A Latin Grammar

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

A Latin Grammar on the System of Crude Forms

If you're a student of Latin, look no further than this concise and authoritative grammar guide. Key's system of crude forms is a practical and intuitive approach to understanding the intricacies of the language. With clear explanations and abundant examples, this book is sure to become a favorite of Latin students and educators alike. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.
