Excerpt from *Pierce Genealogy: Being the Record of the Posterity of Thomas Pierce, an Early Inhabitant of Charlestown, and Afterwards Charlestown Village (Woburn), In New England* Two years ago I obtained of Frederick O. Pierce, Esq., of Barre, Mass, all the papers which he had compiled in relation to the family of Thomas Pierce of Charlestown, who was admitted to the church there 21 (12) 1634-5, and who was probably born in England in 1596. He had collected a mass of matter to which has been added as much more, at great expense, time and trouble. In the task of compiling the new matter and properly arranging the whole for the printer, Mr. F. C. Pierce has rendered valuable assistance. He has also corrected the proof sheets and attended to other minute details of the work, for which he has my Sincere thanks. Unlike some other reproductions of classic texts (1) We have not used OCR (Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
