Business Plans Handbook

Business Plans Handbooks are collections of actual business plans compiled by entrepreneurs seeking funding for small businesses throughout North America. For those looking for examples of how to approach, structure and compose their own business plans, this Handbook presents sample plans taken from businesses in the Daycare industry -- only the company names and addresses have been changed. Typical business plans include type of business; statement of purpose; executive summary; business/industry description; market; product and production; management/personnel; and, financial specifics.
