

after postmodernism an introduction to critical realism continuum collection

[#critical realism](#) [#postmodernism](#) [#social theory](#) [#philosophy](#) [#continuum collection](#)

Explore the intellectual landscape after postmodernism with this essential introduction to critical realism. This book, part of the Continuum Collection, provides a foundational understanding of critical realism, its core tenets, and its significance for contemporary social theory and philosophy, offering a robust alternative to postmodern thought.

The collection includes scientific, economic, and social research papers.
