Greek for the Rest of Us

You don't have to be a Greek student to understand biblical Greek. If you'd love to learn Greek so you can study your Bible better, but you can't spare two years for college or seminary courses, then Greek for the Rest of Us is for you. Developed by renowned Greek teacher William Mounce, this revolutionary crash-course on 'baby Greek' will acquaint you with the essentials of the language and deepen your understanding of God's Word. You'll gain a sound knowledge of basic Greek, and you'll learn how to use tools that will add muscle to your Bible studies. In six sections, Greek for the Rest of Us will help you: - Recite the Greek alphabet - Read and pronounce Greek words - Learn the Greek noun and verbal system - Conduct Greek word studies - Decipher why translations are different - Read better commentaries

Greek for the Rest of Us broadens your knowledge still further with an appendix on biblical Hebrew. It also includes a CD-ROM for your computer featuring the author's class lectures in audio, combined with text and overheads.

Greek for the Rest of Us

If you'd love to learn Greek so you can study your Bible better, then this newly revised second edition of *Greek for the Rest of Us* is for you. Developed by renowned Greek teacher William Mounce, this revolutionary crash-course on "Greek for the rest of us" will acquaint you with the essentials of the language and deepen your understanding of God's Word. You'll gain a sound knowledge of Greek, and you'll learn how to use tools that will add muscle to your Bible studies. This book is divided into three major sections (Foundational Greek, Church Greek, and Functional Greek), each of which builds on the previous section and takes you to the next level. Depending on which levels you take, the book will teach you how to:

- Read and pronounce Greek words
- Learn the fundamentals of the Greek noun and verb system
- Conduct effective Greek word studies
- Learn the basics of Greek exegesis for biblical interpretation
- Decipher why translations are different
- Read better commentaries
- Be comfortable using reverse and traditional interlinears
- Understand the information displayed by biblical software

Greek for the Rest of Us Laminated Sheet

The *Greek for the Rest of Us Laminated Sheet* is a handy, at-a-glance study aid, ideal for last minute review, a quick overview of grammar, or as an aid in Bible study. The laminated sheet is a companion resource for *Greek for the Rest of Us, Third Edition* (sold separately) by William Mounce and is a critical part of acquainting readers with the essentials of the language and deepening their understanding of God's Word. When used in conjunction with *Greek for the Rest of Us, Third Edition* this laminated study sheet will help readers:

- Read and pronounce Greek words
- Learn the fundamentals of the Greek noun and verb system
- Conduct effective Greek word studies
- Learn the basics of Greek exegesis for biblical interpretation
- Understand why translations are different
- Read better commentaries
- Be comfortable using reverse and traditional interlinears
- Understand the information displayed by biblical software

Hebrew for the Rest of Us

This is a companion volume to *Greek for the Rest of Us* by William D. Mounce. This book is a guide for English-only readers to understand the language of the Old Testament just enough to work with the Old Testament in more detail and to understand the scholarly literature on the Hebrew Bible. Its specific aims are to aid students to learn (1) why translations differ, (2) how to do Hebrew word studies, (3) what the basics of Hebrew exegesis are, and (4) how to read more advanced Old Testament commentaries with greater understanding. *Hebrew for the Rest of Us* is set up in a workbook format.

Interlinear for the Rest of Us

This book makes the Greek New Testament and word studies based on it easily accessible to everyone, all in one volume.

Greek for the Rest of Us, Third Edition

Learn the Essentials of Biblical Greek So You Can Study the New Testament More Deeply This newly revised third edition of *Greek for the Rest of Us* by Greek instructor William Mounce is crash-course on "Greek for the rest of us" that acquaints the reader with the essentials of the language so they can study the New Testament more deeply. Readers will gain a sound knowledge of the fundamentals of Greek and learn how to use tools that will add muscle to their Bible studies. In *Greek for the Rest of Us* readers will learn to:

- Read and pronounce Greek words
- Learn the fundamentals of the Greek noun and verb system
- Conduct effective Greek word studies
- Learn the basics of Greek exegesis for biblical interpretation
- Understand why translations are different
- Read better commentaries
- Be comfortable using reverse and traditional interlinears
- Understand the information displayed by biblical software

For anyone interested in seriously studying the New Testament, *Greek for the Rest of Us* is your gateway to learning the skills and tools you need to accomplish your goals. You can enhance your learning experience even more with the *Greek for the Rest of Us Workbook* (sold separately) which contains exercises to help practice and reinforce the concepts you are learning in the main book.

Basics of Biblical Greek Grammar

Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. *Basics of Biblical Greek* combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New

Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

Greek for the Rest of Us Workbook

A WORKBOOK to Help You Learn the Essentials of Biblical Greek So You Can Study the New Testament More Deeply The Greek for the Rest of Us Workbook is a companion to Greek for the Rest of Us, Third Edition (sold separately) by William D. Mounce. This workbook provides exercises to help readers practice and review, so they learn the essentials of biblical Greek more effectively and can study the New Testament more deeply. Greek for the Rest of Us, Third Edition is crash-course on "Greek for the rest of us" that acquaints the reader with the essentials of the language so they can study the New Testament more deeply. Readers will gain a sound knowledge of the fundamentals of Greek and learn how to use tools that will add muscle to their Bible studies. Readers using the Greek for the Rest of Us Workbook in conjunction with Greek for the Rest of Us, Third Edition will learn to: Read and pronounce Greek words Learn the fundamentals of the Greek noun and verb system Conduct effective Greek word studies Learn the basics of Greek exegesis for biblical interpretation Understand why translations are different Read better commentaries Be comfortable using reverse and traditional interlinears Understand the information displayed by biblical software The Greek for the Rest of Us Workbook will enhance your learning experience with exercises to help you practice and reinforce the concepts you are learning in Greek for the Rest of Us, Third Edition.

Mounce's Complete Expository Dictionary of Old and New Testament Words

For years, Vine's Expository Dictionary has been the standard word study tool for pastors and laypeople, selling millions of copies. But sixty-plus years of scholarship have shed extensive new light on the use of biblical Greek and Hebrew, creating the need for a new, more accurate, more thorough dictionary of Bible words. William Mounce, whose Greek grammar has been used by more than 100,000 college and seminary students, is the editor of this new dictionary, which will become the layperson's gold standard for biblical word studies. Mounce's is ideal for the reader with limited or no knowledge of Greek or Hebrew who wants greater insight into the meanings of biblical words to enhance Bible study. It is also the perfect reference for busy pastors needing to quickly get at the heart of a word's meaning without wading through more technical studies. What makes Mounce's superior to Vine's? The most accurate, in-depth definitions based on the best of modern evangelical scholarship Both Greek and Hebrew words are found under each English entry (Vine's separates them) Employs both Strong's and G/K numbering systems (Vine's only uses Strong's) Mounce's accuracy is endorsed by leading scholars

Greek for Life

Learning Greek is one thing. Retaining it and using it in preaching, teaching, and ministry is another. In this volume, two master teachers with nearly forty years of combined teaching experience inspire readers to learn, retain, and use Greek for ministry, setting them on a lifelong journey of reading and loving the Greek New Testament. Designed to accompany a beginning or intermediate Greek grammar, this book offers practical guidance, inspiration, and motivation; presents methods not usually covered in other textbooks; and surveys helpful resources for recovering Greek after a long period of disuse. It also includes devotional thoughts from the Greek New Testament. The book will benefit anyone who is taking (or has taken) a year of New Testament Greek.

Biblical Greek: A Compact Guide

Biblical Greek: A Compact Guide, Second Edition by William D. Mounce is a handy, at-a-glance reference for students, pastors, and teachers. It follows the organization and format of the fourth edition of Basics of Biblical Greek Grammar, but it's also usable by students who learned with a different

grammar. By limiting its discussion to the "nuts and bolts," Greek language students working on translation and exegesis will more quickly and easily find the relevant grammatical refreshers. Students can, for example, check on the range of meaning for a particular word or make sure they remember how aorist participles function in a sentence. The paradigms, word lists, and basic discussions in *Biblical Greek: A Compact Guide, Second Edition* points students in the right direction and allow them to focus on more advanced Greek study.

The Morphology of Biblical Greek

The purpose behind this book is to show that Greek is very regular in the way it forms words--if you know the rules. It explains why Greek words do what they do, in a way that second-year Greek students can understand. Can be used with the author's *Analytical Lexicon to the Greek New Testament*.

Prolegomena to the Study of Greek Religion

Jane Harrison examines the festivals of ancient Greek religion to identify the primitive "substratum" of ritual and its persistence in the realm of classical religious observance and literature. In Harrison's preface to this remarkable book, she writes that J. G. Frazer's work had become part and parcel of her "mental furniture" and that of others studying primitive religion. Today, those who write on ancient myth or ritual are bound to say the same about Harrison. Her essential ideas, best developed and most clearly put in the *Prolegomena*, have never been eclipsed.

The Four Loves

Analyzes the feelings and problems involved in different types of human love, including familial affection, friendship, passion, and charity.

Biblical Greek Exegesis

This intermediate / advanced text and workbook teaches syntax as well as exegesis by means of a modified inductive approach.

The Elements of New Testament Greek

An accessible anthology of the greatest ancient Greek myths and legends for readers of all ages by the celebrated classicist and historical novelist. According to the myths, gods and goddesses of ancient Greece lived on Mount Olympus and ruled the world of mortals. Famous heroes shaped the course of history, beautiful women drew the gazes of gods and men alike, and the gods were both fickle in their favors and breathtakingly generous to those they smiled upon. From Midas's tragic gift to the exploits of Hercules and the curse of Pandora, Robert Graves brings the legends of ancient Greece to life in a way that's sure to appeal to everyone; from children to adults, and from casual readers to serious scholars. "Directly told, with no attempt to oversimplify them, a good deal of the symbolism and the association with the pattern of ancient Greece survives." —Kirkus Reviews (starred review).

Greek Gods and Heroes

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Revelation

John Dobson has a world-wide reputation as a highly respected and successful teacher of New Testament Greek. This course has been taught to groups ranging in size from a few people to over one hundred students, language students as well as those who have never studied a foreign language before, English speakers as well as those for whom English is a second language. The material can be used with equal ease in: *an intensive six-week course *a regular academic language programme *a part-time extension module *self-study, possibly with a mentor To develop his innovative and highly effective teaching method, John Dobson has applied the latest research findings on how people learn. This third edition of *Learn New Testament Greek* has been revised and updated to include an accented text. It is a complete student textbook as well as a comprehensive resource for teachers.

Learn New Testament Greek

Utopia is a work of fiction and socio-political satire by Thomas More published in 1516 in Latin. The book is a frame narrative primarily depicting a fictional island society and its religious, social and political customs. Many aspects of More's description of Utopia are reminiscent of life in monasteries.

Utopia

Ancient tradition suggests that this world-weary lament is the work of Solomon in old age. Casting its eye over the transient nature of life, the book questions the striving for wisdom and the truth, choosing instead to espouse the value of living for the moment. The text is introduced by Doris Lessing.

Ecclesiastes or, The Preacher

Why study biblical languages? The Rewards of Learning Greek and Hebrew: Discovering the Richness of the Bible in Its Original Languages is written to convince you that its worth it! Professors Catherine L. McDowell and Philip H. Towner have spent years opening the eyes of students to the riches that await those who study Hebrew and Greek, and they invite you to listen in. This book is designed for people who have never studied the biblical languages everything is in English or English script, and everything is clearly explained. The Rewards of Learning Greek and Hebrew contains a number of case studies some from the Hebrew Bible and some from the New Testament that demonstrate the kind of accuracy and insight that await those who study the biblical languages. Each case study is accompanied by a testimonial from a student whose understanding of the Bible has been enriched by studying Greek or Hebrew. With encouragements from Christian scholars and pastors sprinkled throughout, The Rewards of Learning Greek and Hebrew gives you a taste of what awaits the student of biblical languages and encourages you to take the plunge. About the Authors Dr. Catherine McDowell is Associate Professor of Old Testament at Gordon-Conwell Theological Seminary in Charlotte, North Carolina. She previously taught Old Testament at Wheaton College in Illinois. Dr. McDowell is the author of The Image of God in the Garden of Eden (Eisenbrauns) and the study notes for 1-2 Samuel, 1-2 Kings, and 1-2 Chronicles in the ESV Archaeological Study Bible (Crossway). She is in the process of founding a new seminary in Cap-Hatien, Haiti that will have a significant emphasis on biblical languages and original language exegesis. The Revd Dr Philip H. Towner is a professor at Pontifical Urbaniana University in Rome, where he teaches translation studies, and a visiting professor of NT exegesis and translation at the Pontifical Biblical Institute, Rome. He is an Episcopal priest in the New York Diocese. As the former Dean and Director of the Eugene A. Nida Institute for Biblical Scholarship at American Bible Society in New York City, he was co-director of the Nida School of Translation Studies, based in Misano Adriatico, Italy, and served as the Director of Translation Services of the United Bible Societies. He is the author and editor of several books and numerous articles in the fields of biblical studies and translation studies. When not in Rome, he lives in Hoboken, NJ.

The Rewards of Learning Greek and Hebrew

From their decades of combined teaching experience, Benjamin L. Merkle and Robert L. Plummer have produced an ideal resource for novice Greek students to not only learn the language but also kindle a passion for reading the Greek New Testament. Designed for those new to Greek, Beginning with New Testament Greek is a user-friendly textbook for elementary Greek courses at the college or seminary level.

Beginning with New Testament Greek

This practical manual teaches New Testament exegesis, using Greek, but without an extensive knowledge of the language. Becoming aware of the importance of serious Bible study, the student learns the fundamentals of Greek and the use of linguistic tools, including recent software. Finally, he prepares his own exegesis, following these guidelines. It is simple and easy to learn, practical, and self-didactic. - Publisher.

The Cambridge Greek Lexicon

Rick Renner unearths a rich treasure trove of truths in his remarkable devotional. Drawing from an extensive study of both the English Bible and New Testament Greek, Rick illuminates 365 passages with more than 1,285 in-depth Greek word studies. Far from intellectualizing, he blends his solid instruction

with practical applications and refreshing insights. Find challenge, reassurance, comfort, and reminders of God's abiding love and healing every day of the year.

Basic Greek and Exegesis

Spanning from WWII to the Cold War and beyond, this is the “magnificent . . . triumphant” biography of the investigative journalist, resistance fighter, and whistle blower who helped expose the Watergate scandal (Doris Kearns Goodwin, author of *Leadership*) He was one of the most fascinating figures in 20th-century political history. Yet today, Elias Demetracopoulos is strangely overlooked—even though his life reads like an epic adventure story . . . As a precocious twelve-year-old in occupied Athens, he engaged in heroic resistance efforts against the Nazis, for which he was imprisoned and tortured. After his life was miraculously spared, he became an investigative journalist, covering Greece’s tumultuous politics and America’s increasing influence in the region. A clever and scoop-hungry reporter, Elias soon gained access to powerful figures in both governments—and attracted many enemies. When the Greek military dictatorship took power in 1967, he narrowly escaped to Washington DC, where he would lead the fight to restore democracy in his homeland—while running afoul of the American government, too. Now, after a decade of research and original reporting, James H. Barron uncovers the story of a man whose tireless pursuit of uncomfortable truths would put him at odds with not only his own government, but that of the Truman, Eisenhower, Kennedy, Johnson, Nixon, Ford, Carter and Reagan administrations, making him a target of CIA, FBI, and State Department surveillance and harassment—and Greek kidnapping and assassination plots American authorities may have purposefully overlooked. A stunning feat of biographic storytelling, sweeping from World War II to the Cold War, Watergate and beyond, *The Greek Connection* is about a lifetime of standing up for democracy and a free press against powerful special interests. It has much to teach us about our own era’s abuses of power, dark money, journalist intimidation, and foreign interference in elections.

Sparkling Gems from the Greek

Featuring the interlinear text as a third translation, this interlinear Greek and English New Testament sets the New American Standard Bible side by side with the New International Version. It includes a Greek/English dictionary keyed to G/K numbers for easy accessibility to all users, as well as parsing and G/K numbers for each word.

The Greek Connection

A 6-DVD set, *Basics of Biblical Greek Video Lectures* features an integrated approach to learning New Testament Greek, turning it into a natural process and showing from the start how an understanding of the language helps in better comprehending the New Testament. This DVD set features 36 lessons, each twenty to thirty-five minute, for each chapter in *Basics of Biblical Greek Grammar*. Useful as a complement to the book or as a standalone resource, the lectures are perfect for formal Greek language students who miss a classroom lecture or want additional help in their learning; instructors wanting to devote classroom time to drills and exercises, providing a lecture tool students can watch on their own time; homeschool parents and students; and self-taught students of biblical Greek alike.

The Zondervan Greek and English Interlinear New Testament (NASB/NIV)

The Comma Queen returns with a buoyant book about language, love, and the wine-dark sea. In her New York Times bestseller *Between You & Me*, Mary Norris delighted readers with her irreverent tales of pencils and punctuation in *The New Yorker*’s celebrated copy department. In *Greek to Me*, she delivers another wise and funny paean to the art of self-expression, this time filtered through her greatest passion: all things Greek. *Greek to Me* is a charming account of Norris’s lifelong love affair with words and her solo adventures in the land of olive trees and ouzo. Along the way, Norris explains how the alphabet originated in Greece, makes the case for Athena as a feminist icon, goes searching for the fabled Baths of Aphrodite, and reveals the surprising ways Greek helped form English. Filled with Norris’s memorable encounters with Greek words, Greek gods, Greek wine—and more than a few Greek men—*Greek to Me* is the Comma Queen’s fresh take on Greece and the exotic yet strangely familiar language that so deeply influences our own.

Lexical Aids for Students of New Testament Greek

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Basics of Biblical Greek Video Lectures

Athens, 404 BC. The Democratic city-state has been ravaged by a long and bloody war with neighbouring Sparta. The search for scapegoats begins and Athens, liberty's beacon in the ancient world, turns its sword on its own way of life. Civil war and much bloodshed ensue. Defining moments of Greek history, culture, politics, religion and identity are debated ferociously in Athenian board rooms, back streets and battlefields. By 323 BC, less than 100 years later, Athens and the rest of Greece, not to mention a large part of the known world, has come under the control of an absolute monarch, a master of self-publicity and a model for despots for millennia to come: 'megas alexandros', Alexander the Great. Michael Scott, Finley Fellow in Ancient History at Darwin College, Cambridge, explores the dramatic and little-known story of how the ancient world was turned on its head from Democratic Athens to King Alexander the Great in this superb example of popular history writing. "From Democrats to Kings" also gives us a fresh take on the similar challenges we face today in the 21st century - a world in which many democracies - old and new - fight for survival, in which war-time and peace-time have become indistinguishable and in which the severity of the economic crisis is only matched by a crisis in our own sense of self.

Greek to Me: Adventures of the Comma Queen

This introduction to Homer assumes no prior knowledge of Greek. The first six sections deal with the elements of grammar that are a necessary preliminary to study. From the seventh section onwards the course proceeds through the "Odyssey"

A School Grammar of Attic Greek

Generalisations about language and culture are at best amusing and meaningless, but is there anything sensible left to be said about the relation between language, culture and thought? *Does language reflect the culture of a society? *I

From Democrats to Kings

The book, "" Antiquities of the Jews; Book - XII ""\

Beginning Greek with Homer

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Through the Language Glass

This self-study introduction to New Testament Greek--now in a shelf-friendly size--is practical and easy to use by those who have neither the time nor the opportunity for a formal seminary Greek course. The valuable resource teaches the Greek alphabet, pronunciation, outlines of grammar, and the meaning of hundreds of New Testament words as well as how to use Greek dictionaries and other reference books. The course has proven successful with more than 100,000 copies sold!

Antiquities of the Jews ; Book - XII

Reading Biblical Greek introduces first-year Greek students to the essential information needed to optimize their grasp of the fundamentals of the Greek language—no more and no less—enabling them to read and translate the Greek of the New Testament as soon as possible. The learning approach

in Reading Biblical Greek revolves around three core elements: grammar, vocabulary, and reading & translation. Grammar. The grammar consists of micro-lessons, which break up information in small, digestible chunks. Each micro-lesson addresses a single point. This arrangement makes for easy comprehension and review. It also allows the teacher to pace the material based on its difficulty and ability of their students. New learning is incremental and recursive—each new piece builds on and reinforces prior learning. Lessons are structured in three columns: 1) Introducing new topic; 2) Material to be memorized; and 3) Examples and exercises. Vocabulary. As an essential complement to grammar, vocabulary is introduced at strategic points and is arranged first by what the student has been learning in grammar, and then by frequency. The vocabulary lists are collated at the back of the book for easy access. The first 13 vocabulary lists are keyed to Mark 1-4 to help students to integrate their vocabulary learning with a “real” Greek text. Reading & Translation. The goal of this grammar is to enable students to read and translate the Greek of the New Testament. Thus, the content is structured and tied to a specific Greek text to enable reading as soon as possible. The student will have read and translated the whole of Mark 1–4 by the end of the course. The accompanying Reading Biblical Greek Workbook is a vital part of the approach. It breaks up the text of Mark 1–4 into manageable portions and provides vocabulary and grammatical assistance as required. While Reading Biblical Greek only introduces students to information that is essential to grasp of the fundamentals of the Greek language, it is informed by the latest and best of Greek and linguistic scholarship, enabling students to move seamlessly to further study.

Preucil) * Concerto No. 3 in C Minor, Op. 12 I. Allegro Risoluto (F. Seitz)

Suzuki Violin School

Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Violin School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki violin teacher to develop their potential as a musician and as a person. This Suzuki Book & CD is integral for Suzuki violin lessons. This revised edition of the Suzuki Violin School, Volume 3 features: * Revised editing of pieces, including bowings and fingerings * Additional exercises, some from Shinichi Suzuki, plus additional insight and suggestions for teachers * Text in English, French, Spanish, and German. * Musical notation guide * Fingerboard position * CD with recordings by William Preucil Jr., accompanied by Linda Perry, as well as piano accompaniments recorded alone. Titles: Study Points * Tonalization * Vibrato Exercises * Gavotte (Martini) * Minuet (Bach) * Gavotte in G Minor (Bach) * Humoresque (Dvorák) * Gavotte (Becker) * Gavotte in D Major (Bach) * Bourrée (Bach). For a complete list of the most recent printings by AMPV number, go to alfred.com/suzuki. This title is available in SmartMusic. The International editions include an updated title page that designates the book as the International Edition.

Suzuki Viola School - Volume 5 (Revised)

Teach viola with the popular Suzuki Viola School, Volume 5. Titles: * Sonata in G Major, Largo, Allegro, Largo, Presto (B. Marcello / Preucil) * Country Dance (C.M. von Weber) * Practice Suggestions (D. Preucil) * Nina (G.B. Pergolesi) * Spinning Wheel (N. Rubinstein) * Gigue (F.M. Veracini) * Exercises for Shaping the Left Hand (S. Suzuki) * Suite I in G Major, Prelude, Courante, Gigue (J.S. Bach) * Moto Perpetuo (C. Bohm) * Four French Dances, I. L'Agreable, II. La Provencale, III. La Matelotte, IV. La Basque (M. Marais) * Tonalization-C Major and Minor Scales and Arpeggios (D. Preucil) * Shifting Studies (D. Preucil) * Concerto No. 3 in C Minor, Op. 12 I. Allegro Risoluto (F. Seitz)

Bach) * Bourrée from Suite III in C Major for Violoncello, BWV 1009 (J.S. Bach) * Practice Suggestions (Doris Preucil)

Tonalization

Dr. Suzuki questioned why all vocalists vocalize every day to improve their voices, but instrumentalists do not do so every day with their instruments. He believes that on any instrument, one needs to practice

to make a more beautiful tone. First he talks about playing a beautiful resonant tone with the bow while plucking the string with a finger. When a pizzicato is played, the resonance goes on for a long time. Students should listen to that resonance and play the same kind of clear beautiful sound. He talks about how to make a difference in the tone by using a different bow speed, how to practice to find the resonance point, how to change the weight of the arm on the bow to produce a different kind of tone, and how to change tone color. This book includes all of Dr. Suzuki's basic ideas about tone.

Suzuki Violin School, Volume 1: Piano Accompaniment

Teach violin with the popular Suzuki Violin School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Violin School. Suzuki Viola School, Vol 7: Viola Part, Book & CD [With CD (Audio)]

Here is the perfect tool to get students to practice more frequently. Now available are piano accompaniment MIDI disks for the Suzuki Viola School, Volume 1. Recorded by Suzuki Accompanist Linda Perry on the Yamaha(R) Disklavier(R), these performances were recorded without reference to a metronome and have a human feel to them. MIDI disks are very flexible to use---you can control the tempo, transpose, add a metronome click, and cancel the playback of the left- and/or right-hand parts. Best of all, students love them! The files are in a format called Standard MIDI File (SMF) and can be played using a variety of different equipment, including an acoustic piano that has MIDI, a digital piano, a synthesizer, a Macintosh or Windows computer. The enhanced CD-ROM contains all of the piano accompaniments plus an exclusive version of Home Concert Xtreme SE(tm) from TimeWarp Technologies which will show the music on your computer screen, follow along with it, and turn the pages for you! Also included on the CD-ROM are the listening tracks recorded by William Preucil. Titles: Twinkle, Twinkle, Little Star Variations (Shinichi Suzuki) * French Folk Song (Folk Song) * Lightly Row (Folk Song) * Song of the Wind (Folk Song) * Go Tell Aunt Rhody (Folk Song) * O Come, Little Children (Folk Song) * May Song (Folk Song) * Long, Long Ago (T.H. Bayly) * Allegro (Shinichi Suzuki) * Perpetual Motion (Shinichi Suzuki) * Allegretto (Shinichi Suzuki) * Andantino (Shinichi Suzuki) * Bohemian Folk Song (Folk Song) * Etude (Shinichi Suzuki) * Minuet No. 1, Minuet III from Suite in G Minor for Klavier, BWV 822 (J.S. Bach) * Minuet No. 2, BWV Anh. 116 (J.S. Bach) * Minuet No. 3, Anh. II 114/Anh. II 183 (J.S. Bach) * The Happy Farmer from Album for the Young, Op. 68, No. 10 (R. Schumann) * Gavotte (F.J. Gossec) * Practice Suggestions (Doris Preucil).

Suzuki Viola School

Teach viola with the popular Suzuki Viola School. The Suzuki Method(R) of Talent Education is based on Shinichi Suzuki's view that every child is born with ability, and that people are the product of their environment. According to Shinichi Suzuki, a world-renowned violinist and teacher, the greatest joy an adult can know comes from developing a child's potential so he/she can express all that is harmonious and best in human beings. Students are taught using the "mother-tongue" approach. Each series of books for a particular instrument in the Suzuki Method is considered a Suzuki music school, such as the Suzuki Viola School. Suzuki lessons are generally given in a private studio setting with additional group lessons. The student listens to the recordings and works with their Suzuki viola teacher to develop their potential as a musician and as a person. This Suzuki Book & CD, Volume 3, is integral for Suzuki viola lessons and features recordings by William Preucil, accompanied by Doris Preucil. Titles: Study Points * Tonalization * Vibrato Exercises * Gavotte (Martini) * Minuet (Bach) * Gavotte in G Minor (Bach) * Humoresque (Dvorák) * Gavotte (Becker) * Gavotte in D Major (Bach) * Bourrée (Bach).
