Focus on the Family with Dr. James C. Dobson

Christmas is almost upon Peabody and Samantha Sweet has a lot more on her plate than the usual turkey and trimmings. The Dandy Dognapper is dashing through the snow snatching pets from all over Peabody and beloved four-legged family member Tater Tot is the latest victim. When the ransom drop is

foiled, Tater Tot's fate hangs in the balance and Samantha's children are heartbroken at the thought of never seeing their beloved little Dachshund again. Sam realizes the only way to save Christmas for her kids is to track down the culprit and rescue Tater herself. But finding a dastardly dognapper and ending his Scrooge-like behavior is not easy with Sam's current guests trying to steal her Christmas cheer as well. Local socialite Winnie Sinclair-Phillips has taken up residence at the B&B and Seth Cooper's ex-wife arrives for a less than merry and bright visit. When a down-on-his-luck elf moves in and insists on helping Samantha with Operation Save Christmas, it becomes obvious that the holidays at The Sweet Pea are going to be filled with felons, festivities and fur!

The Rhythm of Home

A fly-on-the-wall account of making a television show, and a great examination of country living in the first half of the twentieth century, PSHAW, ITS ME GRANDSON revolves around the relationship between a boy and his grandfather. When Clay is cast as a regular in the TV series Christy, his grandfather Clifton serves as his on-set guardian. The series is set in a poor farm community, which is eerily similar to the one where Clifton grew up. Being on the set of the show provides a dramatic transformation for both, as Clay comes of age and Clifton comes to terms with his past.

The Sweetest Gift

Sarah is surprised when her parents give her her mother's wedding dress for a 20th birthday present, and then announce that, after much prayer, they have arranged for her to marry the quiet son of local farmers in less than a week.

Sweetest Gift

From the bestselling author of Becoming Us comes a novel that asks: What does it mean to be truly known? In a marriage, in a friendship, or by a loving God? After her mom passed away, Jennalyn was in the midst of moving, adjusting to life with a new baby, and helping her husband, Joel, work toward his dream job. At the time, she thought she'd processed her mother's death, but only now that Jennalyn has two small children, a lovely new home, and a husband who is always working does she feel the full impact of what she has lost. Even among her sweet circle of friends, the Haven Makers, grief silently overwhelms Jennalyn, until an unexpected encounter allows her to express herself in ways she hasn't fully been able to with her husband. Even though Christy, Sierra, Emily, and Tess provide a soft place to land in times of tension, Jennalyn remains guarded, especially when Tess reveals she is tangled emotionally in a relationship that was thorny from the start. Will the two women open up and remain honest with the others in their Haven Makers group? Or will their hesitation to truly be known, faults and all, keep them from holding on to the friendships that have been the sweetest gift during this season of life?

Memories flood my mind as I reminisce how my journey has been a lifetime of happenings that speak to my soul with lessons that can be applied to our daily lives. These memories are conjured up at odd and, sometimes, inconvenient times. As I sat in church last Sunday and the pastor began his message, my mind captured a thought of bygone days that spoke loud and clear to my mind, and I scrambled in my bag for a pen and paper to put my thoughts down. Brother Tim must have thought he had really said something profound, and he did, but I did not write that down. It is my hope that all who read my memories and the lessons that I glean from them will take them to heart and identify with them and feel happiness, insight, and perhaps laughter as they share my memories and truths.

The Gift

During the 1940s, country music was rapidly evolving from traditional songs and string band styles to honky-tonk, western swing, and bluegrass, via radio, records, and film. The Blue Sky Boys, brothers Bill (1917-2008) and Earl (1919-1998) Bolick, resisted the trend, preferring to perform folk and parlor songs, southern hymns, and new compositions that enhanced their trademark intimacy and warmth. They were still in their teens when they became professional musicians to avoid laboring in Depression-era North Carolina cotton mills. Their instantly recognizable style was fully formed by 1936, when even their first records captured soulful harmonies accented with spare guitar and mandolin accompaniments. They inspired imitators, but none could duplicate the Blue Sky Boys' emotional appeal or their distinctive Catawba County accents. Even their last records in the 1970s retained their unique magical sound decades after other country brother duets had come and gone. In this absorbing account, Dick Spottswood combines excerpts from Bill Bolick's numerous spoken interviews and written accounts of his music, life, and career into a single narrative that presents much of the story in Bill's own voice. Spottswood reveals fascinating nuggets about broadcasting, recording, and surviving in the 1930s world of country music. He describes how the growing industry both aided and thwarted the Bolick brothers' career, and how World War II nearly finished it. The book features a complete, extensively annotated list of Blue Sky Boys songs, an updated discography that includes surviving unpublished records, and dozens of vintage photos and sheet music covers.

That'S the Way It Is

The first twelve books in the popular Christy Miller series are now available in four treasured volumes! Bestselling author Robin Jones Gunn packs each one with enough action, romance, and drama to keep you reading and wanting more. It all starts the summer Christy vacations on a California beach and meets two friends who change her life forever. But after moving across the country with her family, Christy must begin her sophomore year of high school uncertain where she'll fit in. A red-headed new best friend, a try at cheerleading, a job at a pet store, and expectations for the prom fill Christy's high school years with a string of laughter-and-tears moments. Fireball Katie keeps everyone guessing what she'll do next, and surfer Todd keeps showing up while popular Rick has determined to get her full attention! As these memorable years unfold, Christy and her God-loving friends find out what it means to be a "peculiar treasure." Follow Christy Miller as she stays true to her identity in Christ, drawing closer to God for help in realizing her dreams and dealing with her disappointments. Whether you're meeting her for the first time or have known her for years—Christy Is a Forever Friend Summer Promise Fourteen-year-old Christy Miller has the dream summer ahead of her in sun-kissed California, staying with her aunt and uncle at their beachfront home. Aunt Marti loves to shop, and those surfers are cute—especially Todd. Christy promised her parents she wouldn't do anything she'd regret later, and some of her beach friends are a little wild. But Todd and his "God-Lover" friends are giving Christy a new image of all things eternal. Can this summer live up to its promise? A Whisper and a Wish Christy's family has moved to California just in time for her sophomore year of high school. But they're not in Newport Beach, where she spent the summer. Instead they're an hour and a half away and Christy has to start all over making friends. Despite an embarrassing escapade at a slumber party, things are going

pretty well...until some midnight fun leads to a trip to the police station. Does God really hear every whisper? Does He know our every wish? Then why is it so hard to know who your friends really are? Yours Forever Christy is back at Aunt Marti and Uncle Bob's house on the beach for the entire week between Christmas and New Year's...and Todd is in town, too! The cute surfer completely captured Christy's heart last summer, and she's eager to spend every possible minute with him. But soon Christy and her aunt are barely speaking, and it seems like all her friends are mad at her, too—including Todd! Is he hers or isn't he? And why would God let things get so tangled? Story Behind the Book "The Christy Miller series was actually born when a group of thirteen-year-olds challenged me to write a novel. I'd been questioning the content of their favorite books when they said, 'Why don't you write a book for us?' I told them no, I only wrote picture books. But they persisted: 'How hard could it be? We'll even tell you what to write! We want a love story with teenagers at the beach.' And there you go. Summer Promise first released seventeen years ago and is now translated into five languages. I continue to hear from readers all over the world, many girls saying that they gave their life to Christ after reading Summer Promise. I love that!" —Robin Jones Gunn

Bowker's Complete Video Directory

Beth Redman, bestselling author of *Soul Sista*, has written a unique, much-needed new book to affirm and encourage young women in their relationship with God and with others. The author sets out to fight the 'women's disease' of today's society: paranoia, inferiority and insecurity. From a strong scriptural basis, she draws out the need to learn to be secure, without comparing ourselves to others: to 'run the race marked out for you' in your own lane, forgetting where everyone else is. Returning to God's original design for women and his love for them, Beth asserts that Eve was not an afterthought, and that the biblical role of 'helper' has long been abused. A true helper is strong, protective and wise, and these are qualities to be embraced by young women, whether single or married. Resolute and practical, this book addresses the issues they face in working out their faith: ·being vigilant against 'infection' - that is, gossip or comparisons, and the freedom that comes with this security in themselves; ·how to approach the exercising of gifts in the church without 'feminist aggression'; ·how to heal self esteem, body image, and relationships; ·forgiveness; ·believing and speaking the best - clinging to God's truth; ·being all that God designed them to be. A powerful, empowering guidebook for women in their late teens and twenties, it's the spiritual equivalent of a day at a health farm, but with deeper, longer-lasting benefits!

You don't need to own a factory to make toys. Author and toymaker Bob Knetzger has been making fun stuff all his life with simple technology like vacuum forming and mold-making. In an age where makers are tantalized by the capabilities of 3d printers and other digital fab technology, this book takes you back to old-school hand tools, simple electronics, and working with metal and plastic to make toys every bit as good as those you can find in a big-box store. This book has something for everyone, from a marble maze to a talking boob trap; from custom cookie cutters to an "EZ Make" oven. Discover the basic principles of science, electronics, and engineering through hands-on projects that range from easy to more challenging... and are always fun!
