Rivers of London

Book 1 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. My name is Peter Grant, and I used to be a probationary constable in that mighty army for justice known to all right-thinking people as the Metropolitan Police Service, and to everyone else as the Filth. My story really begins when I tried to take a witness statement from a man who was already dead... Probationary Constable Peter Grant dreams of being a detective in London's Metropolitan Police. After taking a statement from an eyewitness who happens to be a ghost, Peter comes to the attention of Detective Chief Inspector Thomas Nightingale, who investigates crimes involving magic and other manifestations of the uncanny. Suddenly, as a wave of brutal and bizarre murders engulfs the city, Peter is plunged into a world where gods and goddesses mingle with mortals and a long-dead evil is making a comeback on a rising tide of magic. Praise for the Rivers of London novels: 'Ben Aaronovitch

has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round irresistible novels.

Amongst Our Weapons

THE BRAND NEW NOVEL IN THE #1 BESTSELLING RIVERS OF LONDON There is a world hidden underneath this great city... The London Silver Vaults - for well over a century, the largest collection of silver for sale in the world. It has more locks than the Bank of England and more cameras than a celebrity punch-up. Not somewhere you can murder someone and vanish without a trace - only that's what happened. The disappearing act, the reports of a blinding flash of light and memory loss amongst the witnesses all make this a case for Detective Constable Peter Grant and the Special Assessment Unit. Alongside their boss DCI Thomas Nightingale, the SAU find themselves embroiled in a mystery that encompasses London's tangled history, foreign lands and, most terrifying of all, the North! And Peter must solve this case soon because back home his partner Beverley is expecting twins any day now. But what he doesn't know is that he's about to encounter something - and somebody - that nobody ever expects... Effortlessly original, endlessly inventive and hugely entertaining - step into the world of the much-loved, Number One bestselling Rivers of London series. * * * * * PRAISE FOR BEN AARONOVITCH & THE RIVERS OF LONDON SERIES: 'Highly entertaining' SUNDAY EXPRESS 'Charming, witty, exciting' THE INDEPENDENT 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever ... Masterfully crafted - gives the late, great Terry Pratchett a run for his money' THE SUN 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES 'Funny and wildly inventive' MAIL ON SUNDAY Discover why this incredible series has sold over two million copies worldwide. If you're a fan of Terry Pratchett, you will love the imaginative, irreverent and all-round irresistible RIVERS OF LONDON books.

Lies Sleeping

Book 7 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. In London, the past is never dead. It only lies sleeping... Martin Chorley - aka the Faceless Man - wanted for multiple counts of murder, fraud and crimes against humanity, has been unmasked and is on the run. Peter Grant, Detective Constable and apprentice wizard, now plays a key role in an unprecedented joint operation to bring Chorley to justice. But even as the unwieldy might of the Metropolitan Police bears down on its foe, Peter uncovers clues that Chorley, far from being finished, is executing the final stages of a long-term plan. A plan that has its roots in London's two thousand bloody years of history, and could literally bring the city to its knees. To save his beloved city Peter's going to need help from his former best friend and colleague - Lesley May - who brutally betrayed him and everything he thought she believed in. And, far worse, he might even have to come to terms with the malevolent supernatural killer and agent of chaos known as Mr Punch... Praise for the Rivers of London novels: 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round irresistible novels.

Rivers of London: Body Work #1

Peter Grant is one of only two members of a very special branch of London's Metropolitan Police. He is, in fact, pretty much a wizard and it's his job to investigate those shadowy crimes that involve urban vampires, weird folk in the underground and, in this case, why cars are suddenly taking on lives of their own and killing innocent folk! Written by Doctor Who writer Ben Aaronovitch (Remembrance of the Daleks) and set in the world of his own bestselling novels, with Doctor Who showrunner Andrew Cartmel! Rivers of London novels have sold over 1,000,000 copies worldwide to date! In continuity with the novels — not an adaptation, this is an all-new story set between 'Broken Homes' and 'Fox Glove Summer'.

False Value

The massively anticipated brand new Sunday Times bestselling RIVERS OF LONDON novel. Peter Grant is facing fatherhood, and an uncertain future, with equal amounts of panic and enthusiasm. Leaving his old police life behind, he takes a job with Silicon Valley tech genius Terrence Skinner's new London start up: the Serious Cybernetics Corporation. Drawn into the orbit of Old Street's famous 'silicon roundabout', Peter must learn how to blend in with people who are both civilians and geekier than he is. Compared to his last job, Peter thinks it should be a doddle. But magic is not finished with the Met's first trainee wizard in fifty years... Because a secret is hiding somewhere in the building. A technology that stretches back to Ada Lovelace and Charles Babbage, and forward to the future of artificial intelligence. A secret that is just as magical as it technological - and twice as dangerous. Praise for the Rivers of London novels: 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round incredible novels.

Rivers Of London Vol. 1: Body Work (Graphic Novel)

Peter Grant, having become the first English apprentice wizard in fifty years, must immediately deal with two different but ultimately inter-related cases. In one he must find what is possessing ordinary people and turning them into vicious killers, and in the second he must broker a peace between the two warring gods of the River Thames.

Rivers of London - Detective Stories #1

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} The Folly: home of the Long Arm of British Law, but an arm that doesn't just issue search warrants and handcuff miscreants – it can also launch balls of mystical energy with enough force to knock a villain on his backside. The Folly investigates London's 'Falcon' crimes – those that resign regular cops to night terrors and long, sleepless nights wrestling with their understanding of the cosmos. It's chief investigators are Detective Inspector Thomas Nightingale and PC Peter Grant – a trainee wizard and trainee policeman who is about to undergo the gruelling exams that will make him a Detective in London's Metropolitan Police Service... An all-new series of Rivers of London short stories by Ben Aaronovitch and Andrew Cartmel. Set between The Hanging Tree and Black Mould.

Rivers of London - Black Mould #1

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} It creeps! It crawls! It oooozes! Something dark and slimy is dripping through the walls of suburban London. Not usually a police matter but there's something very weird about this mould. Police Constable Peter Grant and his unwilling partner, Sahra Guleed, soon find themselves knee deep in killer muck! Meanwhile, their boss, Thomas Nightingale, is preparing to do battle against a haunted ice cream van. Good times. An all-new and original Rivers of London comic series, written by Ben Aaronovitch and Andrew Cartmel! Set between Foxglove Summer and The Hanging Tree.

Rivers of London: Cry Fox #1

He may now be a Detective Constable, but Peter Grant still has a long way to go before he can become London's second fully-qualified wizard policeman (the first being his boss, Inspector Thomas Nightingale). Still, no peace for the wicked. Grant and Nightingale remain vigilant for signs of their nemesis, the Faceless Man, and his known associate, Lesley May – one time cop and Peter's ex-partner before a horrific disfigurement drove her to the wrong side of the criminal track when she sought to repair the damage. In the meantime, the boys in black – neither would be seen dead in a blue suit while on duty – are looking to keep safe the Russian witch, Varvara, who has a rather large price on her head after helping the police with their enquiries... p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} An all-new Rivers of London story written by Ben Aaronovitch and Andrew Cartmel, taking place after the events of the novel 'The Hanging Tree' and comic series 'Detective Stories'.

Rivers of London Volume 10

When Olympia and Chelsea Brook, twin daughters of the river goddess Mama Thames, accidentally break a mysterious enchantment cast on a mulberry tree in a London forest they unwittingly release a vengeful Victorian illustrator of fairy tales by the name of Jeter Day. Spirited away and imprisoned by mischievous tree nymphs back in 1897, Jeter returns to a world he neither recognizes nor likes. Now all he wants is his life returned to him and woe betide any man, or water spirit, who stands in his way... Written by Celeste Bronfman, and acclaimed Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Jose Maria Beroy (The Phantom of the Opera, Deadman), Deadly Ever After is an exhilarating magical romp that brings fairy tales to life with deadly consequences. Collects Rivers of London: Deadly Ever After #1-4

Rivers of London: Monday, Monday #1

An unmissable brand-new era in the life of full-time cop and part-time wizard, Peter Grant. A werewolf is on the loose and will stop at nothing to avoid capture! It's up to Peter and his cohort of chums to hunt the deadly lycanthrope and bring him to justice!

Rivers of London: Deadly Ever After #1

CSI meets Harry Potter in this graphic novel from Ben Aaronovitch - writer of the bestselling Rivers of London supernatural police procedural crime novel series, Andrew Cartmel author of The Vinyl Detective and Celeste Bronfman. Illustrations from a mysterious book of fairy tales drawn in the late 1800s are coming to life in the 21st Century and causing havoc. The illustrations were originally painted by a Victorian artist called Jeter Day who disappeared one night in an enchanted forest when he was spirited away by tree nymphs never to be seen again... Now, with the enchantment accidentally broken by Olympia and Chelsea, daughters of the river goddess Mama Thames, Jeter, twisted by his time spent with the nymphs, has returned to our world bitter and resentful. It is a world he neither recognises nor likes. All he wants is his life returned to him and woe betide any man who stands in his way. With Peter and Nightingale busy on another case, it falls to sisters Olympia and Chelsea with the help of the Foxes to stop Jeter and save the day.

RIVERS OF LONDON BOOK 9

What starts as a routine undercover operation to break up an organized teenage pickpocket gang turns into something far more dangerous when the Metropolitan police are confronted by a Swedish werewolf who'll stop at nothing to avoid capture. Now it's up to full-time cop and part-time wizard Peter Grant and his cohort of chums to hunt the deadly lycanthrope and bring him to heel! Written by acclaimed Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Jose Maria Beroy (The Phantom of the Opera, Deadman), Monday, Monday is a shaggy-dog story like no other, and another twisting, roaring crime adventure involving magic and supernatural weirdness through London's dark underbelly. "Nestles wonderfully into place in the greater Rivers of London world and brings it to life." – Major Spoilers Collects Rivers of London: Monday, Monday issues 1-4

Rivers of London Volume 9: Monday, Monday

Four self-contained magical crimes, ripped from the streets of supernatural London! From the million-selling Rivers of London novel and graphic novel series by writer Ben Aaronovitch comes this unmissable next chapter in the saga, as PC Peter Grant faces his gruelling Detective exam, forcing him to relieve the strangest cases of his career. From foiling an aspiring god, to confronting a Virtual Flasher, Peter's police history has been anything but conventional; whether that's chasing down 'Falcon' crimes with the aid of modern technology, or confronting timeless villainy with his magical skill-set. Does Peter have what it takes... or will DI Chopra judge him unsuitable for a badge? Collects Rivers of London: Detective Stories #1-4 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

Rivers of London Volume 4: Detective Stories

Book 6 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. Suspicious deaths are not usually the concern of PC Peter Grant or the Folly, even when they happen at an exclusive party in one of the most expensive apartment blocks in London. But Lady Ty's daughter was there, and Peter owes Lady Ty a favour. Plunged into the alien world of the super-rich,

where the basements are bigger than the house and dangerous, arcane items are bought and sold on the open market, a sensible young copper would keep his head down and his nose clean. But this is Peter Grant we're talking about. He's been given an unparalleled opportunity to alienate old friends and create new enemies at the point where the world of magic and that of privilege intersect. Assuming he survives the week . . . Praise for the Rivers of London novels: 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round irresistible novels.

The Hanging Tree

CSI meets Harry Potter in this fantastic SPECIAL EDITION graphic novel from Ben Aaronovitch, writer of the bestselling Rivers of London supernatural police procedural crime novel series! This Deluxe Writers' Edition presents the full script of the graphic novel along with the unlettered, full-color artwork, allowing the reader to read the original script and see the artwork side-by-side. Ben Aaronovitch's 'Rivers of London' Set For Adaptation By See-Saw, Pure Fiction Television Grant is part of a very special London police unit. Full-time cop and part time wizard he works on rather unusual crimes - those that involve magic and the general weirdness that permeates London's dark underbelly. His latest case begins with a perfectly innocent car on a homicidal killing spree - without a driver. But, before you know it, there's a Bosnian refugee, the Most Haunted Car in England, a bunch of teenagers loaded on Ketamine and seemingly-harmless wooden bench with the darkest of pasts...

Rivers Of London Vol. 1: Body Work Deluxe Writers' Edition (Graphic Novel)

Press-ganged into helping a Russian oligarch hunt his missing daughter, PC Peter Grant and his boss, Thomas Nightingale, London's only wizarding cops, find themselves caught up in a battle between Russian gunmen, a monstrous forest creature – and their nemesis: The Faceless Man. But as Grant and Nightingale close in on the missing girl, they discover that nothing about this case is what it seems! An all-new and original Rivers of London comic series, written by Ben Aaronovitch and Andrew Cartmel! Set between The Hanging Tree and The Furthest Station. Collects Rivers of London: Night Witch #1-5 p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px}

Rivers of London Volume 2: Night Witch

From the million-selling Rivers of London novel and graphic novel series by cult writer Ben Aaronovitch comes an all-new tale of supernatural suspense and good-old-fashioned London policing! p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} Peter Grant is a cop and part-time wizard investigating London's 'Falcon' crimes – those that are outside the realms of normal criminal investigations – and more into the realms of trolls under bridges, cursed crime scenes, and the ghosts of monsters past. Peter never saw himself in pest control – but that's exactly where he finds himself when a killer, sentient, living fungus goes on a rampage of revenge using its victims' worst fears against them. An all-new and original Rivers of London comic series, written by Ben Aaronovitch and Andrew Cartmel! Set between Foxglove Summer and The Hanging Tree. Collects Rivers of London: Black Mould #1-5.

Rivers of London Volume 3: Black Mould

Detective Inspector Peter Grant is back in an all-new comic miniseries from author Ben Aaronovitch! Trouble never lies far from the race track. When a flash car belonging to a young boy racer from England washes up in the Netherlands with a bagload of unusual cargo, it's evident there is more than meets the eye happening at street races held in an Essex car park. Enter Detective Inspector Peter Grant. Fresh from suspension, he takes to the track in his orange 'asbo' Ford Focus to try and infiltrate the big leagues. But Peter soon finds himself sucked back into an Otherworld - a real-life fairyland! Collects Rivers of London: The Fey And The Furious #1-4.

Rivers of London Volume 8: The Fey And The Furious

The award-winning urban fantasy series Rivers of London begins a new story of fast cars and fairy queens, from series creator Ben Aaronovitch! When an English racecar washes up in the Netherlands, wizarding cop Peter Grant is called in to investigate its unusual cargo. Fresh from suspension, Peter infiltrates the street racing big leagues – but can he find the finish line when he's sucked into a real-life fairyland? A canonical story, set after bestselling novel Lies Sleeping.

Rivers of London: The Fey and The Furious #1

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} It's all gone to pot! London's waterways have been overrun by a brutal and beautiful queenpin of crime. A menacing figure known only as the Hoodette is sending her henchmen along the river to distribute her new magically-produced drug. Unfortunately for them, the waterways are home to the Rivers of London – ancient gods and goddesses of the British capital who just so happen to have a very close friendship with the newly promoted Detective Constable Peter Grant and his mentor, Thomas Nightingale. In a gripping tale of cat and mouse from Rivers of London author Ben Aaronovitch and Andrew Cartmel (Doctor Who, The Vinyl Detective), with art by Lee Sullivan (Doctor Who, Transformers), Peter Grant encounters goblin girls and paintball-savvy goddesses as he tries to uncover the Hoodette's true identity and find her supply. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} From the outside, there's nothing especially unusual about one particular building nestled amongst a neat row of tall Georgian terraced houses in Russell Square, London. An unsuspecting passer-by certainly wouldn't know that it's home to a Special Operations Unit working for London's Metropolitan Police, specializing in all things magic. Nor would they know that tucked safely inside the building is a library chock-full of filing cabinets, each one packed with case files documenting the magical division's history. In charge of this building (known as The Folly) is Thomas Nightingale, the ranking officer of the SOU and one of the most powerful magicians in Europe, whose work for the Met dates back as far as the British Colonial Empire. A private man, his wizarding-trainee, Detective Constable Peter Grant, has long prodded him for stories from his career. Now, Peter is about to uncover some of his mentor's elusive past...

Rivers of London: Action At A Distance #1

Return to the world of Rivers of London in this first short story collection from #1 Sunday Times bestselling author, Ben Aaronovitch. Tales from the Folly is a carefully curated collection that gathers together previously published stories and brand new tales in the same place for the first time. If you're a fan of Terry Pratchett or Douglas Adams--don't panic--you will love Ben Aaronovitch.

Tales from the Folly

A study of the lost rivers of London, many of which are still flowing underground as part of the city's sewer system. The courses of the lost rivers are traced, and an analysis is given of the role that these rivers have played in the creation and development of London, the uses which have been made of them, and their relationship to the people of London.

The Lost Rivers of London

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri} p.p2 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px Calibri; min-height: 14.0px} The Special Assessment Unit. Sounds innocuous enough. But when you hear this unit of London's Metropolitan Police investigates the class of crimes codenamed 'Falcon', your ears might prick up. Dig a little deeper, and you might discover words like 'wizard' and 'magic' and 'little crocodiles'. Your conclusion might be that someone is taking the piss. But perhaps the investigations by Detective Constable Peter Grant – newly promoted cop and trainee wizard – and his colleagues at the Folly (HQ of SAU) – really are conducted in the shadowy infraworld of London's mythological past – and present. Among Peter's associates are the Rivers of London – the ancient gods and goddesses of the capital's waterways (one of them is also his girlfriend, Beverley) who, while often helpful, also skirt that fine line between good and, er, not so good. 'Rivers of London: Water Weed' takes place after the events of 'The Hanging Tree' and 'Cry Fox'.

Rivers of London: Water Weed #1

An all-new and original Rivers of London comic series, written by Ben Aaronovitch and Andrew Cartmel! Set between 'Foxglove Summer' and 'The Hanging Tree'. A police vehicle on a routine prison transfer in north London is stormed by Russian hoodlums seeking to free a very particular prisoner. Their target is a witch. A very powerful witch who doesn't want to be free. Things rapidly turn very ugly for the hoods and it's soon a job for full-time police constable and part-time wizard, Peter Grant.

Rivers of London: Night Witch #1

Peter Grant, having become the first English apprentice wizard in fifty years, must immediately deal with two different but ultimately inter-related cases. In one he must find what is possessing ordinary people and turning them into vicious killers, and in the second he must broker a peace between the two warring gods of the River Thames.

Rivers of London: 1-3 Boxed Set

The brand new novella in the Sunday Times #1 bestselling Rivers of London series. THEY DO THINGS DIFFERENTLY ACROSS THE POND... When retired FBI Agent Patrick Henderson calls in an 'X-Ray Sierra India' incident, the operator doesn't understand. He tells them to pass it up the chain till someone does. That person is FBI Special Agent Kimberley Reynolds. Leaving Quantico for snowbound Northern Wisconsin, she finds that a tornado has flattened half the town - and there's no sign of Henderson. Things soon go from weird to worse, as neighbours report unsettling sightings, key evidence goes missing, and the snow keeps rising - cutting off the town, with no way in or out... Something terrible is awakening. As the clues lead to the coldest of cold cases - a cursed expedition into the frozen wilderness - Reynolds follows a trail from the start of the American nightmare, to the horror that still lives on today... PRAISE FOR BEN AARONOVITCH & THE NUMBER ONE BESTSELLING RIVERS OF LONDON SERIES: 'Highly entertaining' SUNDAY EXPRESS 'Charming, witty, exciting' THE INDEPENDENT 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters' NICK FROST 'Funny and wildly inventive' MAIL ON SUNDAY

Winter's Gifts

This unique volume offers a rare glimpse at the development of the first Rivers of London graphic novel, Body Work, showcasing the script by Ben Aaronovitch and Andrew Cartmel in a side-by-side comparison with the artwork by Lee Sullivan and colorist Luis Guerrero. Universally acclaimed by critics and fans alike on its release in 2016, Ben Aaronovitch's Rivers of London graphic novel series has gone on to spawn eight further adventures, featuring Metropolitan police officer and part-time wizard Peter Grant as he examines unusual crimes that involve magic or the supernatural in the dark belly of London's underworld. Body Work sees Peter Grant investigate a mysterious suicide that soon leads

him on a chase through the streets of London after a possessed car on a homicidal killing spree. But what links it to a Bosnian refugee, the Most Haunted Car in the England, a bunch of teenagers loaded on Ketamine and a seemingly harmless wooden bench with the darkest of pasts?

Rivers of London: Body Work

Book 3 in the Rivers of London series, from Sunday Times Number One bestselling author Ben Aaronovitch. Peter Grant is learning magic fast. And it's just as well - he's already had run-ins with the deadly supernatural children of the Thames and a terrifying killer in Soho. Progression in the Police Force is less easy. Especially when you work in a department of two. A department that doesn't even officially exist. A department that if you did describe it to most people would get you laughed at. And then there's his love life. The last person he fell for ended up seriously dead. It wasn't his fault, but still. Now something horrible is happening in the labyrinth of tunnels that make up the tube system that honeycombs the ancient foundations of London. And delays on the Northern line is the very least of it. Time to call in the Met's Economic and Specialist Crime Unit 9, aka 'The Folly'. Time to call in PC Peter Grant, Britain's Last Wizard. Praise for the Rivers of London novels: 'Ben Aaronovitch has created a wonderful world full of mystery, magic and fantastic characters. I love being there more than the real London' NICK FROST 'As brilliant and funny as ever' THE SUN 'Charming, witty, exciting' THE INDEPENDENT 'An incredibly fast-moving magical joyride for grown-ups' THE TIMES Discover why this incredible series has sold over two million copies around the world. If you're a fan of Terry Pratchett or Douglas Adams - don't panic - you will love Ben Aaronovitch's imaginative, irreverent and all-round irresistible novels.

Whispers Under Ground

10th Anniversary Edition of Midnight Riot by #1 Sunday Times bestselling author Ben Aaronovitch, the first book in the international bestselling Rivers of London series! Restored to its original British title Rivers of London, this Author's Preferred Edition includes revised text never before seen by US readers and a new introduction by the author. My name is Peter Grant and until recently I was just another probationary constable in that mighty army for justice known to all right thinking people as the Metropolitan Police and by everyone else as the filth. My only concerns in life were avoiding a transfer to the Case Progression Unit – We do paperwork so other coppers don't have to – and where to get a hot coffee while on late shift. Then one night, in pursuance of a murder inquiry, I tried to take a witness statement from a man who was dead, but disturbingly voluble and that brought me to the attention Chief Inspector Nightingale, the last wizard in Britain. And that, as they say, is where the story really starts. Now I'm in plain clothes and the first apprentice wizard in fifty years, and my world has become somewhat more complicated. Now I'm dealing with nests of vampires in Purley, negotiating a truce between the warring god and goddess of the River Thames and digging up graves in Covent Garden – and that's just the routine stuff. Because there's something festering at the heart of the city I love, a malicious, vengeful spirit that takes ordinary Londoners and twists them into grotesque mannequins to act out its drama of violence and despair. The spirit of riot and rebellion has awakened in the city, and it's fallen to me to bring order out of chaos – or die trying. Which, I don't mind telling you, would involve a hell of a lot of paperwork. Reviews for Rivers of London '... fresh and original and a wonderful read. I loved it.' — Charlaine Harris 'A hilarious, keenly imagined caper.' — Diana Gabaldon 'A witty and inventive twist to urban fantasy... Wouldn't let go until the last page.' — Mario Acevedo 'It's witty, fun, and full of vivid characters, and the plot twists will keep even seasoned mystery fans guessing.' — Publishers Weekly

The Lost Rivers of London

Co-written by New York Times bestselling author, James Swallow! A dangerous monster is at large above the streets of London. And its name is... Wyvern! After a Met Police helicopter on night patrol is attacked by an unidentified aerial phenomena, the Met's only sanctioned wizard, Peter Grant, and his mentor, Thomas Nightingale, are called to investigate. Peter and Nightingale find themselves drawn into a battle between two groups of hunters – one human, and one fae – as they uncover a legacy of events that extend back to the 1960s. To save the skies of the city, Peter must face the enraged beast – but can he end things peacefully... or will he be forced to destroy the last wyvern?

Rivers of London

The bestselling cops and wizards series from chart-topping author (and comics writer) Ben Aaronovitch continues, with its most revelatory volume yet! Uncover the secret World War II history of Peter Grant's mentor, the mysterious Nightingale! Ben Aaronovitch's 'Rivers of London' Set For Adaptation By See-Saw, Pure Fiction Television October, 1957. A serial killer terrorising the women of Cumbria has moved to the streets of London, with Constable Angus Strallen hot on his heels. But this murderer has special abilities, and Strallen soon realises he needs the help of an old friend from the front lines who can match this madman's power - London's own wizarding police officer, Thomas Nightingale. As the pair move in closer, it quickly becomes clear that murder is not this man's only intent. Tying directly into the continuity of the Rivers of London novels and revealing secrets about Nightingale's past that readers have long-hoped to find out! Collects Rivers of London: Action at a Distance #1-4.

The Lost Rivers of London

Some say a dangerous monster is at large above the streets of London... A winged monster red in tooth and claw, and its name... Wyvern! Wizard-in-training Peter Grant takes to the skies to investigate a rash of strange UFO sightings high above the capital after a Met Police helicopter night patrol is attacked by what can only be described as a dragon! Peter and his mentor Thomas Nightingale, the Met's only sanctioned wizard, find themselves caught in the schemes of a trio of renegade Fae as they uncover a legacy of events that stretch all the way back to the Swinging Sixties and one of London's most famous residents – a certain “Experienced” rock star – who made a pact with the Demi-monde that was never fulfilled. To save the city, Peter must hunt down the enraged beast – but can he end things peacefully...? Or will he be forced to destroy the last Wyvern? Written by BAFTA nominated, New York Times, Sunday Times and Amazon #1 best-selling author James Swallow, creator of the Marc Dane thriller series, and author of novels based on Star Trek, Doctor Who, and Warhammer 40,000. With art by José María Beroy (The Phantom of the Opera, Deadman, Monday, Monday and Deadly Ever After). This is the latest edition in Ben Aaronovitch's hugely successful and award-winning Rivers of London series. Collects Rivers of London: Here Be Dragons #1-4

Fueled

From New York Times Best-Selling Author K. Bromberg comes the continuation of the Driven series... What happens when the one person you never expected suddenly happens to be the one you'll fight the hardest to keep? Colton stole my heart. He wasn't supposed to, and I sure as hell didn't want him to, but he crashed into my life, ignited feelings within me that I thought had died forever, and fueled a passion that I never knew could exist. Rylee fell out of that damn storage closet and into my life. Now I don't think I'll ever be the same. She's seen glimpses of the darkness within me, and yet she's still here. Still fighting for me. She is without a doubt the saint, and I am most definitely the sinner. How is it the one thing neither of us wanted—neither of us anticipated that fateful night—has us fighting so hard to keep? He steals my breath, stops my heart, and brings me back to life again all in a split second of time. But how can I love a man who won't let me in? Who continually pushes me away to prevent me from seeing the damaged secrets in his past? My heart has fallen, but patience and forgiveness can only go so far. How can I desire a woman who unnerves me, defies me, and forces me to see that in the deep, black abyss of my soul there's someone worthy of her love? A place and person I swore I'd never be again. Her selfless heart and sexy body deserve so much more than I'll ever be capable of giving her. I know I can't be what she needs, so why can't I just let her go? We are driven by need and fueled with desire, but is that enough for us to crash into love?

Driven

From New York Times Best-Selling Author K. Bromberg comes an unforgettable series about lust, love, redemption, and healing... Our paths should never have crossed. Colton Donovan was arrogant, exuded that bad boy vibe, and embodied everything I never wanted. And yet all it took was one night, one hallway, and one stolen kiss for me to know I hated him and desired him instantly. My heart was healing. His soul was damaged. But with one bid, one little boy, and one carnival date, I couldn't walk away and he wouldn't let me in. This is our story. Our fight. Our perfectly imperfect love.

Drive

Much later, as he sat with his back against an inside wall of a Motel 6 just north of Phoenix, watching the pool of blood lap toward him, Driver would wonder whether he had made a terrible mistake. Later still, of course, there'd be no doubt. But for now Driver is, as they say, in the moment. And the moment includes this blood lapping toward him...

Raced

From New York Times Best-Selling Author K. Bromberg comes a unique look at what Colton was thinking during key scenes of the Driven Trilogy... The Colton Points of View Collection This novella is a compilation of reader requested scenes from the series retold through the eyes of Colton Donovan. Colton Donovan lived life in the fast lane, but it took Rylee Thomas to teach him what racing was all about. Arrogant Rogue Broken Conceited Dirty-Talking Rebel Egomaniacal Voodooed Bent Reckless You think you know me? Think again. *Raced is not a complete re-write of the Driven Trilogy. This companion explores pivotal scenes as well as some new ones written in Colton Donovan's point of view that were not previously published in Driven, Fueled, and Crashed. Hear his thoughts, experience his inner-turmoil, and laugh with him on his journey as he overcomes his demons and accepts what it means to love. This novella is for the devoted readers of the Driven series. It is recommended that this companion be read after Driven, Fueled, and Crashed.

The Complete Driven Series

An unexpected meeting. One precipitous chance. A once in a lifetime love story. Colton Donovan is the cocky, bad boy of racing. With a haunting past and a reckless streak a mile long, he's known for his

fast lifestyle and playboy ways. Rylee Thomas is the selfless social worker overcoming her own tragedy. Dedicated to the traumatized orphans she takes care of, a man like Colton is the last thing she saw coming. They're driven by love. Fueled by desire. And crashing into love. See why over one million readers have fallen in love with this messy, complicated, heartfelt, and unforgettable romance. Take the emotional and compelling ride from start to finish, all in one boxed set, complete with added bonus scenes. This book contains the following complete novels: Driven, Fueled, Crashed, Raced, and Aced. In addition, it contains added Driven World scenes written and/or posted on social media or as bonus chapters in other K. Bromberg paperbacks.

Test Driven Development

Quite simply, test-driven development is meant to eliminate fear in application development. While some fear is healthy (often viewed as a conscience that tells programmers to "be careful!"), the author believes that byproducts of fear include tentative, grumpy, and uncommunicative programmers who are unable to absorb constructive criticism. When programming teams buy into TDD, they immediately see positive results. They eliminate the fear involved in their jobs, and are better equipped to tackle the difficult challenges that face them. TDD eliminates tentative traits, it teaches programmers to communicate, and it encourages team members to seek out criticism. However, even the author admits that grumpiness must be worked out individually! In short, the premise behind TDD is that code should be continually tested and refactored. Kent Beck teaches programmers by example, so they can painlessly and dramatically increase the quality of their work.

Demon Driven

Seven months have passed since Chris Gordon met Tanya Demidova. In that time he has adapted to the vast changes in his life. Being faster and stronger, working for a paranormal police unit and dating a vampire. But new threats appear; from the South, from the North, within the NYPD and from the U.S. government. But his greatest danger is already inside him.

Sweet Ache

The New York Times bestselling author of the Driven series turns up the heat when a sexy bet turns into so much more.... Hawkin Play, the bad boy rock star with a good guy heart, has lived a lifetime of cleaning up after his twin brother's mistakes. Hunter's most recent screwup could land Hawke in jail and risk the band's future. Hawke agrees to guest lecture at a local college to stay in the judge's good graces--and a bet with his bandmate to seduce his sexy teaching assistant is icing on the cake. Quinlan Westin is harder to bed than Hawke imagined. She knows his type and is determined to avoid the rocker at all costs--even if their attraction runs deeper than simple lust. Just as Hawke might finally be winning over the girl, his brother has other plans. When Hunter realizes his twin finally has a weakness, he'll stop at nothing to take advantage....

Aced

From New York Times Best-Selling Author K. Bromberg comes a book about what happens after the happily ever after. Rylee and Colton's ride continues... One moment. Six years ago. The night she made the world around me so much more than just a blur. Now it's the catalyst that threatens to tear us apart. Our happily was supposed to be ever after. So why do I feel like it's slipping through my fingers? How can one moment, when our world seemed so right, resurface and cause our perfect life to spiral out of control? I can't lose her. She's my checkered flag.

BDD in Action

Summary BDD in Action teaches you the Behavior-Driven Development model and shows you how to integrate it into your existing development process. First you'll learn how to apply BDD to requirements analysis to define features that focus your development efforts on underlying business goals. Then, you'll discover how to automate acceptance criteria and use tests to guide and report on the development process. Along the way, you'll apply BDD principles at the coding level to write more maintainable and better documented code. Purchase of the print book includes a free eBook in PDF, Kindle, and ePub formats from Manning Publications. About the Technology You can't write good software if you don't understand what it's supposed to do. Behavior-Driven Development (BDD) encourages teams to use conversation and concrete examples to build up a shared understanding of how an application should

work and which features really matter. With an emerging body of best practices and sophisticated new tools that assist in requirement analysis and test automation, BDD has become a hot, mainstream practice. About the Book BDD in Action teaches you BDD principles and practices and shows you how to integrate them into your existing development process, no matter what language you use. First, you'll apply BDD to requirements analysis so you can focus your development efforts on underlying business goals. Then, you'll discover how to automate acceptance criteria and use tests to guide and report on the development process. Along the way, you'll apply BDD principles at the coding level to write more maintainable and better documented code. No prior experience with BDD is required. What's Inside BDD theory and practice How BDD will affect your team BDD for acceptance, integration, and unit testing Examples in Java, .NET, JavaScript, and more Reporting and living documentation About the Author John Ferguson Smart is a specialist in BDD, automated testing, and software lifecycle development optimization. Table of Contents PART 1: FIRST STEPS Building software that makes a difference BDD—the whirlwind tour PART 2: WHAT DO I WANT? DEFINING REQUIREMENTS USING BDD Understanding the business goals: Feature Injection and related techniques Defining and illustrating features From examples to executable specifications Automating the scenarios PART 3: HOW DO I BUILD IT? CODING THE BDD WAY From executable specifications to rock-solid automated acceptance tests Automating acceptance criteria for the UI layer Automating acceptance criteria for non-UI requirements BDD and unit testing PART 4: TAKING BDD FURTHER Living Documentation: reporting and project management BDD in the build process

Slow Burn

From the New York Times and USA Today bestselling author of the Driven series. One night. That's all it was supposed to be . . . Reeling from the sudden loss of her sister, Haddie Montgomery has sworn off relationships. All she wanted from Beckett Daniels was a sexy distraction to help her escape her pain for just a little while . . . There weren't supposed to be any strings attached—so why can't she shake the memory of that unforgettable night from her thoughts? Or the taste of his kiss from her lips? No matter how hard Haddie tries to forget about him, Becks relentlessly tries to prove that she should start living for today. But she is determined to avoid romantic commitment, and she can always use her ex-boyfriend's reappearance to help snuff out the slow burn within her that Becks has sparked . . . Or will fate force her to realize that this kind of connection doesn't come along very often and a chance at love is worth the risk?

Agile Java™

Master Java 5.0 and TDD Together: Build More Robust, Professional Software Master Java 5.0, object-oriented design, and Test-Driven Development (TDD) by learning them together. Agile Java weaves all three into a single coherent approach to building professional, robust software systems. Jeff Langr shows exactly how Java and TDD integrate throughout the entire development lifecycle, helping you leverage today's fastest, most efficient development techniques from the very outset. Langr writes for every programmer, even those with little or no experience with Java, object-oriented development, or agile methods. He shows how to translate oral requirements into practical tests, and then how to use those tests to create reliable, high-performance Java code that solves real problems. Agile Java doesn't just teach the core features of the Java language: it presents coded test examples for each of them. This TDD-centered approach doesn't just lead to better code: it provides powerful feedback that will help you learn Java far more rapidly. The use of TDD as a learning mechanism is a landmark departure from conventional teaching techniques. Presents an expert overview of TDD and agile programming techniques from the Java developer's perspective Brings together practical best practices for Java, TDD, and OO design Walks through setting up Java 5.0 and writing your first program Covers all the basics, including strings, packages, and more Simplifies object-oriented concepts, including classes, interfaces, polymorphism, and inheritance Contains detailed chapters on exceptions and logging, math, I/O, reflection, multithreading, and Swing Offers seamlessly-integrated explanations of Java 5.0's key innovations, from generics to annotations Shows how TDD impacts system design, and vice versa Complements any agile or traditional methodology, including Extreme Programming (XP)

Blanchland Blues

John MacAlister was supposed to kidnap Meryl Amelson, but he saved her instead. It was the first time since his discharge that he felt his life had any meaning. Especially because it was James Kedron--the crooked commander who booted him from the Star Corps--who was after her. On colony K-6, Meryl

is a witness to killings ordered by Kedron, and he wants her dead. Turns out John was the bait, only Kedron failed to hook the fish. An unexpected bond forms between John and Meryl. She reminds him of the girl who died in the crash that ruined his career. Unable to accept putting another innocent in danger, he comes clean with her. On the run, they discover a plot to use colony resources to fund the hateful Ascendancy of Man movement led by Kedron. John's robot finds proof of the conspiracy, but the off-world coms are guarded. To call Earth for help, they'll have to defeat Kedron and his officers. But John's only resources are his weaponless robot, a teenage girl and a group of scared farmers. He's hoping an old smuggler's trick will give them the edge he needs. Little does he know Kedron is planning a surprise of his own.

Drive

Determined to win. Destined to fall. Savannah "Savvy" Jenkins is no stranger to the crude comments and leering looks she gets in the pit. Out to prove that she can succeed in a man's world, she thinks she knows what to expect when she joins Formula One world champion Dante Annunziata's crew. Dante is determined to finish his season on top. And Savvy is nothing but a distraction that threatens to get in the way. Convinced Savvy has no business on the team, Dante's prepared to do anything to get her off. But when a paparazzo catches the two in a compromising position, Dante and Savvy are in for a fauxmance for the ages. As their fake attraction turns real, they realize that there may be more to life than simply speeding through it.

Uncaged

Greg Cage's life is more fulfilling than he ever could have imagined. He's married to the love of his life, has an amazing son, and in a few short months, his family will grow again with the birth of his twin girls. The past year has been a tough one for the Cage family, but they are now on the road to healing by learning to let go of the past and looking forward to their future. When situations beyond his control threaten to take away so much of what Greg holds close to his heart, he has to learn that he doesn't always have the control he tries to maintain in their lives. Will he be able to handle the stress of knowing his wife and newborn daughters are beyond his protection? Join the Cage family as they embark on yet another one of life's journeys with a rambunctious four-year-old, pregnancy complications, and the fear of the unknown. Will the love that Greg and Melissa share hold true as they fight to overcome the obstacles that face them?

Hard Beat

From the New York Times bestselling author of *Sweet Ache* comes a blistering new novel filled with danger, secrecy, and a desire that can't be sated... Foreign war correspondent Tanner Thomas is addicted to living on the edge. Needing the adrenaline rush of his job to help him cope with a personal loss, he throws himself back into the game, concentrating all his energy on getting the next big story. But when he meets his new photojournalist, Beaux Croslyn, he can't help but feel like he's losing his focus—and maybe risking more... With secrets she won't address, Beaux is far from your ordinary woman. Determined to keep her distance, she's willing to pull Tanner in closer and hide behind the sparks flying between them. But as Beaux's past begins to put their relationship—and their lives—at risk, Tanner's determination to find the truth puts them both in jeopardy. He's ready to chase her to the ends of the earth to find out if what they had was real, or if the danger surrounding them was just an exquisite heat fated to burn out....

System- and Data-Driven Methods and Algorithms

An increasing complexity of models used to predict real-world systems leads to the need for algorithms to replace complex models with far simpler ones, while preserving the accuracy of the predictions. This two-volume handbook covers methods as well as applications. This first volume focuses on real-time control theory, data assimilation, real-time visualization, high-dimensional state spaces and interaction of different reduction techniques.

Crashed

From New York Times Best-Selling Author K. Bromberg comes the epic conclusion of Rylee and Colton's story... When life crashes down around us, how hard are we willing to fight for the one thing we can't live without, each other? Life is full of moments. Big moments. Little moments. And none of

them are inconsequential. Every single moment prepares you for that one instance that defines your life. You must overcome all your fears, confront the demons that chase you, and cleanse the poison that clings to your soul or you risk the chance of losing everything. Mine started the minute Rylee fell out of that damn storage closet. She made me feel. Made me whole when all I thought I could ever be was incomplete. Became the lifeline I never knew I needed. Hell yes, she's worth the fight...but how do you fight for someone you know you don't deserve? Love is full of ups and downs. Heart stopping highs. Soul shattering lows. And none of them are insignificant. Love is a racecourse of unexpected twists and turns that must be negotiated. You have to break down walls, learn to trust, and heal from your past in order to win. But sometimes it's the expected that's the hardest to hold on to. Colton has healed and completed me, stolen my heart, and made me realize our love's not predictable nor perfect—it's bent. And bent's okay. But when outside factors put our relationship to the test, what lengths will I have to go to prove to him that he's worth the fight? Whoever said love is patient and love is kind, never met the two of us. We know our love is worth it—have acknowledged that we were meant to be—but when our pasts crash into our future, will the repercussions make us stronger or break us apart?

Down Shift

The New York Times bestselling Driven series continues with a standalone story about finding love where you least expect it... Behind the wheel, racing champion Zander Donovan is at the top of his game. But after too much excess in his personal life, he's forced to step away. He needs to accomplish something all on his own - outside of his famous father's shadow. Getty Caster is running away from the abuse that clouds her past. She thinks she's found the perfect escape - until she discovers a stranger in the beachside cottage she'd been promised. He's undeniably sexy, but she's there to heal. Alone. Before long though, fighting with each other turns into fighting their attraction. And giving into desire sets off a chain reaction that has their pasts colliding. With an unexpected love on the line, can they overcome the fallout to build a future? 'An irresistibly hot romance that stays with you long after you finish the book.' #1 New York Times bestselling author Jennifer L. Armentrout 'Captivating, emotional, and sizzling hot' #1 New York Times bestselling author S.C. Stephens 'Bromberg is a master at turning up the heat.' New York Times bestselling author Katy Evans 'K. Bromberg is the master of making hearts race and pulses pound.' New York Times bestselling author Jay Crownover "Super charged heat and full of heart. Bromberg aces it from the first page to the last." -New York Times bestselling author Kylie Scott 'Bromberg expertly captures the voice of a man torn between his tender heart and macho confidence...Gripping' Publishers Weekly

Data-Driven Science and Engineering

A textbook covering data-science and machine learning methods for modelling and control in engineering and science, with Python and MATLAB®.

Just Money

How to use finance as a tool to build a more equitable and sustainable society. Money defines our present and will shape our future. Every investment decision we make adds a chapter to the story of what our world will look like. Although the idea of mission-based finance has been around for decades, there is a gap between organizations' stated intention to "do good" and meaningful impact. Still, some are succeeding. In Just Money, Katrin Kaufer and Lillian Steponaitis take readers on a global tour of financial institutions that use finance as a force for good.

Growing Object-Oriented Software, Guided by Tests

Test-Driven Development (TDD) is now an established technique for delivering better software faster. TDD is based on a simple idea: Write tests for your code before you write the code itself. However, this "simple" idea takes skill and judgment to do well. Now there's a practical guide to TDD that takes you beyond the basic concepts. Drawing on a decade of experience building real-world systems, two TDD pioneers show how to let tests guide your development and "grow" software that is coherent, reliable, and maintainable. Steve Freeman and Nat Pryce describe the processes they use, the design principles they strive to achieve, and some of the tools that help them get the job done. Through an extended worked example, you'll learn how TDD works at multiple levels, using tests to drive the features and the object-oriented structure of the code, and using Mock Objects to discover and then describe relationships between objects. Along the way, the book systematically addresses challenges that development teams encounter with TDD—from integrating TDD into your processes to

testing your most difficult features. Coverage includes Implementing TDD effectively: getting started, and maintaining your momentum throughout the project Creating cleaner, more expressive, more sustainable code Using tests to stay relentlessly focused on sustaining quality Understanding how TDD, Mock Objects, and Object-Oriented Design come together in the context of a real software development project Using Mock Objects to guide object-oriented designs Succeeding where TDD is difficult: managing complex test data, and testing persistence and concurrency

Ali Cross

Alex Cross's son Ali is eager to follow in his father's footsteps as a detective, but when his best friend goes missing, what price will he have to pay to solve the mystery? Alex Cross The brilliant DC detective who never gives up on a case. Ali Cross The tenacious kid who's determined to follow in his father's footsteps. The case that finally gives him a chance Ali knows Gabe Qualls better than anyone, so when his friend goes missing, Ali jumps right into action. Alex Cross has taught his son the values he needs to solve the mystery: intelligence, persistence, and logic. One thing Ali hasn't learned? Patience. Because Ali realises that with every day that passes without the police finding Gabe, the less likely it is that he'll ever be found. And being Alex Cross's son, he refuses to accept those odds.

Extracted

In 2061, a young scientist invents a time machine to fix a tragedy in his past. But his good intentions turn catastrophic when an early test reveals something unexpected: the end of the world. A desperate plan is formed. Recruit three heroes, ordinary humans capable of extraordinary things, and change the future. Safa Patel is an elite police officer, on duty when Downing Street comes under terrorist attack. As armed men storm through the breach, she dispatches them all. 'Mad' Harry Madden is a legend of the Second World War. Not only did he complete an impossible mission--to plant charges on a heavily defended submarine base--but he also escaped with his life. Ben Ryder is just an insurance investigator. But as a young man he witnessed a gang assaulting a woman and her child. He went to their rescue, and killed all five. Can these three heroes, extracted from their timelines at the point of death, save the world?

Driven

Shortlisted for the Bressani Literary Prize • A Globe and Mail Book of the Year • A CBC Books Best Canadian Nonfiction of 2021 In conversations with drivers ranging from veterans of foreign wars to Indigenous women protecting one another, Di Cintio explores the borderland of the North American taxi. "The taxi," writes Marcello Di Cintio, "is a border." Occupying the space between public and private, a cab brings together people who might otherwise never have met—yet most of us sit in the back and stare at our phones. Nowhere else do people occupy such intimate quarters and share so little. In a series of interviews with drivers, their backgrounds ranging from the Iraqi National Guard, to the Westboro Baptist Church, to an arranged marriage that left one woman stranded in a foreign country with nothing but a suitcase, Driven seeks out those missed conversations, revealing the unknown stories that surround us. Travelling across borders of all kinds, from battlefields and occupied lands to midnight fares and Tim Hortons parking lots, Di Cintio chronicles the many journeys each driver made merely for the privilege to turn on their rooflight. Yet these lives aren't defined by tragedy or frustration but by ingenuity and generosity, hope and indomitable hard work. From night school and sixteen-hour shifts to schemes for athletic careers and the secret Shakespeare of Dylan's lyrics, Di Cintio's subjects share the passions and triumphs that drive them. Like the people encountered in its pages, Driven is an unexpected delight, and that most wondrous of all things: a book that will change the way you see the world around you. A paean to the power of personality and perseverance, it's a compassionate and joyful tribute to the men and women who take us where we want to go.

501 Must-drive Cars

Whether you prefer the more classic car of the 1920s or fast, extreme cars that you'll almost certainly never get to drive but really wish you could, this book has everything you need to know. This indispensable guide can be referred to time and time again and there will always be something new to discover. There is a detailed synopsis on each model of car which includes information such as the country of origin, the year of first manufacture, engine type, performance levels and a fact that all car fanatics 'really should know'.

Data-Driven Storytelling

This book presents an accessible introduction to data-driven storytelling. Resulting from unique discussions between data visualization researchers and data journalists, it offers an integrated definition of the topic, presents vivid examples and patterns for data storytelling, and calls out key challenges and new opportunities for researchers and practitioners.

The Negro Motorist Green Book

The idea of "The Green Book" is to give the Motorist and Tourist a Guide not only of the Hotels and Tourist Homes in all of the large cities, but other classifications that will be found useful wherever he may be. Also facts and information that the Negro Motorist can use and depend upon. There are thousands of places that the public doesn't know about and aren't listed. Perhaps you know of some? If so send in their names and addresses and the kind of business, so that we might pass it along to the rest of your fellow Motorists. You will find it handy on your travels, whether at home or in some other state, and is up to date. Each year we are compiling new lists as some of these places move, or go out of business and new business places are started giving added employment to members of our race.

Sky in the Deep

A 2018 Most Anticipated Young Adult book that is part Wonder Woman, part Vikings and all heart. Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, rivalry against the Riki clan. Her life is brutal but simple: fight and survive. Until the day she sees the impossible on the battlefield her brother, fighting with the enemy the brother she watched die five years ago. Faced with her brother's betrayal, Eelyn is captured and must survive the winter in the mountains with the Riki, in a village where every neighbour is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan thought to be a legend, Eelyn is even more desperate to get back to her beloved family. She is given no choice but to trust Fiske, her brother's friend, who sees her as a threat. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and family while daring to put her faith in the people she's spent her life hating.

Call Me Crazy

It was the perfect plan. I needed a wife--temporarily--in order to inherit the family business. And she needed a favor--the kind that takes nine months to deliver. We had it all worked out, from the no-touching policy on our wedding night (her rule) to the no-falling-in-love decree (mine). She'd marry me, I'd give her the means to have the baby she'd always wanted, and one year later we'd amicably part ways with no hassle, no demands, and certainly no regrets. After all, Bianca DeRossi and I are experts at infuriating one another--we've been doing it since we were kids. Trouble is, she grew up gorgeous and feisty, and she still knows exactly how to get under my skin. And that wedding night? Well, it doesn't exactly go down hands-free. Then she moves in with me, and I really start to lose my mind. From her sexy little pout to her wicked sense of humor to those meatball sandwiches she makes just because she knows they're my favorite . . . I find myself wanting to break every rule we put in place. Our story was never supposed to end with happily ever after. But call me crazy, I just might be in love with my wife.

Culture by Design

Book Two in the powerfully addictive fantasy series The Foundling, perfect for fans of Ilona Andrews, Jenn Stark and Helen Harper The bayou is burning, the battle is just beginning - and Luce Boudreau is smack in the middle of no-man's land . . . Life as a cop in Canton Town, Mississippi, is never dull - particularly when hiding deep within you is a demon bent on the apocalypse. Luce is doing her best to pretend her two worlds aren't crashing into each other, but what should be a routine arson investigation takes a shocking turn when Luce discovers a link between the suspects and her own dark secrets. There's no turning back, even though her search for the truth threatens to burn her old life down around her. Lines are being drawn in a war Luce barely understands, and she just might be on the wrong side of them. Now she must embrace her powerful destiny, or the ones she loves most will pay the ultimate price. Readers LOVE Hailey Edwards: 'Edwards creates amazing fantasy worlds' - (Goodreads reviewer) 'A fantasy of a five-star read!' (Amazon reviewer) 'Hailey Edwards has

exceeded all expectation' (Goodreads) 'Well-plotted fantasy with intriguing characters, heart-pounding action, suspenseful intrigue and subtle romance' (RT Book Reviews) 'Edwards has this way of writing that makes you feel like the narrator is talking to you and that you're old friends' (Goodreads) 'The world building is fresh . . . The characters are well-drawn and easy to root for. And the romance really hits the spot' (Red Hot Books) 'She builds dynamic character bases, using common mythology but takes it one step further using previously unseen species or imbuing currently known species with skills and know how that offers readers something new in the paranormal world' (Smexybooks)

Bone Driven

WARNING: DO NOT READ THIS BOOK! ...For amongst its contents you will find: two extraordinary adventurers... a missing magician's diary... a symphony of spells... and a deadly secret. But wait, you already know too much! It is too late. I'm afraid nothing will stop you now. Open the book if you must. But, please, tell no one.

The Name of This Book is Secret

In Volume 6, Operator-Driven Reliability, the author sets a goal to provide a framework that can organize the ODR efforts in an organization to support maintenance initiatives and not conflict with them. For this to occur, the maintenance organization must already be in a mature state. If this is not the case, operations will attempt to do too much with ODR and the initiative will bog down, since maintenance will not be able to properly support the maintenance-related activities of the operations group. This book builds on the previous five volumes and many of the strategies discussed in the previous volumes must be in place to provide the foundation necessary to properly involve operation in maintenance-related activities. By learning how to involve operations in maintenance activities, maintenance personnel are freed-up to focus on higher level predictive and reliability activities, thus increasing equipment uptime.

Operator-Driven Reliability

THE INSTANT NEW YORK TIMES BESTSELLER 'Chart a child's path with less stress and more optimization for healthy habits and future success' Time From age 5 to 12, parenting decisions get more complicated and have lasting consequences. What's the right kind of school? Should they play a sport? When's the right time for a phone? Making these decisions is less about finding the specific answer and more about taking the right approach. Along with these bigger questions, Oster investigates how to navigate the complexity of day-to-day family logistics. The Family Firm is a smart and winning guide to how to think more clearly - and with less ambient stress - about the key decisions of these early years.

The Family Firm

In 1996, Patterson Hood recruited friends and fellow musicians in Athens, Georgia, to form his dream band: a group with no set lineup that specialized in rowdy rock and roll. The Drive-By Truckers, as they named themselves, grew into one of the best and most consequential rock bands of the twenty-first century, a great live act whose songs deliver the truth and nuance rarely bestowed on Southerners, so often reduced to stereotypes. Where the Devil Don't Stay tells the band's unlikely story not chronologically but geographically. Seeing the Truckers' albums as roadmaps through a landscape that is half-real, half-imagined, their fellow Southerner Stephen Deusner travels to the places the band's members have lived in and written about. Tracking the band from Muscle Shoals, Alabama, to Richmond, Virginia, to the author's hometown in McNairy County, Tennessee, Deusner explores the Truckers' complex relationship to the South and the issues of class, race, history, and religion that run through their music. Drawing on new interviews with past and present band members, including Jason Isbell, Where the Devil Don't Stay is more than the story of a great American band; it's a reflection on the power of music and how it can frame and shape a larger culture.

Where the Devil Don't Stay

It's the year 2055 and an anarchist organization has taken control with the aim to create a world-class society. Half of humankind is unknowingly living in an alternate reality called Dormance . . . and there are no plans to wake them up. Sixteen-year-old introvert Emery Parker is one such dormant. An academic scholar who avoids ruffling feathers at all costs, Emery finds herself being transferred to a boarding school on the outskirts of Arizona. Little does she know, a family secret has the power to change the

course of the future. When she's approached with an opportunity to free the dormants, she sees no other choice but to accept, even though failure could mean having her memory wiped clean. But when tech-savvy Torin Porter reaches out to her from the other side, Emery begins to question everything she was told about Dormance. If her family's secret falls into the wrong hands, the world as she knows it will be faced with irreversible consequences. Now Emery must play both sides to uncover the truth about her family's past or risk leaving mankind to live in an unconscious reality.

The Alpha Drive

New York Times and USA Today bestselling author Jill Shalvis continues her fun, sexy new contemporary romance series with a tale of friends-to-lovers...just in time for Christmas. If she has her way . . . Willa Davis is wrangling puppies when Keane Winters stalks into her pet shop with frustration in his chocolate-brown eyes and a pink bedazzled cat carrier in his hand. He needs a kitty sitter, stat. But the last thing Willa needs is to rescue a guy who doesn't even remember her . . . He'll get nothing but coal in his stocking. Saddled with his great-aunt's Feline from Hell, Keane is desperate to leave her in someone else's capable hands. But in spite of the fact that he's sure he's never seen the drop-dead-gorgeous pet shop owner before, she seems to be mad at him . . . Unless he tempers "naughty" with a special kind of nice . . . Willa can't deny that Keane's changed since high school: he's less arrogant, for one thing—but can she trust him not to break her heart again? It's time to throw a coin in the fountain, make a Christmas wish—and let the mistletoe do its work . . . (A standalone Heartbreaker Bay novel)

The Trouble with Mistletoe

Ildiko has always known her only worth to the royal family lay in a strategic marriage. Resigned to her fate, she is horrified to learn that her intended groom isn't just a foreign aristocrat but the younger prince of a people neither familiar nor human. Bound to her new husband, Ildiko will leave behind all she's known to embrace a man shrouded in darkness but with a soul forged by light. Two people brought together by the trappings of duty and politics will discover they are destined for each other, even as the powers of a hostile kingdom scheme to tear them apart.

Radiance

Gabriel Connor is up against it. Expelled from the Concord Marines and exiled in disgrace, he's offered one last chance by the Concord to redeem himself. All it involves is gambling his life in a vicious game of death.

Starrise at Corrivale
