

Gobekli Tepe Genesis Of The Gods The Temple Of Th

[#Gobekli Tepe](#) [#prehistoric temple](#) [#ancient civilization](#) [#archaeological site](#) [#origin of gods](#)

Gobekli Tepe is an extraordinary archaeological site in southeastern Turkey, renowned as the world's oldest known temple. Dating back over 11,000 years, this prehistoric monument challenges conventional theories about the development of complex human societies, predating agriculture and pottery. It offers profound insights into early spiritual beliefs, the genesis of the gods, and the origins of organized religion, redefining our understanding of ancient civilization.
