distinct, but gradually they became clearer, though they seemed to be in a language unknown to me. I wondered whether it could be Irish. The voice spoke very deliberately with a cold malignity of tone which made me feel very thankful that I could not follow what it was saying. There was something indescribably evil about it. It was the most unpleasant sound to which I have ever listened, asleep or awake. If fear can make the hair stand on end I must have resembled a clothes-brush."

#### The Valancourt Book of Victorian Christmas Ghost Stories, Volume Three

Throughout these 79 stories - of love, childhood, of English middle-class life in the 1920s and 30s, of London during the Blitz - the author combines social comedy and reportage.

#### The Haunted Hotel

An unsettling new collection of Henry James's best short stories exploring ghosts and the uncanny 'There had been a moment when I believed I recognised, faint and far, the cry of a child; there had been another when I found myself just consciously starting as at the passage, before my door, of a light footstep' 'I see ghosts everywhere', wrote Henry James, who retained a fascination with the supernatural and sensational throughout his writing career. This new collection brings together eight of James's tales exploring the uncanny, including his infamous ghost story, 'The Turn of the Screw', a work saturated with evil, in which a fraught governess becomes convinced that malicious spirits are menacing the children in her care. The other masterly works here include 'The Jolly Corner', 'Owen Wingrave' and further tales of visitations, premonitions, madness, grief and family secrets, where the living are just as mysterious and unknowable as the dead. ## Nine Ghosts

Twenty-Five Ghost Stories BY W. BOB HOLLAND This collection of ghost stories owes its publication to an interest that I have long felt in the supernatural and in works of the imagination. As a child I was deeply concerned in tales of spooks, haunted houses, wraiths and specters and stories of weird experiences, clanking chains, ghostly sights and gruesome sounds always held me spellbound and breathless. Experiences in editorial offices taught me that I was not alone in liking stories of mystery. The desire to know something of that existence that is veiled by Death is equally potent in old age and in youth, and men, women and children like to be thrilled and to have a "creepy" feeling along the spinal column as the result of reading of a visitor from beyond the grave. This volume contains the most famous of the weird stories of Edgar Allan Poe, that master of this form of literature. "The Black Cat" contains all the needed element of mystery and supernatural, and yet the feline acts in a natural manner all of the time, and the story is quite possibly true. It is only in the manner of its telling that the tale becomes one that fittingly finds its place in this collection. Guy de Maupassant, the clever Frenchman, is also represented by two effective bits of work, and other less widely known writers have also contributed stories that are worth reading, and when once read will be remembered. There is not a story among the twenty-five that is not worthy of close reading. There has recently been a revival in interest in ghost stories. Many of the high-class magazines have within a few months printed stories with supernatural incidents, and writers whose names are known to all who read have turned their attention to this form of literature. Whether or not the reader believe in ghosts, he cannot fail to be interested in this little book. Without venturing to express a positive opinion either way, I will only say with Hamlet: "There are more things in heaven and earth, Horatio, than are dreamt of in your philosophy." Twenty-Five Ghost Stories BY W. BOB HOLLAND

## The Collected Stories of Elizabeth Bowen

Arthur Kipps did not believe in ghosts. Few attend Mrs. Alice Drablow's funeral, and not one blood relative amongst them. There are undertakers with shovels, of course, a local official who would rather be anywhere else, and one Mr. Arthur Kipps, solicitor from London. He is to spend the night in Eel Marsh House, the place where the old recluse died amidst a sinking swamp, a blinding fog and a baleful mystery about which the townsfolk refuse to speak. Young Mr. Kipps expects a boring evening alone sorting out paperwork and searching for Mrs. Drablow's will. But when the high tide pens him in, what he finds -- or rather what finds him -- is something else entirely.

## The Woman in Black

The first-ever collection of Victorian Christmas ghost stories, culled from rare 19th-century periodicals. During the Victorian era, it became traditional for publishers of newspapers and magazines to print ghost stories during the Christmas season for chilling winter reading by the fireside or candlelight. Now for the first time thirteen of these tales are collected here, including a wide range of stories from a diverse group of authors, some well-known, others anonymous or forgotten. Readers whose only previous experience with Victorian Christmas ghost stories has been Charles Dickens's "A Christmas Carol" will be surprised and delighted at the astonishing variety of ghostly tales in this volume. "In the sickly light I saw it lying on the bed, with its grim head on the pillow. A man? Or a corpse arisen from its unhallowed grave, and awaiting the demon that animated it?" - John Berwick Harwood, "Horror: A True Tale" "Suddenly I aroused with a start and as ghostly a thrill of horror as ever I remember to have felt in my life. Something--what, I knew not--seemed near, something nameless, but unutterably awful." - Ada Buisson, "The Ghost's Summons" "There was no longer any question what she was, or any thought of her being a living being. Upon a face which wore the fixed features of a corpse were imprinted the traces of the vilest and most hideous passions which had animated her while she lived." - Walter Scott, "The Tapestry Chamber"

## Ghost Stories

Why do we tell stories? To hold on to what has been loved and lost, to create new myths, to explain and teach in ways that seep into memory. Shakiso Collard leads the evacuation from Benghazi as jihadis overwhelm the refugee camp where she works. On arrival in Paris, she is betrayed by her boss, Oktar Samboa, and watches in despair as those she illegally helped escape are deported back to the warzones of Libya. Elsewhere, Farinata Uberti – strongman CEO of Rosneft, the world's largest energy company – arrives in London after triggering a violent insurrection in Tanzania to destroy a potential rival in the oil market. In the Sahara, an air convoy on its way to deliver billions of dollars of drugs and weapons to Ansar Dine jihadis crashes and is lost. A year later, having spent months in hiding, Shakiso travels to West Africa. She is there to lead the relief effort that are hoping to stop the 200 million refugees fleeing war and environmental collapse heading for a fortified and fragmented Europe. As the myths of these millions seeking new lives across the Mediterranean intrude into reality, Shakiso is drawn into the brutal clandestine fight against Rosneft's domination of European energy supplies being conducted by the mysterious Simon Adaro. And, deep within the disorienting Harmattan storms of the desert, a group of jihadis have gone in search of the crashed convoy of planes - and a terror that could overwhelm them all.

### Our Memory Like Dust

'A winning compendium' *Daily Telegraph* The English see more ghosts than any other nation. From medieval times to the present day, stories have been told about ghosts who avenge injustice, souls who long for peace and spooks who just want to have fun. The *English Ghost* is a treasure trove of such sightings; comical and scary, like all the best ghost stories, these accounts, packed with eerie detail, range from the moaning child that terrified Wordsworth's nephew at Cambridge to modern day hitchhikers on Blue Bell Hill. 'Ackroyd's book has its fair share of terrified hauntees and, unless you're a sceptic, there are plenty of scenes that will make the hairs on the back of your neck bristle' *Mail on Sunday* 'Ackroyd's collection glides seamlessly from terror to humour to downright peculiarity: it is the ideal read as the nights darken and Halloween approaches' *Metro* 'A fascinating anthology' *Literary Review* 'This is a wonderful little book. It's properly old-fashioned and unorthodox, a scrapbook of clues, tittle-tattle, hints and mortal byways' *Independent*

### Erotic Stories

*Erotic Stories* is a treasury of amorous tales from around the world, ranging from ancient Greek myths to modern stories of longing and lust. From the innocent yearning of Daphnis and Chloe evoked by Longus to the sadomasochism of Pauline Réage's *Story of O*, this anthology explores human desire across the ages in all its dark complexity. Whether intensely raw or subtly insinuating, the short stories gathered here—by writers as different as Boccaccio and Chekhov, Anaïs Nin and Allan Gurganus—are calculated to unsettle and arouse. Here too are scenes from such classic novels as Choderlos de Laclos's *Les Liaisons Dangereuses* and Nicholson Baker's *The Fermata*, from Junichiro Tanizaki's *The Key* and Sarah Waters's *Tipping the Velvet*. Accounts of ardor and transgression also flow from unexpected pens: an astonishingly explicit scene from Edith Wharton's unfinished "Beatrice Palmato," for example, and Guy de Maupassant's heated "Idyll," which describes a young peasant woman offering her breast to a starving stranger on a train. Hunger is the fierce undercurrent to these tales: the gnawing lust of one lover for another, or the greedy pursuit of a particular inclination. The elegant depravity of an eighteenth-century French aristocrat, the dreamlike seductions of an Egyptian jinni in the form of a snake, the brutal anonymity of a highway truck-stop encounter—the stories in this richly varied collection reveal that the urge to articulate sexual desire is as inventive as it is timeless.

### The Maples Stories

Eighteen classic short stories that form a luminous chronicle of the life and times of one marriage in all its rich emotional complexity—from one of the most gifted American writers of the twentieth century and the author of the acclaimed Rabbit series. In 1956, Updike published a story, "Snowing in Greenwich Village," about a young couple, Joan and Richard Maple, at the beginning of their marriage. Over the next two decades, he returned to these characters again and again, tracing their years together raising children, finding moments of intermittent happiness, and facing the heartbreak of infidelity and estrangement. Seventeen Maples stories were collected in 1979 in a paperback edition titled *Too Far to Go*, prompted by a television adaptation. Now those stories appear in hardcover for the first time, with the addition of a later story, "Grandparenting," which returns us to the Maples's lives long after their wrenching divorce.

### Chinese Erotic Poems

A dazzling collection of Chinese erotic poems about deep love and pure lust, enticement and seduction, ecstasy and disappointment, that span nearly three thousand years and include many poems never before translated into English. The ancient Chinese tradition of erotic poetry has been largely ignored in the west. Now, a vast continent of sensual verse is opened to us with this glorious collection spanning nearly Here are poems that express need, hunger, grief, and longing—for husbands and wives and for concubines and lovers; poems by turns explicit or subtle, light-hearted or desperate, written from both men's and women's points of view. The editors have drawn on a wide range of sources from 600 BCE to the present, including highly literary poems, popular verse, and folk songs, as well as poems that appeared in ancient Daoist sex manuals, in classical novels of the Ming Dynasty, and in collections of erotic prints. The result is an array of voices that speak the universal language of desire. For the first time, all the major works of this beloved writer are gathered together in one hardcover volume.

### Russian Poets

Ever since Pushkin, Russian poets have been famous for their ability to combine private and public experience in lyric poetry of a comprehensiveness and intensity unmatched elsewhere. Ranging in extremes from the melting tenderness of unrequited love to the bitter comedy of political chaos, this collection of poems covering two centuries includes work by Lermontov, Tyutchev, Fet, Annensky, Mayakovsky, Bely, Mandelstam, Akhmatova, Tsvetaeva, Pasternak, Brodsky and others less celebrated but no less extraordinary. The text is divided into six sections. Russian poets constantly reflect on their art, so the first section is appropriately entitled 'The Muse'. Their other great topic is Russia herself, explored in parts two and three. Part four presents the inner world, parts five and six

traditional themes of love and mortality. Poetry has often been a matter of life and death in Russia, where Mandelstam was not the only poet to perish in the Gulag. The comfortable private domain familiar to many English and American writers barely exists in a country where political realities are exigent - one reason for the fierce intensity found in so many of these poems.

### The Decameron

In the time of a devastating pandemic, seven women and three men withdraw to a country estate outside Florence to give themselves a diversion from the death around them. Once there, they decide to spend some time each day telling stories, each of the ten to tell one story each day. They do this for ten days, with a few other days of rest in between, resulting in the 100 stories of the Decameron. The Decameron was written after the Black Plague spread through Italy in 1348. Most of the tales did not originate with Boccaccio; some of them were centuries old already in his time, but Boccaccio imbued them all with his distinctive style. The stories run the gamut from tragedy to comedy, from lewd to inspiring, and sometimes all of those at once. They also provide a detailed picture of daily life in fourteenth-century Italy.

It takes us into the fantastic prison-world of Cincinnatus, a man condemned to death and spending his last days in prison not quite knowing when the end will come. Nabokov described the book as 'a violin in a void. The worldling will deem it a trick. Old men will hurriedly turn from it to regional romances and the lives of public figures ... The evil-minded will perceive in little Emmie a sister of little Lolita ... But I know a few readers who will jump up, ruffling their hair'.

## Invitation to a Beheading

The "fierce, erotic, haunting, truthful" memoirs of an extraordinary artist, activist, and iconoclast who lit up late-twentieth-century New York (Dennis Cooper). One of the New York Times' "50 Best Memoirs of the Past 50 Years" David Wojnarowicz's brief but eventful life was not easy. From a suburban adolescence marked by neglect, drugs, prostitution, and abuse to a squalid life on the streets of New York City, to fame—and infamy—as an activist and controversial visual artist whose work was lambasted in the halls of Congress, all before his early death from AIDS at age thirty-seven, Wojnarowicz seemed to be at war with a homophobic "establishment" and the world itself. Yet what emerged from the darkness was a truly extraordinary artist and human being—an angry young man of remarkable poetic sensibilities who was inordinately sympathetic to those who, like him, lived and struggled outside society's boundaries. *Close to the Knives* is his searing yet strangely beautiful account told in a collection of powerful essays. An author whom reviewers have compared to Kerouac and Genet, David Wojnarowicz mesmerizes, horrifies, and delights in equal measure with his unabashed honesty. At once savage and funny, poignant and sexy, compassionate and unforgiving, his words and stories cut like knives, leaving indelible marks on all who read them.

### Invisible Man

Using, or rather mimicking, traditional forms of storytelling Gogol created stories that are complete within themselves and only tangentially connected to a meaning or moral. His work belongs to the school of invention, where each twist and turn of the narrative is a surprise unfettered by obligation to an overarching theme. Selected from Evenings on a Farm near Dikanka, Mirgorod, and the Petersburg tales and arranged in order of composition, the thirteen stories in The Collected Tales of Nikolai Gogol encompass the breadth of Gogol's literary achievement. From the demon-haunted "St. John's Eve" to the heartrending humiliations and trials of a titular councilor in "The Overcoat," Gogol's knack for turning literary conventions on their heads combined with his overt joy in the art of story telling shine through in each of the tales. This translation, by Richard Pevear and Larissa Volokhonsky, is as vigorous and darkly funny as the original Russian. It allows readers to experience anew the unmistakable genius of a writer who paved the way for Dostevsky and Kafka.
