bring your body to a lying-down position

take a few deep breaths

inhale and exhale

breaking through the rich dense soil beneath the earth

ground yourself into the physical world

visualizing this descending energy as a golden thread

observe this intermingling of the earthly in spiritual realms

returning to your breath for a few moments

nourished with healing waves of energy

observe their presence

begin to tread mindfully down the path

feel a great sense of peace

reconnect with your breath

Divine Wars; The Awakening

The totally organic, angelic experience... A visit to a psychic leads to the introduction of Indie's traveling companion Marisca, an ultrasensitive; cousin to the psychic Melinda, who is obligated to retrieve the package; an inheritance held back by an angry old family feud. When they fly to Toronto, Canada, the package becomes a great mystery; the trip emanates danger, intrigue, confusion, chaos, and a growing attraction between the two women. The first installment in a trilogy, this book takes the reader into a world of unknowns. Fate and destiny intertwine; creating a plethora of supernatural delights where angels stand on sidewalks, smile wide at strangers, and open doors with genial courtesies.

Divine Awakening

A mother's love is her greatest power. Divinity witch, Desiree Sanders has made a lot of bad choices in her life, but trusting the demoness, Samoan should earn her the award for traitor of the millennium. After several failed attempts to set things right, Desiree turns to the dark, sexy Death Demon, Lex for help saving her son and ending the war. There's no darker place than the soul of a demon. Divinity guardian, Alexander, AKA Lex, has hardened his heart and locked away emotions following the betrayal of his mate over three hundred years ago. Until he meets the quiet and beautiful Desiree, and the walls around his heart start to crumble. When she calls him for help, broken and scared, he can't deny her, and the urge to claim her for his own becomes an overwhelming need. Trapped in the Underworld as the war between witches and demons escalates, Lex and Desiree must face their pasts and their fears—and open their hearts—if they are to find a way out. Meanwhile, the Divinities in the natural world prepare for a battle that is no longer just dark versus light. If lost, it could mean the end of life as they know it.

Godhood

The Cinderlands. A dark dimension where horrifying creatures known as Hollows reside. Ruling over the monsters and the Cinderlands: The Divine. Beings of great power who inspired human mythology. The Divine are restless though. Unsatisfied with just the Cinderlands, the Divine search for ways to cross over to the human world, where human souls would provide a source of sustenance for the gods. To protect the earth, a secret team of human warriors, known as the Jaegers, have been fighting the Hollows and the Divine since the dawn of time. The Jaegers utilize special weapons made from their fighting spirit: The Anima. In the city of Columbia, an alliance of Jaegers have assembled to form the team called Cerberus. Enter Everen Atwood. After a fateful encounter with Hollows and a Jaeger named

Ben, Everen is thrust into the world of gods and monsters. She joins the Cerberus team, discovering her own powers and destiny as a Jaeger, becoming a part of the ongoing war against the darkness from the Cinderlands. But dark forces are rising, and not everyone aligned with the Jaegers is who they say they are... The battle for earth begins in "Godhood: The Awakening," the first book in the Godhood Saga.

Merlin's Handbook for Seekers and Starseeds

Offering a unique approach to spiritual integration and self-mastery, Merlin's Handbook for Seekers and Starseeds presents techniques to release karmic ties, integrate past life information, understand galactic karmic imprints, and attain mastery by reawakening your divine gifts. Based on author Margaret Doner's twenty years of experience as an angelic channel, past life regression therapist, and healer, this guide challenges you to awaken and remember knowledge that may be deeply buried within your soul. From angels to demons, Merlin's Handbook for Seekers and Starseeds touches upon all these topics and more as it assists you step by step to release fear and return to mastery. Doner offers personal vignettes and clients' stories to reinforce the idea that only by sharing what we experience with one another do we draw closer and learn how to love without judgment. With exercises to expand awareness, Merlin's Handbook for Seekers and Starseeds can help you learn to trust yourself, your heart, your intuition, and your common sense. It is about growing up and taking responsibility for your choices. It is about learning to love more deeply and awaken compassion for yourself and others.

The Divine Awakening

The lives of Tuck, a young elven hunter, and his only friend in the world, Samson, an aging Whalic outcast, are forever changed when one day a mysterious aura fills the skies over Fordwin, unlocking the tremendous hidden powers of the Divine. Tuck's newly discovered power to control animals grows exponentially as he joins in the fight to rid the continent of Steamtech, a new and dangerous threat. Steamtech is being developed at an alarming rate for the maddened King Terryn by his genius scientist, Crows Vein, to create an army of massive steam powered war machines. Nothing will stand in the King's way as he selfishly consumes the continent's supply of resources to satisfy his need for more powerful Steamtech machines. Can Tuck and his new powers along with the resistance, stop the king's madness before it's too late? The Steamtech Chronicles is a trilogy unlike any other, about the balance of good versus evil, nature versus machine, men versus Gods, and even Divine versus Steamtech. You won't want to put this thrilling book down as each page leads to more excitement and intrigue in a unique world that flawlessly combines the Steampunk genre and the fantasy genre. The Divine Awakening is the first book of what will surely become your favorite trilogy ever!

The Magdalene Path

"...a marvelous tapestry of insights, discoveries, tools and resources that gives us all hope for Heaven on Planet Earth." - Rev. Ruth L. Miller, PhD, author of Mary's Power "Claire's deep work of Sacred Feminine wisdom ... could not come at a better time." - Tim Kelley, author of True Purpose "...an important contribution to mending a world torn in half..." - Lion Goodman, author of Creating on Purpose Feminine wisdom revealed and reclaimed! Unveil this hidden power within and transform your life. Recent discoveries of ancient manuscripts have shined a light on Mary Magdalene as a powerful teacher and luminous feminine spirit. In The Magdalene Path, Claire Sierra shares her inspiring communication with Mary Magdalene about the awakening of the Divine Feminine as a means to shift and up-level our lives as women in the modern world. The Magdalene Path is a guidebook of compelling ideas, skills and practices to bring your Feminine Soul into daily life. Regardless of your spiritual orientation or previous connection to Mary Magdalene, you will bask in the inspiring wisdom and practical insights in this empowering, illuminating book. - Revitalize your mind and body to tap into more energy for what you love. - Ignite your connection to Spirit through simple rituals and Soul-care practices. - Embrace your authentic, radiant beauty as you reclaim your innate feminine power. - Replenish your passions and feel empowered to live your purpose. - Embody your creativity and live as the vibrant woman you truly are.

The Art of Fire Emblem: Awakening

The Art of Fire Emblem Awakening contains an in-depth, behind-the-scenes look at the smash-hit 3DS game, from beautifully illustrated renditions of your favorite characters, to storyboards for in-game events, character designs, weapon designs, character profiles, and the entirety of the script with every

possible branch of dialogue! Relive some of the most poignant moments of the game, or see what might have been if you had made different in-game decisions with the Art of Fire Emblem Awakening!

The Book of Neophyte

Like so many of us, twenty-four year old Michael is tired of his monotonous existence. Then one morning he awakens in an abandoned alleyway; covered in blood and completely naked. After a narrow escape from authorities he is captured and imprisoned by a mysterious group who seem to possess unusual powers. Suddenly life is anything but boring. While learning to develop and utilize mind blowing, incredible abilities he is plunged into an unbelievable but very real adventure with evil incarnate. Like a great puzzle, pieces of a grand design begin to fit and Michael must accept truth and dismiss fiction as he discovers an ancient prophecy that threatens all life on this planet and how this threat directly relates to him. He must understand that he has a part to play in the events that have already been set in motion in the first installment of this ultimate theme of good versus evil.

The Awakening Ones

This new trilogy speaks of the urgent call to awaken humanity in this time of world crisis. It is historical fiction, love story, adventure, mystery, and the journey that addresses the global dark night of the soul that our planet is currently facing. The light and darkness are in hand-to-hand combat, and our world and hearts are shattering. Will you be one of those rare beings who hold the light? Not since The Da Vinci Code has a story been so fast-paced, suspenseful, and compelling. The Awakening Ones is a poignant tale that opens with present-day students in Professor Jake Reynolds's theology class. Several of his students, unbeknownst to each other, begin to remember dreams of events that took place over two thousand years ago. Is it fact or fiction? They will soon find out. This story is about the journey that brings them together to begin an adventure of a lifetime. Riddled with confusion, betrayal, possibilities, and the remembering of events from the past, it brings this cast of characters from all walks of life together to unravel the clues and piece together the location of a long-awaited historical reunion that has the potential to save forty-four percent of humanity from destruction. The original teachings of Yeshua, Mary Magdalene, and other great saints and prophets for thousands of years have been intentionally or unintentionally altered, twisted, omitted, burned, or hidden in the name of greed, and the insatiable lust for power and control. Are you ready to step into your true authentic power and be a part of the forty-four percent who will make the transformation into the new world? Can you feel the urgency of our times and the immense evolutionary transformation we are in? The Awakening Ones is a thought-provoking, passionate drama and historical novel wrapped in the mystery of lucid dreams challenging today's dangerous desire for greed and the severe imbalance between technology and spirituality. On opposite sides of the globe, a tapestry is being woven. What appears to be separate lives in separate worlds will soon be colliding as present-day characters from many walks of life remember dreams of living two thousand years ago, thrusting them on a journey of discovery, adventure, friendship, and reunion with lovers, as well as the unadulterated teachings from past lives. Humankind has been manipulated and conditioned to believe themselves unworthy, powerless sinners when, in truth, they are supreme beings of light in a dance of co-creation. The question remains: Will they transform their lives and propel the earth into the new world? Or will they discover it is already too late? This is the question that humanity faces: Is it too late for humanity, as even Creation and Planet Earth have waged environmental wars against us? The choice is yours: Will you be one of the protected ones who hold enough light and energy within to be escorted into higher dimensions of a new world-or be left behind and subjected to the same repercussions that led to the destruction of many ancient civilizations?

A New Divinity

This is a study on Reformed theological debates during the »Long Eighteenth Century« in Britain and New England. By »Long« a period that goes beyond 1700–1799 is in view. This examination begins just before the eighteenth century by looking at the Neonomian-Antinomian debate in the 1690s. This is followed by the Marrow Controversy in Scotland in the eighteenth century. After that, the authors address the ecclesiological debates between George Whitefield and the Erskines. The doctrine of free choice concerning Edwards and his departure from classical Reformed orthodoxy is highlighted next, followed by reflections on the Edwardseans and the atonement. Returning to Britain again, the volume provides a study on hyper-Calvinism, and on eschatological differences among key figures in the eighteenth century. More specific debates in particular Baptist circles are noted, including the

battle over Sandemmandianism and the Trinitarian battles fought by Andrew Fuller and others. Returning to ecclesiology, a discussion on the subscription controversy in Philadelphia in the early eighteenth century and an analysis of the debate about the nature of »revival« in New England close this volume.

MMARA NE KYI - Divine Law/Love and Divine Hate

MMARA NE KYI - Divine Law/Love and Divine Hate Afurakani/Afuraitkaitnit (African) Ancestral Religion is defined in essence as the ritual incorporation of Divine Law and the ritual restoration of Divine Balance. Through ritual we incorporate those things, objects, deeds and entities we need to harmonize with Divine Order and through ritual we reject those things, objects, deeds and entities we need to in order to restore balance to our lives. Afurakani/Afuraitkaitnit (African) Ancestral Religion animates our culture, our way of life, for Afurakani/Afuraitkaitnit (African) Ancestral Culture is the Divine acceptance (Love/Law) of Order and the Divine rejection (Hate) of disorder. The phrase mmara ne kyi is Akan for law and hate. These terms derive from the same terms in Kamit: maa hna kht. Divine Law and Divine Hate are the Expansive and Contractive Poles of Divine Order. In this work we properly define these concepts inclusive of the fact that there are Deities (Abosom, Orisha, Vodou, Ntorou/Ntorotu [Neteru/Netertu-Ntrw/Ntrwt]) who embody these concepts: Maa and Maat (Law) and Heru Behdety and Sekhmet (Hate). We demonstrate that Law and Love have always been the same concept in Afurakani/Afuraitkaitnit (African) culture and that Hate has been and always will be Divine. Just as there are Deities of Law/Love, there are Deities of Hate. Moreover, and most critically, without an understanding of the Divinity of Hate one has absolutely no understanding of authentic Afurakani/Afuraitkaitnit (African) cosmology, culture, religion, philosophy and its infrastructure: Divine Order.

The Second Coming

Two thousand years ago, the Archangel Gabriel announced the coming of a new age with the birth of Jesus, the Christ. Now, Gabriel is proclaiming a new 2,000 year age, one of man's spiritual unity. This New Age was born January 23, 1997, when planets aligned to form a six point star - the same configuration that announced Jesus' birth 2,000 years ago. In this New Age, humans will follow the pattern of self mastery that Jesus demonstrated to awaken the soul. This, Gabriel says, is the Second Coming. It is not, "The Christ, the man, coming to rescue and save you...What he was telling you was that the Christ lies within you. You are the Christ. The time in evolution has come for the Christ Consciousness - the soul - to awaken in all humankind. We come to give you the step-by-step process for the awakening of the Christ Consciousness in all humanity." In this in-depth and intriguing interview, Joel D. Anastasi has transcribed wisdom received from the Archangel Gabriel, who communicated to Joel through trance channel, Robert Baker, his spiritual advisor. Working from hundreds of pages of interviews, Anastasi not only shares Gabriel's wisdom on great spiritual themes, but also provides Energizing Exercises to prepare you for the awakening of the soul.

The Awakening of Global Consciousness

One of the world's leading spiritual teachers returns with an inspiring and provocative message with solutions to our planetary crises, offering effective steps to change the world and integrate all levels of our Being. Religion is psychological entrapment promoting the controlled behavior of the herd civilization. Institutionalized organized religion is the cause of enslavement, violence, prejudice, hatred, classism, and war. False religious institutions created god in their own personal image and after the likeness of their own mind for control and money. Every religious holy book has been altered, dissected, rewritten, and censored to appear as the word of God, and all the gods of religious holy books are controlled by fundamentalists. Organized religion is a serious threat to the human race and a mental illness that afflicts over 80% of the world's population. It has nothing to do with spirituality and is no more than a collection of unholy lies. The spiritual terrorism of religion frowns upon free will, dispises questions, prohibits doubt, and survives on blind faith. Eternal life with God is only promised to the obedient religious-slaves who unconditionally follow rigid religious belief structures. This mythology was created based on division, not unity. Control is the essence of evil. The easiest way to control humanity is through fear, which is why the religious Elite created gods of intimidation and fear; to control others and solicit money. "The Awakening of Global Consciousness is a must read for the millions who've read Jawara's earlier classic books and a great beginning for those unfamiliar with his great works questioning the validity of the world's three major religions."

Ethics and the Wars of Insurgency

Ethics of Wars of Insurgency is my fifth study on "the ethics of war and peace." It spans a twenty-year period of perplexing war and peace history focusing on the theological and ethical aspects of American foreign policy analysis from Somalia to Rwanda to Bosnia, concluding with present activities involving Syria--and the concurrent events of ending the wars in Iraq and Afghanistan. This study highlights the theological themes of prophecy and biblical teaching and the ethical themes of human rights, violence, and peacemaking. The thesis of Ethics and the Wars of Insurgency is that only theological and ethical analysis can fathom the depths of meaning and appropriate action in these vital areas of policy and strategy in American and world affairs.

The Awakening in Wales

Watchman Nee called it the "greatest known revival in church history." On October 31, 1904, Evan Roberts, a twenty-six-year-old former miner, returned home from a ministry training program, having quit his job at the urging of the Holy Spirit. That night, he joined sixteen other young people at a village chapel, and from that humble origin sprang a spiritual revival that roared across the hills and valleys of Wales. Thousands of souls were welcomed into God's kingdom. Even the press could not ignore the changes occurring and eagerly reported on Roberts' every move. As suddenly as he had appeared, Roberts vanished from the world stage, only to reemerge twenty years later. What happened? How did God work so miraculously? Jessie Penn-Lewis was well-acquainted with the revival and with its leader, Evan Roberts. Her clear and concise history of the events of that time remains a treasure for all of us who pray for revival to return in our day

THE GOSPEL OF THE DIVINE MOTHER

God has appeared over the ages through many sacred texts that have become a heritage for humanity, among which we can mention the Torah, the Tao Te King, the New Testament, the Koran, the Essene Bible, which contains the psalms of the Archangels Michael, Gabriel, Raphael and Ouriel, collected between 2003 and 2016 by the Essene Nation. Since 2017, for the first time in known history, it is God the Mother, the great female principle of creation, who transmits a direct teaching through many messages received by the Essene Nation on the land of Panama. In 2019, through her 19 rules, God the Mother awakens and instructs us on an art of living with her virtues. It is the announcement of a new way of being on earth, at the dawn of a fundamental turnaround for the future of the world. An exceptional historical book, born of the alliance of a nation of enlightened men and women with God, at a time when all religions of men are collapsing.

True Gods

True Gods: The Awakening By: Jon Jongebloed After hundreds of years of servitude to another race, humans begin to question their gods. As the number of these free-thinking humans grow, so does the knowledge of their existence. Many years pass as they continue to move toward their freedom. A plan stemming from the unlikeliest of sources is put into play. This plan sets into motion an all-or-nothing move by the humans. Will the plan work? Or have they waited too long as they now have the full, and unwelcome, attention of their gods! Follow True Gods, the Awakening, a story of perseverance and courage as a group of humans risk everything to prove their gods are mere imposters. While adventure and heroics lead the way, politics and lies may prove more powerful.

Earth Awakening

A compilation of previously released channelings by Ivo of Vega, Ashtar Sheran, Athena and Adama of Telos, as channeled by Astral Incarnate and Lightworker Sharon Stewart. This body of work encompasses many subjects pertaining to Ascension of Gaia and all upon her, Liberation of Planet Earth by the Light forces, the Event and more. Become aware by reading this book of who you may be, what's going on on this planet that is beyond your ability to see, and start your awakening to the Truth that will become the norm for the future of humanity on Earth. Sharon's frank questioning and her team's loving provision of information (Light) make this book a must read for all.

The Infinite and The Divine

Explore a story told across the millennia that delves deep into a pair of fascinating necron characters, their relationship and their plans for the galaxy. Before the being called the Emperor revealed Himself, before the rise of the aeldari, before the necrontyr traded their flesh for immortal metal, the world was

born in violence. Even when they inhabited bodies of flesh, Trazyn the Infinite and Orikan the Diviner were polar opposites. Trazyn, a collector of historical oddities, presides over a gallery full of the most dangerous artefacts – and people – of the galactic past. Orikan, a chronomancer without peer, draws zodiacs that predict and manipulate the future. But when an artefact emerges that may hold the key to the necrons' next evolution, these two obsessives enter a multi-millennia game of cat and mouse that ends civilisations, reshapes timelines, and changes both forever. As riddles unwind and ancient secrets are revealed, the question remains: will their feud save the necron race or destroy it?

Franz Schubert and the Mysterium Magnum

What if you had to share your consciousness with a benign, but ancient being on a mission? What if the balance between Dark and Light has shifted -- giving Dark the upper hand? The answers can be found in "Prophecy: The Awakening" and its New Age realm where the inhabitants travel astral planes, converse with the gods and use computers to unite their efforts.

On Textual Understanding and Other Essays

Lalitha Sahasra Nama (Thousand Names of Goddess Lalitha) are chanted everyday by the devotees of Divine Mother. There are the most prominent among all the hymns of Devi (God in the form of Mother). Though these names have many hidden meanings, they are basically Tantric in nature, because the sadhana of Sakti (God as energy) is the key factor Tantras. However there are many verses in this hymn that praise the Para Brahman (Supreme One God) of Vedas. The hidden secrets of many disciplines like Astrology, Vedanta, Yoga and Tantra are explained in this book at respective places while commenting on the hidden meanings of these names. There is no such commentary on these verses in recent times which reveals as much as this book does, It is hoped that this book will motivate the readers who are in the path of sadhana to move ahead towards realization of their spiritual practice.

Prophecy

This book is the cumulative inspirations that have been received in the author's 30 years of marriage. Their desire is that all of those who have been searching for spiritual answers find them within these pages. The book details to those who are awakening spiritually exactly what they may experience and discover along the path of awakening. The intent is to share guidance that allows them to create the life they desire. All words within these pages have been given to aid all who read them – to help them to awaken to who they truly are.

Hidden meanings of Lalita Sahasranama

The Shreemad Bhagavad Gita is one of the most ancient scriptures in the world. It contains the direct word of God, spoken for all of mankind, irrespective of religion or tradition. Its philosophy and teachings are central to human life. It teaches us to live our daily lives in Divinity, as a service unto God and His creation. It achieves this by gifting us true knowledge, faith, devotion, surrender, detachment, and a release of expectations and ownership over one's own actions. It comes as a stark contrast to the lives with which we have grown accustomed to leading. Today's world is filled with constant desire for material wealth, sense pleasures, individualism and egoism. The Gita acts as a lighthouse on the shores of Vaikunta, guiding lost sailors at the sea of illusion to safety. But like any teaching, time and unqualified minds can distort it and misunderstand what is contained within. It is for that purpose that the Lord continuously takes birth on earth in the form of the Guru to revive the true essence of the Gita, to show the simplicity of the message of Bhagavan. One such Master is Paramahansa Sri Swami Vishwananda, and in this book, which is his personal commentary, we hold a treasure chest of spiritual insight.

All Along Your Journey

This collection of essays examines the life and thought of Agnes Heller, who rose to international acclaim as a Marxist dissident in Eastern Europe, then went on to develop one of the most comprehensive oeuvres in contemporary philosophy, putting forward a distinctive ethical theory and analyses of a vast range of topics covering most every philosophical area. Here, philosophers, sociologists, journalists, and political scientists contextualize, compare and assess different elements of Heller's work; the collection as a whole highlights relevant shifts within that work as well as its intrinsic consistency. Essays in the collection address the relationship between philosophy, political practice and everyday

life, Heller's theory of modernity and her ethical theory, her recent scholarship on comedy and the Biblical book of Genesis, her theories of radical needs and radical politics, her aesthetic theory, and questions about her relationship to feminist theory. The collection includes Heller's reflections on the collected essays, as well as an early essay on her mentor LukOcs that exposes her own steadfast engagement with certain practical and philosophical issues throughout her life's work.

Shreemad Bhagavad Gita

Introduction: A timeless narrative has fascinated centuries with its profound symbolism and moral precepts in the enormous tapestry of Hindu mythology, where gods and mortals interact in an intricate dance of destiny. It is the story of the Devas and Asuras, an eternal conflict that serves as a profound allegory for existence's fundamental dichotomies, repeating the cosmic fight between light and darkness, good and evil. In Hindu cosmology, the Devas and Asuras, celestial entities of enormous power and intricacy, represent conflicting forces. While their titles may simply translate to "gods" and "demons," the richness of their characterization and the depth of their responsibilities in Hindu philosophy much outweigh such crude classifications. Understanding the Devas and Asuras is to dig into the heart of Hindu spirituality, where the divine and the human, the ethereal and the earthly, intersect in a complex tale that has fashioned one of the world's oldest religions' moral and ethical fabric.

The Devas of the Divine Pantheon: The Devas, often known as gods or celestial creatures, live in the heavenly region of Svarga. They are the personification of virtues, the keepers of cosmic order, and the keepers of the virtuous path, dharma. They control the cosmos and maintain the equilibrium of creation, led by the great Indra, king of the Devas. Each Deva has distinct characteristics and responsibilities that contribute to the cosmic balance. The universe is sustained by Vishnu, the preserver; Brahma, the creator, brings out life; and Shiva, the destroyer, clears the way for fresh beginnings. In Hinduism, these Devas are respected, and their stories explain the holy characteristics they personify. The Devas are the forces of light, wisdom, and goodness. Their brilliant presence in the sky inspires and guides mortals, providing hope in times of darkness and uncertainty. The Devas' stories teach excellent lessons about morals, ethics, and the search for higher knowledge.

Asuras' Shadowy Realm In contrast to the Devas, the Asuras are frequently seen as demons or wicked beings. Their home is the Patala netherworld, which is shrouded in darkness and mystery. The Asuras, led by the ambitious and cunning Mahabali, are motivated by cravings, ego, and a constant pursuit of power. The Asuras' stories are full of defiance, deceit, and rebellion against the cosmic order. Figures like Ravana, Hiranyakashipu, and Vritra exemplify the Asura archetype's arrogance and ambition. Within this complication, however, there is a deeper examination of the human condition, where the defects and fallacies of the Asuras mirror the struggles and temptations experienced by mortals. Despite their frequently evil image, the Asuras have redeeming traits. They represent the dark parts of the human psyche, urging people to confront their own inner demons and transcend the constraints of ego and want. In this way, the Asuras reflect humanity's struggle with its own darker inclinations.

The Eternal Battle of the Cosmic Dichotomy The eternal conflict between these two cosmic powers is at the heart of the Devas and Asuras story. It is a war that spans time and space, symbolizing the ongoing clash between opposing principles that exists within each human and across the universe. The Devas and Asuras are always at odds over sovereignty, power, and the very nature of the cosmic order. This is a philosophical and spiritual war in which the forces of virtue combat the attraction of material aspirations and the dangers of unrestrained ambition. This dichotomy is a comprehensive investigation of the dualities inherent in reality, rather than a simplified presentation of good versus evil. The Devas and Asuras depict the eternal effort to create balance and harmony in a world full of paradoxes.

Mortals' Lessons As enthralling as the stories of Devas and Asuras are, their relevance stretches beyond mythology. These stories serve as allegories for human life, providing vital lessons and insights for navigating life's complexity. The Devas motivate us to practice virtues like compassion, wisdom, and selflessness. They teach us that the route to enlightenment is to live a dharmic life, preserve moral ideals, and strive for spiritual growth. The Asuras, on the other hand, warn against the dangers of ego, desire, and unrestrained ambition. They challenge us to confront our inner demons, to identify our destructive inclinations, and to seek the higher path of self-transformation and self-realization. We find a mirror reflecting our own problems and goals in this magnificent story of the Devas and Asuras. It reminds us that the war between light and darkness does not take place only in the celestial regions, but also within our own hearts and minds. It exhorts us to achieve harmony in the midst of life's duality and to strive for the heavenly attributes symbolized by the Devas. In the pages that follow, we will travel through the rich tapestry of Hindu mythology, delving into the stories, symbolism, and profound knowledge encompassed in the eternal conflict between the Devas and Asuras. It is a trip that encourages introspection, thought, and a

greater understanding of the timeless truths that govern human existence. This story's summary: The epic tale of the Devas and Asuras unfolds in the mysterious realm of Hindu mythology, where gods and mortals mix, and cosmic plays influence the fate of the universe. This timeless story is a drama of endless conflict and transformation, a story that speaks to the very core of human experience. When the universe was just a cosmic womb, two unique cosmic energies emerged: the Devas and the Asuras. These strong beings were more than mortal, embodying existence's duality. The Devas symbolized justice, virtue, and harmony, whereas the Asuras represented ambition, pride, and disorder. The Devas lived in the heavenly realm of Svarga, a land of magnificent beauty and divine majesty, led by their strong monarch, Indra. They ruled the universe, guaranteeing the harmony and balance of all creation, and were revered as protectors and benefactors by mortals. The Asuras, on the other hand, established their dominion in Patala's netherworld, a region cloaked in shadows and mystery. The Asuras aspired to challenge the Devas' supremacy, led by the fearsome Mahabali, a charismatic and ambitious king, driven by their insatiable wants and greed for power. When the Devas and Asuras collaborated on a huge endeavor—the churning of the cosmic ocean—their unending war reached a climax. Their goal was to find the elixir of immortality known as Amrita, which was concealed deep within the ocean. The churning process, however, was not without its difficulties. As the story progressed, a lethal toxin known as Halahala erupted from the depths, threatening to swallow all of creation. Lord Shiva, the cosmic destroyer, ingested the poison in a frantic attempt to preserve the universe, staining his neck blue in the process. Despite their short cooperation, the Devas and Asuras' fundamental hatred could not be overcome. Mahabali, the astute strategist, disguised himself as a poor Brahmin and addressed Lord Vishnu as Vamana, a dwarf, during one of his incarnations. Mahabali pledged to provide Vamana with three steps of land in a selfless act. Vamana miraculously grew to include the entire cosmos, claiming the earth and sky before asking Mahabali where he may place his third foot. When Mahabali realized the deception, he offered his own skull, which pushed him deep into the netherworld. Because of his humility and dedication, Lord Vishnu granted him permission to visit his people during the Onam festival. The Devas believed they had achieved perpetual dominion after obtaining Amrita, but the Asuras were tenacious in their pursuit of immortality. They performed rigorous penance, practiced formidable austerities, and called powerful godly boons. Ravana and Hiranyakashipu, for example, developed great power and near-invulnerability. The cosmic struggle spilled over into the mortal realm from the celestial realms. According to the epic Mahabharata, the Kurukshetra War was fought between the Pandavas, who were supported by the Devas, and the Kauravas, who were supported by the Asuras. Lord Krishna, an avatar of Lord Vishnu, was crucial in leading the Pandavas to victory and restoring balance and justice. The Devas and Asuras continued their unending conflict as the ages passed, their fates linked in a cosmic dance of creation and destruction. They guided mortals down the road of dharma (righteousness), acting as catalysts for the evolution of the universe and its souls. Some Asuras, such as Shukracharya, eventually saw the destructive nature of their goals and pursued a path of peace. They began teaching fellow Asuras wisdom, compassion, and self-realization, developing a faction that turned away from harmful ways. This transition was not lost on the Devas, who watched the changes with cautious optimism. The Devas saw that a universe in which all beings strived for spiritual development and harmony would be more stable and pleasant. When the cosmic energies of the Devas and Asuras converged as the universe grew and contracted, it was a moment of immense significance. Both sides went on a quest to understand their existence, aided by sages and enlightened beings. They experimented with meditation, introspection, and self-realization, realizing the interconnection of all beings and the underlying duality that exists within every soul. The Devas and Asuras joined together in a vast assembly in a moment of profound revelation, establishing a truce that transcended their endless hostility. They vowed to work together to keep the universe in balance, realizing that unity and understanding were the ultimate paths to enlightenment. This merger signaled the beginning of a new era in which the Devas and Asuras ceased to be antagonistic forces and became co-creators of a harmonious universe. They combined their knowledge and strength to guide humanity toward righteousness, knowledge, and spiritual progress. The cosmos thrived in a condition of balance and harmony because the Devas and Asuras were unified in purpose. Mortals, inspired by the newfound harmony of the angelic realms, adopted the virtues of compassion, love, and wisdom. The Devas and Asuras continued to inspire mortals through stories, myths, and teachings as cosmic teachers rather than antagonistic factions. They led humanity to see that the eternal conflict between light and darkness existed not just on the outside, but also within the human soul. The Devas and Asuras taught the universe in the great finale that the route to enlightenment lay not in the annihilation of conflicting forces, but in their integration and transcendence. They revealed that existence was a great tapestry woven of light and darkness, good and evil, and that the cosmic dance would continue indefinitely, calling all beings to join the quest for unification and enlightenment. As a result, this epic story, which

began with war and hatred, evolved into one of redemption, forgiveness, and the eternal search for cosmic harmony. It is a timeless reminder that even the most profound schisms can be bridged through understanding, compassion, and acknowledgement of our connected cosmic history. The story concludes with profound insights into the essence of existence, the value of unity, and the unending quest for enlightenment. A heavenly drama is unfolding in the endless vastness of the cosmos, where the lines between gods and mortals blur. This is the story of the Devas and Asuras, the eons-long struggle between light and darkness, good and evil, that has formed the fate of the cosmos. The Devas and Asuras are the main characters in this cosmic play, their roles representing the fundamental duality that defines existence. It is a drama that transcends time and location because it is a story that is woven into the very fabric of Hindu mythology, philosophy, and spirituality. The Devas represent the luminous energies of righteousness, virtue, and heavenly harmony in this timeless epic, residing in the brilliant region of Svarga. They are celestial beings of radiant beauty and limitless compassion, cosmic order keepers, and guides to the path of dharma—the virtuous path. The Asuras, who came from the gloomy depths of Patala, represent ambition, pride, and the instability that exists within the human psyche. They are driven by insatiable cravings, always challenging the authority of the Devas, and testing the bounds of cosmic balance. This eternal tug-of-war between these two opposing forces serves as a profound allegory for the universal battle between light and evil, a topic that resonates with human experience throughout nations and civilizations. It is a story that invites us to contemplate the nature of good and evil, to go into the depths of our own souls, and to seek the elusive balance that reconciles these opposing sides of our life. We begin on a trip that transcends myth and enters the world of spiritual contemplation as we dig into the epic storylines, teachings, and symbols associated with the Devas and Asuras. It is a trip that continues to shape millions of people's collective consciousness, providing significant insights into the intricate fabric of life, death, and reincarnation that defines the cosmic order. The stories of these celestial beings serve as mirrors to our own struggles and aspirations, from the churning of the cosmic ocean to the benevolent direction of Devas like Vishnu, Brahma, and Shiva, to the crafty schemes of Asuras like Mahabali and Ravana. They remind us that the conflict between light and darkness is not limited to the worlds of gods and demons but is a universal theme that manifests itself within each of us. This story has survived millennia because it addresses timeless issues that have preoccupied human minds since the start of civilization: What is the nature of good and evil? How do we achieve equilibrium in the face of chaos? Can virtue's light win over the shadows of temptation and desire? The Devas and Asuras provide deep insights into these questions, asking us to go into the depths of our own moral compass and spiritual path. We develop a deeper understanding for Hindu philosophy and the rich tapestry of Indian mythology as we navigate the heavenly battles, cosmic machinations, and moral quandaries that enrich the stories of these divine beings.

Friends of Europe Publications...

From World War II to the war in Iraq, periods of international conflict seem like unique moments in U.S. political history—but when it comes to public opinion, they are not. To make this groundbreaking revelation, *In Time of War* explodes conventional wisdom about American reactions to World War II, as well as the more recent conflicts in Korea, Vietnam, the Gulf, Afghanistan, and Iraq. Adam Berinsky argues that public response to these crises has been shaped less by their defining characteristics—such as what they cost in lives and resources—than by the same political interests and group affiliations that influence our ideas about domestic issues. With the help of World War II-era survey data that had gone virtually untouched for the past sixty years, Berinsky begins by disproving the myth of “the good war” that Americans all fell in line to support after the Japanese bombed Pearl Harbor. The attack, he reveals, did not significantly alter public opinion but merely punctuated interventionist sentiment that had already risen in response to the ways that political leaders at home had framed the fighting abroad. Weaving his findings into the first general theory of the factors that shape American wartime opinion, Berinsky also sheds new light on our reactions to other crises. He shows, for example, that our attitudes toward restricted civil liberties during Vietnam and after 9/11 stemmed from the same kinds of judgments we make during times of peace. With Iraq and Afghanistan now competing for attention with urgent issues within the United States, *In Time of War* offers a timely reminder of the full extent to which foreign and domestic politics profoundly influence—and ultimately illuminate—each other.

Engaging Agnes Heller

Trogon: The Awakening, takes place a long time long ago in the Tryphenian Empire where Emperor Khabah XXIII is fighting a rebel group on his northern borders led by the wily rebel leader Turabath. The Emperor is also desperately in need new land for his ever-growing population and as a dumping

ground for his over crowded prisons. Palento Island a former province of the Empire is home to three communities. The Highlanders to the north, the Lowlanders to the south and the Trogons who remain out of sight in the great western caves. Trogons have unique telepathic and fighting skills as well as the ability to move rapidly without being seen. Because of a previous betrayal by the Islanders they do not become involved in Island affairs unless there is a grave threat to the Island or themselves but they continue to conduct regular patrols of the Island to watch for invaders. Palento is eventually invaded and the Island warriors prove no match for the well-trained legionnaires. The Islanders have limited means to defend themselves and are greatly outnumbered and ill equipped to fight the well-trained legionnaires. Sacha and the Trogon warriors plan a surprise for the invading forces but not without some close encounters and a few dangerous setbacks.

The Eternal War: Devas vs. Asuras

Winner of an Award of Merit in the Christianity Today Book Awards, History/Biography category On January 17, 1776, one week after Thomas Paine published his incendiary pamphlet Common Sense, Connecticut minister Samuel Sherwood preached an equally patriotic sermon. God Almighty, with all the powers of heaven, are on our side, Sherwood said, voicing a sacred justification for war that Americans would invoke repeatedly throughout the struggle for independence. In Sacred Scripture, Sacred War, James Byrd offers the first comprehensive analysis of how American revolutionaries defended their patriotic convictions through scripture. Byrd shows that the Bible was a key text of the American Revolution. Indeed, many colonists saw the Bible as primarily a book about war. They viewed God as not merely sanctioning violence but actively participating in combat, playing a decisive role on the battlefield. When war came, preachers and patriots alike turned to scripture not only for solace but for exhortations to fight. Such scripture helped amateur soldiers overcome their natural aversion to killing, conferred on those who died for the Revolution the halo of martyrdom, and gave Americans a sense of the divine providence of their cause. Many histories of the Revolution have noted the connection between religion and war, but Sacred Scripture, Sacred War is the first to provide a detailed analysis of specific biblical texts and how they were used, especially in making the patriotic case for war. Combing through more than 500 wartime sources, which include more than 17,000 biblical citations, Byrd shows precisely how the Bible shaped American war, and how war in turn shaped Americans' view of the Bible. Brilliantly researched and cogently argued, Sacred Scripture, Sacred War sheds new light on the American Revolution.

In Time of War

Another feature-length adventure for the Mystery Inc. team. This time the gang are at Camp Little Moose where the eerie characters from ghost stories come to life. Scooby-Doo (voice of Frank Welker), Shaggy (Matthew Lillard), Freddy (Welker), Daphne (Grey DeLisle) and Velma (Mindy Cohn) join forces to solve the urban legends of The Woodsman, The Fishman and The Banshee of Black Canyon.

Trogon

An original, readable narrative of the 1811 Battle of Tippecanoe and the role of religion in the history of the American West

Sacred Scripture, Sacred War

Download Gaian Angels, Book 1: The Weavers Awake for FREE We scour the heavens in search of visitors, but what if they're already here amongst us—just waiting for their awakening? And what if...you're one of them? War is tearing Aden apart. The Human Beings must use their cunning more than ever, but how can they fight their oppressors when they're committed to never taking a life? If they let their weaknesses get the better of them, it could mean their downfall. Geb returns to the Source and unveils for us the Higher Spheres—the realm of the Akashas...and their own divinity. Still in search of Arcadia's soul, Azulàn is reincarnated on Earth in an alternative version of History, exploring unknown fragments of man's past that throw light on future events. Guillaume, in the present, comes up against the passive aggression of the psychiatric machine that threatens to crush him under its wheels...just at the moment when the clouds of the Apocalypse are starting to mass! Every Warrior of Light must one day walk through the valley of the shadow... This 'journey of investigation' pushes the boundaries of reality to embrace a universal, ecological spirituality. Much more than a warning about the wasteland that the human race is preparing for its own future, the Gaian Angels Cycle is a new answer to the eternal question: what is the meaning of life? The second book in the trilogy takes you twice as far as

the first, on every level. More action, more suspense, more mysteries and more revelations... If you liked book 1, you'll love book 2! Suitable for readers ages 16 and up. Cultus Americanus

Love and sacrifice, family and turmoil, Styx was intimately familiar with all of these things and from a young age. She had her life figured out, however, working to support herself and her younger sister after her parents died and being an active member of her community, she was comfortable. That is until she started dying and her past was the cause. Join her as she trusts a stranger and dives into who she was when she was first incarnated on the earth, and what that means for her in the present day, all before her clock runs out. Powers surge, memories surface, sacrifices are made, and a war rages on. Will Styx survive through it all? You're going to have to keep reading to find out.

The Gods of Prophetstown

It began as a trickle in 1792, but by century's end northwestern Connecticut was awash in revival. In 1799 Edward Dorr Griffin wrote that he could stand at his doorstep in Litchfield County and "number fifty or sixty congregations laid down in one field of divine wonders." Griffin was one of the leading ministers whose electrifying preaching triggered the Second Great Awakening--the subject of this award-winning study. *A Field of Divine Wonders* focuses on the village revivals sparked by Griffin and his fellow New Divinity ministers--the theological heirs of Jonathan Edwards. Edwards died in 1758--long before the rash of revivals in 1798--but he left an enduring legacy that later generations of disciples followed. But it was the third generation of Edwardseans, pastors such as Griffin, Asahel Nettleton, and Bennet Tyler, who personified the theology of revival. For thirty years, they successfully preached, counseled, and defended the New Divinity message of salvation until the mid-1820s when most of the leaders had passed from the scene and New Divinity revivalism had lost its appeal. Nevertheless, there remained a form of piety rooted in Edwards's teaching on "affectionate" religion, which merged with other evangelical traditions and has endured up to our own day. Unlike previous studies focused chiefly on leaders or institutions, or theology or converts, *A Field of Divine Wonders* integrates the history of ideas with newer approaches in historical research--collective biography, modes of discourse, gender studies, social and quantitative history, and local community studies--to supply the kind of "new religious history" that historians have long called for.

Gaian Angels, Book 2: Voice of the Warriors

NEW AGE/SPIRITUALITY In this book, Quan Yin, through Shih Yin explains in simple understandable terms what this spiritual journey has been all about. It explains how we as spiritual volunteers descended into this three dimensional denseness while forgetting our connection to Divine Spirit. Upon this Earth we experience the effects of Duality, and eventually find our way back to whence we came. the journey has been difficult, but having finally passed the marker we are now in Ascension status and on our way home. the rate at which one ascends depends on one's free will and intent. Quan Yin Speaks serves as a reference book, describing in simple detail, not only the work required, but the physical, mental and spiritual changes that one can expect to experience in the path of evolution towards Enlightenment. Although one may not consciously choose the Ascension path, all will experience the inevitable changes. This book will assist you to progress at a rate consistent with the amount of work you choose to invest towards your development. --The Hon. D. Kochi **NEW AGE/SPIRITUALITY** In *Quan Yin Speaks*, by author Shih Yin, the Goddess Quan Yin poses a question for humanity: "Are you ready to grow into spiritual adulthood and step into the role of being a guiding light on the path of the Evolution of Consciousness?" If your answer is yes, then be prepared for an amazing road map in this beautifully written book that details the steps in one's Spiritual journey and how you can receive assistance on the Ascension Path. Through Shih Yin, the Goddess' voice rings clear and true, as we learn that human transformation does not happen instantaneously within a short time span. Each individual creates his or

her own timeframe, and it can take many reincarnations. Our morphing from 3D humans to Enlightened Beings is a complex process, and Free Will plays a major role in the journey. Through mesmerizing analogies and clear-cut guideposts, we are given simple steps to climb the Evolution Ladder. Yet, we must be willing to do the work of surrendering and relinquishing the fear that keeps us separated from our true nature. This is a must-read book for any Lightworker who is serious about clearing his or her own stuff and ascending to the ultimate stage in their spiritual transformation so that humanity at large can be fully served. --Edith Billups. President, the Gabriel Media Group

Powers of Old: the Awakening

For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

A Field of Divine Wonders

Franz Werfel was born in Prague in 1890 and died in Beverly Hills in 1945, a popular and artistic success in Europe and America. Despite his Jewish birth and upbringing, he was attracted to Christianity at any early age, and although he never formally converted, he celebrated his own vision of it in his entire life's work. The original story of that peculiar faith and the response it engendered in Werfel's work as he lived through the horrific end of Jewish life in Europe are treated here. Werfel was not a systematic thinker, and, while his writing contains much that is philosophical and theological, his eclecticism and idiosyncrasy render any attempt to trace the specific origins of his thought or its relation to the work of contemporary philosophers and theologians highly problematic. Thus, this work is neither biography nor intellectual history in the strict sense—it goes beyond, melding the concerns of both genres into a thoughtful, comprehensive portrait of faith at work. Of interest to historians of the twentieth century as well as to students of that intriguing zone that lies between faith and art but is neither—or both.
