The Darker Passions

Amarantha Knight's infamous erotic retelling of Bram Stoker's Dracula returns to print by popular demand. Infused with the delights of bondage, spanking and S/M, this hugely popular volume from The Darker Passions series (including Frankenstein, Dr. Jekyll & Mr. Hyde and others) brings to the surface the sexual undercurrent of the original book, and casts in a new, unforgettable light the well-known characters of Mina, Jonathan Harker, and of course, the vampire himself. Delectable indeed' - Redemption'

The Darker Passions [eBook - Biblioboard]

Even in Victorian times, Bram Stoker's vampiric masterpiece was considered a lascivious, sex-ridden tale. Nancy Kilpatrick, the mistress of gothic erotic delights, writing here as Amarantha Knight, has refashioned the story to give modern readers the same shocks and thrills that Stoker's novel enjoyed. In Knight's vision, Dracula is a master of the sadistic arts, Lucy and Mina are graduates of a rather severe charm school for young ladies, and even the servants express their deepest desires for the pleasures of the dungeon. From the realm of legend comes a famous and dreaded seducer and defiler of innocence. His name is Dracula, and no virgin is protected from his unspeakable ravishments. Chills and thrills abound in this wildly sexy spin on one of history's most alluring and awe-inspiring anti-heroes. Blood pounds as he brings his victims to the unholy ecstasy that will make them his forever.

Darker Passions: Frankenstein

Following on the phenomenal success of her reworking of Dracula, Knight has delivered another Victorian classic. Rife with spankings, whippings and the discovery of hidden sexualities, Frankenstein explores the monster' of desire that lurks inside even the most respectable of characters...'

The Darker Passions

Part of the Victorian-styled horror erotica series Darker Passions. In a delightful BDSM-laced exploration of the classic tale of Dr. Jekyll and Mr. Hyde, Nancy Kilpatrick - writing as Amarantha Knight - creates a compelling tale of desire and the monsters that lurk inside us all. The Darker Passions series combines Victorian fetishes such as bondage, birching and spanking with the themes of the great Victorian gothic novels of the day. Dr. Jekyll and Mr. Hyde is the third volume in the series.

The Darker Passions

The thoroughly expanded and updated New Companion to the Gothic, provides a series of stimulating insights into Gothic writing, its history and genealogy. The addition of 12 new essays and a section on 'Global Gothic' reflects the direction Gothic criticism has taken over the last decade. Many of the original essays have been revised to reflect current debates Offers comprehensive coverage of criticism of the Gothic and of the various theoretical approaches it has inspired and spawned Features important and original essays by leading scholars in the field The editor is widely recognized as the founder of modern criticism of the Gothic

The Darker Passions: Dr. Jekyll & Mr. Hyde

POWER OF THE BLOOD WORLD Revised and Updated! Near Death is book 2 of a 4 vampire-novel series that throbs with danger, treachery, betrayal, cruelty and dark, sultry romance. In a world where the undead are wary of and competitive and view humans as only prey, amazingly, three Blooddrinkers from different eras and cultures are able to form relationships. But change breeds more change as their individual stories unfold, blending and escalating, adding pieces until the horrifying picture becomes clear: both species are in danger of extinction! Book 2 – NEAR DEATH David is sensitive, a poet; he

refuses to kill for blood. But when a mortal calling herself Zero arrives at his ancestral home to stake him, a treacherous cat-and-mouse game ensues, and nothing is as it seems. David, the gentlest of the undead, becomes hell-bent on revenge, and no one will get in his way!

A New Companion to The Gothic

POWER OF THE BLOOD WORLD Revised and Updated! Bloodlover is book 4 of a 4 vampire-novel series that throbs with danger, treachery, betrayal, cruelty and dark, sultry romance. In a world where the undead are wary of and competitive and view humans as only prey, amazingly, three Blooddrinkers from different eras and cultures are able to form relationships. But change breeds more change as their individual stories unfold, blending and escalating, adding pieces until the horrifying picture becomes clear: both species are in danger of extinction! Book 4 – BLOODLOVER Julien is the most compelling and mysterious of the elder vampires. His story predates that of the other three. The cruel century that spawned him and those that followed when he walked the earth alone and alienated have left him neither kind nor trusting. And Jeanette, the mortal he stalks, is definitely not trustworthy.

Near Death

POWER OF THE BLOOD WORLD Revised and Updated! Child of the Night is book 1 of a 4 vampire-novel series that throbs with danger, treachery, betrayal, cruelty and dark, sultry romance. In a world where the undead are wary of and competitive and view humans as only prey, amazingly, three Blooddrinkers from different eras and cultures are able to form relationships. But change breeds more change as their individual stories unfold, blending and escalating, adding pieces until the horrifying picture becomes clear: both species are in danger of extinction! Book 1 – CHILD OF THE NIGHT André is a cold predator and Carol, a human woman with nothing to lose, becomes his preferred prey. In the blink of an eye, things alter for the better,—and then for the worse. Change can be deadly, especially for a mortal who now realizes she does have something to lose!

Bloodlover

POWER OF THE BLOOD WORLD Revised and Updated! Reborn is book 3 of a 4 vampire-novel series that throbs with danger, treachery, betrayal, cruelty and dark, sultry romance. In a world where the undead are wary of and competitive and view humans as only prey, amazingly, three Blooddrinkers from different eras and cultures are able to form relationships. But change breeds more change as their individual stories unfold, blending and escalating, adding pieces until the horrifying picture becomes clear: both species are in danger of extinction! Book 3 – REBORN Karl is intellectual, scientific, not driven by his feelings. He managed to form an intimate relationship with Gerlinde, bringing her into his world of night. But catastrophe evokes in him dark, deadly emotions and Karl must struggle to save Gerlinde and his entire species, all while battling his suicidal urges!

Child of the Night

By identifying similarities in various books, this annual selection guide helps readers to independently choose titles of interest published in the last year. Each entry describes a separate book, listing everything readers need to know to make selections. Arranged by author within six genre sections, detailed entries provide: Title Publisher and publication date Series Names and descriptions of characters Time period and geographical setting Review citations Story types Brief plot summary Selected other books by the author Similar books by different authors Author, title, series, character name, character description, time period, geographic setting and genre/sub-genre indexes are included to facilitate research.

Reborn

Revised, updated, and enlarged, this vast reference is an alphabetic tour of the psychosexual, macabre world of the blood-sucking undead. Digging deep into the lore, myths, and reported realities of vampires and vampire legends from across the globe, many facets are uncovered—historical, literary, mythological, biographical, and popular. From Vlad the Impaler and Barnabas Collins to Dracula and Lestat, this exhaustive guide furnishes more than 500 essays, a vampire chronology, and 60 pages of vampire resources. Complete with detailed illustrations and photographs, the third edition of this popular authority includes a wealth of current events, including the Twilight phenomenon; contemporary authors of vampire romance; the growth and development of genuine, self-identified vampire communities; and prominent TV shows from Buffy to True Blood.

What Do I Read Next? 2002

A new edition of the most in-depth guide available to Transylvania, from creepy castles to medieval landscapes populated by vampires, bears and wolves.

The Vampire Book

Spanning over twenty years, 20 masters and modern authors of hardcore horror share their most bad-ass stories in this special edition from Comet Press. Many hard to find and out of print, some that were banned, *Necro Files* covers every imaginable mode of mayhem including serial killers, necrophilia, cannibals, werewolves, zombies, sex fetishes, psychopaths, snuff, occult, and more stories that dial into the dark side of human nature. **TABLE OF CONTENTS** George R.R. Transylvania

An exhaustive work covering the full range of topics relating to vampires, including literature, film and television, and folklore. *Encyclopedia of the Vampire: The Living Dead in Myth, Legend, and Popular Culture* is a comprehensive encyclopedia relating to all phases of vampirism—in literature, film, and television; in folklore; and in world culture. Although previous encyclopedias have attempted to chart this terrain, no prior work contains the depth of information, the breadth of scope, and the up-to-date coverage of this volume. With contributions from many leading critics of horror and supernatural literature and media, the encyclopedia offers entries on leading authors of vampire literature (Bram Stoker, Anne Rice, Stephenie Meyer), on important individual literary works (*Dracula* and *Interview with the Vampire*), on celebrated vampire films (the many different adaptations of *Dracula*, the *Twilight* series, *Love at First Bite*), and on television shows (*Buffy the Vampire Slayer* and *Angel*). It also covers other significant topics pertaining to vampires, such as vampires in world folklore, humorous vampire films, and vampire lifestyle.

Necro Files: Two Decades of Extreme Horror

How will the King of Vampires adapt to the social and technological changes brought by the twenty-first century? Could the Count's condition be cured by modern medicine? How does the mythology perpetuated by literature and movies affect the existence of a real bloodsucker? What if *Dracula* found himself ruler of a world controlled by vampires? Or perhaps political and ecological catastrophe will result in the Count's final destruction? This tribute to the world's greatest vampire collects together more than 200,000 words of *Dracula* fiction by masters of dark fantasy such as: Hugh B. Cave, R. Chetwynd-Hayes, Basil Copper, John Gordon, Brian Hodge, Nancy Holder, Nancy Kilpatrick, Roberta Lannes, Thomas Ligotti, Paul J. McAuley, Nicholas Royle, Guy N. Smith and many more. It also includes a brand new story from Charlaine Harris.

Encyclopedia of the Vampire

An artistic culture that revels in the Victorian romantic movement, The goth Bible brings to light the traditions and history of all that is goth.

The Mammoth Book of Dracula

In its first edition *Dictionary of Literary Pseudonyms* established itself as a comprehensive dictionary of pseudonyms used by literary writers in English from the 16th century to the present day. This new Second Edition increases coverage by 35%! There are two sequences: Part I - which now includes more than 17,000 entries- is an alphabetical list of pseudonyms followed by the writer's real name. Part II is an alphabetical list of writers cited in Part I-more than 10,000 writers included-providing brief biographical details followed by pseudonyms used by the wrter and titles published under those pseudonyms. *Dictionary of Literary Pseudonyms* has now become a standard reference work on the

subject for teachers, student, and public, high school, and college/universal librarians. The Second Edition will, we believe, consolidate that reputation.

The Goth Bible

Thirty-five uncanny and erotic tales of vampires written by supernatural fiction's greatest mistresses of the macabre. "Fashions change, and the urbane vampire created by Byron and cemented in place by Stoker has had to move on . . . Are you, like me, ready for the new dusk?" —Ingrid Pitt, from her Introduction Prepare to arm yourself with garlic, silver bullets, and a stake. Featuring the only vampire short story written by Anne Rice, the undisputed queen of vampire literature, and boasting an autobiographical introduction and original tale by Ingrid Pitt, the star of Hammer Films' *The Vampire Lovers* and *Countess Dracula*, this is one anthology that every vampire fan—vampiric feminist or not—will want to drink deep from. From the classic stories of Edith Wharton, Edith Nesbit, Mary E. Wilkins-Freeman, and Mary Elizabeth Braddon to modern incarnations by such acclaimed writers as Poppy Z. Brite, Nancy Kilpatrick, Tanith Lee, Caitlín R. Kiernan, and Angela Slatter, these blood-drinkers and soul-stealers range from the sexual to the sanguinary, from the tormented Good to the unspeakably Evil. Among those memorable Children of the Night you will encounter are Chelsea Quinn Yarbro's Byronic vampire Saint-Germain, Nancy A. Collins' undead heroine Sonja Blue, Tanya Huff's vampiric detective Vicki Nelson, and Freda Warrington's age-old lovers Karl and Charlotte. Nominated for the World Fantasy Award and the International Horror Guild Award, and now revised and updated, *The Mammoth Book of Vampire Stories by Women* fulfils the bloodlust of the somnambulist horror fan, delivering the ultimate bite

A Dictionary of Literary Pseudonyms in the English Language

Your students and users will find biographical information on approximately 300 modern writers in this volume of *Contemporary Authors(R)*.

The Mammoth Book of Vampire Stories by Women

A lush gothic tale that begs for reading...I couldn't put it down." —New York Times bestselling author Sarah Maclean I was obsessed. It was as if he called to me, demanding I reach out and touch the brushstrokes of color swirled onto the canvas. It was the most exquisite portrait I'd ever seen—everything about Lord Denbury was unbelievable...utterly breathtaking and eerily lifelike. There was a reason for that. Because despite what everyone said, Denbury never had committed suicide. He was alive. Trapped within his golden frame. I've crossed over into his world within the painting, and I've seen what dreams haunt him. They haunt me too. He and I are inextricably linked—bound together to watch the darkness seeping through the gas-lit cobblestone strets of Manhattan. And unless I can free him soon, things will only get Darker Still. Magic Most Foul Series: *Darker Still* (Book 1) *The Twisted Tragedy of Miss Natalie Stewart* (Book 2)

Contemporary Authors

It was only a little more than 100 years ago, when Bram Stoker wrote the now famous *Dracula*, that vampire myths began to achieve their current popularity. Hundreds of books now portray vampires in a variety of non-traditional roles, including aliens from outer space, private detectives, and time travelers. *Vampire Readings* is an annotated bibliography of 779 entries divided into five sections: Novels; Anthologies and Novellas; Young Adult; Additional Readings; Unread Undead. The largest section is Novels and here, besides a summary of the plot (without spoilers), the author indicates where each novel may fit into other genres such as science fiction/fantasy, mystery, romance, etc. Works by such writers as Anne Rice, Tanya Huff, Christopher Pike, Tanith Lee, Barbara Hambly, Kim Newman, and, of course, Bram Stoker are discussed in *Vampire Readings*. Separate author and title indexes are included.

The Mammoth Book of Best New Horror

This annual selection guide covers new novels in the mystery fiction, science fiction, fantasy, horror, western fiction and romance genres. By identifying similarities in various books, it seeks to help readers to independently choose titles of interest published during 1995 - 1996. Entries are arranged by author within six genre sections, and provide: publisher and publication date; series name and number; description of characters; time/geographical setting; review citation; genre and setting notations; and related books.

Along with the most comprehensive review of the year and a fascinating necrology, this is the book no horror fan can afford to miss.

Frankenstein

L'étude comparée des deux personnages, Vlad Tepes (Vlad l'Empaleur), qui a régné en Valachie de 1456 à 1462, et Dracula, héros noir du roman éponyme de 1897 - permet de définir la nature du rapport entre le mythe et l'histoire. Elle permet en outre d'expliquer la genèse d'un mythe littéraire dont l'irlandais Bram Stoker a fixé la forme canonique. Faire le point sur l'irlandicité de Dracula apparaît d'autant plus nécessaire que les interprétations « irlandaises » - par la mise en regard du roman et du contexte socio-culturel dans lequel il a été écrit - sont nombreuses, parfois contradictoires. L'examen du fantastique débouche sur celui de la narrativité et sur la question de la responsabilité éditoriale d'un texte déconcertant qui tend à se discréditer lui-même. De multiples circulations dessinent des réseaux sémantiques fortement structurés qui renvoient à la fois aux zones obscures de la psyché et à la réalité physique des corps. L'étude des avatars littéraires et cinématographiques de Dracula montre le progrès d'une valorisation positive du vampire, dont on admire aujourd'hui l'intelligence et les pouvoirs.

What Do I Read Next?

Two provocative tales from the author of *Passage & Other Stories*. Ten years into her relationship with Chrys, Leda decides to take a one-night vacation -- at a local lesbian sex club. She soon finds herself reveling in complete sensual abandon, and facing difficult choices about her own commitments. In the second story, lovely Lydia thinks she has her grand new home all to herself -- until strange dreams begin to suggest that this House of Spirits harbors other souls, determined to do some serious partying. One steamy encounter leads to another, as Lydia discovers the secrets of her new home.
