**A Spiritual Journey - A Love Story - A Search for Truth** An extraordinary spiritual encounter has left psychotherapist Tessa Lynne in a quandary. Her intuition tells her to believe--her logical mind wants proof. A series of surreal events unfolds, forcing her to question her judgment and to examine her beliefs. Each time she thinks she knows the truth of her experience, she is tested again. Tessa is told of our life purpose, about life after death, and of a long-lost destiny, named Michael. Then she learns that he is dying. She reaches out to him spiritually and he sees her in a dream. They have visions of past lives, are surrounded by The Light. Is it possible that Michael might survive? Could their destinies be restored? Who holds that power? Events predicted to Tessa in 1995 have since come to pass. What she was told then resonates more strongly now, more than twenty years later. Discover why she was approached, learn more about the Invisible Choir, and use her story to reflect on the course of your own life journey.

I Am Mary is a fictionalized autobiography of Mother Mary based on the dialogue attributed to Mary by various Saints and visionaries. Her own words are used in most instances starting with the second chapter. The author of course had to take poetic license especially in Chapter Twelve's summary of her appearances. This book fills in much of the blank periods of the lives of Jesus and Mary. It reveals much of their mystical lives as related by Saint Mary of Agreda, Venerable Anne Catherine Emmerich, Saint Bridget of Sweden, Saint Maria Faustina Kawalsaka, the Holy Bible, the Gospel of Mary and a myriad of other sources. It is an ideal book for meditation on the lives and works of Mother Mary and her Divine Son Jesus Christ. I tried to edit some of the archaic terminology of the early writers to offer smoother reading and ready comprehension. The original texts were highly recommended reading by several different Popes in the periods in which the original books were written.
