Ultimate Aptitude Tests

Do you need to prepare for an aptitude test for an interview or selection process? Do you want to practise and improve your scores? Ultimate Aptitude Tests, now in its fourth edition and part of the best-selling Ultimate series, is the largest and most comprehensive book of its kind, boasting over 1000 varied practice aptitude questions with accompanying answers and explanations. In such a competitive job market, it's the perfect book to ensure you're entirely prepared to get those high scores and impress potential employers. Businesses use aptitude tests when recruiting; sometimes even to fast-track potential leaders. Providing essential practice, Ultimate Aptitude Tests includes tests like those you are likely to encounter, including abstract visual tests, verbal and numerical reasoning tests, practical skills and understanding tests, spatial and systems potential tests and logic and intuition tests of different types. This new edition also now includes a brand new section on online testing environments as well as free access to a separate full online test to evaluate your abilities. Ultimate Aptitude Tests is brilliant preparation for candidates wishing to outshine their competition and secure their dream job. About the Ultimate series... The Ultimate series contains practical advice on essential job search skills to give you the best chance of getting the job you want. Taking you from your job search to completing an interview, it includes guidance on CV or résumé and cover letter writing, practice questions for passing aptitude, psychometric and other employment tests, and reliable advice for interviewing.

The Aptitude Test Workbook

Many organizations and educational institutions use psychometric testing to uncover candidates' abilities and assess their potential. The Aptitude Test Workbook will help candidates prepare for these tests and give them an awareness of their strengths and where they could take you. A companion to Test Your Own Aptitude, it contains 16 tests with over 400 questions - verbal, numerical, perceptual, spatial and practical. With new detailed explanations to aid your learning as well as real life assessments, this new edition is a vital read. Packed with practical advice, help sections and expert tips, it will help the reader improve their key skills and find their ultimate career direction.

How to Pass Advanced Aptitude Tests

The use of tests as part of job selection and assessment procedures has now become routine. Most candidates can expect to face a battery of tests, including those which identify a person's aptitude for a particular job. How to Pass Advanced Aptitude Tests is aimed at those applying for positions of increased responsibility, where the selection procedures can be even more rigorous. It will familiarise you with the types of test you may face so that through practice you will improve your scores. This second edition now includes detailed explanations with every answer, to ensure that you learn and gain the most out of the practice tests. Also featuring personality and career analysis and an occupational index and career agenda planner, How to Pass Advanced Aptitude Tests shows you which career path might be the right one for you, and assesses whether you are currently in the right job.

Ultimate Aptitude Tests

Recruitment, selection and assessment procedures sometimes make use of aptitude tests, which are designed to measure one's potential for achievement. The Ultimate Aptitude Book includes verbal, numerical, perceptual and practical tests as well as exercises testing specific aptitudes such as memory and dexterity. It also covers personality and motivational tests, which assess leadership, management and social awareness aptitudes. This book is valuable for anyone who wants to see how their own unique aptitudes might best be used in a wide range of careers. For those people already in a career, it can show them how to develop their existing role as well as guide them toward a possible change of direction.

Test Your Own Aptitude

Test Your Own Aptitude, the biggest and best book on aptitude testing available, is for anyone who wants a successful career - but is unsure where to start. Based on solid scientific research and sound psychological practice, it contains a series of tests and questionnaires that will identify the reader's abilities; personality; and motivation. The results are then used to pinpoint ideal career choices and there is an index of over 400 jobs to help make the whole process easier. Fully revised and updated,

it will help readers to make better decisions about their future - by establishing what they can do best and which career suits them most.
