

Poverty Capital Microfinance And The Making Of Development Ananya Roy

[#microfinance](#) [#poverty capital](#) [#development studies](#) [#ananya roy](#) [#global development](#)

Ananya Roy's seminal work, 'Poverty Capital Microfinance And The Making Of Development,' critically examines the complex relationship between microfinance and global development, challenging conventional notions of poverty alleviation. This insightful analysis explores how financial interventions are framed as 'poverty capital,' revealing their profound impact on the theories and practices shaping international development initiatives.

Our goal is to promote academic transparency and open research sharing.
