How to Self-Publish a Book on Amazon.com Kindle Direct Publishing

LISTEN, THIS IS THE SECRET OF CRAFTING A WINNING NONFICTION TITLE AND SUBTITLE TO MAKE SALES EVEN WITHOUT REVIEWS AND BECOME A BESTSELLER IN 7 DAYS Kindle publishing is easy, but at first, it seems hard to most people until they read a book, like this one you're about to read, that clears their minds or get a mentor that knows his/her onion. It's unfortunate it happened, but it's the main reason I decided to reveal the secret to all nonfiction writers on how to craft a top-notch title that will get consistent sales and become a bestseller even without reviews or Amazon ads. I woke one day and said, "I'm going to write another bestseller on a topic I know." I did my keyword search and noticed a profitable niche called memory improvement - I'll show you the process inside the book. With the help of my private template on book formatting, which I'll give you at the end of this book, I got started in writing a book from scratch on memory improvement. The journey was simple and fun and the dream was achieved as usual. Sadly, something unexpected happened and it's what propelled me to write this book and expose my long-hidden secrets on crafting a bestseller, keyword-rich title and outshining other books in that category on Amazon Kindle Store and Book store. At end of this book, I only have one main promise for you and that is: you'll master how to craft THE BEST searchable keyword-rich book title that'll bring you constant sales even without reviews, promo, or ads as it does for me every single time. The other benefits of this book are: You'll learn how to do keyword research without any paid tools You'll learn how to do category research without any paid tools You'll master how to fill your 7 backend keywords like a pro to get more sales You'll discover where to get royalty-free images for your book cover You'll see how I design my catchy covers myself with Photoshop You'll see how to get your Kindle book in more than 10 categories as well as get your paperback in more than the usual 10 categories smart publishers get into You'll get a formatted book template for your nonfiction writing You can use this template to outline your book before you send it to a ghostwriter or you use it to write yourself You'll see step by step how to upload and publish your book the right way and smile to the bank at the end of the month You'll discover a certain website that'll make you say, "Wow! Why hasn't anyone told me about this?" There are lots of screenshot images to guide you through for those who love pictorial presentation You're about to understand all the big grammars Kindle gurus confuse you with on videos and blogs. Scroll up and click the Buy Now button and get started in discovering something 97% of authors or publishers will NEVER have the privilege to know. You'll thank yourself for this action you're taking right now. See you on the other side - where knowledge will meet experience to birth a bestselling nonfiction book in your name.

Ebook Writing

This book has lots of actionable information on how to write, publish and sell eBooks for to make massive passive income. Forget blog posts; eBooks are taking over the world and for a good reason! In an interview, the interviewer asked an average online content reader to compare blogs and eBooks. His response was, "We all love reading blogs, but there's still something about an eBook that draws me. Perhaps it is the fact that an eBook does not demand or wait for us to comment, share, or engage...

I don't know... it's probably because it gives us time to contemplate, and relax into the content; it's more of a book but different, more attractive and easy..." Besides being among the easiest ways to make some money (you can make your first sale in less than 24 hours after publishing your book), eBook writing can help you build a better relationship with your visitors (business prospects) to whom you can sell other products. Moreover, an eBook writing business is easy to start because with this type of business, you do not overly worry about the usual business risks e.g. inventory and other business costs. In this book, we shall discuss the intricacies of writing, publishing and marketing eBooks as a side hustle, why writing and publishing eBooks is the best online moneymaking trade, and how you can create a thriving eBook publishing business that earns you thousands as you sleep or while on vacation.

How to Publish a Book on Amazon

Are you tired of "how to publish books" that are full of fluff and no real information? I was, too. Before I began my publishing career with Kindle books, I read just about everything out there, looking for real answers to questions I had about the industry. But much to my disappointment, most of the books were filled with fluff or stories of people who "hit it big" without really telling me how or why. I determined to jump in and learn for myself-and that's exactly what I did. I started with my first book, How to Work from Home and Make Money, and then quickly published three more. I was looking for the topic of my fifth book when it hit me-why not share what I've learned with the people who still haven't made the leap and published their own book? It all began when I received an email from a book promotion site. One of the features was a how to book about publishing Kindle books, so out of curiosity, I followed the link and read the reviews. And sure enough, the page was full of people complaining that the book didn't contain any valuable information. So here's what I decided to do. Write a book that answers all of the

real questions without painting an unrealistic view of the possibilities. In my book, I answer things like: How to pick book topics that will sell. (Why it's important, and what I've done right-and wrong.)How to write a book in 30 days or less. (And take weekends off)How to conduct research for your book.How to make your own covers for free.The pros and cons of pre-releasing your book.When you should enroll your book in Kindle Unlimited (And when you shouldn't.)How to format your book yourself. (Including the clickable table of contents) And how to get it done for cheap if you don't want to do it.Why you need a paperback version. (And how to create one)Why you may need an audio book (And how to get one for free)How to get your book translated into other languages for free (And why you should)Why ranking matters (And what to do if your book isn't ranking well.)How to market your book. (Including links and contact information for the people I use)What to do after you publish your first book.How much you can REALLY expect to make with Kindle publishingI talk about the mistakes I've made so you don't make them, too. And I provide you with step-by-step instructions and relevant links for all of the above areas-and more. In other words, this book is the ONLY book you'll need to start a career publishing Kindle books.If you've been dreaming of publishing a book, but don't know where to start-or if you've already published but can't find success-this may be the book you've been waiting for.Why not take the first step toward your publishing career and download it right now? I promise you won't find any fluff or useless information in it. Just an actionable guide that answers the questions no one else will.

The Beginners' Guide to Writing, Self-Publishing and Marketing a Book

Power to the Time of Self Publishing! Reason for all of this- I've heard of an ebook. I always liked the idea of publishing a book. I have people that know that desired to create an ebook- yet still have not. I wrote a book years ago- I looked for publishers yet it was vast. For years I sat on my creativity- on my ideas- I thought someday I'll have a publisher do this and that. I would read and read a multitude of books on various subjects. Yet there came a time when I said within myself "I have something to say- I have something to share!" Yet I thought- one day I'll get a publisher to do that and that. *To date I have published four eBooks x Paperbacks in less than two weeks! As well as written over 20+ that will soon be published.* Understand this- I have no issue with publishers. I think that all most all things have a place. So power to them- Yet Power to the Time of Self Publishing as well!For you- giving you the confidence to create and share with the world! That way you can circumvent that which I had to go through x learn- as well as to share with you that this process is simple and easy. You will see, that this will be as easy as so many other things in this life. Take hold of the opportunities x time that we are in and prosper.-Armand Cook

How to Write a Non Fiction EBook in 7 -14 Days That Will Make You Money Forever

Before I go on to elaborate on "why do most of the self-publishing authors, fail", I would like to introduce myself on what gives me the potential and right to comment on this topic and even write a book on it. I have been associated with the publishing industry for more than two decades. This means it has not only been my bread and butter but also my raison d'être. At work, almost every day brought me eye to eye with an author or a writer distressed beyond words only to have his work see the light of day. As much as it was heart-wrenching for me to see them struggle, I used to feel the obligation and need to ease the process for writers. Professionally, being in the sales and marketing arena, I always had a vantage point that enabled me to make out what sells and what doesn't. To top that, I have been fortunate enough to collaborate with the "who's who" of the global publishing industry. Moreover, for the past few years, I have been assisting self-publishing authors. These together, have eventually made me an expert in gauging what would work for a particular author. With the first-hand experience that I have gained by working with several authors closely, I thought it only natural to write a book for the new authors on the points that should be considered publishing their books. This book is a humble attempt to help new authors with the basics of book publishing. I hope going through this book before

they sketch out their work, will sure make their journey to publishing uncomplicated and safe. Signing off with all good wishes to all the writers out there. Happy Writing! -Nataraj Sasid

Self-Publishing Books 101: A Step-by-Step Guide to Publishing Your Book in Multiple Formats

In 2008, Rob Kosberg faced the biggest business test of his life. Like many others he had to start over after the financial crisis and build a business in the worst economy of our generation. He did this with his own bestselling book and has gone on to help thousands of other authors to replicate his success. In *Publish. Promote. Profit.* he tells you exactly how they are doing it. How some clients are earning over \$100,000 per month with their books, getting booked on massive stages, getting press and media on demand and becoming the hunted in their industries. *Publish. Promote. Profit.* explains the current self-publishing environment and covers the ins and outs of what it means to be an author, expert and thought leader in your field. Far beyond "how to self publish" or "book marketing" *Publish. Promote. Profit.* explains how to create compelling content quickly and become a true bestselling author even if you have no list, no following and no platform. It contains many real life examples and case studies of the successful systems his authors are using to attract an endless flow of leads, clients, speaking opportunities and media. Praise for Rob Kosberg and *Publish. Promote. Profit.* I first met Rob and Best Seller Publishing 3 years ago when I was looking for a publisher and marketing expert for my book anthology series, "Put a Shark in your Tank." Rob became a friend, trusted adviser and later a partner with me on our new book series. The strategies and tactics Rob teaches in this book are truly cutting edge and what's working right now with him and his clients, including me. Rob outlines the strategies necessary to not just have great content but to get your content into the hands of your ideal client and build yourself a platform and legacy with it. In this book Rob shows you how to go from hunting for clients to being The Hunted. I am thrilled to see this content get into the hands of those with a message that the world needs to hear. As I was once told I now tell you. It's time to leave the shadows and make an impact with your message. Here's to building your legacy. - KEVIN HARRINGTON Inventor of the Infomercial and original Shark on ABC's Shark Tank Rob has a system that works, he takes a personal interest in his authors and to me it is a one stop shop that was a savings of time, energy and money and also helped move this project forward in a very efficient way. My thanks go out to Rob and BSP because they did help make my book a BEST SELLER. - DELANO LEWIS Former U.S. Ambassador to South Africa, Best Selling Author of *It All Begins With Self* Section One: Publish S'mores Anyone? Kindle Book Millionaire

This book contains all the ins and outs of the writing and publishing industry. It was written for writers, poets, publishers, ghostwriters, editors, proofreaders, typesetters, copywriters, freelancers, syndicated columnists and other aspiring authors who are ready to get their names in print. Every author I know gets asked the same question: How do you write a book? Writing a book is never exactly easy but can be a "doable" process. In other words, anyone can write book even children as young as 5 years old. Writing, as opposed to publishing, requires almost no financial or physical resources. A pen, paper and effort are all that has been required for hundreds of years. Whether you're allowing a traditional publisher to produce your book, or you're striking out on your own to self-publish, becoming an author can be a rewarding experience if you allow it to be. Writing a good book, compared to a bad one, involves one thing -- work. No one wants to hear this but if you take two books off any shelf, I'll bet the author of the better book worked harder than the author of the other one. No matter how you approach it, a great deal of time and commitment is required. Nevertheless, seeing a book through to completion need not be a grueling task. If you approach the process with a thought-out plan, it can actually be enjoyable. There are many reasons that people would like to write a book -- what's yours? Defining why you would like to write a book is important on several levels. First, it helps you figure out how dedicated you will be to completing your writing project. Your writing project can be a "short-term" or a "long-term" project. Many aspiring authors have started writing a book but were side-tracked because of unethical people who have led them down the wrong path in the publishing industry. This book will help you get back on track and make your dream of writing a book come true. Good luck!
